

STAR OF THE MORNING

Isa. 14:12-13 (see also Rom. 8:22-23) ***“How you have fallen from heaven, O star of the morning, son of the dawn! You have been cut down to the earth, You who have weakened the nations!”*** ***“But you said in your heart, I will ascend to heaven; I will raise my throne above the stars of God, And I will sit on the **mount** of assembly In the recesses of the north.***

In this verse Satan is called the “star of morning” for some strange reason. Many consider it to also be referring to the king of Babylon but it is actually a prophecy about Satan. The word translated “mount” is actually “moedim” in Hebrew, which means “seasons”. Yah told us to celebrate His Feasts according to the “moedim”, seasons of the year, as listed clearly in Lev. 23. Satan’s goal has always been to be the center of worship. If he can get ignorant people (especially those who claim to be believers in the bible), to follow all the pagan holidays like they do, he accomplishes his goal. He is the one they are worshipping and giving reverence to when they celebrate these heathen holy days, whether they understand it or not. Those who know better and still celebrate occult holidays are indeed pagans, there no easy way to say it. Satan has and still does deceive the nations into celebrating pagan holy days, under the guise of what many call

christianity. Most christians, because they are too lazy to read their bible, go along with these heathen celebrations even though in their heart and spirit they know better. In this day of increased knowledge there is no excuse whatsoever for any person claiming to love the Holy One of Israel to participate in such abominations.
