

HIS COMMANDMENTS ARE NOT BURDENSOME

1John 5:3 *“For this is the love of Yahveh, **that we keep His commandments; and His commandments are not burdensome.**”*

When He said "burdensome" He was referring to the religious commandments (Rabbinical rules) of the Pharisees that most were familiar with. They were very burdensome. His commandments are clear and not burdensome, the rabbinic laws added on were very much so. The Torah is written in a very simplistic form that all can understand because it is about the home, family, and land. The Torah is based on agriculture because everyone can relate to the idea. The sowing of the seed concept is what the Torah is all about. Anyone who has ever grown a garden understands the seed bearing fruit concept. Seed (Torah) is planted and satan sends weeds (man-made tradition, doctrine, and dogma) to cover-up and destroy the plants so they can't bare fruit.
