

THE FLAG OF THE UNITED STATES

The flag of the United States of America has on it stars representing the states of America. If you look closely you will see that these are not stars symbolizing the Star of Bethlehem like most would like you to believe, but are 50 “pentagrams” (5 pointed stars, witchcraft symbols), instead. How this was put over the people of this great Nation is hard to believe, but it stares every red-blooded American in the face in every walk of his life. This flag actually represents a curse on the Nation; what kind of curse we do not know, but it doesn’t take much imagination to understand the many serious problems of many people of this nation. The sexual perversity, worship of the dollar, the abortion issue, murder, homosexuality, etc., abound so freely in this country, it seems to be the obvious results.

The occult star/symbol known as the pentagram is thought to be that which is referred to in **Acts 7:43** “*You also took along the Tabernacle of Moloch and **the Star of the god Rompha**, the images which you made to worship them. I also will remove you beyond Babylon*”. and Amos 5:25.

THE PENTAGON OF THE UNITED STATES

The Pentagon of the U.S. is a large building complex in Arlington Virginia built in the shape of a “pentagram”. This pentagram is a demonic, satanic, witchcraft, occult symbol known throughout the ages. This building is shaped like a five pointed star; the kind of symbol synonymous with witches, warlocks and secret society members. This heathen symbol in the form of a building, curses the entire area of Arlington and every person in the area. To think that this pagan occult symbol that causes great harm to the state of Virginia in fact represents the Defence Department of the U.S., is a terrible joke of the sickest nature.
