

CHARIOTS, IMPLEMENTS OF WAR

*Zech. 6:1-8 And I turned, and lifted up mine eyes, and looked, and, behold, there came four chariots out from between two mountains; and the mountains were mountains of brass. 2 In the first chariot were red horses; and in the second chariot black horses; 3 **And in the third chariot white horses; and in the fourth chariot grisled and bay horses**. 4 Then I answered and said unto the angel that talked with me, What are these, my lord? 5 And the angel answered and said unto me, These are the four spirits of the heavens, which go forth from standing before the Lord of all the earth. 6 The black horses which are therein go forth into the north country; and the white go forth after them; and the grisled go forth toward the south country. 7 And the bay went forth, and sought to go that they might walk to and fro through the earth: and he said, Get you hence, walk to and fro through the earth. So they walked to and fro through the earth. 8 Then cried he upon me, and spake unto me, saying, Behold, these that go toward the north country have quieted my spirit in the north country.*

Many believe Zechariah is describing weapons of warfare. The chariots he's referring to are implements of war. The war machine of America was made mobile during Sept 11/2001 as the chariots between the two mountains of brass which well describe the brass of the Twin Towers shining in the sun.
