

DECK OF CARDS

“There is a way that seemeth right unto a man, but the end thereof are the ways of death”. Prov. 14:12

Have you ever thought of what you are playing with when you play with a deck of cards? History records that the Puritans called a deck of cards “The Devils Picture Book”. The first deck of cards was made for an insane King Charles of France in 1392. They were designed by sorcerers to enable communication between people without talking. Cards all have a secret meaning. The “King” card, for example, represents the enemy of YHVH and all his unrighteousness, the devil. The “tens” stand for the spirit of lawlessness, and is in direct opposition to the ten commandments of the Bible. In those days there were no guns, the club and the knife were the weapons of choice for murderers. The club cards actually stand for

murder. The “Jack” represents a lustful libertine who lives on the gains of the prostitutes, more recently known as pimps. It represents the moral leper. The “Queen” cards represent the Virgin Mary, the mother of Jesus. In the secrets of the cards she is called the mother of harlots.

The “Joker” in card language represents our Rabbi Yeshua. Joker, of course means a fool. Yeshua is held up as a fool by card players. In the secret language of the deck of cards, it declares that Yeshua (the Joker card) is the offspring of a lustful Jack and the Queen (the mother of harlots). There is in fact a card game called “the brothel game” in which the players use the secret, obscene language of the cards and converse with one another by merely dropping cards amidst no verbal conversation. These are some of the true meanings behind a deck of playing cards.
