

SONS OF GOD (GIANTS)

There are basically three theories in regards to what the sons of God meant in scripture. In the followings teaching I will reveal that they are simply fallen angels who seduced the daughters of men creating giant human offspring, and perhaps even strange and weird animal crossbreeds. The commonly held views of what they were/are as follows:

1) Orthodox Jews say the sons of God are religious nobles. There is nothing anywhere in scripture that even hints about religious nobles. If there were nobles of men marrying daughters why would Yah get so angry about this that He would want to destroy the world over it? How do giants come from such a thing taking place anyways? It is not hard to see that this theory cannot be genuine.

2) The second theory is that the Godly sons of Seth married the bad daughters of men, who's offspring were giants. The problem we have here is that Yah said the only righteous people on earth at that time were Noah and his sons. How could Seth's sons be Godly and yet marry evil daughters of men at the same time? If the problem was "mixed marriages", then Yah's wrath should have only come upon Seth's sons and their wives. What about Seth's daughters? How did giants come from regular men and women? This theory should be quickly dismissed.

Flavius Josephus says about Seth's sons: "but in progress of time they were perverted, and forsook the practices of their forefathers, and did neither pay those honors to God which were appointed them, nor had they any concern to do justice towards men."

3) The third and only reasonable theory of what the sons of God were, defines them as fallen angels. They were fallen angels who bred with the daughters of men. In every case but one, the term "sons of God" is referring to angels.

What about Adam?

Adam was also a "son of God" because his origination was from God. But, his descendants were sons of Adam. Adam was a son of God but he was never called directly a son of God.

NEPHILIM

Gen. 6:1-4 Now it came about, when men began to multiply on the face of the land, and daughters were born to them, 2 that **the sons of God saw that the daughters of men were beautiful; and they took wives for themselves, whomever they chose.** 3 Then the LORD said, "My Spirit shall not strive with man forever, because he also is flesh; nevertheless his days shall be one hundred and twenty years." 4 The **Nephilim** were on the earth **in those days, and also afterward**, when the **sons of God came in to the daughters of men, and they bore children to them.** Those were the mighty men who were of old, men of renown". It's important to notice in these verses that these Nephilim came into the daughters of men at the time of Noah "**in those days**", as well as "**also afterward**". So if the theory of the Almighty bringing the flood was to eradicate these hybrids was true, then what about the afterwards part of the verse. Obviously Adonai did not flood the earth only for the purpose of wiping out all the unrighteous people on it. It may have been part of His plan, but certainly not the only part.

Num. 13:33 *There also we saw the **Nephilim** (the sons of Anak are part of the Nephilim); and we became like grasshoppers in our own sight, and so we were in their sight.*" They

were also called Anakim. Anakim are called the race of giants. This is after the flood, so if all corrupt humans were killed during the flood, where did these Nephilim come from?

Nephilim (Strong's #5303) In Hebrew it means giants according to Strong's. The root word for Nephilim is "nephal". Nephal means:

1) to fall, lie, be cast down, fail or reject.

The children of these fallen angels were cast down, rejected. You might call them mutants. The Nephilim are the mutant children from the Sons of God and the daughters of men. Many Greek gods are half man half beasts called Nephilim.

Another word for Nephilim is "Rephaim". **Gen. 14:5** *And in the fourteenth year Chedorlaomer and the kings that were with him, came and defeated the **Rephaim** in Asheroth-karnaim and the **Zuzim** in Ham and the **Emim** in Shaveh-kiriathaim"*

Rephaim comes from the Hebrew root rapha which means; spirits, shades.

They were also called Emim. Emim were the proud deserters, terrors, race of giants as in Gen. 14:5. They were also called Zuzim, the evil ones in Gen. 14:5. They were also called Zamzummims, the evil plotters in **Deut. 2:20** *(It is also regarded as the land of the Rephaim, for Rephaim formerly lived in it, but the Ammonites call them Zamzummin),*" They were also called the **Zophim**, watchers, descended angels in **Num. 23:14** *So he took him to the field of **Zophim**, to the top of Pisgah, and built seven altars and offered a bull and a ram on each altar."*

In other words there are multiple names for giants in scripture. They can be called: Nephilim, Rephaim, Zuzim, Emim, Zamzummims, or Zophims.

Let's look at more of the verses in regards to the sons of God:

Job 1:6 *"Now there was a day when **the sons of God** came to present themselves before the LORD, and Satan also came among them."* The Sons of God came before Yah and Satan came with them. Satan presented himself before Yah when Yah offered Job as an example.

Job 2:1 *"Again there was a day when **the sons of God** came to present themselves before the LORD, and Satan also came among them to present himself before the LORD."*

Job 38:6 *"On what were its bases sunk? Or who laid its cornerstone, When the morning stars sang together, And all **the sons of God** shouted for joy?"* This scripture is talking about the beginning of creation. It says the sons of God (angels) rejoiced.

Dan. 3:25 *He answered and said, "Look! I see four men loosed and*

*walking about in the midst of the fire without harm, and the appearance of **the fourth is like a son of the gods!**"* Talking about the time when Shadrach, Meshach and Abed-nego were placed in the furnace. The King says: there were three in the fire but now I see four, how can this be? How would the King even know what a Son of God looks like? The

King knew what humans looked like, yet he seems to have known what these non human sons of God looked like also. It is safe to presume that the King had seen a Son of God before.

Hosea 1:10 *"Yet the number of the sons of Israel. Will be like the sand of the sea, Which cannot be measured or numbered; And bit will come about that, in the place Where it is said to them, "You are not My people," It will be said to them, "You are **the sons of the living God.**"* This is near the end of The Old Testament where Hosea is talking about Yah divorcing His people because of their spiritual adultery. He is talking about a period thousands of years in the future when Yeshua dies for His bride and is resurrected. He is talking about a group of people, non human that will have glorified bodies, that will be called "Sons of the living God". He's talking about angelic beings born from above. He's talking about angels called "the sons of God".

The traditional view of the meaning of the sons of God in Gen. 6:4 is simply that they are angelic beings. This was the understanding of Josephus, Justin Martyr, Methodius and Martin Luther, to name a few. Many say these children were men of renown (mighty men) called giants, in the KJV.

Historian Philo, a deeply religious man, wrote in the first century a brief treatise on this subject, called "Concerning the Giants". Basing his exposition on the Greek version of the bible, he renders it as "angels of God".

Josephus says; "for the tradition is that these men did what resembled the acts of those men the Grecians called giants", Josephus goes on to add that Noah remonstrated (make a forcefully reproachful protest), with these offspring of the angels for their villainy. So Josephus says that the sons of God were fallen angels that mated with the daughters of men.

All of these giant offspring were males. There is no mention in the Bible of any giant women. Angels can manifest themselves as people. They then can think, feel and display emotions. In Gen. 6:1-4 it talks about "the Sons of God". These were angels that took Lucifer's side when he was thrown out of heaven. Some believe these fallen male angels then took on a human form and seduced the beautiful women on earth. As a result, these giants of the earth were talked about for centuries. Some of these Nephilim (giants) were referred to as Rephaim, Emin, Horim, Zemsumim, Arba, (Gen. 14 and 15).

Remember when Moses sent twelve spies into the land of Canaan, they reported seeing giants and told Moses that these giants couldn't be defeated. In **Num. 13:33** *it says "The land through which we have gone, in spying it out, is a land that devours its inhabitants; and all the people whom we saw in it are **men of GREAT size.** There also we saw the Nephilim (the sons of Anak are part of the Nephilim); and we became like grasshoppers in our own sight, and so we were in their sight".* Anak and his seven sons were Nephilim descendants in the land of Canaan.

These fallen angels (sons of God) were cast down into Tartarus, (Greek term for dark abode of woe, pit of darkness in the unseen world), a place similar to hell, and remain there till judgment day (2Pet. 2:4-6). In **Jude 6-7** *“And angels who did not keep their own domain, but abandoned their proper abode, he has kept in eternal bonds under darkness for the judgment of the great day”* Here he is talking about the Abyss. Their offspring were unclean, the opposite of Noah’s generation. These Nephilim were referred to as Greek Titans (in Hebrew means Satan). They were half human, half godly beings of incredible looks and strength. We know them as Zeus, Atlas, Hercules, Ashur, etc.. Many believe these giant celestial beings were responsible for building the pyramids, stonehenge, etc., prior to the great flood.

Where do evil spirits (demons) come from?

Many believe demons come from the Nephilim (giants). Many believe they are neither angels nor men. They are neither divine nor human. They are roaming spirits from the giants of old. These spirits were/are roaming spirits with no place to go. They can't go to Hell and they can't go to Heaven. They are stuck somewhere in the middle in the spiritual realm.

Beastiality

There are clear verses in our bible that tell us about how terrible having sex with animals is. This beastiality is talked about in the following verses.

Lev. 18:23 *‘Also you shall not have intercourse with any animal to be defiled with it, nor shall any woman stand before an animal to mate with it; it is a perversion.’*

Lev. 20:15-16 *‘If there is a man who lies with an animal, he shall surely be put to death; you shall also kill the animal. 16 ‘If there is a woman who approaches any animal to mate with it, you shall kill the woman and the animal; they shall surely be put to death. Their bloodguiltiness is upon them.’*

Exod. 22:19 *“Whoever lies with an animal shall surely be put to death.”*

Deut. 27:21 *‘Cursed is he who lies with any animal.’ And all the people shall say, ‘Amein.’*

Even on a subject so bazar as this, Adonai still gave us guidance because He knew some of the strange things that were going to take place in with humanity and cause serious problems. It's hard for anyone to even comprehend why a human being would have sex with an animal, but there are sick perverted people everywhere it seems.

What about Goliath?

Goliath was one of the descendants of the giant Nephilim. He had 6 toes and 6 fingers. He was over nine feet tall and wore over 125 lbs. of armor, the iron head on his spear weighed 6 lbs. alone. We know from 2Sam. 21:16-22 and 1Chr. 20:4-8 that Goliath had four other brothers. That is why David took five stones from the river when he went to slough Goliath.

It may have been partially because of the degenerate acts of the humans and human/hybrids on earth that Yahveh brought the great flood, who knows. Some believe that the spirits of all those who died in the flood are the demon spirits used today by Satan. Although this theory seems possible, there is a verse in the Bible saying Adonai never called angels Sons of God. **Hebr. 1:5a** *“For to which of the angels did He ever say, **Thou Art My Son**”.*

Archeologists have found a 47 inch femur bone in the Euphrates river valley, south-east Turkey. This is the region where Nebuchadnezzar fought many of his battles. Joe Taylor has the femur bone at his Mt. Blanco Fossil Museum in Crosbyton, Texas. In comparison to normal males it would mean the man it came from would have been about 14-15 feet tall.

Plan of Satan

The reason the fallen angels (demons) copulated with the daughters of men was because they do the work of their master Satan. It has always been Satan's plan, since the beginning of time, to destroy the genetic lineage of humankind because he knew some day the Messiah would come from this pure lineage. If he could disrupt, mix or even corrupt the pure lineage Yeshua was to come from, maybe the Messiah would never manifest and he could live forever. Satan probably knew that Yeshua would come as a man and redeem the sins of the people somewhere down the road, so he tried to keep this from ever happening.

Satan wanted to genetically modify the DNA of man so that the line of the Messiah would be polluted. The plan, if successful, would prevent the Messiah from coming and thus prevent the punishment of Satan and the fallen angels. Satan and his angels know that their time is limited and they already know their judgment. They wanted to do everything possible to delay this plan or corrupt humankind as a species so the Messiah could not come through the loins of a woman (Gen. 3). Satan's plan was to destroy everything that Yah made. Satan wanted to mix his seed (DNA) with Yah's creation. That is why Yah tells us to never mix seed. We are to never take the truth and tradition and put them together. It creates sterility, death. It creates the knowledge of good and evil with the tree of life (torah), which creates confusion.

Yah made man in His image, and Satan has always wanted to do the same thing. The spiritual battle is for the souls of mankind. The sons of God were corrupting everything in their path so possibly this is one of the reasons Yah had to destroy, flood, the whole world. Maybe it was His way of preventing or slowing down this process. Yah looked at the earth and saw how wicked it was, and wanted to destroy it all. The mixed DNA of mankind would eventually corrupt all of mankind if it was not destroyed. This corruption of course would include the DNA of the line of Messiah also.

Was Noah's family the last with pure DNA?

Gen. 6:9 *These are the records of the generations of Noah. Noah was a righteous man, blameless in his time; Noah walked with God.* The Hebrew word for "righteous" or "perfect" is tamiym (08549). Tamiym means to be complete, whole and without blemish or defect. So in this verse Yah could be talking more about Noah's DNA rather than the fact that he was a righteous or perfect man in the sense of not being a bad sinner.

BOOK OF ENOCH

One Book that is commonly talked about yet not in the bible, (not included in the accepted canon of scripture), is the Book of Enoch. The problem we have with the available scrolls of Enoch is that they are not the originals. We know that the original scroll, wherever it may be if even still around, was a legitimate scroll that probably has some good historical information in it. We know that the original Book of Enoch did exist at one time because it is referred to in the Book of Jude. We see that Jude quotes the book

of Enoch. **Jude 14** *And about these also **Enoch**, in the seventh generation from Adam, prophesied, saying, "Behold, the Lord came with many thousands of His holy ones,"*

We have several supposed variations of the Book of Enoch available, but because the content is so outrageous, it's pretty hard to accept them as anything more than that just silly imitations of the original. Some of the words found in these copies are duplicates of what was spoken in various verses of the bible, yet some things are completely out to lunch. The Book of Enoch (Enoch 7:12), talks about giants supposedly 450 feet tall (300 cubits). The Talmud makes even more foolish statements as in Og (who was one of the remnants of the giants), being several miles tall! Og is spoken of in Josh. 12:4, but not in such a way. We know that Og the giant, a King, was spoken of in scripture, but not as the Rabbi's of Orthodoxy refer to him. **Deut. 3:11** *(For only Og king of Bashan was left of the remnant of the **Rephaim**. Behold, his bedstead was an iron bedstead; it is in Rabbah of the sons of Ammon. Its length was nine cubits and its width four cubits by ordinary cubit.)* His bed was about 15 feet long.

Enoch 7:13 *"these giants devoured all which the labors of men could produce, until it became impossible to feed them; then they turned themselves against men, in order to devour them"*. As per Enoch we are given the impression that is why the flood came, to keep them from eating up everyone, including Noah and his family. We know giants are real and were real at the time of Noah, but they were not 450 feet tall, of that you can be sure.

Enoch was Methuselahs father, who lived to be 969 years old. **Gen. 5:24** *And Enoch walked with God; and he was not, for God took him."* **Hebr. 11:5** *By faith Enoch was taken up so that he should not see death; AND HE WAS NOT FOUND BECAUSE GOD TOOK HIM UP; for he obtained the witness that before his being taken up he was pleasing to God."* The Book of Enoch available today says there were 200 fallen angels that came down copulated with women, but copulated with beasts of the field, corrupting many animals with their seed as well. The book also talks about Azazel. Azazel was a half man half goat demon who caused man to fall away from God. Azazel supposedly taught weaponry while others taught the cutting of roots (natural medicines), sorcery, reading stars and cosmetics. We know that the Greeks have always depicted half men half goat, half horse creatures in their myths and legends. Azazel was just as the ancient Greeks depicted in their writings, statues and pictures. Azazel was the result of fallen angels seducing animals and creating freaks of nature.

Is it possible that all these ancient pictographs and stone carvings that have been found all over the world are not just mythical? Is it all in the imagination of millions of people in many cultures, tribes, and clans all over the globe or could there be something to it?

In Satanic covens all over the world Azazel is better known as Baphomet. When the master of the coven officially goes about his rituals and ceremonies, he always wears a goats head type of covering or mask. This Goat of Mendes, Baphomet, Azazel symbol

is commonly used in most occult practices of witchcraft.

Ancient writings

Ancient Jewish writings of 135AD. "The wicked emperor Hadrian, who conquered Jerusalem, boasted, "I have conquered Jerusalem with great power". Rabbi Johanan ben Zakkai said to him, "Do not boast. Had it not been the will of Heaven, you would not have conquered it" Rabbi Johanan then took Hadrian into a cave and showed him the bodies of Amorites who were buried there. One of them measured 18 cubits (30 ft) in height. He said, "when we were deserving, such men were defeated by us, but now, because of our sins, you have defeated us".

SUMMARY OF SONS OF GOD

The conclusion when all is considered is obvious; the fallen angels came and had intercourse with the daughters of men before and after the Great Flood, creating Giants, Nephilim. In order to properly understand why this happened it's fair to say one needs to have a good idea of just why Yahveh put such emphasis on mixing things in scripture. He made it abundantly clear we are not to mix animals, seeds, cloth, food, etc. because the result of the mixture is a sterile hybrid mutant thing that He never intended to create. If He would have wanted these things on the planet, He would have created them directly. Always keep in mind that the lessons Adonai shows us in the spiritual are always shown to us first in the physical. When He commands us not to mix, this is also symbolic of the mixing of the false teaching of the world and the so-called christian churches, with the biblical message. He does not want His pure and perfect Word corrupted by polluted streams of manmade doctrine and dogma that create sterile hybrid false teachings. That is exactly why the christian churches have been stone dead since their pagan origin.

When our Abba tells us to not eat this or that, not to participate in heathen ways, not to follow anything other than what His Word says, not to mix this with that, He is doing it for the good of all humanity. If we would have obeyed, for the good of all humanity, this world would have gone on indefinitely as a great place to live and thrive together in echad (unity) and in spiritual fellowship just as He intended. We have not done this, and because of our disobedience the world is corrupting and turning from the way it was designed to be. Those of us who are truly set-apart, His remnant, will follow His instructions even though sometimes at first we don't always understand them. The conclusion when all has been heard, is fear Yah and keep His commandments.
