

WHAT ARE DEMONS?

Plato once described a demon as “an interpreter and carrier, from men to god’s, and from god’s to men, of the prayers and sacrifices of the one, and of the injunctions and rewards of sacrifices from the other.”

Demons are unclothed spirits with a wandering unrest, arising from a sense of incompleteness. They're longing to escape the intolerable condition of being unclothed (for which they were not created), is so intense that, if they can satisfy their cravings in no other way, they will enter into the filthy bodies of swine. (Matt. 8:31)

There are three distinct classes of demonic works. The first includes all kinds of divination by omens, tokens, forbidden sciences, etc.. The second includes the use of spells, potions, and incantations, and the third includes every method of direct and intelligent communication and co-operation with demons.

ORIGIN OF DEMONS

FALLEN ANGELS

Demons are fallen angels of Yah who have joined with Satan in the spiritual war against Yahveh.

Since we know that there was a countless amount of angels prior to Genesis it means that there could be a countless number of demon spirits available to the devil. **Ezek. 28:11-19** “*How you have fallen from heaven, O star of the morning, son of the dawn! You have been cut down to the earth, you who have weakened the nations*” (Isa. 14:12-15, Matt. 25:41, Rev. 12:7-9, and 2Pet. 2:4)

PRE-ADAMIC THEORY

Demons are thought by many to be the dis-embodied lost spirits of people from the pre-Adamic era before Genesis. (Gen. 1:2) If there was a plague or whatever, that may have killed the pre-Adamic race and these bodies returned to dust, then their lost dis-embodied spirits would be available to Satan for use now on earth. If this was so, it would explain why there is no evidence in the geological stratus of human remains. It is believed by many that demon spirits, when cast out of humans must go down into the Abyss to the torment zone which could be in the center of the earth, or deep in the ocean, or a combination of both. When Yeshua cast the demons out of the demonic Gadarene in Matt. 8:29-32 and Luke 8:31, they asked to go into the swine, and after doing so the swine ran off the cliff into the sea. In **Rev. 20:13** it says “*And the sea gave up the dead which were in it and death and Hades gave up the dead which were in them and they were judged*” This would make sense if the demon spirits came from the Abyss in the center of the earth and in the depths of the ocean. Notice in this statement the sea gave up her dead first, this supports the pre-Adamic era idea because these dead would be the first to be judged.

SONS OF GOD (GIANT) THEORY

The traditional view of the meaning of the sons of Yah in Gen. 6:4 is simply that they are angelic beings. This was the understanding of Josephus, Justin Martyr, Methodius and Martin Luther, to name a few.

Many believe that this hybrid race, formed as a result of the sons of Yahveh’s fallen angels cohabiting with the women of the earth, was the reason for the great flood. Yahveh had to remove this race of hybrids, or they would have taken over the earth.

Angels can manifest themselves as people. They then can think, feel and display emotions. In Gen. 6:1-4 it talks about “the Sons of God”. These were angels that took Lucifer’s side when he was thrown out of heaven. Some believe these fallen male angels then took on a human form and seduced the beautiful women on earth. The results, the giants of the earth were talked about for centuries. Some of these Nephelim (giants) were referred to as Rephaim, Emin, Horim, Zemsumim, Arba, (Gen. 14 and 15).

When Moses sent 12 spies into the land of Canaan, they reported seeing giants and told Moses that these giants couldn't be defeated. In **Num. 13:33** it says *"The land through which we have gone, in spying it out, is a land that devours its inhabitants; and all the people whom we saw in it are men of GREAT size. There also we saw the Nephilim (the sons of Anak are part of the Nephilim); and we became like grasshoppers in our own sight, and so we were in their sight"*. Anak and his 7 sons were Nephilim descendants in the land of Canaan.

These fallen angels (sons of God) were cast down into Tartarus, (Greek term for dark abode of woe, pit of darkness in the unseen world), a place similar to hell, and remain there till judgment day (2Pet. 2:4-6). In **Jude 1:6-7** *"And angels who did not keep their own domain, but abandoned their proper abode, he has kept in eternal bonds under darkness for the judgment of the great day"* Here he is talking about the Abyss. Their offspring were unclean, the opposite of Noah's generation. These Nephilim were referred to as Greek Titans (in Hebrew means Satan). They were half human, half godly beings of incredible looks and strength. We know them as Zeus, Atlas, Hercules, Ashur, etc.. Many believe these giant celestial beings were responsible for building the pyramids, Stonehenge, etc., prior to the great flood. All of these giant offspring were males. There is no mention in the Bible of any giant women. Goliath was one of the descendants of the giant Nephilim. He had 6 toes and 6 fingers. He was over nine feet tall and wore over 125 lbs. of armor, the iron head on his spear weighed 15 lbs. alone. Goliath had 4 brothers. That is why David took five stones from the river when he went to meet Goliath. (2 Sam.)

It is because of the degenerate acts of the humans and human/hybrids on earth that Yahveh brought the great flood. Some believe that the spirits of all those who died in the flood are the demon spirits used today by Satan.

Although this theory seems possible, we must question about the Bible saying Adonai never called angels Sons of God. **Hebr. 1:5a** *"For to which of the angels did He ever say, Thou Art My Son"*

One Book that is commonly talked about yet not in the bible, is the Book of Enoch. Some of the words found in it are duplicates of what was spoken in various verses of the bible, yet some things are completely out to lunch. The Book of Enoch (Enoch 7:12), talks about giants supposedly 450 feet tall (300 cubits). The Talmud makes even more foolish statements as in Og (who

was one of the remnants of the giants), being several miles tall! (Josh. 12:4) According to the Book of Enoch, *"these giants devoured all which the labors of men could produce, until it became impossible to feed them; then they turned themselves against men, in order to devour them"* (Enoch 7:13). We are told this is why the flood came, to keep them from eating up everyone, including Noah and his family.

NOTES

It could be a combination of all three theories that brings us demons. Regardless, we know there are countless numbers of them available for Satan's relentless work.

All angels and demons in the scriptures were of "male" gender, regardless of where we may think they come from. In **1Pet. 3:19** we read that Yeshua proclaimed to the spirits at the time of Noah *"In which also he went and made proclamation to the spirits now in prison, who once were disobedient, when the patience of Yahveh kept waiting in the days of Noah, during the construction of the ark"* This verse reveals clearly that there were evil spirits at the time of Noah.

As we can see in 1Sam. 18:10 and 19:9, Yahveh Himself sent an evil spirit to possess King Saul. David had to constantly soothe the spirit by playing His harp for Saul until it killed Saul through a sorcerer.

In France, the rod used in water-witching points up, whereas in most other places it points down.

WHERE ARE DEMONS?

Outside the body

Demons are thought to be somewhere between the supernatural realm and the natural realm (3 dimensional) as we know it. If you use your imagination try to picture the following. All around us there are various lengths and types of waves or frequencies, (UHF, VHF etc.) Our antenna's are only tuned in to a few things, but many other things exist in this same dimension. We cannot see these waves but we know they exist, because if we turn on the TV, it works. Turn on the radio, it works. Push a button on a remote control, etc. These waves are all around us, we can't see them but we know they truly exist. Demon spirits exist similarly. They are all around us, but we cannot see them. They influence us by perhaps "prodding us", oppressing us to do bad things. The amount of influence we allow them to have on us determines our life-style and our

personality. As we allow these influences to increase, this oppression becomes demonization. This **demonization** is when the individual is totally dominated by these evil spirits. When a junkie “**has to have heroin**”, or when an alcoholic “**has to have a drink**”, when a homosexual “**has to have sex with a person of the same sex**”, when an obese person “**has to eat steady**”, that means they are demonized.

Demon spirits can come from other people. When a person dies his demonic spirits, (especially if it's a wicked person), may pass on to the family and friends around him at the time of death if something gives it legal entry. That is why you hear stories of people changing drastically for the worse the minute their loved one died.

A good comparison of the unseen supernatural world around us, versus the seen world around us is the example that follows. When I was young, I liked water and liked fishing a whole lot. One day my boss invited me to go swimming and gave me a mask and snorkel to put on. I put the mask on, laid in the water, and a whole new world opened up to me. I could see things that I knew and that I heard were there. If I would have never put on the mask, I would never have known what lurks beneath the surface of the water. There was no way to turn back after this experience. I had to learn more about snorkelling, and it became a precious activity to me. Most people have never even looked below the surface, but if they are willing to just once look below into the unknown, they too may be blessed.

Inside the body

Demons are non-corporeal spirits. They have no physical mechanism to express their will. They need a body to accomplish their heinous acts. Demons take up residence inside the body and can freely travel throughout. The person who has a demon may not have that particular demon all the time. If the host body is a willing recipient of the unclean spirits, and has an open door access, demons can come and go at will. Normally demons enter and exit through the mouth, although on some occasions, they have been known to come in or leave through any of the eight orifices of the body, like the mouth, nose, ears, eyes, etc.

It is possible to have demon spirits transferred through blood transfusions. The soul is in the blood, so the blood can act as a channel of transference for unclean spirits. If a Believer needs blood, they must first pray over it and ask that all curses and demons that it may contain be removed before it is allowed to enter the recipients blood system. The same must be done for organ transplants.

THE OBJECTIVES OF DEMONS:

1. Temptation (Gen. 3:15)
2. Lying (1Kgs. 22)
3. Mental deception toward sin (John 8:44)
4. Murder or self-destruction (Mark 5:2-5)
5. Doctrinal heresy (1Tim. 4:15, John 4:1-2)
6. Cause dumbness or deafness (Matt. 9:33)
7. Cause epilepsy (Luke 9:42)
8. Cause deformation of body, Eg. crooked back (Luke 13:11-13)
9. Emotional disturbance (2Tim. 1:7)
10. Total domination (Matt. 8:28-34 and John 13:2 and 27)

HOW DO DEMONS GAIN ACCESS?

WITCHCRAFT

The influence of “witchcraft” in our world today makes it by far **public enemy #1, whether it is directly through witches or indirectly through the Roman Catholic Church**. Witchcraft covers a vast area, and is best described as “domination or manipulation by any means other than the Holy Spirit”. Through witchcraft, in its many categories, demons gain easy possession to all involved people. The Bible says throughout that we are to stay away from any form of supernatural power or knowledge, other than that given by the Holy Spirit. Witchcraft comes in many forms, including astrology, psychology, psychic readings, horoscopes, palm reading, hypnotism, channeling, New Age Religion, Eastern Religions, and on and on and on. These types of witchcraft influences are commonly known, but the biggest deceivers of all, actual witches, are today prevalent and active. For more information on witches read the section on Satanism.

There are two kinds of witches in today's society, that are fooling and manipulating most people; the ones who are witches and know it, and those who don't realize they are. The ones that know what they are, are dangerous, but the ones that don't realize they are, are even more dangerous, because they play for the team, supposedly following the precious Word of our Bible. They are the charismatic witches.

CHARISMATIC WITCHES

“Charismatic witches” are those people who don't realize that they are delving into the forces of the adversary. They think that they are being constantly lead by the Holy Spirit. They are involved in everything imaginable at the church. They always seem to volunteer their time so they can maintain control. She is the

lady that never misses a SUNDAY service. They think that they truly are special Christians with special authority and power given to them by Yah. They see visions and have vivid dreams regularly, and believe these things are from God, without ever testing them. They get what you might call "insider information" from familiar demon spirits, and think they are being helped by angels. They usually use this force to manipulate or dominate those around them, without realizing what the source of their power is. These charismatic witches usually think they are baptized in the Holy Spirit, and believe their demonic tongues are Godly. Because there simply is no testing of the spirits (1John 4:1-3) in the charismatic churches of today, they don't know that their tongues and baptism are false and demonic, compliments of the false prophet and anti-Messiah spirits that abound in the uncontrolled charismatic churches.

These witches usually have serious control over their husband and children, and many others in the church organization. They are the ones behind the scenes manipulating the leaders and elders to do as they so desire. The husbands in these homes are often very successful in business and everything outside the home, but under domination in the home. The pressures of witchcraft in the home prevent husbands from having their proper authority in the home. The man is to be the spiritual authority in the home, and when he doesn't fulfill this position, it creates problems. These problems frequently manifest as rebellion in the children, and can cause troublesome divisions in the family unit, often resulting in the unnecessary break-up of the family.

The spirit of witchcraft is not gender conscious. This spirit of domination can happen to males also, but it's definitely more prominent in women. Witches can be either male and female.

These witches seem to constantly get personal prophetic words for their friends and congregational members. They are looked upon in the church as very holy women and prayer warriors. Many of them develop a following of their own. Some of them wander off quietly into what seems to be innocent ventures of palm reading, iridology, magnetic healing, yin and yang, chi, etc., type demonic manifestations with Christian labels.

Many inexperienced or dogmatic Believers think that a person's mediumistic powers automatically disappear when he or she becomes a Believer. It is estimated by experienced councillors that as many as 50% of these occult gifts survive after conversion. If one discovers that he is in possession of mediumistic powers, he is duty bound to ask Yah to remove them and to replace them with the gifts of the Holy Spirit. Some theologians maintain that mediumistic powers can be cleansed and later used in the service of Yahveh. This notion, of course is inaccurate and must be strongly opposed. There is a fundamental difference between

mediumistic gifts and charismatic gifts. Charismatic, or spiritual gifts are received after conversion; natural or mediumistic gifts are either inherited or acquired through dabbling in sorcery. Gifts of the Holy Spirit can never be inherited. In many of today's so-called Christian circles, there are many who have and use mediumistic gifts, and use them as gifts of the Holy Spirit. Many of their followers are in this way being lead into serious error. They are being lead by the spirit of error, extremism, familiar spirits, and fanaticism. Thousands of these people are falling into this dangerous trap.

What used to be called witchcraft is now disguised under the auspices (label) of psychic research, ESP, mental telepathy, psychometry, black arts, mind control, etc..

The reason there are so many charismatic witches today is simply because of Biblical rebellion. These people simply don't and won't follow the laws/instructions of Adonai that He commanded us to follow. Refusing to follow the laws of Yahveh is spiritual rebellion. Spiritual rebellion is as the sin of witchcraft. **1Sam. 15:23** "*For rebellion is as the sin of divination, And insubordination is as iniquity and idolatry. Because you have rejected the word of Adonai, He has also rejected you from {being} king.*" As it states in James 4:7, we are first to submit to Adonai, and then the devil will flee. Unless we submit and follow Yah's instructions, we are not protected from Satan. **James 4:7** says "*submit to Yahveh*". That means follow the commandments, and then you can resist the devil!

SPIRITISM

Spiritism is a spiritual activity, grounded in the belief that people can by means of certain person's, the "mediums", make contact with the deceased, and so acquire revelations from the beyond.

TELEPATHY

Telepathy is best described as the "acquisition of knowledge over a distance without the use of the senses."

CLAIRVOYANCE

Clairvoyance can be described as "the extra-sensory perception of objective facts, of which no one has knowledge, without the use of any of the known sense."

DE-JA-VU/EIDETIC VISION

The illusion of having previously experienced something which is actually being encountered for the first time.

DIVINATION

There are many areas that fall under the title of "divination". The following is a list of some of the less known about areas: arithmancy (from numbers), coffee-ground reading, horoscopy, (star divination), geomancy (reading of dots), cartomancy (reading from cards), crystallo-mancy (crystal-gazing), capnomancy (smoke reading), catoptromancy (mirror reading), dice reading, liver reading, lead-pouring, pyromancy (fire reading), selenomancy (moon divination), sun divination, sleep reading, and tephromancy (ash reading).

FETISHISM/FETISH

Fetishism is not just a manifestation of primitive religions, but is also a phenomenon of present day superstition. Respect and honor in fetishism is given to hair, nails, feathers, horns, teeth, claws, spiders, scarabs, mascots of any kind, laurel, garlic stalks, threads, knots, tassels, bands, flints, spear-heads, etc.. In the ancient days, similar deification and honor was given to things like: four-leafed clover, lucky coins, toadstools, mascots, horse-shoes, lucky letters, amulets, relics, Easter water, ships, pets, chimney sweeps, as a symbol of luck. Feared and considered as bad omens, were: owls, ravens, black-cats, spiders, old wives, stopping of the clock, the number thirteen, etc.

Some examples of superstitions that are less heard of, are; charms for luck and protection against fire, misfortune, and war wounds. Fire charms are laid on the beams under a roof. Amulets are supposed to guard against enemy bullets. A silver horse-shoe on a watch-chain or key-ring is to guard against burglaries and thefts. A saint's medallion buried in the floor of a cattle shed is supposed to protect against epidemics. A wedding ring which has been stroked with a relic is said to protect the wearer against adultery. A medallion with the image of a saint on it, (if buried in a field), was supposed to bless the harvest. There are many more strange examples, but this gives you an idea of how items, "entities," have been foolishly used for centuries to give people supposed relief without having to ask Yahveh directly for help.

ROCK MUSIC/DEATH-HEAVY METAL/RAP/HIP HOP

I won't talk a lot about the obvious influence of music in the lives of Believers because much has been said clearly by many competent teachers. I will just give a brief discussion on this subject to show its significance in the demonic realm.

Death metal bands and most other rock music are at the cutting edge for the Anti-Messiah's coming war on the saints. Imagine a Marlyne Manson type "Satanic rock music" concert at which twenty or thirty thousand people attend. In these huge arenas, or domes, all these evil filled teen-agers are standing side by side with the air full of demon spirits, perhaps billions of them. These kids think they are there to hear music (as weird as it may be). Most don't realize that they are undoubtedly coming home with demons in them because they have given Satan legal access to their soul by accepting, and in some cases, worshipping this

idol image or person playing this Satanic music. To take it further, these teen-agers go to school, and demons then pass on from one person to another, till many innocent children get caught in the trap of Satan. The web that is weaved from one such FREAK can and does destroy thousands of otherwise nice ordinary people indirectly. If you've ever listened to rock groups like the Rolling Stones and innocently recited the words to songs like "Sympathy to the devil", you have opened a door into the demonic realm. If you've ever listened to rock groups like Black Sabbath, Slayer, Santana, Alice Cooper, Kiss, Guns and Roses, etc., and sang them out loud, you may have invited demons into your midst through the words of the songs.

Rock music is one of the biggest entry points for demons in our culture today. People don't realize who or what they are honoring in these occult music groups. Many of the song lyrics are themselves actual incantations calling up demons when the song is sung. Kids walk around singing mantras and incantations without even knowing it. They summon up demons by singing the words of these songs, and wonder why they are so rebellious.

The following are but a few of the Satanic music groups popular in the last 30 years: Santana, Led Zeppelin, Def Leppard, Slayer, Marilyn Manson, Rolling Stones, Black Sabbath, Frank Zappa, Alice Cooper, Kiss, AC/DC, Motley Crue, Jimmy Hendrix, Monty Python, and Guns and Roses. Jimmy Hendrix once said *"Through music you can hypnotize people and when you get them at their weakest point, you can preach into their subconscious mind what you want to say"*.

Many rock musicians like the Rolling Stones, Black Sabbath, Santana, etc., have witches do incantations on their recorded masters, which in turn place demons on every CD sold. The main purpose of Satan's control on rock music is to have mind control through the music. This mind control gives the person listening, the ability to understand the satanic message of the music and keep their mind off the Messiah.

Consider this. If David could ward off demon spirits from King Saul with music, then it is appropriate to assume that music can attract demons. The music I'm referring to of course is rock, and rock music and its derivatives.

The fact is, so-called Christian music heard on most of the radio stations is 99% secular.

MULTI-CULTURAL PAGAN WORSHIP

Most earthly heritage involves some form of demon worship, whether it be generic backgrounds of Irish, Mexican, North American Indian, German, Ukrainian, Russian, Chinese, Japanese, or Indian. The moment we accept Yeshua into our life, we are to give up our past earthly heritage. We become citizens of Heaven, temporarily assigned to earth as ambassadors of heaven. We are joint heirs with Messiah and His Kingdom to come. The reason it is so hard for millions of people, particularly Native Indians, is because of the curses and demons attached to their heritage of the past. The demons and curses brought into our lives because of this "Multiculturalism" keep us in bondage to the pagan gods of our ancestors.

There is a tremendous effort recently to bring back the heritage of the past and restore the pagan cultures of the past. This concept is very popular around the world, especially in the Western Hemisphere; e.g.. the French in Quebec and the Indians throughout Canada and the United States. If we look closely at these heritage's, we will too often see religion as the central focus, and the worship of demon gods in one form or another. These statues, wood carvings, clay figurines, etc., of demon gods of the past, are being re-established and given reverence and esteem in museums and multicultural centres around the world. Do you not see that this is restoration of the dominion of these demon gods played upon by those who think it is a good idea to promote past cultures. The tourists and visitors who go and give reverence to these demon gods may receive curses from acknowledging them, and honoring them, by paying to see, or even accepting them as something to admire for what may seem like artistic reasons. It is Satan himself behind all this multicultural imagery of gods and goddesses of the past. It is not for educational purposes. It is for reasons of money and pride that this is being done, the same pride that caused Lucifer to fall from the Heavens of Yah.

The reason most Indians are poor, alcoholic, down trodden, unhealthy, unproductive, and live on welfare today, is because they are CURSED from their participation in cultural celebrations and from the generations of their ancestors who participated in these heathen rituals. These CURSES go for generations unless, one becomes a true Believer and puts a stop to it. Most Native people don't realize that indulging in pagan ceremonies such as powwows, sweat lodges, and dancing to the beat of drums, is totally demonic. The drums are used to call the demons forth, and the chanting is verbal invitation for the demons to come to the people and participate with them in the ceremonies. The chanting is nothing more than "speaking in demonic tongues". Voodoo and Sufism are also part of these occultic groups that dance to repetitive beating music until they are in a trance; then they lay down and experience out-of-body experiences. This is called trance-dancing. Anyone who has even once participated in such an event is sure to have demons oppressing them. The Indians throughout history have worshipped pagan god's that they called by many names. **The "witch-doctors", "shaman", or "medicine men" were/are nothing more then sorcerers, prescribing various demon spirits to enter the individuals for various powers and purposes.** These demon possessed chanters cast spells and curses while prescribing medicines demonically ordained.

The famous Totem poles themselves are pagan occult objects, which bring curses on the very ground on which they stand, as well as to the people who acknowledge and accept their existence. Sweat lodges are nothing more than places (dens of iniquity), where the participants privately call forth demon spirits for physical and mental manifestations and hallucinations to take place. These people actually ask demons to enter them and give them knowledge and healing, etc.. This is one of the worst things any human being can do to dishonor Yahveh. It is no wonder whatsoever why these people have throughout history lived in poverty, and this will never change until their pagan customs, symbols, and rituals are stopped dead in their tracks, or they simply quit participating, or giving reverence to them.

There has been a great move in the Native Indian nations to renew old heritage and restore the pagan rituals of the past for educational reasons. The Indians claim it gives them a sense of distinction and worth. It gives honor to the demon gods, and causes them to once more rule the land they are re-established in. It is religion pure and simple, religion of demon gods working for the adversary. The same problem is found with many Black people.

Poverty

Many people don't realize that poverty can be, and is often a curse, passed down from generation to generation. Those who find themselves on welfare may discover poverty is a generational problem throughout their blood line. If the truth be known, welfare is an addiction. The desire to not work in any way is as old as the sin nature of man. There is nothing more addicting than receiving something for doing nothing. This addiction will destroy the participant with a feeling of guilt, worthlessness, shame, and self-hatred, that invites demonic progression to a state of no return.

It is no wonder that India is the poorest country in the world, because of their mostly Hindu lifestyle. You will notice that the third world countries that worship pagan gods are the poorest and most downtrodden nations of the earth. This is simply because of their heathen religions. Although Canada and the United States are now very pagan in nature, they are still far ahead of the third world countries in regard to poverty and famines etc., because of the few true Bible Believers interceding throughout the land.

Adonai gives us His opinion on digging up these past pagan articles and practices in many Bible verses. The following are but a few examples:

Deut. 7:5 *"But thus you shall do to them: **you shall tear down their altars, and smash their {sacred} pillars, and hew down their Asherim, and burn their graven images with fire.**"*

Deut. 7:16 *"And you shall consume all the peoples whom Adonai your Yahveh will deliver to you; your eye shall not pity them, **neither shall you serve their gods, for that {would be} a snare to you.**"*

Deut. 7:24-25 *"And He will deliver their kings into your hand so that you shall make their name perish from under heaven; no man will be able to stand before you until you have destroyed them. **"The graven images of their gods you are to burn with fire; you shall not covet the silver or the gold that is on them, nor take it for yourselves, lest you be snared by it, for it is an abomination to Adonai your Yahveh."***

Not only were the Israelites commanded to destroy the people and kings of the land, but they were commanded to destroy even the records of these pagan gods from under the heavens (Deut. 7:24). They were commanded to wipe out their historical records because of the wickedness of the people who were worshipping and serving these pagan gods. Adonai knew that if these things were not destroyed, the Israelites would eventually go back and serve these heathen gods (Deut. 9:4).

THE THIRD EYE

Many say the round dot on the forehead in-between the eyes of Hindu women, witches, warlocks, occult worshipers, etc., is a pagan symbol dating back to, and referring to, the mark of Cain. **Gen. 4:15** *"So Adonai said to him, **"Therefore whoever kills Cain, vengeance will be taken on him sevenfold."** And Adonai appointed a sign for Cain, lest anyone finding him should slay him."*

It is otherwise known as "the third eye", a Satanic symbol giving reverence to Satan through the worship of pagan gods of old. This is the mark seen on many cartoon characters, dolls, fast food meal containers, comic strips, and Walt Disney movie characters, etc., representing a special force or power from within. It is widely the new age religions.

The third eye can be found on the American Seal (\$1.00 bill), at the top of the pyramid in the seal. The eye in the top of the triangle is commonly referred to as *"the all seeing eye of God's wisdom,"* and the light which streams out from the triangle, supposedly, represents the light of Yahveh's wisdom. However, the god they are referring to is "Lucifer".

To the Hindu, the third eye represents the pagan sign of "Cain". This "eye" is also symbolic for the god of "Baal", (the god of "Jupiter"), the "solar eye". Sometimes, this third eye is called the "Eye of God's Wisdom", a Masonic

symbol, or represents “big brother is watching”. The “eye” sometimes represents “*The Great Architect of the Universe*”, “*The Grand Geometrician of the Universe*”, “god”, or “Yod”. This eye in the capstone of the pyramid of the American Seal is familiar to all Masons, Illuminati, and Rosicrucians, for they use it in their lodges as a great secret symbol.

It's time we burnt the books again like in **Acts 19:19** “*And many of those who practiced magic brought their books together and {began} burning them in the sight of all; and they counted up the price of them and found it fifty thousand pieces of silver.*”

Playing with palm reading, tarot cards, astrology, and fortune telling of any kind, is often claimed to be innocent fun. The truth is, that it compares to a loaded gun; when you pull the trigger, someone's going to get hurt. What appears to be innocent can cause severe damage.

This readily accepted spirit of witchcraft is difficult to quench. It is often recognized, but not often dealt with properly. Other than deliverance, the spirit of witchcraft is quite difficult to remove, unless the person is willing to acknowledge the problem. If the witch, or affected person in the family is not willing to accept Messiah in their life, the following procedure has proven to be effective. If, for example, you have a son who will not come to Adonai and he is out of control, into death metal music, strange customs, posters, weird hair cuts, etc., you can try the following. Take an object that this person wears all the time, like a favorite shirt, watch, or whatever. Pray over it, lay hands on it, renounce the curses on your child, rebuke Satan and his works in this child's life, and then let the child wear the object. See what happens. In many cases, the person's attitude will change, and they don't know why. This, in fact, may neutralize the curses on the very objects that this person touches in his daily routine. It is fighting spiritual war in a way that can be most beneficial to all concerned.

In Luke 16:19-26, it explains that there is a gulf between the living and the dead that no man can breach. In other words, under normal circumstances, no one can communicate with the dead. All those who try to do so (Necromancy), are communicating with demon spirits. **Luke 16:19-26** “*Now there was a certain rich man, and he habitually dressed in purple and fine linen, gaily living in splendor every day. “And a certain poor man named Lazarus was laid at his gate, covered with sores, and longing to be fed with the {crumbs} which were falling from the rich man's table; besides, even the dogs were coming and licking his sores. “Now it came about that the poor man died and he was carried away by the angels to Abraham's bosom; and the rich man also died and was buried. “And in Hades he lifted up his eyes, being in torment, and saw Abraham far away, and Lazarus in his bosom. “And he cried out and said, ‘Father Abraham, have mercy on me, and send Lazarus, that he may dip the tip of his finger in water and cool off my tongue; for I am in agony in this flame.’ “But Abraham said, ‘Child, remember that during your life you received your good things, and likewise Lazarus bad things; but now he is being comforted here, and you are in agony. ‘And besides all this, between us and you there is a great chasm fixed, in order that those who wish to come over from here to you may not be able, and {that} none may cross over from there to us.’”*

AREAS IN US THAT DEMONS TAKE UP RESIDENCE:

Emotions and attitudes: Behind every destructive negative attitude and emotion, there is an evil spirit; ex.. anger, fear, loneliness, self-pity, depression, despair, pride, jealousy etc. Rejection is by far the greatest root problem of all emotions. Constant rejection and fear of rejection turns to suicide. Pride is a common problem with most people, and yet what does the good book say about pride. **Prov. 16:5** “**Everyone who is proud in heart is an abomination to Adonai; Assuredly, he will not be unpunished.**”

All suicides are caused by demons. In the fourth chapter of Ephesians, Paul urges all Believers to put away their likes and dislikes (doctrine), and to focus on our common hatred for Satan. When we argue and get excessively angry with one another, we are giving a place for the devil. We are not to yield to our fleshly impulses because there's nothing Satan likes better than watching Believers fight among themselves. When we fight with each other, we are obviously not fighting with him.

Eph. 4:25-27 “*Therefore, laying aside falsehood, speak truth, each one of you, with his neighbor, for we are members of one another. Be angry, and yet do not sin; do not let the sun go down on your anger. And **do not give the devil an opportunity.***”

Mind: Doubt, un-belief, confusion, and insanity are usually demons of the mind. People who have dealt in the occult are always confused.

Tongue: Compulsive lying, criticism, negative talking, un-clean words, and blasphemy. (James 3:8)

Sex: Every form of compulsive sex or aberration (adultery, masturbation, fornication, homo sexuality, lesbianism, etc.) is demonic.

Lust: All perverted desires and appetites (1John 2:16). Some demons even control the way men look at women.

VERBS THAT DESCRIBE DEMONS: If one or more of the following verbs describe your life, you probably have a demon or demons present. These all describe persons, a demon is like a person without a body. The verbs are:

Entice: Demons entice people to do bad or evil things. Eg. stealing, to be lustful, jealous, want unnecessary material things of this world.

Harass: Demons constantly watch for your weaknesses and that's when and where they strike. The moment a weak spot is unprotected, demons will attach to the weak spot, like a bloodsucker attaches itself to one's leg.

Torment: Demons never give up, they are always after you. (Matt.18:21-35) If you have any un-forgiveness in your heart you are tormented. Arthritis is a form of torment. It may be a demon of infirmity. An example of mental torment is the fear of going insane. Spiritual torment may be the thought that you have committed the unforgivable sin.

Compel: Anything compulsive is liable to be demonic. Un-able to stop drinking, talking, gossiping, swearing, hating, or eating, are good examples.

Enslave: If you have a continuous urge to do something you know is sinful, it is demonically influenced. Enslave, compel, and addiction, go hand in hand.

Addiction: Compel and enslave combined, create addiction. Addictions grow because of frustrations. They are like branches growing from a tree trunk of frustration. The fact is, if you look around, you will see the world is full of obese people that can't stop eating, and very little is said about it. But much is said about the alcoholic who is in the exact same dilemma.

Defile: Defilement makes you feel dirty and unclean, especially when your about to worship or praise Yahveh. (Anything that opposes you when you are about to worship El Shaddai is probably demonic.

Deceive: All forms of spiritual deception are demonic. Deception is used to get the average person to follow heresy and other unbiblical teachings of the thousands of False prophets out there proclaiming to follow a man called Jesus. 99% of all mainline churches have significant deception.

Pride: Pride opens the door to many demons. That is how Lucifer fell, and that is how most egotistical people still fall in todays world.

Infirm, weaken, make sick, tired or kill: Many sicknesses are caused by demons, E.g.. epilepsy, arthritis, schizophrenia etc.. The illness is often cast down from generation to generation without anyone ever picking up on it. The spirit of slumber or lethargy makes you want to sleep if you read the Bible, and yet it won't bother you if read a novel or you watch TV. TV is a major weapon of the devil).

All of the above verbs can be put together and described with one word, RESTLESSNESS.

A DEMON'S LEGAL RIGHTS

The devil is like a bad dog on a chain. If you stay out of his reach, you will not be harmed. If you stay in Messiah, you won't be seriously harmed. Don't go into his territory; drugs, porno, witchcraft etc.. If you don't get involved with things that you know are bad, you will not be harmed. If you step into his territory, you give him the "legal right" to access you. **Gal. 5:19-21** *"Now the deeds of the flesh are evident which are, immorality, impurity, sensuality, idolatry, sorcery, enmities, strife, jealousy, outbursts of anger, disputes, dissension's, factions, envying, drunkenness, carousing, and things like these of which I forewarn you just as I have forewarned you that those who practice such things shall not inherit the Kingdom of Yahveh"*

THE PARABLE OF LUKE 8:12

In Luke 8:12, we read about Satan taking away what people learn in the Word immediately after they hear it, because they have no roots to stabilize them while they are learning. **Luke 8:12** *"And those beside the road are those who have heard; then the devil comes and takes away the word from their heart, so that they may not believe and be saved."* **Matt. 13:19** *"When anyone hears the word of the kingdom, and does not understand it, the evil {one} comes and snatches away what has been sown in his heart. This is the one on whom seed was sown beside the road."*

Mark 4:15 *"And these are the ones who are beside the road where the word is sown; and when they hear, immediately Satan comes and takes away the word which has been sown in them."* Because the Hebraic roots of the Word of El Gibor are not explained in most of the mainline pagan churches today, most ignorant Believers never get to keep the true Word that is taught to them from knowledgeable spirit filled disciples that happen to come across their path. The seeds are snatched away by the devil, and those who are not wise enough to check things out on their own, take on the spirit of deception so they blend in with the rest of the spiritually dead church members. These people honestly think they are serving YHVH, but are under the spiritual authority of their pastor, who in many cases, is not serving the Holy One Of Israel.

It is common now to hear of children and adults who all of a sudden "Snap" and kill people without knowing why. They admit being controlled by something, and everyone shrugs it off, thinking that person is just being a bad person, a murderer, rapist or stalker, etc.. The truth is, these people may be dominated by demons, for whatever reason, and are made to do outrageous things. We must hate the demons that may possess them but feel sorry for the people. We cannot condone what these people are doing. *"There is no spoon with a handle long enough to sup with the devil without getting hurt"*. If you stay within the guidelines of the Torah your protection will increase.

In late 1997, more than 700 people, mostly school children, were taken to hospital with convulsions triggered by watching an animated cartoon on television. According to Reuters, "The blame was put on a scene

depicting an explosion followed by five seconds of flashing red lights from the eyes of Pikachu, a rat like creature. Children went into a trance-like state, similar to hypnosis, complaining of shortness of breath, nausea, and bad vision when the rat like creatures eyes flashed.”

Demons are commonly transferred by physical contact also. So, it states in: **1Tim. 5:22** **“Do not lay hands upon anyone too hastily and thus share responsibility for the sins of others; keep yourself free from sin.”** In other words you should be very careful who you touch, and to prevent the possibility of problems, you should always cover yourself with the blood of Yeshua. It is quite common for the people in churches to join hands in prayer nowadays, but this can be very dangerous if the pastor in charge has not covered the sanctuary and the property around it with the blood of Yeshua, and claiming it as holy ground before the service. To be safe, one should cover himself with the blood before a service starts. See page 47 for more details on spiritual coverings.

The snow-ball effect of the growth of demons in our society is the root cause of all the bad and unholy things that we see happening in our society today. The only thing that is holding back the total destruction of normal human activity is the prayers of millions of spirit filled Believers that daily ask El Shaddai to protect their families, friends and loved ones.

WAYS TO ENTICE/INVITE DEMONS

- 1. occult background:** Ancestral sin; a family history of adultery and idolatry, a breaking of the first two commandments can be invitations. All forms of idolatry automatically expose and connect people with demons. Yahveh said in connection with idolatry that he would visit the sins of the fathers to the third and fourth generation. If any of your past relatives had anything to do with idolatry, you must repent of it. **Deut. 18:10-12** *“There shall not be found among you anyone who makes his son or his daughter pass through the fire, one who uses divination, one who practices witchcraft, or one who interprets omens, or a sorcerer, or one who casts a spell, or a medium or a spiritist, or one who calls up the dead. For whoever does these things is detestable to Adonai”* **Lev. 19:26** *“Do not turn to mediums or spiritists; do not seek them out to be defiled by them”*

1Tim. 4:1 *“Now the Holy Spirit tells us clearly that in the last times some will turn away from what we believe; they will follow lying spirits and teachings that come from demons. These teachers are hypocrites and liars. They pretend to be religious but their consciences are dead”*

- 2. personal occult involvement:** He who sups with the devil must use a spoon with a long handle”, and there is no handle long enough to keep you from being influenced if you have had any dealings with the occult. (Deut. 18:10-12) If you ever study the individuals that get involved in the occult, you will find that they are always self-centered and arrogant. In most cases, they failed on their own to have power or leadership abilities, and were generally speaking, outcasts. Because of their rejection from society for various reasons, they want revenge on those around them that have ostracized them. Through the powers of darkness, they are able to get back at people. What they always fail to realize is that there is a price they must pay for Satan’s power also. It is death.

The primary material for demons to dwell on and participate with is Eastern Mysticism, TM, yoga, etc. although movies like the Exorcist, Friday the 13th., Matrix, Scream, The Blair Witch Project, and plays like “Jesus Christ Superstar”, “Godspell”, etc., fit in the mold precisely. Psychics deal with familiar spirits, so anyone who has ever even once gone to or called any kind of psychic is in need of deliverance.

The movie “Exorcist” that came out in the 1970’s was a true story about the demonic possession of a young girl. It is said that when it came out many people who saw it became demonically possessed. Across North America, admissions for emergency psychiatric care increased dramatically, some of the patients arrived in straight-jackets directly from the theatres where they had freaked out while watching the movie. William Blatty admitted that the demon possession of the story was brought on by the use of the Ouija board. As a result the Ouija board overtook the monopoly board game in sales. After seeing the “Exorcist two” a girl killed her friend, cut open her friends body and removed her heart like in the movie. She admitted she got the idea right out of the movie.

Did you know Rosemary’s baby, a famous Hollywood horror movie used Anton La Vey for technical assistance.

- 3. pre-natal influences:** A mothers rejection of her child during pregnancy, or a sudden shock during pregnancy can cause curses. E.g.. People born during the great depression were especially subject to demons because many mothers rejected raising another child when they couldn’t feed the existing children because of bad times. E.g.. If a child is not wanted before it is born, it is sure to have demons influencing it even before it’s

born. If a mother is exposed to something that seriously scares her during pregnancy, she may receive a spirit of fear, which may enter the fetus. Note.. A pregnant woman should never ask a fortune teller what her child will be like. She exposes the child to demons even before it's born. The child doesn't have a chance of a normal life.

4. soulish domination: A mother's domination or manipulation over her children, especially sons, can be a cause. If she is always directing them even when they are grown up she is being demonically influenced.

The "women's lib" organization is one of the biggest organizations in the world that Satan has tapped into. He has convinced masses of misguided women that they are not just equal, but better than their spouses. By doing this he has managed to keep husbands and wives apart in both the business world as well as at home. Thus, the "power block" of prayer in unity is not used.

5. pressures in early childhood: If there is an area of strife or continued disagreement with parents, it creates a condition of automatic exposure to demon influences. Children under 12-13 are not strong enough to resist the pressures of demons. The parents are solely responsible.

6. moment or place of weakness: Being exposed to trauma or disappointment, being scared, either physically or mentally, being depressed, or even a death in the family opens people up to tormenting spirits, or other similar spirits. E.g.. If a person was to get married and then the wedding was canceled, it can open up the person to torment by spirits. E.g.. If you build up your hopes about something and it doesn't happen, it is possible to open yourself to a demon through your mental or physical weakness. Sometimes when there is a trauma in your life, Satan may use that opportunity to slip a demonic spirit into your soul and get a hold on you.

7. sinful acts or habits: If you persist in sinful habits such as, movies, pornography, etc., that you know are bad, sooner or later these habits can become demonic. E.g.. If you continuously watch X- rated movies, the demon of lust will likely enter you. Unless you stop this activity, the demon will not go away. (1Cor. 5:5) "Sex sells," isn't an advertising slogan born on Wall Street; it's an epigram conceived in the depths of hell based on temptations of the flesh. Our works of the flesh must be dealt with by repentance, forgiveness, and self discipline, like Paul said in (Gal. 5:19-21 and 1Cor. 3:5-9) If we don't deal with them they become demonic strongholds. **During sex, demons are transferred, so anyone who has had sex with a stranger, may have taken on more than he bargained for, especially if it was a prostitute.** See article on "soul ties" in the index.

Lev. 17:7 "And they shall no longer sacrifice their sacrifices to the goat demons with which they play the harlot"

1Cor. 10:13 "Yahveh is faithful, who **will not allow you to be tempted beyond what you are able, but with the temptation will provide the way of escape also, that you may be able to endure it**"

8. curses: Curses attract demons! There are also many curses passed down from past generations or from people in the occult, practicing witches, druids etc., that may want to harm you or your family blood line. Freemasonry for example, is the source of many curses and demonic problems that continue from generation to generation. These problems include mental disabilities and crippling. Freemasonry is one of the biggest "subtle" sources of curses on the population in general. It has, and will continue to cause, chaos in the demonic realm until the coming of its anti-Messiah leader in the end times. "*The parents ate the sour grapes and the children will get the sour taste*".

9. hatred, anger, cussing or jealousy: If you have trouble with the control of any of these, demons have easy access. (Eph. 4:26-27) Satan's power source is "hate". **John 8:44** *Satan is the father of all lies.* Lying goes hand in hand with anger, hatred and jealousy. A person who constantly swears is definitely demonized.

10. disobedience to the Holy Spirit: When you know the Holy Spirit is talking to you about something specific and telling you what to do, obey, (most people think it's their conscience telling them something). If you don't obey what the Holy Spirit is telling you to do, you are in a very dangerous area or situation because of the unforgivable sin. (1Sam. 16:14)

WHERE DO DEMONS GO?

In **Matt. 12:43** it explains where demon spirits go once they are removed from a person or an animal. "*Now when the unclean spirit goes out of a man, it passes through waterless places, seeking rest, and does not find it.*" I believe this to mean that the demon spirit, once cast out, doesn't find rest until it reports back to Satan or his organization of principalities, rulers and powers. The spirit may go into the pit, which is the center of the earth, otherwise known as the "**Abyss**", the place of torment. It's described likewise in **Luke 11:24** "*When the unclean spirit goes out of a man, it passes through waterless places seeking rest, and not finding any, it says, I will return to my house from which I came. And when it comes, it finds it swept and put in order. Then it goes and takes along seven other spirits more evil than itself, and they go in and live there; and the last state of that man becomes worse than the first.*"

ANIMALS AND DEMONS

In Luke 8:26, Yeshua chased the demons from the demoniac into the unclean swine. Demons would rather go anywhere than to the pit of the Abyss, so I believe that they will go into animals because there is no resistance. Animals don't have a soul or a spirit. Almost everything animals do can be explained as a reaction

to an action. The spirit is from El Gibor, so there would be no need for a spirit in an animal. There are perhaps more to the stories of "black cats" and "wolves" than we understand. There are many cases of animals, especially dogs, going completely crazy and attacking people or other animals. Sometimes timid unclean animals like horses, mice, rats, etc., just go crazy. This could be because of a demonic presence. I believe these animals could be staging areas for the demons, places of momentary refuge, until they find a human body that gives them the legal right of entry.

I believe that demons can possess the body of an unclean animal, as listed in Lev. 11, but not that of a clean animal. That's why the legion of demons went into the swine, not into the sheep or goats nearby. Thus, unclean spirits seem to go hand in hand with unclean animals.

MANIFESTATIONS OF DEMONS

PHYSICAL MANIFESTATIONS OF DEMONS

During some deliverance's, demons will, if allowed, speak through the vocal cords of the victim. They talk in various manners like evil, vulgar human beings, expressing themselves with human type body language, and whatever language they desire (English, French, Spanish, etc.). Generally speaking, when demons aren't being attacked, they hide behind the eyes, and in the stomach of the individual. Demons all look pretty much the same in the spirit world, and will tell you their names when commanded so. They, in fact, are quite proud of themselves. They have managed to lodge where they are.

Mark 9:20,26-27 20 "And they brought the boy to him and when he saw him immediately the spirit threw him into a convulsion, and falling to the ground he began rolling about and foaming at the mouth" 26-27 "And after crying out and throwing him into convulsions, it came out; and the boy became so much like a corpse that most of them said he is dead"

Luke 8:35-36 explains about a man who was crazy. Who had legions of demons in him, (a legion of over 6,000) and how Yeshua

chased them into the swine. "And {the people} went out to see what had happened; and they came to Yeshua, and found the man from whom the demons had gone out, sitting down at the feet of Yeshua, clothed and in his right mind; and they became frightened. And those who had seen it reported to them how the man who was demon-possessed had been made well". Demons prefer human bodies, but will take the body of a swine rather than be banished completely.

Wer beasts, werewolves, vampires, zombies, etc., are demons in unusual beastly forms. They are hierarchy demons used by Satan to discipline his usual demons and those (occult members) who don't do as the demons inside them tell them to do. They could be what's spoken of in: Lev. 26:6/22, Ps. 50:11, Ezek. 8:9-10, Titus 1:12-13a, Jude 7:11, 2Pet. 2:10-12. In Lev. 26:6 and 22 both evil and wild beasts are being spoken of.

Matt. 8:28-34 GADARENE (GEREZENE) DEMONIAK (Luke 8:27-33)

In the following teaching we will look at exactly what took place when Yeshua dealt with the demoniac of Gerezene. We will closely look at at least six questions.

- 1) Did Yeshua talk to the demons?
- 2) Why did He cast them into swine?
- 3) Did the demons recognize the Messiah as the Son of Yah?
- 4) Did the people appreciate what He did for them?
- 5) Did He say "Satan cannot cast out demons?"
- 6) Did the demons know there was an appointed time revealed in prophesy as the "Last Days"?
- 7) Did Yeshua cast demons out in the name of Ba'al-Zibbul?
- 8) What name were some Pharisees using to cast demons out?

Unfortunately, few born again people even believe in Deliverance, casting out demons, even though it is something Yeshua and the apostles did regularly. In fact we know that Yeshua spent about 30% of His recorded time on earth casting out demons and healing the sick. One is always associated with the other.

The ignorance of these people in most cases has them in captivity without them every realizing they are even held hostage. They may as a result of their non-belief be physically ill, spiritually dead, mentally ill, poor, addicted, anxious, prideful, etc, all their lives without ever recognizing that their problems are demonic. Stubbornness, anti-Semitism, deception, and lethargy are perfect examples of demons that keep them from understanding one of the most basic truths of the bible. For that reason they suffer in their lives.

Even those who accept spiritual warfare as real, sometimes question the various ways some people do deliverance in regards to talking to the demons while in the process of casting them out. Many don't believe that Satan himself, or others who work for him, also cast out or even exchange demons. Can Satan be divided among himself?

Let's look at the process Yeshua used when He cast out demons, so we can learn for ourselves how it was done, and learn the thematic connections, and analogies, associated with what He did. If we know what He said, what He didn't say, and what He did when dealing with demons, it will show us what is real and what is not. To understand this, we will use the Gerezene demoniac example to see what really happened in that situation.

Matt. 8:28-34 *"When Yeshua arrived at the other side of the lake, in the Gadarenes' territory, there came out of the burial caves two men controlled by demons, so violent that no one dared travel on that road. 29 They screamed, "What do you want with us, Son of Yahveh? Have you come here to torture us before the appointed time?" 30 Now some distance from them a large herd of pigs was feeding. 31 The demons begged him, "If you are going to drive us out, send us into the herd of pigs." 32 "All right, go!" He told them. So they came out and went into the pigs, whereupon the entire herd rushed down the hillside into the lake and drowned. 33 The swineherds fled, went off to the town and told the whole story, including what had happened to the demonized men. 34 At this, the whole town came out to meet Yeshua. When they saw him, they begged him to leave their district."*

A number of things are worthy of cautiously noting in this passage. **Matt. 8:29** *"They screamed, "What do you want with us, Son of God? Have you come here to torture us before the appointed time?"*
HAVE YOU COME TO TORTURE US?

The demons ask **"Have you come to torment us before the time?"** They were aware that it wasn't yet the appointed moment for their final judgement. These demons were very familiar with biblical prophecy! Of ALL of the things that they know, religion is the one area that they are most familiar with! Notice that they specifically requested for Messiah to cast them into SWINE! **Afterwards these very swine experienced INSANITY, diving off of a cliff to a sudden death!**

This shows that Yeshua talked to the legions of demons before He cast them into the pigs.

DID THE PEOPLE APPRECIATE WHAT HE DID FOR THEIR COMMUNITY?

Instead of the people rejoicing in the deliverance of the demoniac by Messiah and embracing His teachings, the whole town instead **RAN HIM OFF**. They were more concerned about the loss of their SWINE than the destruction of the evil demons! They were like many business people, more concerned for the money lost in the value of their unclean produce (pigs that they were not supposed to have any part of in the first place), then they were for the removal of the evil demons from the area.

Matt. 8:33-34 *The swineherds fled, went off to the town and told the whole story, including what had happened to the demonized men. 34 At this, the whole town came out to meet Yeshua". When they saw him, they begged him to leave their district."*

WHAT DID YESHUA SEND THE DEMONS INTO?

Luke 8:33 *"And the demons came out from the man and entered the swine; and the herd rushed down the steep bank into the lake, and were drowned."* Here we have another nail in the coffin of people who believe Yeshua made it alright to eat pig (unclean food). Yeshua knew the Word, and He knew pigs were not supposed to be even touched by holy people, so He cast the demons into these filthy pigs because he knew their flesh was never to be eaten by humans.

This is written in red, so Yeshua Himself spoke these words. Yeshua would never go against what was written in the word/torah. **The torah says never to waste food or eat unclean swine**, if pigs were food, Yeshua would be breaking torah in a big way by wasting a heard of pigs. He sent the herd over a cliff into the Sea. If they were considered food, He would have broken His own word.

DID YESHUA CAST OUT DEMONS IN THE NAME OF BA'AL-ZIBBUL?

Matt. 12:22-26 *"Then some people brought him a man controlled by demons who was blind and mute; and Yeshua healed him, so that he could both speak and see. 23 The crowds were astounded and asked, "This couldn't be the Son of David, could it?" 24 But when the P'rushim heard of it, they said, "It is only by Ba'al-Zibbul, the ruler of the demons, that this man drives out demons." 25 However, knowing what they were thinking, Yeshua said to them, "Every kingdom divided against itself will be ruined, and every city or household divided against itself will not survive. 26 If Satan drives out Satan, he is divided against himself; so how can his kingdom survive?"*

SATAN DIVIDED AMONG HIMSELF, DOES SATAN CAST OUT HIS OWN DEMONS?

While engaged in a heated conversation with the Pharisees, Rabbis, and Sadducee's, the Jewish religious teachers/leaders of Messiah's time, Yeshua presents an interesting statement:

Matt. 12:25-30 *"And Yeshua knew their thoughts, and said unto them, Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand: 26 And if Satan cast out Satan, he is divided against himself; how shall then his kingdom stand? 27 And if I by Beelzebub*

cast out devils, **by whom do your children cast them out?** therefore they shall be your judges. 28 But if I cast out devils by the Spirit of Yahveh, then the kingdom of Yahveh is come unto you. 29 Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house. 30 He that is not with me is against me; and he that gathers not with me scatters abroad."

Matt. 12:27 "And if I by Beelzebub cast out devils, **by whom do your children cast them out?** therefore they shall be your judges."

The implied answer here is: also by the adversary. Satanic healings and miracles are possible, and many are lead astray by them. Look at the thousands of charismatic type so-called Christian churches around the world, (mostly Pentecostal), that have been entertaining demons, participating in counterfeit healings, and supposedly casting out of demons for over a hundred years already. These lawless, liars, and followers of the counterfeit spirits have been sucked in by these demonic phenomena's for many years (1John 3:4,8, 2:4-6, John 14:15).

Remember when the Pharaoh's sorcerers magically made snakes appear when Moses and Aaron were telling him to let the people go. **Exod. 7:11-12** "But Pharaoh in turn called for the sages and sorcerers; and they too, **the magicians of Egypt, did the same thing, making use of their secret arts. 12 Each one threw his staff down, and they turned into snakes. But Aharon's staff swallowed up theirs**".

Now let's reason this out together.

Did Messiah ever state that "Satan can not cast out demons"?

NO, He certainly did not! You will find upon careful observation of the narrative that He actually stated "IF...", implying not only that Satan can cast out demons, but also that some of the Pharisees and Sadducee's in His audience, were doing this very thing! How did they know about "Beelzebub"? Perhaps because they were worshippers of this very entity! It is against Yahveh's commands to even make mention of another deity, or "idol" unless one is teaching about the evil of these demonic things! Messiah clearly condemns them. **Matt. 12:30** "Those who are not with me are against me, and those who do not gather with me are scattering."

They were not only accusing Him of being Satan, but in fact casting out demons by Satan through their offspring! Sons do not learn without parents teaching them! So, if Judaism is guilty of being taught by demon worshippers, how reliable can it be considered? Who else would be blamed of this very sinful behavior?

Acts 19:13 "Then some of the Jewish exorcists who traveled from place to place **tried to make use of the name of Yeshua in connection with people who had evil spirits.** They would say, "I exorcise you by the Yeshua that Sha'ul is proclaiming!"

Exod. 7:22 **But the magicians of Egypt did the same with their secret arts, so that Pharaoh was made hardhearted and didn't listen to them, as ADONAI had said would happen**".

DEMONS ENTERTAINING DEMONS

Anyone who has been watching the countless videos of the counterfeit holy spirit working his magic through the false prophets in the charismatic churches and other entertainment centres for many years now,

know that the devil is a master of deception. He is an entertainer magician, beyond ones imagination. He has been entertaining with his Satanic servants, in these counterfeit churches and many other houses of ill repute for a long time, and he does an excellent job. The list of these false prophets (witches) in the Christian religious system includes thousands, far too many to list here. Turn on most any religious TV channel on any Sunday morning and you will see so-called churches with witches and their brotherhood members standing in the pulpits and rolling around on the floor. **Demons entertaining demons!**

Summary

The conclusion when all has been heard; "Fear Yahveh and keep His commandments" (Eccl. 12:13)

- The demons know prophesy, they knew who Yeshua was, and that there was an appointed time coming in the future to fulfill that prophesy.
- Even in Yeshua's days many people rejected Him. Even when witnessing His miraculous divine power and authority, they still rejected Him.
- Yeshua did indeed talk to demons before He cast them out.
- Yeshua cast demons into swine, confirming pigs are unclean food.
- Satan entertains millions of ignorant people with his servants, (witches wearing many different colored suits), by allowing his servants to appear to cast out demons in the name of Jesus all over the world.
- Yeshua proved that the Pharisees were indeed casting out demons by Ba'al-Zibbul, because the devil was the master of many of them.

There is no doubt a huge industry out there in the christian religion with demon filled people entertaining demons in a supposed church atmosphere. Yahveh will deal with them as He sees fit. In the mean-time, those who are actually born again children of the Most High, need to understand as best they can why REPENTANCE (t'shuvah) "Spiritual Warfare", curse removal, and the casting out of demons, is just as necessary today as it was thousands of years ago. Yeshua came to set the captives free, and until one has been set free, he is a captive (Isa. 61:1-2). Get your deliverance.

OTHER BIBLICAL EXAMPLES OF DEMONS CAUSING PHYSICAL AND MENTAL PROBLEMS

In **Acts 8:7** when the spirits were removed, "*many who had been **paralyzed and lame** were healed*"

The dumb man was healed when Yeshua cast out the demon, as written in **Matt. 9:32-33a** "*And as they were going out, behold, a **dumb man**, demon possessed, was brought to Him. And after the demon was cast out, the dumb man spoke*"

When Yeshua removed the demon in **Luke 13:10-14** the woman with the crooked spine was healed. "*And he was teaching in one of the synagogues on the Sabbath. And behold, there was a woman who for eighteen years had a sickness caused by a spirit; and she was **bent double**, and could not straighten up at all. And when Yeshua saw her, he called her over and said to her, Woman, you are freed from your sickness.*"

And he laid his hands upon her; and immediately she was made erect again, and began glorifying Yahveh”

Epilepsy can be a demon. In **Matt. 17:15,18** it says, “Adonai have mercy on my son, for he is a **lunatic**, and is very ill; for he often falls into the fire, and often into the water, (18) And Yeshua rebuked him, and the demon came out of him, and the boy was cured at once.”

Luke 13:16 “And this woman, a daughter of Abraham as she is, whom Satan has bound for 18 long years, should she not have been released from this bond on the Sabbath” This woman had menstruation problems.

APPORTING / DEMATERIALIZATION / RE-MATERIALIZATION

Apporting is, the disappearance of a physical object from one location and its reappearance at another location. The object must dematerialize into the air and then re-materialize. I believe Philip, like Yeshua, vanished. **Acts 8:39-40** “And when they came up out of the water, **the Spirit of Adonai snatched Philip away**; and the eunuch saw him no more, but went on his way rejoicing. But Philip found himself at Azotus; and as he passed through he kept preaching the gospel to all the cities, until he came to Caesarea”. Messiah apported from his tomb and then he appeared from nowhere at the house of Cornelius. **John 20:19** “When therefore it was evening, on that day, the first {day} of the week, and **when the doors were shut where the disciples were, for fear of the Jews, Yeshua came and stood in their midst, and said to them, “Peace {be} with you.”**”

Materialization and re-materialization accomplished by demonic and occult forces is Einstein’s theory of relativity at work. Einstein’s revelation, (what many call a theory), was from Satan. It is no theory. It is a fact. Einstein’s formula of $E=Mc^2$ means; energy is equal to mass, times the velocity of light squared. Thereby, psychics tells us that it is possible to change mass into energy and energy into mass. Applying this fact to the “materialization and re-materialization” phenomena, we have the mass becoming energy (including, psychic energy..soul power) and likewise energy becomes mass (matter). Spirit projection is what John did as described in the book of Revelation. Astral projection is the counterfeit of spirit projection.

FAMILIAR SPIRITS

CHANNELING / PSYCHICS / FORTUNE TELLERS/ MEDIUMS

The best description of the use of a familiar spirit is as follows: Satan assigns one of these spirits to an individual or family. The basic idea is to determine whether or not a particular party is susceptible to spiritual things. If the person is the least bit susceptible, the demon spirit starts watching the individual closely from the outside spiritual realm. The spirit “starts a file”, you might say, and watches the intimate things that an individual does, making notes on everything. The spirit may not have the legal right to demonize the individual, but it accumulates detailed information as to everything personal and intimate that takes place in their life and their family. After a while, the demon spirit learns exactly how the victim will respond to various stimuli. The spirit can actually determine patterns of thought by using the power of suggestion.

In this file the familiar spirit collects details of things like: the person’s talents, habits, neighbors, resources, friends, enemies, mental abilities, educational abilities, responses to many varied situations, etc.. He becomes “familiar” with everything in that individuals life, without being noticed, because he is in the spiritual realm. Once the familiar spirit becomes very familiar with the “do’s” and “don’ts” of a person, he works the best he can to manipulate that person toward a “medium” of some nature. This medium may work with astrology, fortune-telling, tarot cards, clairvoyants, sorcerers, magicians, etc.. The most common one that gets people started is “astrology”, which seems to be so harmless. Another outstanding source of mediumship today has become the “psychic hot line”. These various mediums all have one thing in common. They are all “**demonized**”, unless they are using outright fraudulent practices. A medium is a person who has voluntarily given himself over to demon possession by a “**familiar spirit**” demon, and hundreds more.

Once the familiar spirit has maneuvered his victim into the hands of some form of spiritualist person, he simply transfers the files that he has been keeping, to whatever medium is requesting them. This now gives that medium the full knowledge of everything “familiar” in the victims life. This transferring of information is done in the spirit realm instantly, whether the victim is using a psychic phone line, or is visiting an astrologist.

We know that El Gibor can transfer information via angels or His Holy Spirit in the spiritual world, for our benefit, and Satan counterfeits that same spiritual principal of transferring for deception.

When the medium receives the personal file of the individual, his or her demon spirit simple familiarizes itself with what should be used to trap the person. The person is given answers and told things that are intimate and not known by others. “How could he have known that about me, etc.?” This of course traps the victim into thinking the medium is supernatural. Usually, the victim is just given enough information the first

time to be trapped and seduced into another visit. Upon the second and concurring visits, more and more intimate information is revealed to the victim, and he is drawn further and further into the trap. After a few visits, the victim is told that the information given is from God, and in this manner the victim is disarmed. He or she thinks that if it's from God, "it must be ok". They failed to realize which god it was from.

From that moment on, the victim is drawn into a destructive series of events, which usually leads them into possession by familiar spirits.

If fortune tellers, mediums and palmists can get the person to whom these things are told to co-operate with them, by accepting or believing their "fortune telling", they will attempt to bring these things about. That is, the medium says such and such a thing will happen, the person believes it, and by believing opens himself or herself to the evil spirit, to bring that thing to pass.

Familiar spirits are often considered lost demons of dead unsaved people from the past. The spirit is out there available to channellers, and mediums, etc., It becomes available to anyone that's trying to make contact with whatever spirit is available. When contact is made, the spirit may divulge information that it is familiar with from it's past. The spirit may help the recipient, give them knowledge, secret power, etc., till they get hooked. Example; it may be the spirit of a person of another century that can describe things in detail because they were there in a body, and that's what makes them familiar with something, hence the words "**familiar spirit**". Some demons imitate the lost spirit of unsaved dead people. This is sometimes called ancestral bondage. These spirits are usually from ancestors that were into the occult and were never saved.

Some people claim to have received answers to a test that hasn't been handed out in school, for example. These spirits can be found in occult groups in colleges, etc..

Mediums and seances call to these familiar spirits, and these spirits may make contact whenever requested because the spirit then has a purpose. These contacted spirits may invite other likewise roaming spirits to join in, so a channeller may have many spirits to contact, anxious to participate. The channeller may make a psychic connection with various spirits from various people of different stature, time, even different parts of the world, etc. The channeller may not even realize he is dealing with demonic spirits. He may think he has a special gift, when in fact, he is allowing the demons to take over his body through what seems to be an innocent connection. He is being used by Satan for entertainment to capture new souls, who may, or may not, innocently participate in this for fun and games.

CONCLUSION TO PART 3

The False Prophet is the counterfeit of the Holy Spirit. Demon spirits can be directed by the False Prophet "face" of Satan, and always try to imitate the manifestations of the Holy Spirit. For example, people overcome by the Holy Spirit sometimes "laugh", visibly shake/tremble, groan from their innermost, receive knowledge, words, revelation, prophecies, speak in tongues, etc.. The False Prophet imitates these actions by doing likewise, causing problems, because Believers that don't have enough discernment believe they are experiencing or witnessing manifestations of the Holy Spirit. Unless you walk very close to El Gibor, you may not be able to distinguish between speaking in tongues guided by the Holy Spirit, or speaking in tongues guided by the devil. Revelations, prophecies and words of knowledge from the Holy Spirit are likewise counterfeited by the works of Satan. Innocent Believers may not realize the utterance of tongues, words, prophecies, shaking, etc., they are hearing and seeing are coming from Satan in disguise. That is why the Bible says, "test all things". Generally speaking, if the manifestations taking place seem out of order, undisciplined, un-holy, irreverent, or over-done, they are probably false. You must remember "**ALL**" things from the Holy Spirit are "**HOLY**". Only someone with good discernment can identify whether the true manifestations being witnessed, are guided by the Holy Spirit or the False Prophet spirit. Situations of this type are known as "the mixing of the spirits". Recent examples of the mixing of spirits phenomena are evident at the Toronto Blessings Christian Airport Fellowship, Pensacola, and Brownsville, where many Believers are being deceived by "mixed spirits" that most think are manifestations of the Holy Spirit. The same type of thing happened in the days of the great revival of the early 1900's, on Azusa street in New York.
