

# I AM THE TRUE VINE

John 15:1 *"I am the true vine, and My Father is the vinedresser."*

During the time of Yeshua, known as the second Temple era, a beautiful golden vine was draped across the four pillars of the entrance of the Temple. It's beauty was so incredible that all those who saw it were left in awe. It was common back then for people to make offerings of gold and precious metals specifically for their addition (a leaf), to this vine. Sometimes, those who gave large contributions to this vine had their names engraved on a leaf of the vine. When Yeshua said He was the true vine, He was undoubtably comparing Himself to this golden vine of the Temple. He was saying was for people to invest in Him who was the true living vine of Yah, and if they did so they would not yield artificial fruit, but eternal fruit.
