

HOMOSEXUALS, LESBIANS, QUEERS SEXUALLY PERVERSE-JEZEBEL-HARLOTRY SPIRITS

The following is a very brief summary of just how sick and perverse homosexual acts are, and the source of them. The ultimate demonic abomination known to mankind is SEXUAL AND MORAL PERVERSITY, which is idolatry/harlotry/whoredom. Sexual perverse acts and idolatry always go hand in hand. Those who are part of Satan's favorite method of destroying the moral compass of humanity, fit into this category.

They are by a country mile the worst examples of sub-humans mixed in among mankind. These individuals are under total control of sexual perverse demons of all shapes and sizes. The sexual impure demon group they fall into includes demons of homosexuality, lesbianism, adultery, idolatry, fornication, incest, harlotry, rape, exposure, pride, frigidity, lust, fantasy, bestiality, and masturbation, just to name a few. They are some of the hardest demons to remove from people because those influenced by these demons really enjoy the physical (fleshly) benefits of them.

These individuals are addicted to their sexually and morally perverse life-style, yet have managed to get humanity as a whole to accept them as human beings. The fact that Satan has maneuvered society in this way, and somehow managed to associate pride with it, proves just how much influence he has as the god of planet earth (2Cor. 4:4). They have taken humanity as a whole, to the lowest level it has ever been since the time of Sodom and Gomorrah. They are a total insult to all those who have a normal sexual and moral lifestyle. If there was a category called sub-human, they would belong in it.

The two demons that usually control this sexual/moral perversion are "incubus", and "succubus". **The two demons that are least talked about are the incubus demons that can and do rape women to a point of hemorrhaging, and the succubus demon that rapes or master-bates men. Nobody will talk about these two demons because it is far to scary.**

These demonic spirits feed on those who are sexually perverse, break vows, get involved in adultery, or neglect their family or Biblical responsibilities. They have an un-stable personality but a great deal of pride, or arrogance. This spirit is highly responsible for causing divorce, abandonment of children, moral decay, unethical practices, un-appropriate attire, and seems to cause the person to drop or abort everything he gets involved in. A person dominated by this spirit will find it almost impossible to have anything to do with a born again person who follows the Bible.

Scriptures that pertain to these demonic spirits:

Hosea 5:4 *"For the spirit of Harlotry is within them, and they do not know Adonai".*

Eph. 5:12 *"It is shameful even to speak of those things which are done."*

Lev. 20:13 *"If {there is} a man who lies with a male as those who lie with a woman, both of them have committed a detestable act; they shall surely be put to death. Their bloodguiltiness is upon them."*

Lev. 18:22 *"You shall not lie with a male as one lies with a female; it is an abomination."*

1Cor. 6:9-11 *"Or do you not know that the unrighteous shall not inherit the kingdom of Yahveh? Do not be deceived; neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor homosexuals, nor thieves,*

nor {the} covetous, nor drunkards, nor revilers, nor swindlers, shall inherit the kingdom of Yahveh. And such were some of you; but you were washed, but you were sanctified, but you were justified in the name of Adonai Yeshua Hamashiach and in the Spirit of our Yahveh.”

Rom. 1:26-27 *“For this reason Yahveh gave them over to degrading passions; for their women exchanged the natural function for that which is unnatural, and in the same way also the men abandoned the natural function of the woman and burned in their desire toward one another, men with men committing indecent acts and receiving in their own persons the due penalty of their error.”*

Deut. 23:21 *“When you make a vow to Adonai your Yahveh, you shall not delay to pay it, for it would be sin in you, and Adonai your Yahveh will surely require it of you.”*

Deut. 24:1-4 *“When a man takes a wife and marries her, and it happens that she finds no favor in his eyes because he has found some indecency in her, and he writes her a certificate of divorce and puts {it} in her hand and sends her out from his house, and she leaves his house and goes and becomes another man’s {wife,} and if the latter husband turns against her and writes her a certificate of divorce and puts {it} in her hand and sends her out of his house, or if the latter husband dies who took her to be his wife, {then} her former*

husband who sent her away is not allowed to take her again to be his wife, since she has been defiled; for that is an abomination before Adonai, and you shall not bring sin on the land which Adonai your Yahveh gives you as an inheritance.”

Rev. 2:20 'But I have *this* against you, that **you tolerate the woman Jezebel, who calls herself a prophetess, and she teaches and leads My bond-servants astray so that they commit acts of immorality** and eat things sacrificed to idols".

Homosexuals and pride go hand in hand

Most people with any amount of moral value understand and acknowledge that sexual perversity is always associated with the gay, queer, homosexual, transexual, perverse community. Few will say it out loud today because they have been brainwashed, but these sexual perverts are **abominations** in the eyes of the creator. To better understand why the word abomination is used to describe them, I feel I should explain that "abomination" is the ultimate swear word in Hebrew.

Lev. 18:22 "***You are not to go to bed with a man as with a woman; it is an abomination***".

Lev. 20:13 "***If a man goes to bed with a man as with a woman, both of them have committed an abomination; they must be put to death; their blood is on them***".

Luke 16:15 "***He said to them, "You people make yourselves look righteous to others, but Yahveh knows your hearts; what people regard highly is an abomination before Yah!***

Cross-dressing as we see so much of today, is an abomination to Yah". A man acting or looking like a woman, and vice versa, has no moral values at all. These are sick freaks of nature. They are like a malignant cancer, that destroys everything in its path. This cancer has been voraciously spreading for many years now, and has corrupted the entire planet. These freaks, queers, and dykes, under the direct control of the devil, are seen in all walks of life now, contaminating everything they touch or are involved in.

The fact that today we have a direct connection between PRIDE and HOMOSEXUALITY is made obvious in the hundreds of demonic pride parades all over the world. Even so-called leaders in the community, police, military personnel, doctors, judges, etc. lower humanity to the level of a snake in the grass by participating in such demonic events. It's beyond sick.

We have men dressing like women and vice versa because of the latest fashion or so-called trend. Everywhere you look we have males (not men) with horrific ugly unkempt, unclean beards, moustaches, goatees, long hair, and freaky haircuts, trying desperately to fit in with society. They are so desperate to have people notice them, they will do almost anything. This usually stems from rejection and rebellion. Many can't get anyone's attention with their deeds, words, and wisdom, so they do whatever they have to in order to get noticed. We even have many of these people that claim to be born again Believers in Yeshua doing so. Some people will make themselves look like fools in order to fit in with the latest trends.

In some religious groups we have men looking like moron's by wearing attire that is absurd, ugly, and even comical. If you have ever seen the way the religious clans dress in public in New York city or Las Angelos, you would understand what some desperate people will do to get attention. Then they turn around and claim they are hated because of their nationality, especially the Jewish Orthodox sects. It is not the nationality that causes many of these religious looking Jews, Muslims, Hindu's, Buddhists, etc. to be avoided and dreaded, it is because of their ridiculous appearance. They are proudly displaying through their attire, what their particular sect is, without realizing they are being prideful when doing so. They have a problem with their identification, their pride and vanity. This is simply a case of not using common sense.

SUMMARY

People who use excessive jewelry, breast implants, botox, tattoo's, sculptured facial hair or sculptured haircuts, are desperately crying out for attention. They are simply vain, looking for attention to make them feel special. Many are simply overcompensating for their problems with rejection, by wanting to be noticed no-matter how foolish it makes them look. They are looking for attention. In many cases they are doing so because they feel left out, un-wanted, rejected from society. Because of their own feelings of rejection, their need for attention is something they can't get enough of. These people will spend many thousands of dollars

just to satisfy their own urges for attention. They advertise their need by whatever means works for them. In many cases they will, and do, sell their soul just to fit in with others, even though they claim to be different and independent from everyone else. They are in a sense crying out to the world: "look at me", "pay attention", "I'm special", "I need to be noticed", "I am insecure", "please notice me", etc. As we should all recall, the devil was thrown out of the Heavens because of his PRIDE.

SATANIC COVENS..BROTHERHOOD..SECRET SOCIETIES

It is common for witches (male or female), to have sex with demons. All those involved in Satanic covens will have sexual perverse demons, it comes with the territory. In fact, most people join these satanic brotherhoods, because they have the sexual perversion in their lives. They may be sexually and morally very perverse before joining these covens, but that turns to a whole new level when they get formally involved in the worship of the devil, regardless of what name they will be calling him. Anyone who knows anything about these secret societies knows that orgies and sexual sacrifices to the devil and his demons, is part of the groups

mission statement, if they were to have one. Homosexuals, queers, dikes, transgenders, bi-sexual's, LGBTQ members, and all other sexually perverse people feel right at home in a Brotherhood coven. They all serve the same master, whether they refer to him in his male fertility god form (Nimrod, Tammuz, Horus, Set, etc.), or his female fertility goddess form as in Isis, Semiramis, Ishtar, Madonna, Queen of Heaven, etc.

INCUBUS DEMONS

Incubus usually lodges himself deep in the vagina. Incubus is the nonphysical, immaterial male sexual partner in “cogressus subtilis” (alleged sexual union with a non-physical or astral entity). According to Hebrew legends, the incubi (plural) are the children of “Lilith” and can assume either sex in order to have sex with humans.

These demons at first look like handsome men until they enter into the woman; then they become sexually satisfying and very abusive beasts that can hardly even be described. Because the incubus demon is so sexually satisfying, it is hard for these women to ever be aroused by a human male. It is common for women with incubi demons to masturbate multiple times daily, just like a drug addict has to have his fix daily. Masturbation is a problem ALL coven members have. As far as the world is concerned, we simply call these individuals, be they male or female, nymphomaniacs.

Incubus demons, common to Satanists, are also called changelings and dapple-gangers. Sex with demons is called “astral-sex”. The physical partner experiences all the physical sensations of sex, although the partner is a spirit and not physical at all. Believe it or not, as of 2008 women being raped by incubus they now call “persistent sexual arousal syndrome”, PSAS.

Incubus is Satan’s counterfeit of when the Holy Spirit impregnated a seed in Mirium (Mary) so she could conceive Yeshua the Messiah.

SUCCUBUS DEMONS

Succubus is the non-physical, immaterial female sexual partner in “cogressus subtilis” (alleged sexual union with a non-physical or astral entity).

The sin of frequent masturbation leads to sex with demon spirits because of the intense visualization often involved. Succubus demons arouse these men and cause them to constantly masturbate. It is quite common for a man with a succubus demon to have a “wet dream”. The individual thinks he had a dream, but in fact woke up sexually aroused because of a succubus demon. This person finds himself having an orgasm without any previous thoughts of sex. Succubi are said to suck a man dry of all his potent juices. Semen collected in this way may then, according to medieval beliefs, be stored by the devil for later use by incubi (male counterpart) in order to impregnate human females.

The Latin term for plural succubus and incubus is succubi and incubi.

STD means "sexually transmitted disease" and "sexually transmitted demons"

Of all animals on earth, the human race is the ONLY species that a male and female can mate facing each other. This is no minor issue. When a male and female have intercourse they usually face each other while doing so. In doing so they exchange breath, which is life (Gen. 2:7). This is part of the intimate act of a sexual relationship. The basic concept is to exchange not just bodily fluids but the breath of life so that life may unfold within the body of the woman.

Two homosexuals having intercourse, as sick and perverse as it may be, are not facing each other, they are just like all other wild animals mating. The analogy is obvious.

In the torah it makes it abundantly clear that a man should not be with another man sexually. This is not a natural act by any means of exaggeration. What this really means is that because the man has the seed, it is an abomination for a man to inject his seed into another mans anus. Two women participating by arousing each other sexually is not mentioned in particular in torah as an abomination because it is not considered sex. In order to be considered sex, there must be a male seed involved. What we consider today as sex between two women (an act of lesbians) is not sex at all. It is simply a perverse forbidden moral act. Sex can take place between two men, making it a direct forbidden sexual act. That is why the torah mentions specifically that a woman must never have sex with an animal. In that case there is a seed involved even though it is that of an animal.

The word sodomy is an English term, it does not exist in Hebrew. When we speak of sodomy (sexual intercourse involving anal or oral copulation), we are thinking English, not Hebrew. Oral sex between two males or between two females is a somewhat new term that is man's invention. This act is also simply a forbidden (perverse) sexual act according to torah. This same activity between a consenting male and female

is not perverse unless ones mind thinks it's perverse.

In this sick and perverted world, we have masses saying homosexuality is no ones business, that it is a private sexual act between individuals. This is as far from the truth as east is from west. Homosexual acts are extreme immoral acts that corrupt the fundamental base of society as a whole. The morals of society are made to look like there are exceptions to the rule for certain moral acts. This is not the case. This is sexual perverted people giving the world an "up yours", so to speak. Not only are they corrupting humankind with these sick acts, they have become proud about corrupting it. We see "gay pride" parades all over the world which are clearly an abomination to all moral people. They not only promote their sick sexual activities, but they are PROUD of these activities. Even worse than those who are involved in these activities are the ones who condone or go along with these sick activities.

Gay Marriage

At the time of the two witnesses of Rev. 11:8, John the Revelator describes the city of Jerusalem as **“Sodom” and “Egypt?”**. John uses these names to describe the spiritual condition of Jerusalem and other cities around the world, in the last days. Sha'ul spoke of a great falling away, an apostasy, at the time of the abomination of desolation, not too far away. This apostasy could be the legalization of gay marriage that has been accepted by many of mankind in the last twenty or so years. This is confirmation of the world turning completely away from Yah, committing abominations on purpose. This is another sexual and moral abomination. His corporate marriage to His bride, as explained at Mt. Sinai, was with those who obey His word, and love Him. It is a main covenant (idea) in the Bible. He also designed real marriage as between a man and a woman, a covenant with Him as part of the torah community and family of the people. To counterfeit this covenant is an abomination. The world as a whole has snubbed their nose at the King of Kings, and all those who partake in or support such wicked ideas will pay for what they have done or been apart of.

Have you ever wondered how these demonically controlled perverse people feel when they look in the mirror? The sad truth is that because they are so controlled by their demons, of lust, sexual perversity, pride, etc. that the demons will not even allow them to see who they really are. These people have sold their souls to the devil. These people work for the devil. Their job is to infiltrate humanity like a malignant cancer and infect every person they can by what-ever means possible. Their mission is to disrupt the marriage covenant that Yahveh established, and make everyone around them think marriage is a joke. Their job is to divide families. Marriage is a joke in their eyes, because they have no eyes to see or ears to hear. They serve their master, Satan, and everything they do is designed to try and bring disrespect to the Creator.

Satan is the destroyer of humankind, he wants all those who are not his puppets, to be destroyed, so he can prevail. Those of us who know what the bible says, realize what happens to that snake at the end of time, we have read the back of the book. Those who are morally perverted will end up with their master in the Lake of Fire because of their Satanic worship. Their choice to be involved in this perverse witchcraft, will determine their rewards, and when the time comes that they realize it, it will be too late.

We must not hate these demon possessed people, we must feel sorry for them. We must hate everything about their actions, but we must never hate them. That doesn't mean however that we should go along with their lack of morality. We must let them, and anyone else with an ear to hear know, that their actions are an abomination, and not acceptable no-matter what the devils worldly people say.

I say to all those who are normal, be thankful that when you look in the mirror, you have nothing as perverse as their activity you need to be ashamed of. We must do the best we can to share with them exactly how serious their actions are and let them know that there is a way out if they are serious. Regardless of how

we look at it, those of us with spiritual wisdom should never allow these puppets of the devil to promote their thoughts and desires in our presence. We must boldly let them know exactly what we think of their cancer. We must let them know loud and clear that "a spade is a spade, not an agricultural implement". Call it what it is and stand by it.

The only way these sexually and morally perverse people can become human again, is if they turn from their wicked ways and turn to Yahveh and Yeshua. They must get "born again" and receive deliverance. After doing so and proving that they have truly repented, they must have all their curses removed, and then have all their demons removed. There is no other way.
