

## MOSES WITH HORNS...WHY?

There is a statue of Moses in St. Peter's Basilica, the supposed great Roman Catholic church of Rome that has horns on it. Can you even imagine the audacity, the abomination. How is it possible for any Roman Catholic person with half a brain to accept this kind of demonic idolatry right in their supposed Mother Church? Imagine how hard it must be for a follower of Rome to see this and continue to follow such a pagan religion.

Michelangelo's statue of Moses with horns at St. Peter's Basilica

Throughout the world you will find supposed statues and pictures of angels, and people naked, or almost, in Cathedrals and churches. This is not of Yahveh, this is Satan's territory, he is the one who uses sexual perversion and nudity to promote his demons and seducing spirits. I don't care what famous person painted it, how old it is, or what it's worth, it does not belong in a place of worship. **"As for me and my house we shall serve Adonai"** (Joshua 24:15) explains it clearly. The following are quotes from oaths of various degrees of the Masonic Lodge that you have to read to believe:

**Part of the Apprentice degree oath:** *I \_\_\_\_\_, of my own free will and accord, in the presence of almighty God, and this worshipful lodge, erected to him, most solemnly and sincerely promise and swear, that I will always hail, ever conceal, and never conceal, any of the arts, parts or points of the hidden mysteries of ancient Freemasonry. All this I most solemnly, sincerely promise and swear, binding myself under no less penalty than that of having my throat cut across, my tongue torn out from its roots, and my body buried in the rough sands of the sea should I ever knowingly violate this my Entered Apprentice obligation. So help me God.*

**Part of the oath for the 3rd degree, The Master Mason degree:** *(I am) binding myself, under no less penalty than that of having my body severed in two, my bowels taken from me and burned to ashes, the ashes scattered before the four winds of heaven, that no more remembrance might be had of so vile and wicked a wretch as I would be, should I ever, knowingly, violate this my Master Mason's obligation, so help me God.*

**The certificate of the third degree Mason has on it a picture of Moses with horns.**

**Part of the oath of the Past Master degree of the York rite:** *I promise and swear, that the secrets of a brother of this degree, delivered to me in charge as such, shall remain as secure and inviolable in my breast, as they were in his own before communicated to me, murder and treason excepted, and those left to my own election.*

**Part of the oath of the Royal Arch degree of the York Rite:** *I swear that I would sooner have my skull struck off than divulge any of the secrets of this degree unlawfully and have my brain exposed to the scorching rays of the noonday sun. I furthermore promise and swear, that I will assist a companion Royal Arch Mason when I see him engaged in any difficulty, and will espouse his cause so far as to extricate him from the same, whether he be right or wrong. To all of this which I do most solemnly and sincerely promise and swear, with a firm and steadfast resolution to keep and perform the same, without any equivocation, mental reservation, or self evasion of mind in me whatever; binding myself under no less penalty, than to have my skull smote off, and my brains exposed to the scorching rays of the Meridian sun, should I knowingly or willfully violate or transgress any part of this my solemn oath or obligation of a Royal Arch Mason. So help me God, and keep me steadfast in the due performance of the same.*
