

BRITISH ISRAEL THEOLOGY

The symbol of the lion is interesting from a religious point of view, because Messiah is portrayed as the Lion from the tribe of Judah. Thus, supposedly, the lion represents the royalty of Adonai and His divine right of rule. This plays right into what is known as British Israel theology, which is deeply embedded within the British Empire. British-Israel theology claims that the throne of David is now the throne of England. In other words, they claim that king David's throne went to England, and England therefore has the right to rule the world. Therefore, the throne of England takes the place of the throne of Yeshua. The reality is: England is part of the antichrist powers of the last days, lead by Babylon The Great. Further, England is the mother of America, who is "Babylon The Great", the final and greatest antichrist nation in the entire world. Thus the symbol of the lion, as Daniel saw it, means far more than we might realize at first glance.

Dan. 7:3-8 "And four great beasts were coming up from the sea, different from one another. {4} "The first [was] like a lion and had [the] wings of an eagle. I kept looking until its wings were plucked, and it was lifted up from the ground and made to stand on two feet like a man; a human mind also was given to it."

Of note also from Daniel's vision of the beast, is the fact that on top of the lion are eagle wings. They are part of the lion. They are a separate entity, but attached to the lion. This is a crucial point, for it will show you how accurate Daniel really was. Who has the symbol of the eagle with outstretched wings? Do the wings represent a close relationship, a mother-daughter relationship? Jeremiah claims that Babylon has a mother. So Babylon The Great, who is the chief architect of the new world order (the leading antichrist power), and her mother, form one power on earth, the western power (the leaders of the NATO alliance).

Who is the daughter of England that had a household fight with her mother and became a separate entity? Who flies the eagle as a national symbol? None other than America, who broke with England in the revolutionary war! Who rose up out of the Atlantic, out of the wilderness, and who plucked up three major powers as it came up - England, France, and Spain?

The foundation of Israel's existence lays in the taking of Jerusalem by General Allenby on December 9, 1917. It was at this time that the Brits took control of Jerusalem from the Turks. I believe this may have been the pre cursor for the last generation spoken of by Messiah Yeshua that would see all things fulfilled, or the end of this age completed. Keep in mind a generation, although commonly thought of as forty years, can mean any length of time, it is not necessarily a specific length of time. In the bible it can refer to any length of time, but it is usually used in reference

to to either, 40, 70, 80, 120, or 400 years.

Israel became a Nation on May 15, 1948. In 1967 during the six day War Jerusalem was recaptured and I believe we could be the generation that will see the end of time as we know it.

Mark 13:30 *“Truly I say to you, **this generation will not pass away until all these things take place.**”* The evidence is overwhelming that we could be that last generation. **Mark 13:8** *“For nation will rise up against nation, and kingdom against kingdom; there will be earthquakes in various places; there will [also] be famines. These things are [merely] **the beginning of birth pangs.**”*

I believe the birth pangs (sorrow), spoken of here in Mark are none other than World War One. The beginning of the end, you might say. Haggai the prophet said that some event would lay the foundation for Yah’s temple at the time of the end. This event would not be a foundation stone for the temple itself, but a foundation for Israel itself. The date given by Haggai the prophet was the 20th and fourth day of the ninth month of the Jewish religious (agricultural..civil) calendar, but no specific year was given. However, that date is the exact date Allenby retook Jerusalem in 1917. Jerusalem was later lost to the Arabs until taken back during the 6 day war in 1967. The bible shows us that a generation can be considered 40 years. Was it a coincidence, or was it ordained by Adonai? Did the clock start in 1967, or have we misinterpreted it? Time will tell us.

This means that the final generation of man upon earth for this age, would see the rebirth of apostate Israel, and that Daniel’s four beast powers would play a major role in all end time events. Let’s see if Daniel is a truth teller or a liar. The lion is well known today as England, and who was it that retook Jerusalem from the Turks and laid the foundation stone for apostate Israel? Allenby was an English general. He did it for England.

It was England that issued the now famous Balfour declaration (Lord Balfour was an occultist, deep into spiritism), which laid the official groundwork for the re-establishment of the prophesied apostate, Zionist Israel in the land of Palestine during the last generation of this age. The beginnings of the liberation of Palestine and the formation of communist Russia came at the same point in time!! Coincidence? It was also England that betrayed the new state of Israel in 1948 when they left their arms for the Arabs and left Israel totally defenceless! Indeed England figures right in the middle of bible prophecy. She is a major player in all end time events.

It should also be pointed out here that the tribe of Dan, which many ancient scholars claimed would produce the antichrist, flies the eagle, and Dan’s colors are red and white, the colors of royalty.

The Jerusalem Hymn connection with the British Royalty.

Believe it or not, millions of Brits believe that Britain will be the New Jerusalem of the end times. This idea is so dominant in Britain that a special song was written about this belief.

THE ALTERNATIVE BRITISH NATIONAL ANTHEM

Jerusalem is one of the most famous hymns ever written. The text is about the legend that Jesus might have travelled, with Joseph of Arimathea, to England – in fact, to be precise, to Glastonbury.

The hymn takes it works from a poem by William Blake and it is so accepted by the Brits, that it is often put forward as an alternative English National anthem. When it was included as a patriotic poem in a 1916 collection for a country at war, it immediately caught the eye of choral composer Hubert Parry. Parry was more than happy, at the suggestion of the Poet Laureate, Robert Bridges, to set it to music, calling it simply ‘Jerusalem’. And it’s still a firm favorite today – it’s a staple at weddings and sporting events around the country, as well as a traditional feature of the Women’s Institute Meetings.

Jerusalem

And did those feet in ancient time
Walk upon England’s mountains green?
And was the holy Lamb of God
On England’s pleasant pastures seen?

And did the Countenance Divine
Shine forth upon our clouded hills?
And was Jerusalem builded here
Among these dark Satanic mills?

Bring me my bow of burning gold:
Bring me my arrows of desire:
Bring me my spear: O clouds unfold!
Bring me my chariot of fire.
I will not cease from mental fight,
Nor shall my sword sleep in my hand
Till we have built Jerusalem
In England's green and pleasant land.

Prince Philip

Back in 1988 Prince Philip was quoted as saying; "in the event that I am reincarnated, I would like to return as a deadly virus, to contribute something to solving overpopulation". He died during the COVID-19 pandemic in 2021.

There is a cult group on the Islands south of Hawaii that believe Prince Philip was a god?

The **Prince Philip** Movement is a religious sect followed by the Kastom people around Yaohnanen village on the southern **island** of Tanna in Vanuatu. It is the Yaohnanen tribe, a tribe of people associated with the **cargo cults**, who believe in the divinity of **Prince Philip**, Duke of Edinburgh (1921–2021), the consort to Queen Elizabeth II. They believe his spirit, "the original spirit of which he is in the process of recycling, is one of their own people". After a 1974 British royal visit to the small Islands south of Hawaii, Prince Philip was given the title of "MESSIAH" by the 700 cargo cult people. They said the Duke of Edinburgh is a god. They even have a place called Vanuatu Cultural Center dedicated to Prince Philip.

In April 2018 Princes Charles visited this tiny island. Jimmy Joseph, the leader of the cargo cult tribe said that Prince Charles will represent the Messiah when Prince Philip dies. Prince Philip died Apr 9/21. He presented Charles with a special carved wooden stick originally intended for his father.

Obviously there is a biological connection between Prince Philip and Prince Charles, but there is also a demonic connection? There is a lot more to it, but I will not get into during this teaching.
