

MARK OF THE BEAST

Rev. 13:17 and he provides that **no one should be able to buy or to sell, except the one who has the mark, either the name of the beast or the number of his name.**

Rev. 13:18 Here is wisdom. Let him who has understanding calculate the number of the beast, for the number is that of a man; and his number is six hundred and sixty-six.

Please keep in mind that in Hebrew the word for mark as used here means "piercing" of the skin.

This verse is probably the most famous verse in the book of Revelation. There has been movies, books, songs, and a plethora of things based on the 666 theme. Before we try to understand the meaning behind 666, FIRST we need to take heed to John's exhortation. John first tells us that wisdom is needed. I will be the first to admit that this verse has perplexed me for years as well as many prophecy students. I have heard many interpretations surrounding the meaning behind 666. I would like to

present a few popular theories on the meaning of 666.

In Hebrew they used letters to represent numbers. This system is called gematria. "Aleph" (the first letter of the Hebrew alphabet) represented one, "bet" represented two, and so on. In Hebrew the gematria value of the Hebrew name "Prince Charles Mem Whales", which is how his name would be formally recognized in Hebrew, is 666. Using the same principal in the English language, the name Prince Charles Of Wales is equivalent to Chaldea 666. Prince Charles name is the only name in the world that in both English and Hebrew gematria equals 666. Is this coincidence? Some would like to think maybe one of his sons will be the anti-christ, but none of their names add up to the correct gematria value.

The first century Believers equated 666 with Caesar Nero. If you assign this number order to the alphabet (100 = A, 101 = B, 102 = C, etc.) the numerical value of the name Hitler equals 666. If you take the title that is on the pope's official hat, assign the corresponding Roman numerals to each letter, and add them up you will get the number 666. Some have even suggested that the "WWW" for the World Wide Web also equals 666.

What do we really know about 666? First, John says it is the name of a man (the beast) and the number of his name (Rev. 13:17). Second, we are told to count the number of the beast because it is the number of a person. Does this mean we are to count $6 + 6 + 6 = 18$. Or is the value of the mark six hundred and sixty six?

It is interesting to note that both Saturn and Mystery are Chaldean words, and they are correlative terms. As Mystery signifies the Hidden System of the Roman Catholic Church, so Saturn signifies the Hidden god of the Roman Catholic church. To those who were initiated the god was revealed; to all else he was hidden. That is one of the main reasons why for hundreds of years the RCC used the Latin language in its services. This was done because Latin was the mystery language (hidden language) that only the initiated could understand, equivalent to a declaration that the RCC is the Church of Mystery. I would like to also add that the name "Saturn" in Chaldea is pronounced "Satur", which in Chaldea consists of only four letters, thus "Stur". This name contains exactly the Apocalyptic number 666. S=60, T=400, U=6, and R=200, STUR=666. Saturn and Janus,

the hidden god (similar in fact to “Amen”) is another of the many gods the Pope represents. Coincidentally, Saturn and Janus were both identical gods well known to all Romans in days of old, to the uninitiated and the initiated alike. Janus (in Babylon) was also known as “E-anush”, or “the Man”, or “godman”, referring to the Babylonian Messiah. Keep this in mind when looking at Rev. 17:5.

Just as the identity of the anti-messiah has been concealed, so is the meaning of the number 666. I really don't think we will know the full truth until the beast comes to power. Until then, I would like to offer a simple, and hopefully reasonable, solution to the 666 debate.

Towards the end of the Bible in the book of the Revelation (chapters 13 and 14) there is prophecy concerning an end-time dictator who is scheduled to rule the whole world. In symbolic language he is called **The Beast!** Elsewhere in Scripture he is known as:

- * The Man of Sin
- * The Man Lawlessness
- * The Son of Perdition
- * The Little Horn
- * The Antichrist

When he appears he will order every soul on earth to receive his **mark**, his identifying **sign or signature** in their foreheads or right hands. No one will be able to buy and sell without first accepting the **mark!** This will be **economic sanctions** on a scale the world has never known. Regardless of nationality, color, or creed, it will apply to everyone who refuses to receive the **Mark of the Beast**. You may be sure it will be a testing time for all mankind and comparatively few people will pass the test.

In the same prophecy **Yahveh, the Almighty One of Israel**, the God of Abraham, Isaac and Jacob warns mankind that all who accept the Mark of the Beast will experience the full measure of His wrath, which is to be poured out undiluted, *'without mixture, into the cup of His indignation.'*

It is a terrifying prophecy to say the least and one you must understand if you want to escape the wrath of the Almighty. Bible commentators have through the centuries endeavoured to interpret this prophecy; and there is no shortage of explanations available.

There are probably as many explanations of the **Mark of the Beast** as there are religious denominations; and you are free to make your choice and believe the one which suits you best. But to be honest, we have to admit that nowhere in the Bible does the Almighty categorically say what the **Mark of the Beast** is. To be sure, He has given us some very good clues, which point the Believer to the truth: but of the Mark itself Scripture provides no clear cut definition. Nevertheless, in spite of this apparent lack, we will soon discover that Yah is by no means at fault here, the prophecy concerning the Mark of the Beast deserves careful consideration; for it is a revelation of such awesome prospect that only fools will continue to ignore it. Here, indeed, are divine threatenings which every man and woman the world over should pay special heed to; because they deal with a degree of punishment more severe than we can imagine, let alone describe. Please understand that I have no wish to dramatize the issue; nor do I want to piously play it down as though

it were of little account. The gravity and urgency of this prophecy demands that I fearlessly present the facts to all who seek to escape the wrath of Yahveh the Mighty One of Israel.

Can you think of anywhere else in the Bible where people receive a mark? There are a few verses that stand out:

Gen. 4:15 So Yahveh said to him, *“Therefore whoever kills Cain, vengeance will be taken on him sevenfold.”* And **Yahveh appointed a sign for Cain**, so that no one finding him would slay him.” This sign, mark, is commonly seen on Hindus, between their eyes. It has many meanings, but basically it is known to represent death, or the third eye.

Deut. 6:4-9 *“Sh’ma, Yisra’el! ADONAI Eloheinu, ADONAI echad [Hear, Isra’el! ADONAI our God, ADONAI is one]; and you are to love ADONAI your God with all your heart, all your being and all your resources. 6 These words, which I am ordering you today, are to be on your heart; and you are to teach them carefully to your children. You are to talk about them when you sit at home, when you are traveling on the road, when you lie down and when you get up. 8 Tie them on your hand as a sign, put them at the front of a headband around your forehead, 9 and write them on the door-frames of your house and on your gates.*

Ezek. 9:4 Yahveh said to him, *“Go through the midst of the city, [even] through the midst of Jerusalem, and put a mark on the foreheads of the men who sigh and groan over all the abominations which are being committed in its midst.”* Here the mark is the exact opposite of the mark of Cain. It is used as a sign of Holy people.

UNDERSTANDING BIBLE PROPHECY

There exists in Scripture a fundamental principle regarding the **origin and understanding** of Bible prophecy. The principle is mentioned in this passage:

2Pet. 1:20-21 *Knowing this first, that no prophecy of the scripture is of any private interpretation. For the prophecy came not in old time by the will of man: but holy men of Yahveh spake as they were moved by the Holy Spirit.*

Origin

Bible prophecy is not the product of human intellect or will power. It is a gift from Adonai. Holy men of old were inspired by the Holy Spirit: or, as the text says, *“they were moved by the Holy Spirit.”*

Understanding

In exactly the same way, the understanding of **Bible prophecy** is also not a matter of human intellect or will power. One must be **given the understanding** just as the prophets of old were given the prophecy. In other words, spiritual eyesight is also **a gift from Yah**. This means that without the Holy Spirit it is virtually impossible to correctly understand, appreciate or even believe a Bible prophecy. Understanding must come from above either through:

Direct revelation, which few of us are privileged to receive, or

From the Bible itself, and then only if the Holy Spirit opens our minds to understand.

As far as this generation is concerned, we must look to the Bible to **interpret itself**: for none of us can compare with the prophets of old who had **direct revelation**.

Bearing these basic facts in mind, we will now seek to solve the mystery of the Mark of the Beast by **comparing Scripture with Scripture**. When we do this we see that **Yah also places His Name (His seal) in the foreheads of those who follow Him**.

Rev. 7:2-4 *And I saw another angel ascending from the east, having **the seal of the living Yahveh**: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea, {3}: Saying, Hurt not the earth, neither the sea, nor the trees, till we have **sealed the servants of our Yahveh in their foreheads**. {4}: And I heard the number of them which were sealed: **and there were sealed a 144,000 thousand four hundred and forty** (correction made) of all the tribes of the children of Israel.*

Rev.14:1 *“And I looked, and, lo, a Lamb stood on the mount Sion, and with Him a **144,000 thousand four hundred and forty** (correction made) having His Father's name written ~~in~~ on (correction made) their foreheads.*

After examining these verses about **Yah's name**, one cannot fail to see a similarity with those verses containing those two clues about the **Beast's Mark or name**. For here in this prophecy we are given a preview of two groups of people.

1. Those who accept the **Father's Name or Seal in their foreheads**. (Rev.7:2-4, Rev. 14:1)
2. And those who accept the **Beast's Name or Mark in their foreheads**. (Rev.13:16)

In other words, **the Mark of the Beast and the Seal of Yahveh are both names and are both placed in the foreheads** of the people who receive them. Here we can clearly see that the Beast is attempting to **duplicate or counterfeit** the Almighty's program by similarly inscribing his **mark, his name** in people's foreheads. This passion to counterfeit the Almighty is a typical Satanic trait: for he never tires of counterfeiting the handiwork of Yah: not just to be like Him - which would be admirable - but to replace Yah. Beware of spiritual counterfeits which are **substitutes** of the genuine article.

These facts lead us to the conclusion that the **Beast's Mark is simply a counterfeit or substitute of Yahveh's signature and seal**. It follows that any information which we obtain concerning the **Seal and Signature of Yah** will obviously help us decipher the mystery of the mark of the beast.

YAH'S SIGN AND SEAL

According to the dictionary, the words '*sign, 'seal, 'signature, 'mark, 'inscription, 'etc., are synonyms. That is, they are different words with shades of similar meaning. Yahveh's seal, in short, is linked with His sign, His signature and His Name. And so for that matter is your own **sign or signature**. It is simply an inscription of your own **name**.*

Well may we now ask, "**What then is the Almighty's Sign?** Is it a visible signature, mark or name that He inscribes on the foreheads of His people?" Obviously not, for this is a symbolic prophecy and, besides, Yahveh's law expressly forbids us making or receiving any marks on our bodies. **Lev. 19:28-29** *“You shall not make any cuts in your body for the dead nor make any tattoo marks on yourselves: I am Elohim. ‘Do not profane your daughter by making her a harlot, so that the land will not fall to harlotry and the land become full of lewdness.”* The Most High would hardly, therefore, expect His servants to receive a literal **mark or tattoo** on their foreheads if His law expressly forbids receiving marks. Oh no, Yah's signature or sign is certainly not a literal inscription or mark on the

forehead.

Yah's signature or sign is very different from all these things, and because of its strangely unique nature we will allow the Scriptures to tell you what it is.

Exod. 31:13 *“But as for you, speak to the sons of Israel, saying, You shall surely observe My sabbaths; for [this] is a sign between Me and you throughout your generations, that you may know that I am Yahveh who sanctifies you.”*

Ezek. 20:12 *“Also I gave them My sabbaths to be a sign between Me and them, that they might know that I am Yahveh who sanctifies them.*

Ezek. 20:20 *‘Sanctify My sabbaths; and they shall be a sign between Me*

and you, that you may know that I am Yahveh your Elohim.’

And there you have it!

The Sabbath days in the Almighty's law are His signature, the special identifying SIGN He places on His people to signal to the universe that they are His: and that He has set them apart to sanctify them.

WHAT OF THE ALMIGHTY'S SEAL?

We are also told in **Isa. 8:16** that the God of Israel seals His people with His Law. ***Bind up the testimony, SEAL THE LAW among my disciples.*** In other words, the Almighty seals His people with **obedience**. Obedience, incidentally, is doing what the Most High commands, following in His steps, endeavouring to behave like Him. **The word “OBEY” you will find is the most dreaded word in christianity. It is the ultimate swear word to them obviously because they will have no part of obedience to the Living Word (Torah) of Holy One Of Israel. It is not on their mind or on their heart of stone.**

WHERE DOES YAH PLACE HIS SEAL AND SIGNATURE?

The Scriptures tell us that they are inscribed in the Believer's '**forehead**' meaning his/her 'mind.'

Hebr. 8:10: *For this is the covenant that I will make with the house of Israel after those days, saith Yah I will put my laws into (onto) their mind, and write them ~~in~~(on) their hearts: and I will be to them a Father, and they shall be to me a people:*

Deut. 6:8 *And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes.*

Exod. 13:9 *And it (the Feast of Unleavened Bread) shall be for a sign unto thee upon thine hand, and for a memorial between thine eyes, that Yah's law may be in thy mouth.*

According to these Scriptures, the Almighty's Seal is His law, and His Signature is defined as being the Sabbath days in His law. These are inscribed in the Believer's forehead, his mind. Yes, believe it or not, Yah's Sabbath days constitute His signature, His sign: and like Himself they cannot be changed or done away with. It's that simple.

THE ALMIGHTY'S SABBATHS

Do you know what the Almighty's Sabbaths are? Can you turn to the Scriptures and identify the Sabbath days of the Holy One of Israel? The answer is: they are the seventh day of the week (Saturday) and the seven annual Sabbaths mentioned in Leviticus chapter 23. (The Feasts of Unleavened Bread, Pentecost, Trumpets, the Day of Atonement, and the Feast of Tabernacles). **These Sabbath days are the sacred memorials of Yah's finest and greatest achievements in the Plan of Salvation. They are the divinely appointed anniversaries of His work of creation, redemption and sanctification.** They represent the Almighty's signature and as part of His holy law are scheduled to be inscribed on the very minds of His true followers. This means that they will be understood, accepted, appreciated, remembered and observed for all time by the true children of the Most High. The anti christ is the one who promotes lawlessness.

In short, the Almighty is going to seal and sign His people of **OBEDIENCE, with HOLINESS**. When that event occurs, **we will bear His Name in our minds (forehead), and actions (right hand): which means we will reflect our heavenly Father's holy character.**

Why are these Sabbath days so important? They are important because they are a declaration of faith in the Person, the character, the handiwork, and the sanctifying power of **Yahveh the Almighty God of the Hebrews, the God of Abraham, Isaac and Israel**. In modern terms the Sabbath days listed in Leviticus 23 are the Eternal's '*trade mark,*' '*logo,*' '*His signet,*' '*His signature,*' '*His company seal,*' '*His badge,*' '*the 'symbol of His presence,*' '*His Name:*'. When they are faithfully remembered, kept in mind, (in the forehead) by a Believer, they signal to the universe that person is Yahveh's property, and that He is even now impressing His Name upon that person's soul.

Isa. 8:16 *"Bind up the testimony, seal the law among my disciples.*

Hebr. 10:16 *This is the covenant that I will make with them after those days, saith Yahveh, I will put my laws into their hearts, and in their minds will I write them.*

Now do you understand? Have you begun to grasp the awesome, spiritual significance of Yahveh's Law; and especially the Sabbath days in His law? In truth, they alone constitute the Almighty's Signature which He inscribes upon the minds of Believer's; which week by week and feast by feast strikingly sets them apart from all the peoples of this world, peculiar.

Yes, the Eternal's unchanging signature is the seventh day Sabbath (Saturday) and the seven annual Sabbaths in the Sacred Calendar. **Take these Sabbath days away, remove them from the environment of worship and you will lose the one and only identifying sign that distinguishes the servants of the God of Israel, from the rest of humanity.** That is a fact, a fact which will increasingly amaze you the more you consider it.

Paul's prophecy of **the Lawless One, the Man of Sin** is also another eye opening commentary on this same satanic power who will arise in the last days to oppose Yah and His law. **2Ths. 2:8** *"Then that lawless one will be revealed whom Yah will slay with the breath of His mouth and bring to an end by the appearance of His coming;"*

You will notice in this chapter how the Apostle Paul describes the activities of the Antichrist as "lawlessness." He calls him the "Man of Sin," (verse 3) the "mystery of iniquity" (verse 7). Look at all the lawless people that consider themselves Christians.

1John 3:4: Sin is the transgression of the law.

The 'Man of Sin', as the term implies, is an antagonist of divine law. He absolutely detests the Almighty's law and every commandment in it. He not only breaks Yah's law, but his main objective is to lead others into breaking it, into disobedience, into sin. That's why he's called the 'Man of Sin.' He's done a good job so far hasn't he?

According to the prophet Daniel (chapter 7:25) the main thrust of the Beast's hatred is directed against the divine commandment dealing with **sacred times**. And this can only mean the Sabbath commandment, which alone deals with the **element of time**.

Dan. 7:25 *And he (the little horn) shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.* The only laws in Scripture which deal, with the element of 'time' are the Sabbath laws of the Most High. These laws are directly linked with the Feast days in the sacred calendar. The Little horn vainly imagines that he can change Yah's law.

From this it becomes evident that the Man of Sin, the Antichrist, the Little Horn power, the **Beast**, will vainly imagine that he can somehow change the Sabbath days of the Almighty and replace them with days of his

choosing - counterfeit sabbaths! And that dear reader is exactly what the Antichrist has tried to do. He has tried to set aside the sacred Sabbaths of the Most High by popularizing numerous festivals of his own choice. In other words, he has **dared to think that he could change the commandment concerning time in Yahveh's law. He's trying to delete the Signature of the Almighty**, by somehow replacing it with his own sign, his Mark!

A very well known early father of the Roman Catholic Church was excommunicated and banned by the Pope in 1246. Eberhard II, archbishop of Salzburg Germany (1200-1246) set forth the teaching that the "little horn" was the Pope, a wolf in shepherds' garb, the anti-christ, the son of perdition. John Foxe, noted writer of Foxe's Book Of Martyrs (1331-1360), John Wyclif, famous for his book The Mirror Of Antichrist, Walter Brute (1391), Sir John Oldcastle (1360-1417) famous preacher of Herefordshire, John Huss (1369-1415), Martin Luther (1483-1546), Nicolaus Von Amsdorf (1483-1565), Philip Melancthon (1497-1560), John Calvin (1509-1564), John Knox (1505-1572), Huldreich Zwingli (1484-1531), John Napier (1550-1617), William Tyndale (1484-1536), King James (1566-1625), Nicholas Ridley (1500-1555), John Bradford (1510-1555), Thomas Cranmer (1489-1556), John Hooper (1495-1555), Thomas Becon (1511-1567), Hugh Latimer (1490-1555), John Jewel (1522-1571), Edwin Sandys (1519-1588), and John Wesley (1703-1791), founder of Methodism are just some of the famous respected preachers and teachers of years gone by, that spoke clearly about the Pope being the antichrist. The churches have already clearly fallen into the Roman anti-christs trap. The Harlot is still leading her daughters, (those so-called SUNDAY type Protestants) in the business of religion, around the world.

666...THE MARK OF THE BEAST

Rev. 13:16-18 *And he causes all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand or on their forehead, and [he provides] that no one will be able to buy or to sell, except the one who has the mark, [either] the name of the beast or the number of his name. Here is wisdom. Let him who has understanding calculate the number of the beast, for the number is that of a man; and his number is six hundred and sixty-six.*" Notice here it says "on" their right hand or "on" their forehead, as compared to "into" their mind and write them "in" their hearts, as written in Hebr. 8:10.

Satan himself is the counterfeit of Yahveh the Father. The Anti-Messiah is obvious, he is against Messiah Yeshua, and the False Prophet is the counterfeit of the Holy Spirit.

The False prophet is to the Anti-Messiah what the Holy Spirit is to Yeshua (Rev. 13:14)

Anti-Messiah has two meanings; "son of perdition," which translated means, "chief son of Satan," (2Ths. 2:3) or the obvious, "against", "anti" Messiah, or in place of, (in Greek)

THE SPIRITUAL SIDE OF THE MARK

"But," you ask, "What is his Mark?" Yes, what is the signature or Mark of the Beast?

There is only one Bible-based answer to that question, and it presents itself as the only conclusion that the foregoing facts allow; and that one inescapable conclusion is this:

The true weekly Sabbath of Saturday and the seven annual Feast Days in the sacred calendar constitute the Sign of Yahveh the Mighty One of Israel. The spiritual side of the Mark of the Beast, the Lawless One, the one who vainly thinks that he can change the Sabbath days in Yahveh's law, must by process of simple deduction be the bogus sabbath of Sunday. This includes all the other pagan festivals which are currently posing as Christian Holy Days: (Sunday, Ash Wednesday, Easter, Hallowe'en, Christmas, etc.).

These popular holidays are certainly not sanctified by the Almighty: and nowhere in the Scriptures are we commanded to keep them. They are pagan festivals in disguise. Actually, they are not even disguised anymore. They originated with the heathens centuries before the Christian era and were incorporated into the Christian calendar long after the Saviour's resurrection. Certainly they now have a few praiseworthy principles veneered onto their make up, and this has deluded millions of genuine Christians into accepting them as the true holy days of God; but deep down in substance and effect they are the same old festivals of Satanism that Yahveh abhors: festivals of: fertility, sexual license, and demon worship.

In short, the popular holidays of Sunday, Easter, New Years, Christmas, etc., are forgeries of Yah's Signature. They represent the Antichrist's futile and presumptuous attempt to meddle with the calendar of the Almighty! I hate to admit it, but look around you, the devil is fooling millions of people who call themselves "the body of Christ".

The Bible says of the "Little Horn" power, that he would *"think to change the times of Sacred Feasts and holy days and the law;"* that *"calendar and ordinance he shall think to set aside."*

Oh how true this has proved to be. The Antichrist has already attempted to do just that. But his attempted forgery has been exposed. Throughout the world people are becoming increasingly aware that the festivals of Christendom are nothing more than pagan festivals in disguise.

In the light of these facts, therefore, we cannot help but conclude: that **the bogus religious festivals are in reality the Signature of Satan, the spiritual side of the Mark of the Beast!**

How they originated and came to be adopted by most of the churches is a study in itself, a study you may wish to pursue in the nearest reference library. Indeed, it is now common knowledge that these festivals are inherently pagan, that they existed long before the Christian era, and were only introduced into the Christian worship several centuries after the resurrection of our Saviour. **But what is not generally known is that they represent the Lawless One's efforts to change the Sabbath and Festival commandments in Yahveh's law and that they constitute the spiritual side of the Mark of the Beast. You can thank the Roman Catholic Church for that.**

Comparatively few know this fact. In view of this, it becomes obvious that there can be no room in the church for bunny rabbits, easter eggs, hot-cross buns, ghost masks, mistletoe, and Christmas trees. These heathen symbols and especially the observance of

the festivals they adorn accompany, must be discontinued by all true Believers who wish to please the Holy One of Israel. Why?

Because once they are recognized for what they are, then a person's continued use of them can only mean that he/she is unmoved by the severity of Yah's warning, and has virtually begun to reject the Father's Name. It is a form of mockery.

HAS ANYONE GOT THE MARK NOW?

The answer is: No one has the physical Mark of the Beast at this moment in time (Sept. 2012). All I am doing now is **identifying what the mark is**. But when the Antichrist makes his appearance officially on the world scene, then every soul on earth will be **compelled to choose between Yahveh's signature and the Beast's Mark**. As the bible tells us to choose between right and wrong, dark and light, clean and unclean, righteousness and unrighteousness, we too will have to choose between Yahveh and the devil. It is at that time, when those who refuse the mark are not allowed to buy and sell, then - and then only - will we be able to say who has the Mark of the Beast. But at the moment the SUNday churches have people who have the spiritual Mark of the Beast. All I am doing in this article is identifying what the Mark is and what the punishment will be for those who knowingly accept it.

However, your present reaction to this message about the True Sabbath Day is a very powerful indication of what you will do when that testing time comes for you to choose between Yah's signature and the Beast's mark.

Whose signature will you accept on the parchment of your soul at that time? That is a question only you can answer. In the past you may not have known anything about the Almighty's Sabbath days, I didn't, and Yah in His great mercy will no doubt allow for our ignorance. But now you know. **Never again can you truthfully say, "I didn't know." It's your move!**

You now know what the Mark of the Beast is, and with that knowledge comes the added responsibility to obey Yah's commandments. In your own interests, therefore, you should carefully consider the conditions and consequences this article has brought to your attention, before making a choice. And do not needlessly delay; for time is short and the patience of the God of Israel has almost run out. The spirit of the **Lawless One, the Antichrist**, is already at work deceiving millions of Christians into thinking that Yahveh's law, the irrevocable constitution of the mighty universe, are obsolete. Beware of that subtle and dangerous deception: for it has already tricked most of the pro-claimed Christians into sin.

The Scriptures abound with examples of how the servants of the Most High were tested on the matter of **obedience**. The longest Psalm in the Bible (Psalm 119) extols **obedience** in virtually every verse. In the **Sermon on the Mount** the Saviour magnifies obedience to a degree few, if any, individuals had previously imagined. The Saviour's advice concerning the Commandments was as follows:

Matt. 19:16-19 *And, behold, one came and said unto Him, Good Master, what good thing shall I do, that I may have eternal life? {17}: And He said unto him, Why callest thou me good? there is none good but one, that is, Yahveh **but if thou wilt enter into life, keep the commandments.** {18} He saith unto him, Which? Yeshua said, Thou shalt do no*

murder, Thou shalt not commit adultery, Thou shalt not steal, Thou shalt not bear false witness, {19} Honour thy father and thy mother: and, Thou shalt love thy neighbour as thyself “

So dear to His heart are His Sabbath commandments that this fearsome punishment will be handed out to those who knowingly and wilfully break them. **Rev. 14:9-10** *And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, **The same shall drink of the wine of the wrath of Yahveh**, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:*

When the Antichrist arrives on the world scene, people will be compelled to receive his mark. If you refuse it, you will not be allowed to **buy and sell**; no matter where on earth you live. But if you accept it, you will drink of the wine of the wrath of Yahveh. And that is why it is so important that you really understand - **in advance** - what the Mark of the Beast is.

WILL YAHVEH PROTECT HIS PEOPLE WHEN THEY CAN NO LONGER BUY AND SELL?

The God of Israel is well able to miraculously nourish and protect His people when they are expelled from human society for seeking to obey Him. Indeed, He has a plan to care for them in the same way as He looked after ancient Israel in the wilderness of Sinai. In that wild and barren desert, **Yah fed His people for 40 years**, much to the astonishment of all the surrounding nations. In Ezekiel 20:35 and Revelations chapter 12 you will read about a similar plan of 3 1/2 years: when He will miraculously feed and shelter His people in the **'wilderness of the people'**. To be sure some Believers will be martyred when the Antichrist arrives on the world scene. But the real church body will certainly not be wiped out. Many obedient souls will be divinely protected as that prophecy clearly indicates.

The book of Revelation, awesome though it is, ends with a blissful picture of Yah's obedient people entering Heaven or the New Jerusalem, to live eternally with Him and His Son who sacrificed His life on Calvary to redeem us.

Rev. 22:14 Blessed are they that do His commandments, that they may have right to the tree of life, and may enter in through the gates into the city. Let no one keep you from reaching that eternal goal; because it is your legal right to be there. **Yeshua the Messiah** has already paid the price for you to enter. Put your faith in Him; express that faith in obedience - and live holy all the time. That is the message of all Scripture.

THE ECONOMIC SIDE OF THE MARK OF THE BEAST

In the following study, I will now show how the **“Mark Of The Beast”** is an "economic" mark, which is a derivative of a religious mark. There are a number of well known prophecy scholars who are trying to tell people that taking a computer chip in your hand or in your forehead (if your right hand is amputated) is ok, because, they insist, the antichrist mark is strictly a religious mark, like a religious denomination status. These so

called prophecy experts are deceived, and they are deceiving others. Do not be misled by them, for to take the mark is to damn your soul for all eternity. The reason why the mark is primarily economic on the exterior, and not religious is simple: the spirit of Satan is manifested on planet earth through the spirit of "mammon". Buying and selling are economic activities, not usually considered religious activities. But if you stop and think about it for a moment: "where does all the money one uses come from"? Does it not all come from Yah to begin with. In other words, you can't separate economics from spirituality. They are one and the same.

Let' have a look at what the Word of the Almighty says:

Rev. 13:16-18 *"And he causes all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand or on their forehead, and [he provides] that no one will be able to buy or to sell, except the one who has the mark, [either] the name of the beast or the number of his name. Here is wisdom. Let him who has understanding calculate the number of the beast, for the number is that of a man; and his number is six hundred and sixty-six."*

Planet earth is run via economics, and economics are the bottom line in value for most human beings. The richer you are, the more status and more rights you have, the more value as a person you have. If you are poor, or with no money, you have no worth, and you have no value. We are speaking here of reality, and not wishful thinking of the liberal socialists who want all to be equal. Under the antichrist system, they will all be servants of Satan, and they will all be spiritually destitute, having sold their own souls and bodies to an economic system and its enslavement, in exchange for survival.

Let's begin with what the bible says about economics, and lay the foundation for why the mark is also economic, and not just spiritual (religious).

1Tim. 6:10 *For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows."*

OBSTACLES OF THE NARROW/STRAIT GATE....STRIVE AND SEEK

Luke 13:23-25 (NAS) *"And someone said to Him, "Messiah, are there [just] a few who are being saved?" And He said to them, "Strive to enter through the narrow door; for many, I tell you, will seek to enter and will not be able. "Once the head of the house gets up and shuts the door, and you begin to stand outside and knock on the door, saying, Yeshua, open up to us!" then He will answer and say to you, I do not know where you are from."*

KJV (corrected) *"then said one unto him, Rabbi, are there few that be saved? and He said unto them, [24] strive to enter in at the strait gate: for many, I say unto you, will seek to enter in, and shall not be able. [25] when once the master of the house is risen up, and hath shut to the door, and ye begin to stand without, and to knock at the door, saying, Adonai, Adonai, open unto us; and He shall answer and say unto you, I know you not whence ye are:*

Now there is a very interesting contrast between the words **strive** and **seek** in this important statement of Yahveh. Even though we only have the Greek words to guide us, lets have a look at these two words. The word **strive**: agonizomai, ag-o-nid'-zom-ahee,

greek 75; from Greek 73 (agon); **to struggle, literally (to compete for a prize), figuratively (to contend with an adversary), or genitive (to endeavor to accomplish something) fight, labor fervently, strive.** This hardly sounds easy to enter in - which is why a rich man has so much trouble - his riches stand in the way. Now take a look at the word **seek** for a real shocker: zeteo, dzay-teh'-o, greek 2212; **of uncertain affinity; to seek (literal or figurative); specially (by Hebrew) to worship (God), or (in a bad sense) to plot (against life) be (go) about, desire, endeavor, inquire (for), require, (will) seek (after, for, means).**

Now then, the word seek means to worship Yah, that is, to attend fellowship, to sing your songs of praise, to put your money in the plate for Yah's work, and all the other things that attend to worship of Messiah. Do you understand the gravity of what is being said here? The vast majority of Christians only **worship** their God, they do not **agonize or strive** to enter in at the strait gate. In fact, Yeshua says the multitudes cannot even do it, they can only worship Yah, but they are not able to enter in.

The word strait means to be so full of obstacles that it is virtually impossible to get through unless you desire it more than anything else. Therefore unless you desire Yeshua the Messiah more than the cares of this world and the riches of this world, you will not be able to enter the strait gate, let alone walk the narrow way unto life eternal.

Now anyone with half a brain can figure out that Yeshua thinks that riches make it very difficult for one to enter into the kingdom. Why? the desires of the heart are very deceitful and they usually pertain to money, power, and position in this world, which brings with it respect and authority. He calls for His true disciples to turn their back upon this "spirit of mammon" and to pick up their stake and follow Him. How hard it is to do that, and if true, so very difficult. So difficult in fact that Messiah made these astounding comments about it:

Luke 18:18-25 *"A ruler questioned Him, saying, "Good Teacher, what shall I do to inherit eternal life?" And Yeshua said to him, "Why do you call Me good? No one is good except Yahveh alone. "You know the commandments, 'DO NOT COMMIT ADULTERY, DO NOT MURDER, DO NOT STEAL, DO NOT BEAR FALSE WITNESS, HONOR YOUR FATHER AND MOTHER.'" And he said, "All these things I have kept from [my] youth." When Yeshua heard [this], He said to him, "One thing you still lack; **sell all that you possess and distribute it to the poor, and you shall have treasure in heaven; and come, follow Me.**" But when he had heard these things, he became very sad, for he was extremely rich. And Yeshua looked at him and said, "**How hard it is for those who are wealthy to enter the kingdom of Yahveh!** "For it is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of Yah."*

James 5:1-3 *"Come now, you rich, weep and howl for your miseries which are coming upon you. Your riches have rotted and your garments have become moth-eaten. Your gold and your silver have rusted; and **their rust will be a witness against you and will consume your flesh like fire.** It is in the last days that you have stored up your treasure!*

Luke 6:24 *"But woe to you who are rich, for you are receiving your comfort in full.*

Now if it is Yah's will that no one perish, then why all of this trouble to enter into the strait gate? Notice I said, there is a difference between strive and seek. The difference is one of worship alone, the other is seeking out Yah with all of your heart and soul. We are

to have a personal relationship with the Almighty. The "many" only worship Yah to enter in, while others actually strive and agonize to obtain the kingdom, to lay hold of Messiah. It is not that they are not actually able, it is because they will not give up the world and its mammon to search out Yah and find Him so they may enter into union with Him. The rich man would not give up his riches to enter the Kingdom. The only thing he lacked was agape, the divine love of Yah. The only way he could obtain it was to turn his back upon mammon and its rule over him and his spirit, and follow Messiah. He could not do it. Scripture is adamant that the vast majority of Christians are like the rich ruler. They cannot part with the world. It is quite easy then to establish the fact that mammon stands in opposition to the divine love of Yah, and that each person must make a choice between the two. "Ye cannot serve both Yahveh and mammon..." (which includes worldly possessions..things)

The spirit of control is closely associated with mammon and worldly things. People who refuse to give control of their lives to El Shaddai, may go about striving without receiving the blessings of the Almighty. They strive to do it their way, instead of Yah's way. **1John 2:15** ***"Do not love the world nor the things in the world. If anyone loves the world, the love of the Father is not in him."*** We must never let our appreciation for some of the things of this world become, "love of these things". This leads to bondage, to things that become idols. We must let Yah control our lives if we want the blessings that come with obedience. Control is the basis of witchcraft. If we want control over things around us: money, jobs, food, people, emotional situations, etc., Yah will not interfere. He will never make us do what we don't want to do. Many people use this form of witchcraft without realizing it is actually just that, witchcraft. Remember, witchcraft is the domination, manipulation, or control of someone, by any means other than the Holy Spirit. If mammon, or worldly things control us (addiction.. bondage.. hoarding), we in turn are trying to control possessions, people, or situations around us. It may be coming in the back door of witchcraft, but it is non the less still a form of witchcraft. It is of the dark side.

The rich men of the earth, those who are experts in the handling of money and the systems of money set up a system of MERCHANDISING, or TRADE, that involves goods, loans, notes, usury, and banking. Ancient records going as far back as ancient Babylon, prove that the systems we know today have been entrenched for a long, long time. Now these rich men spent their time on earth GAINING THE WORLD, and losing their souls in the process. In other words, they are SOLD OUT TO THE SPIRIT OF MAMMON, and MAMMON is their God. As Yeshua said you can not serve both Yahveh and Mammon, obviously their choice was MAMMON. As the "love of money" is the root of all evil, then their "sell out to mammon" is a "love of money", a "love of the spirit of mammon", which stands in opposition to the Kingdom of Yah.

The love of money is the root of all evil. All the evils that plague mankind have a root in this thing called a love of money. The word "love" here means avarice, which means an obsession with wealth and money to the point of it being a mental illness. From this love of money comes the world economic systems, run by the rich men of the earth, the banking cartels, the international bankers, the merchants of the world, called the "lords of the whole earth". These people have an insane love of money, of wealth, and of power that knows no limits. Further, because they are wealthy, they believe that they have the

divine right to rule over the other people of the earth. They are ruled by the spirit of mammon. Yeshua had this to say about this spirit of mammon, and how it controls most people on planet earth: **Matt. 6:24** *“no man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve Yahveh and mammon.”*

Yeshua says over and over that there are only two masters people can serve on earth: mammon and Yahveh. It is an either or situation, and it is impossible to serve them both. Therefore, He is calling His own true followers out from under the spirit of mammon, the system of mammon, and calling them into the seven spirits (attributes), of The Almighty. Yeshua made many references to this spirit of mammon, when He referred to rich people, and how hard it would be for them to enter into the Kingdom Of Heaven, because they would not leave their "riches" and the comforts that it brings with them, to search out Messiah Yeshua and El Shaddai the Father.

Is this disdain that Yeshua has for rich people, or is He telling us something of great importance that we must understand concerning the battle between the spirit of mammon and the spirit of divine agape love? Yeshua is very blunt: it is almost impossible for the rich to enter into heaven. They simply cannot, or will not leave their riches. They are in love with their money and material things, as well as the security that money brings them. **Matt. 16:24-26** *“then said Yeshua unto His disciples, if any man will come after Me, let him deny himself, and take up his stake, and follow Me. [25] for whosoever will save his life shall lose it: and **whosoever will lose his life for My sake shall find it.** [26] for what is a man profited, if he shall gain the whole world, and lose his own soul? **Or what shall a man give in exchange for his soul?**”*

First Yeshua says that a rich man can hardly enter the Kingdom Of Heaven, and the only way you can enter the kingdom is via rebirth. The only way you can be born again in truth is via the strait gate, and narrow way, because Yeshua never gave us any other way to enter in. The root of what the Master is telling us is that if you cling to your riches, and you place your trust in them, the likelihood of your becoming born again in truth is very slim, next to impossible. The parable of the sower is in reality a parable about the obstacles of the strait gate.

Yah says the rich men of the earth, the "lords" of the earth are at the root of all of the evils in the systems of mankind. That is why the love of money is the root of all evil – the rich men are the ones who have an insane love of money, and they set up a system that eventually enslaves the entire earth. Not only do they enslave the entire earth, they also plan the deliberate slaughter of the "just", because they themselves are so corrupt and so evil that they cannot stand Yah's people, or even unbelievers who are morally and ethically upright and honest.

These are the people who are at the heart of the Babylonian money system, and they rise up to become the lords of the whole earth, according to Revelation 18, and the Lords of the earth become the rulers and the authorities over everyone else. They become the kings with the masses as their slaves. It is the ideal system if you are one of the rich men. Now the bible says that there is a sort of "evolution" to their system of finance. At first they rule only over their individual kingdoms, or we could say their "tribes".

But then, as mankind progressively "fills the earth", their systems grow into international systems, and they become international bankers.

There are many curses that await the nations that refuse to observe the commandments of Yahveh. Any nation upon earth can obey or disobey the commandments of Yah. We see the curses of Yah in operation throughout all the earth, for all of them are in complete rebellion against Yah, and that's why America has been targeted for complete and total destruction. It is the home of "mystery" and it brings with it a total curse. But there is one curse that we must pay attention to: it is the curse of "strangers" coming into the land and setting up an international financial system that engulfs the entire nation and brings it into the chains of bondage:

Deut. 28:43-45 *The stranger that is within thee shall get up above thee very high; and thou shalt come down very low. [44] He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail. [45] Moreover all these curses shall come upon thee, and shall pursue thee, and overtake thee, till thou be destroyed; because thou hearkenedst not unto the voice of Yahveh your Elohim, to keep His commandments and His statutes which He commanded thee:"*

Bankers are the only ones that lend money. International bankers are the only ones that lend to nations. And these international bankers are "aliens" and not the citizens of that nation. They come into her, and they set up their systems of international finance, via central banking schemes, such as the Federal Reserve, and on an international scale, the World Bank, or the IMF (International Monetary Fund) and they bleed the nation dry with usury and fraud. Their entire system of international finance is based upon fraud. It is corrupt. It is the height of evil and corruption, and it is a curse from Yah Himself as punishment to any nation that refuses to obey Yah's commandments.

America is now well under the curses of Adonai, and America will not escape the wrath of Adonai, she will be destroyed. The International Bankers are not native Americans. They were not born here. They have "come in" and they have taken over the entire banking system. The Federal Reserve Act of 1913 is a direct curse from Yah Himself against America. The Federal Reserve act was part of a massive conspiracy of the international banking cartels to defraud Americans out of their rightful fruit due for their labors, and is a direct fulfillment of the terrible prophecies of curses to any nation that turns its back upon Yah. But America had already gone into deep apostasy by 1913. The International banking cartels needed America to take the world for Lucifer, who is their god, and Lucifer is run by the spirit of mammon. The formation of the IRS and the withholding of the wages is also part of the curse against the people of America for that apostasy. America is the "i" in the word Pride.

Satan's fall from grace is a result of traffic in merchandise. According to the bible, Satan had a huge industrial/merchandising empire before he fell from grace. In fact, his accomplishments in merchandising and trade were so wonderful that he grew in pride and arrogance. The primary reason for the fall of Satan is pride, and that pride is rooted in his love of money, its ability to control, and what could be done with control and domination. He built a system that was apparently universal in scope, although we are not told directly. We find part of this story in Ezekiel:

Ezek. 28:12-19 *““Son of man, take up a lamentation over the king of Tyre and say to him, Thus says Yahveh, “You had the seal of perfection, Full of wisdom and perfect in beauty. {13} “You were in Eden, the garden of Yahveh; Every precious stone was your covering: The ruby, the topaz and the diamond; The beryl, the onyx and the jasper; The lapis lazuli, the turquoise and the emerald; And the gold, the workmanship of your settings and sockets, Was in you. On the day that you were created They were prepared. {14} “You were the anointed cherub who covers, And I placed you [there]. You were on the holy mountain of Yahveh; You walked in the midst of the stones of fire. {15} “You were blameless in your ways From the day you were created Until unrighteousness was found in you. {16} **“By the abundance of your trade You were internally filled with violence, And you sinned; Therefore I have cast you as profane From the mountain of Yahveh. And I have destroyed you, O covering cherub, From the midst of the stones of fire. {17} “Your heart was lifted up because of your beauty; You corrupted your wisdom by reason of your splendor. I cast you to the ground; I put you before kings, That they may see you. {18} “By the multitude of your iniquities, **In the unrighteousness of your trade You profaned your sanctuaries.** Therefore I have brought fire from the midst of you; It has consumed you, And I have turned you to ashes on the earth In the eyes of all who see you. {19} “All who know you among the peoples Are appalled at you; You have become terrified And you will cease to be forever.””***

Now the bible says that when mankind fell, he left the kingdom of Yah, and became a subject under the kingdom of Satan. In other words, he went from the kingdom of love to the kingdom of mammon. He left divine agape love as his central essence, and placed himself under the control of the spirit of mammon. Hence, Satan will, over the course of time, attempt to rebuild his system of merchandising through man, and once again take over planet earth. And this system of traffic and merchandise will be filled with violence and evil. Not only that, it will spread itself to destroy the sanctuaries of Yah in the process, and turn them over to the spirit of mammon. It has occurred.

PROJECT MOSAIC

Project Mosaic is said to be a national security administration project launched some years ago (according to leaked information), that will utilize space technology and satellites to literally track every man, woman, and child upon planet earth. It will operate via ground position satellite tracking devices now being used by the US. Military and others – ground position tracking systems. The word Mosaic was used because it best describes the system itself – a Mosaic is a picture of something made up of different ceramic tiles – and each tile represents one person. Thus, with each person marked with a computer chip placed within their hand or forehead, that emits signals, each person can be tracked 24 hours per day. This concept is now being used on prisoners to keep track of their whereabouts, and is being promoted in America for the tracking of children, as a method of safety in case of abductions.

Project Mosaic is primarily concerned with the interfacing/uplinking and downloading of satellite data and its incorporation into a world wide data base that will eventually be shared by the various regions of the global government and global police forces.

PROJECT TESSERA...DIGITAL ANGEL

This is the program that was launched by NSA (National Security Association), to figure out how to use computer technology in the manufacturing of computer chips small

enough, and with enough memory to be used in the Mosaic system. The word "tessera" is very interesting. A Tessera is a singular tile that when grouped with other tiles makes up a Mosaic. Now the global community, the buzz word of the socialists/illuminists is the Mosaic. The individual world citizen is the "Tessera". The word tessera has a more ominous meaning however. The word means the marking of a slave as a mark of servitude. The romans marked all of their slaves and prisoners with a "tessera" as a means of identification. It is the policy of the globalists to force every single person to take a "mark", and that "mark" will be the "tessera". If you refuse the mark, you will simply starve or freeze to death.

THE MICROCHIP AND THE MARK OF THE BEAST

Dr Carl W. Sanders is an electronics engineer, inventor, author, and consultant to various government organizations as well as IBM, General Electric, Honeywell, and Teledyne. He is also a winner of the Presidents and Governors Award for Design Excellence. Quote: *"Thirty two years of my life was spent in design engineering and electronics designing microchips in the Bio-Med field. In 1968 I became involved, almost by accident, in a research and development project in regard to a spinal bypass for a young lady who had severed her spine. They were looking at possibly being able to connect motor nerves etc.. It was a project we were all excited about. There were 100 people involved and I was senior engineer in charge of the project.*

*This project culminated in the microchip that we talk about now, a microchip that I believe is going to be the identification mark of the beast. This microchip is recharged by body temperature changes. Obviously you can't go in and have your battery changed every so often, **so the microchip has a recharging circuit that charges based upon the body temperature changes. Over one and a half million dollars was spent finding out that the two places in the body that the temperature changes most rapidly are in the forehead (primary position), right below the hairline, and the back of the hand (alternative position).** Working on the microchip, we had no idea about it ever being an identification chip. We looked at it as being a very humanitarian thing to do. We were all excited about what we were doing. We were doing high-level integration for the very first time. This team was made up of people out of San Jose, people from Motorola, General Electric, Boston Medical Center - it was quite a group of people. My*

responsibility had to do with the design of the chip itself, not the medical side of it. As the chip came to evolve, there came a time in the project when they said that the financial return on bypassing severed spines is not a very lucrative thing for us to be into, so we really need to look at some other areas. We noticed that the frequency of the chip had a great effect upon behavior and so we began to branch off and look at the possibility of using it for behavior modification.

The project almost turned into electronic acupuncture, because what they ended up with was embedding the microchip to put out a signal which effected certain areas. They were able to determine that you could cause behavioral change. One of the projects was called the "Phoenix project" which had to do with Vietnam veterans. We had a chip that was called the Rambo chip. This chip would actually cause extra adrenaline flow. I wonder how many of you know that if you can stop the output of the the pituitary gland (the signal from the pituitary gland that causes oestrogen flow), you can put a person into instant menopause, and there is no conception. This was tested in India and other different parts of the world. So here you have got a birth control tool, based on a microchip. Microchips can also be used for migraine headaches, behavior modification, upper/downer, sexual stimulant, and sexual depressant. This is nothing more than electronic acupuncture, folks.

There are 250,000 components in the microchip, including a tiny lithium battery. I fought them over using lithium as a battery source but NASA was doing a lot with lithium at that time and it was the going thing. I had talked to a doctor at the Boston Medical Center about what that concentration of lithium in the body could do if the chip broke down. He said that you would get a boil or grievous sore. As the development moved along, I left the project and came back as a consultant several times. I was used in many meetings as an expert witness in regard to the uses of the microchip. I was in one meeting where it was discussed. How can you control a people if you can't identify them?" All of a sudden the idea came: "Lets make them aware of lost children, etc.." This was discussed in meetings almost like people were cattle. The CIA came up with an idea of putting pictures of lost children on milk cartons. Since the chip is now accepted, you don't see the pictures anymore, do you. It's served it's purpose. As we developed this microchip, as the identification chip became the focal point, there were several things that were wanted. They wanted a name, an image (picture of your face), Social security number with the international digits on it, finger print identification, physical description, family history, address, occupation, income tax information, and criminal record.

I've been in 17 "one world" meetings where this has been discussed, meetings in Brussels, and Luxembourg, tying together the finances of the world. Just recently in the newspapers they've talked about the Health Care Program, the "Womb to Tomb" identification! A positive identification. There are bills before congress right now that will allow them to inject a microchip in your child at the time of birth for identification purposes. The president of the United States of America, under the "Emigration of Control Act of 1996", Section 100, has the authority to deem whatever type of identification is necessary - whether it be an invisible tattoo or electronic media under the skin. So I think you have to look at the facts, folks: this is not coming as some big shock. The paving has been done ahead of time."

NOTES: There is also a new technology designed along the same line as the micro chip, called RFID. RFID stands for radio frequency identification. This technology was developed by HRSA, Health Resources and Services Administration. These chips (the size of a paper match), are implanted under the skin and monitored by tracking stations mounted on telephone poles, receiving signals from the device wherever the recipient goes. These tracking stations can be established as effectively as cell phone towers have been in the past. This too will be done under the guise of national security.

In 2003 the attorney general of Mexico and his security guards had RFID implants.

As of about 2006 there are over 100 United States spy satellites that can and do intercept all communication signals from cell phones, e-mails, video chat, etc. They can be adjusted to search for words spoken just like the Goggle search engine on your computer.

In 2004 a beach club called the "Baja Beach Club" in Rotterdam Holland used micro chip RFID's implanted in the upper left arm of their VIP club members. By doing this the club members never need to stand in line to get in and never needed to use money to pay for any services.

Iris scanners are being used for all airlines passengers coming into Dubai of the United Arab Emirates (UAE). Every passenger (about 7,00 per day as of 2006), must have their eyes scanned in order to enter. The scans are then compared to all criminal scans in a huge international iris code data base. This is also being used in some American airports now under the guise of security. Iris coding (identification) is ten times more accurate than finger prints.

PROJECT LUCID

Project Lucid, it is said, is a government project of NSA to develop the software systems to integrate both Mosaic and Tessera into a world wide police identification and tracking system. Lucid is being set up for use with super high speed computer systems that will have dossiers on every single human being (eventually). For now, Lucid is a project for criminal tracking, as well as the issuing of a bio-metrics national ID cards for all Canadians and Americans. We are now hearing it spoken of openly on our National news services. It will be coming out in the very near future. From a national ID card, there will be a rapid escalation into its true purpose – a phase in of the "mark" system. It is all part of "silent weapons for quiet wars".

Social security numbers, national ID cards using bio-metrics, radionics, psychotronics, and other various security devices are all now being called for because of the war on terrorism. It is the United States that is leading the way in all of this tracking, marking, and surveillance technology. Even those prophetic scholars who scoff at the concept of America being in bible prophecy, let alone being Babylon The Great, admit to this fact. America is leading the way in all of the technology that leads to the mark system. The mark system is the ultimate consummation of the spirit of mammon, and the control that mammon has over the lives of all people on earth. It will be the physical manifestation of that control when it comes to its climax; take the mark and swear allegiance to the economic system of the rich men, or perish. Yah allows it to happen, and does it to make

all people decide whom they will serve: Yah and Yeshua, or Satan and his “spirit of mammon”.

Rev. 13:16-18 *“and he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: [17] and that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. [18] here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is six hundred threescore and six.”*

What does the word “mark” mean anyways?: mark: charagma, khar'-ag-mah, Strong's Greek 5480; from the same as Greek 5482 (charax); a scratch or etching, i.e. stamp (as a badge of servitude), or sculptured figure (statue) :- graven, mark.

That is why America is setting up the 666/999 system upon earth. That is why it is NSA (National Security Association) that is deeply involved in all of these projects for numbering, controlling and tracking people.

Whenever we find the numbers 666 in the bible, it is usually in the form of measurement, and dealing with money. It is usually dealing with gold or silver. But we also find something else that is important in the 666 system – an image is set up, a statue, and that statue or "image" deals in total subservience to a system of control – the ultimate rising of government to godhood. Babylon did it, Nebuchadnezzar of neo-Babylon did it, Rome did it, and the antichrist will do it. It is the ultimate form of forcing upon people a certain system of ideas, be they economic, religious, or political.

Dan. 8:25 *“and through his policy also he shall cause **craft** to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the prince of princes; but he shall be broken without hand.”*

Now the word "craft" means deceiving, fraud, subtle, treachery. In other words, this leader is a liar, and he lies through his teeth about what is really going on, and why. The tip-off of this is the word peace. The word "peace" actually means security and the other meaning is prosperity. Now you have to bring those two concepts together with the spirit of mammon to find out how and why the system is set up. It is set up in the name of "security". In other words, the world leaders use the threat of "terrorism", which they themselves cause, to bring in a system of "security measures" which is how they enslave the entire world (9-11 etc..)

The system evolves slowly, and goes through phases as it gains power and control over the people.

It starts as very simply. The following list reveals how and when the economic side of the mark of the beast started, where it is now, and where it is headed:

- 1 The move from Gold and Silver over to a substitute "paper" currency, called "cash".
- 2 The slow removal of Gold behind the "cash", which gave it its original value. Chequing accounts, which involve nothing but "paper" in place of "cash".
- 3 The introduction of "social security" (SIN) cards to identify everyone with a number. Three groups of three numbers.
- 4 The introduction of credit cards, which take the place of cheques and cash. Credit cards are in reality debt cards, and so debt burden increases.
- 5 Debit cards, simply another form of plastic to remove the concept of "cash".

6 The slow introduction of security cards, with ID systems to prevent theft, to identify criminals, and to control "terrorists".

7 The introduction of "alien" ID cards for immigration and work.

8 The mandatory numbering of babies under the social security system for total tracking.

9 The introduction of a National ID card for everyone for security reasons to prevent "terrorism". This includes special passports.

10 The merging of credit/debit cards with the ID cards for tracking and convenience of the customers, the sheep, that are being sheared and do not know it.

11 The introduction of smart card technology, first for ID, and then for monetary use. Bio metrics is now the heart (chip) of the smart cards.

12 The development of systems for police tracking and surveillance that works through computers for high speed information on anyone in the world at any time, in the name of terrorism, and crime control.

13 The introduction of "Silent Weapons For Quiet Wars" criteria. The development and refinement of huge central high speed super computer systems for the handling of citizen dossiers. This is what total information awareness is all about - the introductions of silent weapons for quiet wars computer software.

14 The networking of central computers with all nations of the world under interpol and project Lucid. Homeland security, along with Fincen and Interpol, coupled with Tia is now a reality. Secret projects such as **Mosaic and Tessera** that involve high technology methods of placing citizens dossiers within micro "chips" that can be implanted within the hand or the forehead. This becomes a means to avoid theft and positive ID of all people, already accomplished for animals and pets, and with the manufacturers stating that people are next.

15 The development of satellite and ground technology under project Lucid, and Mosaic, for "real time" computer tracking of every person on earth. All the police have to do is type in your number and they will be able to find you at any time, day or night. Removal of the mark will be punished with death. The police are already using this system with "bracelet" ID transmitters. The military uses it in concentration camps - called "detention centres."

16 The slow but steady rise of "tracking" involves tracking of all purchases, first simply by date and amount, but then by category, with that complete record stored and ready for recall by authorities at any time. This includes things like Safeway club cards, Costco cards, Air-miles, and Aeroplans.

The convergence of all systems into one universal identity mark system that will serve all society for everyone from birth to death.

The above has for the most part been accomplished right under the eyes of the world's people. Recently, time magazine made the claim that money could be stored in a small microchip placed under the skin in the very near future. Because they have rejected the bible and the truth of bible prophecy, they walk into this system and trap themselves in it before they realize what it is, and what it really means.

The antichrist system of control is primarily a monetary control system of all aspects of living upon earth. Food, work, housing, medical care, driving, utilities, etc., are all

coming under the mark system, all controlled by a very small group of rich men who have worked for years to set it up.

IN THE NAME OF SECURITY ALL FREEDOMS WILL BE EVENTUALLY DESTROYED.

.....In the name of security do we enter into a martial law police state system.

.....In the name of security, Project Mosaic is set up, and in the name of security, is everyone eventually marked, so that the government "knows" where everyone is and what everyone is doing, for after all, "terrorists" reside "everywhere".
.....It is in the name of "security" that all police states are set up. It is in the name of national security that terrible abuses of human rights are done.

.....It is in the name of security that national and international police systems of surveillance are set-up and run, and "lists" of potential terrorists are made. Many organizations are now working hand in hand with the "security forces" of our nation, making "lists" of potential "enemies of the state".

.....It is in the name of "Provincial or State security" that concentration camps and detention centres, along with death camps are set up and eventually

filled with these threats to the security of the nation or the world. Remember Guantanamo prison camp. The fact that it even existed in a modern nation is an embarrassment to all of mankind, especially those who call themselves Americans.

.....Thus, it is that in the name of security the United Nations is demanding a world police and military "peace keeping" force. The only way one can achieve "security" we are told by the elite of the world, is to have an all powerful United Nations Army, so powerful that no state, no nation, no kingdom, and no one, can come against them. **"Who can make war with the beast,"** is not an idle comment of scripture. It is asking mankind a vital question.

In other words, we have been sold the idea that security is the only way to have peace. We must have drastic "security measures" to insure that peace and tranquillity prevail. If "peace" prevails, we will then prosper, and grow and become rich. We cannot have dissent, nor can we have open or loud dissidents. They "rock the boat" and cause people to become "upset" and we might have minor "rebellion". Thus it is through security that **the thought police** arrive, and they openly mock freedom of speech, thought, and rights of the people, under a free system. Through this policy of security, they destroy many people, round them up, and kill them.

Terrorism and the branding of the politically incorrect as "terrorists" is a standard thing with the communist/socialist/illuminists, which is why Washington is now engaged in doing exactly that. **They use "terrorism" and the threat of terrorism as the means to bring in their entire system of brutality via "security"**. Why the people of the world buy into these total lies is something that scripture says is the **mystery of iniquity**. The

Masonic Lodge has a motto that it uses that fits right into this discussion: **“ordo ab chao”**. This motto is extremely important to understand how mystery sets up its security system via outright deception and fraud. The motto means **"order out of chaos"**. **In other words, you create chaos willfully, and then, when the people are all confused and demanding law and order or ‘security" and "peace’, you bring in your security systems to bring about order.**

This same principal is used medically when people take chemotherapy. They inject a substance (liquid Satan), into the blood stream to wipe out the bodies entire immune system and then claim they can control the rebirth of a new immune system through the introduction of more toxic drugs.

The entire thing is a lie and sham. The average person wants to be left alone, and wants to leave others alone. They are content with their jobs, their families, their homes and just "getting ahead". Now the powers that be (with the devils guidance), know this, and so they create a condition that becomes a threat to the standard norm of human desire. Thus the people will grant to the government great powers to remove the threat to their "security" and their "prosperity". The state plays upon these basic human desires to set up their global plantation and security forces to maintain the peace. It winds up in a global system of absolute dictatorial control.

In the name of global security, all citizens will be forced to pledge allegiance to the World Government, and take a "security oath". In the name of prosperity and economic gain, all citizens will be forced to take the economic mark, which is also a security mark, a tracking mark, and a surveillance mark. The spiritual side of the mark system is the mark of the spirit of mammon. As the entire global economic system is based upon a lie, and is a fabrication of the rich men, and the security of this system must be maintained, then security measures must be brought in to secure the system. **Hence the mark of the beast is a "security mark"" and anyone who refuses it is immediately suspect as a "terrorist".**

This is how the whole system comes into being. It is therefore, no accident, that the world leaders are calling for peace and security, and are using the threat of terrorism to bring in all sorts of "security measures" and breaches to freedom and the rights of the constitution. Many of the "terrorism" bills in congress in the United States for example, contain dangerous breaches to constitutional safeguards, and they are being passed in the name of security.

In order to totally destroy all freedom, and in order to control every single aspect of human life, you must set up a system that identifies, tracks and constantly places under surveillance every single individual. This cannot be done apart from placing some sort of tracking/identification device upon each person. Via computers, using satellite technology, such a system could, and would bring the world into a "secure state". All voices of dissent would be silenced in the name of "security". The world becomes one in thought, one in mind, one in religion, one in direction. It is the ultimate lie of mystery.

People all over the globe are being forced to give up their rights of personal freedom in the name of World Security.

The overall goal of Satan is to slowly manipulate the entire world of nations into a global system of total economic control, where no human soul can do anything without

permission from the central government elite. **No human soul can think for themselves, and no human soul can believe what it wants, for such freedoms cause "security problems" and might cause acts of "terrorism" against the state system.**

Make no mistake about it. The United States of America is headed towards a police state worse than China, worse than Russia, worse than Hitler, and will do it in the name of security. It will have a rationale behind every move it makes. It will be accepted by the people. It will be embraced as the only method to bring in peace, security, and prosperity. There are concentration camps in America. There are detention centres. There is a plan and an agenda that targets all Jews and all Believers, the militia and most minorities.

The mark system is in fact an economic mark as well as a spiritual mark, and those people who are attempting to tell you it is not are very deceived individuals and they are deceiving others. Under no circumstances can anyone accept any "mark" or "computer chip" in their right hand or forehead. It is forbidden of Yahveh to even mark your body at all (Lev. 19:28), let alone take a computer chip that is an image or etching. Some very big names in the prophecy crowd are telling people it is ok to receive a computer chip in your hand as long as it is just economic and not a religious mark. These same people also do not know what the truth is, and they have a false gospel of salvation. They are posing as experts, but pay no heed to the truth of prophecy. The supposed Christian TV Networks are full of these false prophets.

The entire system of mammon is satanic. Yah has blessed many people with wealth, but their hearts were always with Him, and not with riches. Yah can use the merchandising system to work His work, but there comes a time when He draws the line. He draws the line at the point where every human being is forced to accept the total control of "mystery". **Mystery gains all of her power via money, and the spirit of mammon. Mammon becomes the god of this entire world, and mystery forces all people to worship "mammon".** It is the ultimate form of God rejection, for mammon becomes the god that "secures" their very existence on earth.

The mark is not just "another evolutionary step" in the process of money control. We have gone from gold and silver, to paper dollars, to cheques, to credit cards, to debit cards, and to smart cards. The mark is next, and the world is being prepared for it.

THE THREE ASPECTS OF THE MARK.

1. You can have the literal mark itself. That is the forbidden concept, and eventually, the entire system reverts to this mark of "security".

2. There are those who have the name of the beast. The word "name" actually means authority. Look it up for yourself if you do not believe it. Thus, those that work for the beast government, those in authority will be able to buy and sell. The beast is a government. Those with the name of the beast work for the government. If you work for the government, you become a government agent, and you work for, and represent the government. You therefore have the name (or authority) of the beast.

3. Next, there are those who have the number of their name. It says that no man might buy or sell unless he has the "number of his name".

The number of your name is your social "security" number. Please read that again: **your social "security" number.** You will "prosper" in mammon, via the social

'security" number (SIN number). The entire social security system is based upon mammon, which is sin. It is based upon financial rewards. The number of your name is your "security". Why do you think it is called the social "security" system? Without the number of your name, you are not "secure" in the system being set up for global use. Incidentally, the banks are presently stamping your SIN number on your cheques, without you knowing it. These numbers are only visible with special equipment found at banks. This is so they can trace your cheque, and identify you as the one presenting it.

The government does not want your given name, they assign you a number, just as Hitler assigned all Jews a number for identification. Eventually Hitler placed that number upon them, he put it on their bodies. If you go to jail or to prison, they instantly give you a "number". As prophecy says that the antichrist system is a revival of the Fourth Reich, or a global socialist system, then the economic controls will be done the same way. Your social security number is the forerunner of the actual mark system. Social security is not just a Canadian and American system, it is world wide.

Your social security number is used for all forms of identification. It is being used in the military, for drivers licenses, and all forms of tracking and identification. Think about it for a second, Hitler had numbers tattooed on the arms of Jews back in the 1940's. This set precedence for the mark, Hitler was indeed a beast. Hitler was under direct orders from Satan and the Vatican, who did and still do, much of Satan's work here on earth. It is a small step to incorporate this system into the global Mosaic and project Lucid. It is coming, and much faster than people realize. It will be administered under the United Nations Peace Keeping Forces. It is all planned, all out in the open, all documented.

Now the liars and the deceivers will have to convince the world that this system is for their total benefit and a good thing. But there are going to be millions who will not accept it. Non-acceptance of the mark is an indication that you do not agree with the system. If you do not agree with the system, then you might become a terrorist, and because that is a possibility, under the preventive measures of "security", you are simply assigned a death warrant. After all, if you refuse to comply with these "security measures" you must be an enemy of the state.

Therefore Satan will, via mystery, infiltrate the church even more than he has already, especially in the prophecy area. He will, via his many false prophets, come up with all sorts of concepts that will fool the Christian into taking the mark, if it is only for "economic" reasons. You cannot accept this mark for any reason. That is one of the reasons we have seen so many false prophets invading the churches over the last few years. They are getting in position to tell the deceived saints that its alright to take the mark.

Now the worship of the beast is to worship the economic system of the beast. It is the spirit of mammon that Yeshua demanded you turn your back upon to search Him out. **The beast is the government in charge of the economic system.** It is the economic system that is brought in to totally control all people on earth.

The 'security oath" that will be administered to every person is necessary to receive the mark, otherwise it will not be given, and you will be killed. This system is no different than what Yeshua brought with Him during the church age. You were commanded to turn your back upon mammon and search out Messiah. You were commanded to give up the

world and find Yeshua. You were commanded to deny yourself the pleasures and cares of this world system and find Yeshua. ***“In the world but not of it”***.

The tribulation mark is identical in its concepts and methods. It is now brought to a physical plane of operation, where no human soul can escape making a choice: either accept the mark of the spirit of mammon, and worship the beast government of antichrist and his system, or turn your back upon it and die with the testimony of Yeshua.

What happens if one does take the mark of the beast? The Bible says: **Rev. 14:9-11**

*“Then another angel, a third one, followed them, saying with a loud voice, **“If anyone worships the beast and his image, and receives a mark on his forehead or on his hand, he also will drink of the wine of the wrath of Yahveh, which is mixed in full strength in the cup of His anger; and he will be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. “And the smoke of their torment goes up forever and ever; they have no rest day and night, those who worship the beast and his image, and whoever receives the mark of his name.”**”*

What about children or people who receive the mark unwillingly?

When the implant is put in people, they must also bow down and confess their devotion to the beast. The implant by itself means nothing if one has not confessed with his mouth, accepting it. Just as part of the salvation process is confessing with your mouth, part of the destruction process is doing the opposite. So hypothetically, if a sick person in a hospital had the implant while he was knocked out it would mean nothing. Implants in children under 13 would mean nothing because they are not spiritually responsible. It also says that those who take the beast’s mark “will be tormented by fire and sulphur before the holy angels, and before the Lamb.”

Then what happens to your right hand or your forehead, wherever the mark is put? **Rev. 16:2** *“ So the first [angel] went and poured out his bowl on the earth; and it became a loathsome and malignant sore on the people who had the mark of the beast and who worshiped his image.”*
