

3000 LOST, 3000 GAINED

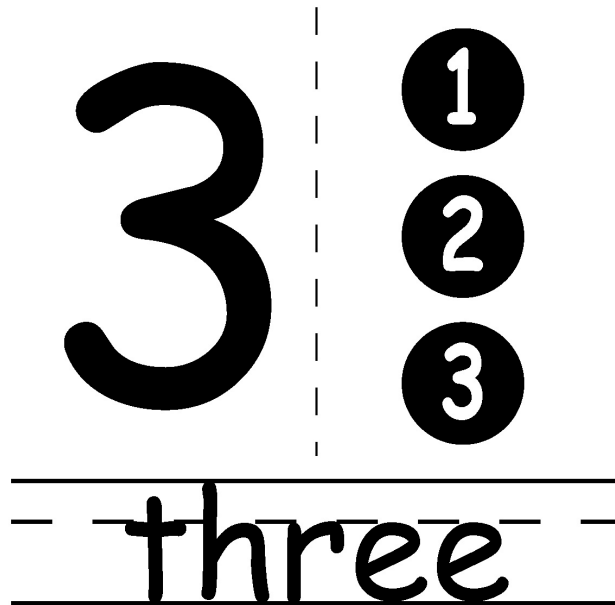

Acts 2:41 "So then, those who had received his word were baptized; and there were added that day about **three thousand souls**"

The 3,000 people were gathered at the Temple, it was the last day of the Feast of Shavuot. They were not gathered at someone's home, no home was big enough. The temple was destroyed two years after that meeting. Yeshua was saying that each one there was to be a "living stone" of the temple of Yeshua that was to now be within us Believers. These living stones were to replace the stones of the temple that was about to be destroyed. He was the cornerstone in our lives of the temple within us.

When you look back at what happened at Mt. Sinai when the people disobeyed the command of Yah, you will recall 3000 people were destroyed.

Exod. 32:28 *So the sons of Levi did as Moses instructed, and about **three thousand men of the people fell that day.*** In this verse we see that 3000 people were destroyed, we see later on in Acts that the same number of people were spirit filled.

The number 3

Clearly there is a thematic connection here. The number three here is not coincidence, it is prophetic of Yeshua's death burial and resurrection. Yeshua was in the earth three days before He was resurrected. Whenever the number 3, 30, 300, 3000, etc is used it is usually Yah's way of showing us a prophetic connection we should pay attention to. It also relates to Eph. 2:21-22.
