

PRAY WITHOUT CEASING

1Ths. 5:17 *“pray without ceasing”*.

Many people believe that this verse means we are always to be praying 24/7. This is not at all what Paul was saying in this verse. He simply meant we should be praying

frequently, about everything going on in our lives. No person can pray without ceasing. That's just common sense. Even Yeshua ceased praying in Luke 11:1.
