

ISLAMIC TERRORISTS

Gen. 27:40-41 (see also Deut. 25:17-19) *“And by your sword you shall live, And your brother you shall serve; But it shall come about when you become restless, That you shall break his yoke from your neck.” So Esau bore a grudge against Jacob because of the blessing with which his father had blessed him; and Esau said to himself, “The days of mourning for my father are near; then I will kill my brother Jacob.”*

This is part of the "toldot parashah (Gen. 25:19-28:9). This describes the Islamic terrorists today. They are the descendants of Esau and they are out to destroy the descendants of Jacob. The descendants of Esau are no longer under the control of Jacob. They are out loose so to speak and raking havoc around the world. Esau will have other descendants, the generations of Esau come all the way down to include the Amelikites. The Amelikites were the people who attacked at the edge of the camp and destroyed the innocent Israelites in the wilderness during the Exodus. The Amelikites were and still are bandits, thief's and raiders. They killed the old, the young, the slow, the stragglers in the wilderness. Yah recognized that descendants of this tribe would be in every generation throughout mankind. That is why we have two places in torah that explain Yah commands the sons of Israel to kill any Amelikites on sight in every generation (Deut. 25:17-19, Exod. 17:14-16). There is no redeeming value in these descendants, they are part of the ongoing battle between Esau and Jacob because of the blessing. These people are thugs and cowards.

Throughout history these Amelikites have run when confronted and that is what should be done with them now. Confront them and they will run as they have throughout history. If we give back the same medicine they are giving us, they will fold. We have been taught to not use violence to deal with terrible people. We are taught to love our enemies, to love everyone, to turn from wrath, as a methodology of carrying out our

theology. We are taught to give everyone an equal chance to show themselves approved. These terrorists do not think the same way, they threaten to kill and destroy, they use violence to destroy all those who are not like they are in theology. This conflict has been going on for centuries. The first ever marine battle of America was to go out and destroy muslim terrorists in the Battle of Tripoli". The Crusades were about the exact same thing. The descendants of Esau are no longer trying just kill the descendants of Jacob, they are trying to kill all other people. Going on the offence is what needs to be done, it is righteous justice. Yahveh said to destroy them back then, and it stands today.
