

IF YESHUA CAME TO YOUR HOUSE

(Joshua 24:15 "But as for me and my family, we will serve Yahveh".)

If Yeshua came to your house, would you be proud of what He'd see?

Is Yeshua truly in your life, or do you just think of "Me"?

If Yeshua came to your house would you invite Him to stay?

Or would you insist on time, to put some things away?

Would you provide your best room, for such a special guest?

The food you would give Him, would it be clean, your very best?

If Yeshua spent a day with you, would you let him meet your friends?

Or would you fuss and worry, hoping for His visit to quickly end?

Pictures of your children are they there upon your walls,

Or are there immoral things that hang up in your halls?

Is the Bible out there openly, or is it in its case?

If Yeshua sat down with you would you accept His grace?

The worldly books, pictures, magazines, the heavy metal disc,

Should these things be hidden, would you be at risk?

Would you run to let Him in or would you have to change?

Would you have to hide your riches or put away your video games?

Are you really ready for the day Yahveh (God) says is near,

Or are you just content, and hope His grace will persevere?

Would you accept Yeshua, this opportunity so rare?

Would you want Him to see someone else, and wish He wasn't there?

Were you expecting a blonde hair blue eyed man?

Were you surprised to see He is a Jew?

Do you recognize Him from the Old Testament,

As well as from the Renewed?

Would you know the proper name to call Him,

His Hebrew name used, while He was on the earth?

"Yeshua Hamashiach", the only Son of Adonai (God),

Is the most beautiful name upon the earth, no one can deny.

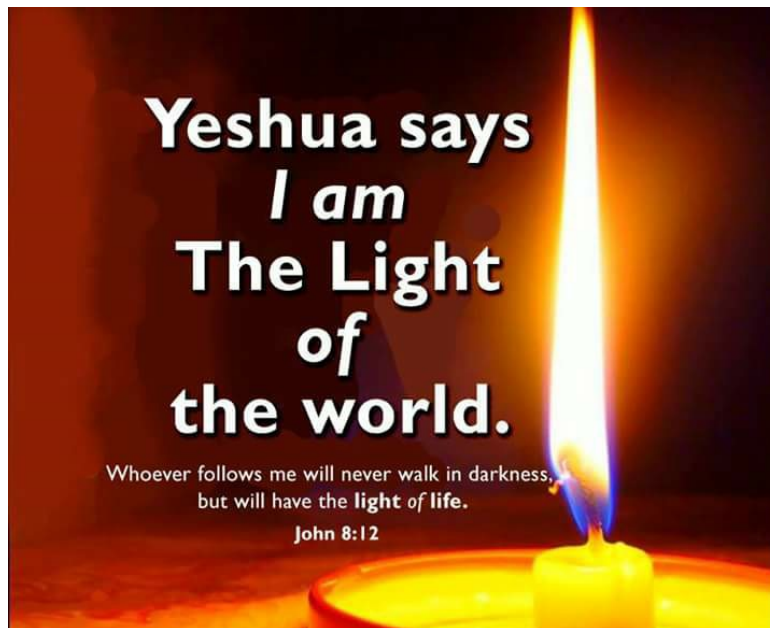

If Yeshua came to your house to spend a day or two
If He came unexpected, I wonder what you'd do.
The three fancy vehicles parked outside your house,
Do you really need them, do you share Yeshua with your spouse?
Would your children know who Messiah was, would they even care?
Would they feel at home with Messiah, the Holy one sitting there?

Were you listening to a gospel song before He came along?
Do you truly understand the difference between right and wrong?
Would you go on saying the things you always say?
Would life for you continue, as always day to day?

If He looked in your freezer or your refrigerator there,
Would He find unclean worldly food, are you even aware?
Could you share and tell Him of His Feasts that you regularly partake,
Or would He know of plans for pagan holiday's, you regularly make?

Please get your life in order, bless your children every day,
Have Yeshua always with you, be humble, kind and pray.
Your heart is full of His love, it wasn't put there to stay,
Love from Adonai isn't love until you give it all away.

If He said "let's go to your fellowship, the Sabbath is today",
Could you take Him to your place of worship with people of the way?
And on your weekly Saturday sabbath, the day of rest in Adonai,
Would you tell Him you recognize and keep it holy, regardless of the lies?

If He said "let's go see some friends of yours, the apple of my eye"
Could you take Him to some Hebrew friends, or would you have to lie?
Do you have a fellowship to take Him to, would they recognize you there?
Must you get a visit from the Son of God to make you become aware?

Would your Messiah see a ouija board, an astrology chart there?
Do you worship your money, or do you truly share?
If Yeshua said His laws and commandments aren't obvious in your place,
Would you then feel like a fool, saying: "we don't need them now, we are living under grace".

As He explains to you that "FOLLOW ME", means exactly what it says,
Would you follow Him, not manmade doctrine in these last of days?
The Born Again life is a pilgrimage, not a pleasure trip,
Does Yeshua influence your life, do you have a solid grip?

Are you trying to go threw the eye of a needle, do you help the poor?
Have you be-friended someone recently, helped them to endure?
I ask that you consider, take a look around your place,
Is your home a sanctuary, or just walls full of space?

If Yeshua Hamashiach is your friend, you don't have to be afraid.
If Yeshua the Messiah is your friend, your dues are being paid.
Would His presence there with you, be like a warm summer breeze?
Would Yeshua sweep you off your feet, would you get down on your knees?

Would you wrap your arms around Him, would you kiss Him on the cheek?
Would you glorify, praise and honor Him, would your life be at its peek?
Did you know your present choices determine your rewards?
Are you prepared for judgment day, when the answer is the reward?

Yeshua paid a price for you, was it value well spent?
Have you asked for salvation, have you been able to repent?
Have you helped somebody recently as you passed along?
Have you cheered up somebody recently, with a word, a prayer, a song?

Do you walk the walk and talk the talk, or do you just receive?
Is the Holy Spirit within you, do you truly follow and believe?
Would it take a guest like Yeshua to make you come around,
Or are you a devoted Believer, standing on Holy ground?

If Messiah came to your house would you promptly let Him in?
Would you feel peace, love, and mercy, the forgiveness of your sins?
Do you honor praise and love Him, do you respect His name?
I pose these questions to you, would you ever be the same?

Next time people feed you manmade doctrine and you wonder if its true,
Ask yourself this simple question; "what would Yeshua do"?
To feel the comfort and compassion of the Son of God on high.
Just raise your arms to the Holy one of Israel, your Father in the sky.

Next time people tell you things that don't follow the word of El Shaddai,
Don't hesitate to tell them you test all things to be sure they're not a lie.
Are you sure you've given everything, have you done your very best?
Or does Messiah have to come to you, with a personal request?

As He leaves your precious residence, in His eyes you truly see,
The meaning of the word of Yah, when it says "FOLLOW ME".
So in these times of trouble, when Satan's at his best,
Don't hesitate to follow Yeshua's last request.

You should now recognize the Son of Yah, the Messiah, He is truth,
When Yeshua said "FOLLOW ME", He was talking to you.
Yeshua Hamashiach, the Messiah is a Jew.
Please take a moment of silence, picture Yeshua there with you.
