

## THE FEMININE SYMBOL AND FEMINIST MOVEMENT

The global symbol of "feminine" is a round circle attached to a cross. In the following short teaching I will share how this all connects to Satan's Roman Catholic Harlot (Rev. 17:5).

When you look into all the pagan religions; Hinduism for example, you will see that the devil himself uses the reproductive organs of humans, often called vulva's and lingams, to represent his sexual perversity. The devil has always used sexual perversion, pornography, as one of his best tools to attract weak in the flesh individuals. Once addicted to that fleshly desire he manipulates people to no end in ways most can't even begin to imagine. His incubus and succubus demons then control the flesh of the person, and in turn they consume the soul of the person, if given enough opportunity. Everything in WITCHCRAFT revolves around sexual perversion, control, domination, and manipulation of the flesh and soul, whether it is considered, sorcery, black magic, satanic covens, secret societies, or what have you.

### THE FEMINIST MOVEMENT

Satan is the one behind the so-called "women's rights movement", and all the homosexual, queers, dikes, lesbians, and other sexually perverse movements. Satan is the one trying to get women to not follow the biblical order given as their guide. Satan is the one causing confusion among women in general. He has used many of his rich and famous female idols to create a monster called the feminist movement, where women are told to take control over men and the family, where women are convinced they have no rights' and are not equal to their counterpart. This is all part of

Satan's agenda, and it has caused serious problems throughout the nations. The devil would like nothing better than to divide families. These feminists proudly display the feminine symbol.

We have an almost endless list of fertility goddesses represented in the feminist movement: Isis, Ishtar, Semiramis, Queen of Heaven, Liberte, (all represented in the Statue of Liberty), Aphrodite, Madonna, Minerva, Vagitanus/Vaticanus, Nike, and on and on. It all stems from what happened in the Garden of Eden at creation. Eve was made in the image of Adam. **1Cor. 11:8-9** *For man does not originate from woman, but woman from man; 9 for indeed man was not created for the woman's sake, but woman for the man's sake".* A statement feminists will never discuss.

### FORNICATION

To complete the sexual perverse whoredom, harlotry, prostitute, picture I am about to reveal, in the Roman Catholic Church, I must very briefly explain the origin of the Greek word "fornication" and the Hebrew word "zanah". This feminine, feminist, witchcraft, thematic connection will reveal itself once we understand what fornication really is.

The origin of the word fornication in Hebrew (zanah), came from the temple prostitutes who served the fertility goddesses. These male or female temple prostitutes were available to the worshippers to have sex with. The sexual act was accepted as a sacrificial offering to the temple idol..deity they represented because they were considered idols. The "vestal virgins", whores", "prostitutes", were the physical representative (image) of the deity. Those who had sex with these temple harlots were called "fornicators". This sexual interaction was also considered as idolatry, sexual idolatry because, the fornicators were offering up sex as a sacrifice to the fertility deity of the temple.

The Temples of the heathen gods of old had temple prostitutes available at all times (Gen. 38:21, 1Kgs. 14:24, 15:12, 22:47, 1Cor. 5:11 etc). **Deut. 23:18-19** *"No woman of Isra'el is to engage in ritual prostitution, and no man of Isra'el is to engage in ritual homosexual prostitution. 19 Nothing earned through heterosexual or homosexual prostitution is to be brought into the house of ADONAI your Elohim in fulfillment of any vow, for both of these are abhorrent to ADONAI your Elohom". Hosea 4:13-14* *They sacrifice on the mountain peaks and offer incense on the hills under oaks, poplars and pistachio trees; because they give good shade. Therefore your daughters behave like whores, And your daughters-in-law commit adultery. 14 I won't punish your daughters when they act like whores, or your daughters-in-law when they commit adultery; because **the men are themselves going off with whores and sacrificing with prostitutes.** Yes, a people without understanding will come to ruin."*

To have intercourse with these temple prostitutes was considered an act of worship. **This is the origin of the word "fornication"**. Fertility, orgies, and sexual perversion were some of the traits of the mortal /divine "sun gods".

For example; the goddess Brighits temple at Kildare was looked after by woman who were then called

"Vestal Virgins". These woman, besides their sexual duties, tended the fires for heathen blood sacrifices. The

vestal virgins wore chains around their necks with large "Crosses" on them like the nuns do today. **Years later Brighits temple became a "convent" and her "Vestal Virgins" had their names changed to "Nuns". This is the origin of nuns.**

#### **FORNICATION, FEMINIST SYMBOL CONNECTION WITH THE VATICAN**

The Hindus worship an idol called "lingam" an object representing the male sex organ "phallus" "obelisk", or "erect penis", signifying fertility and life. Their temples have pornographic pictures and sculptures at their entrance, said to help worshipers get out all their dirty thoughts before they enter the temple. Can you even begin to imagine the stupidity of such an idea?

At the Vatican we see this exact same ideology secretly engraved in the very layout of the famous temple of the harlot of Rome as revealed in the included images. The most evil place on planet earth, the home of the ultimate Jesuit Secret Society, has a secret symbol right out in the open for those with eyes to see. **BELIEVE IT OR NOT?**

#### Revelation 17:5

And on her forehead was written a name of mystery:  
"Babylon the great, mother of prostitutes and of earth's abominations."

Now let's look closely as we overlay the feminine symbol over the Basilica area. If you look closely at the courtyard of the Basilica, you will see a huge round wheel with a spoke in the middle of it. This is an occult secret symbol known as a "Babylonian Solar Sun Wheel". With that in mind, follow me as I describe the

overlay. The "circle" represented in the feminine symbol, which in the occult represents the female reproductive organ, (vagina as seen in all phallus symbols of the occult religions), overlayed at the Roman Basilica reveals something secret. When the feminine symbol (solar sun wheel), is overlayed perfectly, the 132 foot "erect penis" obelisk (phallus symbol) in the middle of the Babylonian solar sun wheel in St. Peters, protrudes perfectly into the center of the circular feminine symbol, "vulva" (vagina). It is revealing intercourse, fornication, right there in the courtyard of St. Peter's Basilica. Hard to imagine or believe, but there it is. Believe it or not?

There is simply no end to the sexually perverse connotation's incorporated into Satan's church represented as St. Peters Basilica. Just when you think you've heard everything evil that is possible about that whore, you are revealed even more sexual implications. With that in mind it's easy to understand how the Priests and Nuns of the Roman Catholic Church have been involved for hundreds of years in homosexuality, fornication, lesbianism, idolatry, castration, pedophilia, and all other sexual perverse acts you can come up with.

**Rev. 17:5** and on her forehead a name [was] written, a mystery, "BABYLON THE GREAT, **THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH.**"
