

## WE ARE TO APPRAISE..JUDGE ALL THINGS

**1Cor. 2:15 *But he who is spiritual appraises all things, yet he himself is appraised by no man.***

The "spiritual man" is the man who's spirit dominates his soulish desires. The spiritual man is the man who is sensitive to his intuition, which is communion with El Gibor. That intuition quietly performs its function not bothered by emotions, will, intellect, and the mind of the soul. Intuition is not an energy as many want to experience, but rather an inner need to do as lead without even fully understanding why. This is the spiritual man. This is the man that no one can judge because no one knows what his intuition imparts on him via the holy spirit. His knowledge is dependent on the holy spirit, which manifests as inner intuition and conscience.

If man would follow his intuition and be spirit filled he would be lead by the Ruach Ha Kodesh. Without this infilling of His Spirit our intuition has no control over our fleshly desires and we sin continuously. We all have intuition available to us but too often don't take heed. That intuition shows us which way to go and how to get there but our soulish desires interfere because we are naturally lead by our five senses, our flesh.

Truly spiritual Believers are not to allow their soul to lead them, even though the soul is very capable of manifesting emotions, thoughts, ideas, etc. There is knowledge available through the soul, its latent power is incredible, but it is NOT the SOUL that Yah told us to be lead by.
