

REPLACEMENT THEOLOGY

Rom. 11:1-7 I say then, **Yah has not rejected His people, has He? May it never be!** For I too am an **Israelite**, a descendant of Abraham, of the tribe of Benjamin. **Adonai has not rejected His people** whom He foreknew. Or do you not know what the Scripture says in [the passage about] Elijah, how he pleads with Adonai against Israel? **"Master, THEY HAVE KILLED YOUR PROPHETS, THEY HAVE TORN DOWN YOUR ALTARS, AND I ALONE AM LEFT, AND THEY ARE SEEKING MY LIFE."** But what is the divine response to him? **"I HAVE KEPT for Myself SEVEN THOUSAND MEN WHO HAVE NOT BOWED THE KNEE TO BAAL."** In the same way then, there has also come to be at the present time **a remnant** according to [Yahs] gracious choice. But if it is by grace, it is no longer on the basis of works, otherwise grace is no longer grace. What then? What Israel is seeking, it has not obtained, but those who were chosen obtained it, and **the rest were hardened;**"

Many use Romans 11 as part of their idea to try to prove that Yahveh replaced His Hebrew people with the church as a whole, nonsense! **This replacement theology is right out of the pit of hell!** The Hebrew people, *"the apple of Yah's eye"*, will never be replaced. He chose them and El Gibor will never break covenant. Romans 11:3 is quoting from 1Kgs. 19:10 when Elijah spoke against the Jews. Though many Jews at that time turned to Babylon and her mystery religions, there was still a remnant that kept following the Holy One Of Israel.

Replacement theology teaches that the church has replaced the Jewish people in the purposes of Yahveh (God). It boldly declares that the church is now the "new Israel", that Yahveh has rejected and is punishing the Jewish people because of their rejection of the Messiah Yeshua, and that there is no future for the Jewish people, or the land of Israel. This teaching has Satan's name written all over it.

Replacement theology teaches that the so-called christian church is now to be thought of as the "new", or "spiritual", Israel. Christians are taught to believe that they have inherited all the promises of blessings made to the Jewish people and to the land of Israel. The church, as the "new Israel", has replaced natural Israel and is now the beneficiary of all Yah promised the Jewish people.

When the Bible speaks of Adonai's blessing the Jewish people, He really means the Gentile church. When Adonai speaks of blessing the land or the city of Jerusalem, He is actually speaking spiritually to His born again people. The assembly (church) is now the land or the city, or anyone or anything else for which are promises of blessings.

Through this doctrine, Christians are taught that Yah has finished His dealings with natural Israel (both the land and the people), and that He is now concerned only with the so-called christian church. At best, Christians have been taught that the Jewish people and the Nation of Israel are to be viewed like any other nation on the earth, with no biblical or prophetic significance. At worst, Christians have been taught that it was their responsibility to persecute the Jews, as a testimony to the wrath of Yahveh that will fall upon all who reject Messiah.

The churches today have replaced the Holy One of Israel with their own doctrine and dogma. They want the power rather than allowing Yah to be the Almighty. That is real replacement theology.

Oddly enough, when Yahveh speaks of judgment instead of blessing, replacement theology quickly reverses itself and declares that Yah is directing His curses or judgment toward the Jewish people or the land of Israel. Amazingly then, all the blessings are for the church, and all the curses are for the Jews!

A BASIS FOR PERSECUTION OF THE JEWS

This theology has been the root cause of centuries of Christian persecution of the Jewish people. It has bred innumerable insidious doctrines that have manifested themselves in the worst kinds of hatred and evil. Jews have been portrayed as the most evil of all men who are forever to be cursed for the "killing of Christ". This perverse "doctrine of demons", infected the church with pride and arrogance, ripped her from her Biblical relationship with the responsibilities toward the Jewish people, and then turned her into a murderous, vicious, hateful persecutor of those to whom she was originally sent to be a testimony of Yah's love, grace, and power. This of course, is mostly compliments of the Roman Catholic Church and her doctrines of demons. How different history would have been had the church discerned the spirit which propagated this great lie and rejected it before it could have its disastrous effects. Anti semitism is at the root of this evil, no doubt. Anti semitism is obviously prominent in the churches proclaiming to be lovers of a Jewish Messiah.

The ultimate fruit of replacement theology was manifest in the Holocaust. The spiritual roots of the Holocaust can be seen in the ways in which this demonic theology allowed the church to take one of two basic positions in relation to the Jewish people: ignore them, or persecute them. The vast majority of the church simply ignored the plight of the Jewish people, as the Nazi death machine sought to fulfill Satan's plan for genocide. These attitudes continue today. Where is the outcry of the church on behalf of the international Jewish community and the nation of Israel? Do you believe that the bible promises the land to the Jews? Do you believe that their re-gathering is part of the fulfillment of prophecy? If you believe it, are you doing something about it? Do you understand why the Jews want the Palestinians (Philistines) out of their promised land?

TRAGIC CONSEQUENCES FOR THE CHURCH

Torn from her "anointed roots" of faith (Rom. 11:17), the church descended into the spiritual darkness of hierarchical sacramentalism, imperialistic motivations, and carnal power politics. Instead of taking the gospel of salvation in the name of Yeshua to all the nations of the world, the church began to sweep pagans into her organizational web, taking the power of the sword of steel rather than the sword of the spirit as the legitimizer of her actions. No longer capable of imparting biblical faith, the only authentic, legitimate legacy of the church (i.e. the preaching of the word of Yah which creates faith in the heart of the hearer..Roms. 10:17), she illicitly substituted humanly devised forms and rituals for the supernatural reality of the "new birth" (John 3:3 & 7, 1Pet. 1:23). Pagans were baptized not because they had a true spiritual rebirth, but because it became the way into the politically and socially accepted religion. Again we can thank the Vaticanous spirit for this endeavour.

Messiah Yeshua ceased to be the representative of the church and the devil himself became the illegitimate head of the now perverted "Christendom". Since Satan was a murderer from the beginning, Christendom did not give a second thought to shedding the blood of all those who dared stand in the way of his worldly domination. This grotesque perversion persecuted and murdered not only the Jews, but also all who oppose it, as Foxes Book Of Martyrs so vividly attests.

CHRISTIAN WITNESS PERVERTED

The once pure church of Messiah Yeshua was completely transformed, transfigured, into an unrecognizable murderer that would stop at nothing to accomplish the goals of her master. Knowing Yahveh's plan to use the church to provoke Israel to jealousy, the devil succeeded in so distorting the "faith once delivered to the saints", that the Jewish people were only too glad to reject such an idol worshipping, blood shedding abomination. "How could anything that evil and malignant come from the Holy One of Israel", they reasoned, "How could the Jesus they claim to believe in be our Messiah"? Whatever He is, whoever He was, He is not the promised Messiah, for certainly our Messiah could not or would not inflame His own followers with such hatred and evil"? The plan of the devil has succeeded: a perverted church persecuting the Jews in the name of their Jesus, the name in which the Jewish nation must believe before He can return to destroy the devil. A master stroke of evil genius, thanks in most part to the Roman so called church. The Jewish people could never come to faith in the one whose supposed followers persecuted and killed them.

INPLACEMENT THEOLOGY (IN-PLACE-MENT THEOLOGY)

Many Christians do not like the idea of Gentile Believers calling themselves "Spiritual Jews". This,

however, is an accurate description of their walk. For Jewish Believers, the difficulty with this terminology is that the history of those who called themselves “spiritual Jews” has been one of “replace and persecute”, not “in place and relate and love”. For Gentile Believers, it is a lack of true understanding too often coupled with anti semitism. Many Gentiles are trusting in their church rather than having a personal relationship with the Almighty so as to receive their personal revelations of the truth direct from Him. They participate in Churchianity.

In the past, those who called themselves “spiritual Jews”, did it with the false claim that they were the “new”, or “spiritual” Israel that had replaced the rejected natural Jewish people. This was the seed that produced the fruit of the 1800 years of persecution, hatred, and death. This was the seed planted by Satan himself in a most cunning manor. If only they had rightly understood that they were in fact “spiritual Jews”, but in the biblical sense. They were grafted in alongside the natural branches, and together should have been worshipping the Holy One Of Israel, partaking of the six covenants, and enjoying citizenship in the commonwealth of Israel. Then they would also understand that their position had been given to them by Yahveh so they could partake of Israel’s rich spiritual heritage and provoke the Jewish people to spiritual jealousy through their love and the supernatural demonstration, the gifts and fruits of the Holy Spirit.

Dad (Yahveh) uses the concept of being “grafted in”, to illustrate close relationships that Gentile Believers were to continually maintain with the Jewish people. This ongoing relationship was to be cultivated so that the Jewish people could be recipients of a loving testimony to the truthfulness of the Messianic claims of Yeshua, as the church demonstrated the love and the power of the Holy Spirit.

Because the church grew arrogant against the branches and was severed from the roots of faith, it was unable to maintain a testimony of the power of the Holy Spirit. As the Holy Spirit’s power began to diminish, the church increasingly turned to false doctrines and traditions to justify its power. In most cases the only power they see demonstrated is done by Satan under the auspices of divine manifestations. The power they too often witness is nothing other than that of the counterfeit. This is simply because they want to be entertained and don’t realize who is entertaining them. These false prophets, healers, and anti Messiah’s are found in most charismatic churches throughout the globe.

El Gibor intends to provoke the Jewish people, no doubt there will be a concurrent increase in the demonstration of the power of the real holy spirit in the real church also. This is going to happen because it is His plan and intention. To quote the ancient Rabbis; “let us earnestly pray to see this happen in our days”.

A VIEW FROM MESSIANIC JUDAISM

“Replacement theology is a misguided systematic approach to the bible that has not only led millions of Christians astray over the years, but it has in addition, birthed evil of the most horrific proportions. Replacement theology played a role in the persecution of Jews by the church through the centuries, including the Holocaust.

Replacement theology is the opinion that Israel, having failed Yahveh, has been replaced by the church. The church is now seen as spiritual Israel and spiritual Jerusalem. This theology claims that all the

promises and blessings, in fact Israel's entire inheritance, now belongs to the church. This theory would have you believe that Israel only gets to keep the curses, however.

"The doctrine of demons".

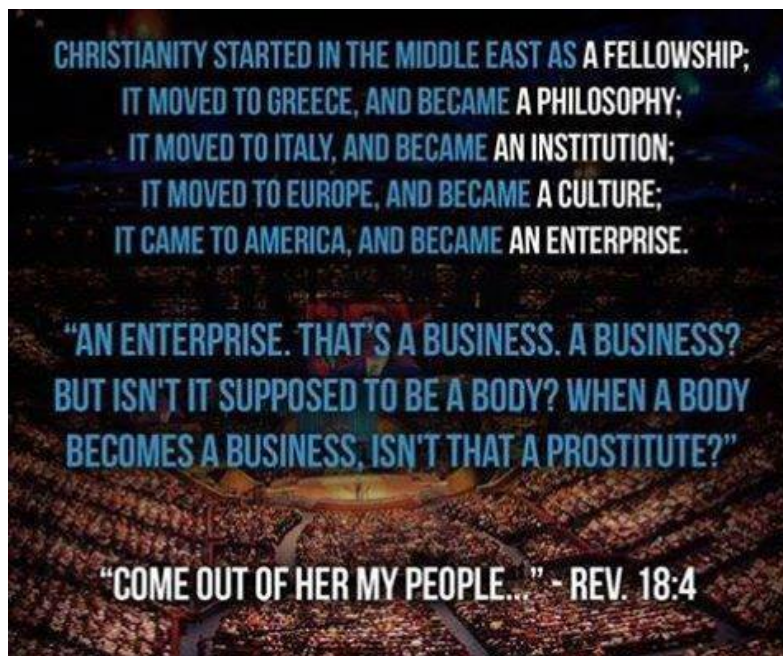

Replacement theology was first established at the council of Nicea in 325 AD, but the idea was preached as early as the first century CE by some of the proclaimed "Church Fathers". During the last 1600 years, Reformations and Revivals have come and gone, new denominations have sprung up, but this root of replacement theology which continues to produce its anti Semitic fruit, has not been cut off. This is a great stumbling block to the Jews as it prevents them from recognizing their own Messiah Yeshua. Isaiah said it well: **Isa. 57:14b "Remove the obstacles out of the way of my people".**

Christians need to sever themselves from this lie and be grafted into Yah's true olive tree, a tree which is deeply rooted in the covenants of Yahveh. Replacement theology robs us from understanding the heart of the Almighty. It robs us from the security of truly trusting in His faithfulness. By understanding Yah's everlasting commitment towards Israel, we understand something of who Yahveh is. Gentile Believers in Yeshua are not supposed to be an entity outside of, or instead of Israel, but are become part of the commonwealth of Israel. Yahveh does not have two frameworks, He has only one...Israel...His everlasting possession. He has given His name to no other. This is the framework of Torah, in which Yeshua was born and in which the early Believers operated. The true Torah observant Messianic Community is within the Household of Israel. To believe in replacement theology is to sever oneself from the root and to become part of another framework instituted originally by Rome. This false institution, founded on anti Torah doctrines of demons.

Yahveh has in no way either rejected or replaced Israel and the Jewish people. His covenants with them are non transferable. Yah's covenants and promises were never based on His faithfulness toward His people. Although the Jewish people have suffered the consequences of breaking Yah's laws, just as all do, they have not been replaced or rejected. They remain forever the only witness to the one true Almighty.

WHAT IS THE CHURCH?...THE WORD CHRISTIAN

The word "church" actually comes from word "kirch", of Celtic pagan origin. The actual word "church" comes from the pagan "circular ritual conducted by the Celts". Replacement theology that has been around for hundreds of years, is the cause of the misconception of the word "church", frequently used in the Christian world today. The mislead Christian forefathers are the ones responsible for millions of people being deceived and mislead over the centuries in regards to many things, including the word church. These Roman heathens convinced the early Believers that Rome was the new Israel, the new ecclesiastical organization called the church. The early forefathers convinced ignorant people that Adonai had rejected Israel and the Jews forever, and that Rome took Israel's place as the "New Israel". Many ignorant people are convinced that Rome became the head of the church, or the head of the New Israel.

In the scriptures the word "church" is mis-transliterated throughout. The Greek word "ekklessia" was incorrectly transliterated by the monks and papists as "church," rather than, "the ones called out," or, "called out assembly", which is its proper meaning. **They used this word to make themselves "the called out" ones of the church, therefore distancing themselves from the Jews, like Constantine and other heathen so-**

called Believers wanted them to. They made the church separate from the Jews. They separated themselves from the Renewed Covenant community of Messianic faith, known interchangeably as Israel, the Nazarenes Of Israel, or the People Of The Way Of Israel. They managed to create a separate “entity” called the church from words not describing an entity at all. The adherents to this entity were then called “Christians,” as in Acts 12:26. Adonai never called “born again” Believers “Christian” at any time. It was man who invented the word Christian to represent the church, which in fact never existed. Yah created “the assembly of people,” not an entity called the “church,” and certainly not followers called “Christians”. This division created by man was there only to separate the Jews from all other followers of Yeshua. Anti-Semitism is what it’s all about.

The churches today have replaced the Holy One of Israel with their own doctrine and dogma. They want the power rather than allowing Yah to be the Almighty. That is real replacement theology.

The 70 Rabbi’s who translated the original Hebrew words “Kehilah”, “Kehelat,” or “Adat,” translated these words into the Greek word “ekklessia”, which was later translated into the English word church. Every time these words were used in the Bible, they were referring to Adonai’s single covenant people, Israel. It never refers to anything other than a single flock of Believers that hear their shepherds voice and obey His commands (Rev. 22:14 KJV).

If you look closely you will see where Yeshua’s words were mis-transliterated when He said “ekklessia” to Peter in **Matt. 16:18** “*And I also say to you that you are Peter, and upon this rock I will build My church; and the gates of Hades shall not overpower it.*” In Acts 7:38 it talks about Stephen being the first “ekklessia” martyr. Long before the so-called church even existed, he talks about Moses receiving the Torah at Mt. Sinai with the “ekklessia”. **Either Moses went to church at Mt. Sinai, or the word means Moses was with the “assembly of people” at Sinai.**

There simply is no separate entity called the church, whether it be Gentile or Jewish. There is only one bride that Adonai is coming back for. It is up to us as individuals to get away from the pagan saturated, compromising, man-made system that many call the church today, and remain the “assembly of the people,” as Yah intended.

The only proper solution to the replacement theology taught in the seminaries, the physical versus spiritual Israel theology, and separate entity theology, is the restoration of both houses of Israel. As stated in Acts 1:1-8, the gospel is designed to bring all nations into a single entity called the Renewed Covenant Israel, otherwise stated as the ekklessia of Yeshua.

Replacement theology meant that the Jews are no different than any other group of people, and that their chosen (apple of my eye) oracle status, was self determined and had ceased when their European non Jewish Jesus went to a cross. Any Bible student can point out the truth about the special status of the oracles of Yah. **Rom. 3:1-2** “*Then what advantage has the Jew? Or what is the benefit of circumcision? Great in every respect. First of all, that they were entrusted with the oracles of Yah.*”

Rom. 11:15 “*For if their rejection be the reconciliation of the world, what will {their} acceptance be but life from the dead?*” Replacement theology contends that the Jews received all the curses of Deut. 28-33, while receiving none of the blessings. By using this false teaching, the church is proclaimed to be the “chosen people,” and the rightful owner of the land of Israel, since the land was a blessing, and not a curse.

The Pope has always had his eyes on the Holy land and would like nothing more than to have his headquarters in Jerusalem. This would fit in well with the replacement theology which is pursued by the Roman

Catholic church.

Most people don't realize that when Yah uses the term Jerusalem, He is referring to a literal city. He has a specific place in mind. When Yahveh refers to the nation of Israel, He is referring to the twelve tribes of Israel. When He is referring to the Jews, it is one of the twelve tribes of Israel, the Jews, He has in mind. When He refers to "Zion," it is the land and Mt. Moriah He has in mind. For any organization to teach that Adonai was not talking about literal places and people of Israel when He used these words, is simply foolish. These places are not synonymous terms used by the Christian church.

Leaving for a moment the historical development of this tragic division of the cultivated olive tree into two seemingly separate peoples of Yah, let us examine the extended metaphor of the olive tree with a view to understanding its implications for theology. There is only one

cultivated tree, and that means that there is only one Israel, not two. The wild branches (Gentiles) have been grafted in through faith in Messiah, "brought near in the blood of Yeshua" so that they are now included in the commonwealth of Israel. But they are not, as Replacement theology would have it, a New Israel, since the cut-off branches too are still identifiable as Israel even though they do not have the living sap of the tree flowing through them. Yah is miraculously preserving them, so that instead of drying out, as detached branches normally do, they are able to be grafted back in by faith. Thus, unsaved Jews (cut-off natural branches), saved Jews (natural branches attached to the tree), and Gentile Believers (grafted in wild branches) each have their own kind of ongoing participation in the one Israel; and this fact needs to be taken into account in any correct theology of Israel and the Church.

Not a word is said in the "olive tree" passage or anywhere else in Scripture about splitting the promises into earthly ones for the Jews and heavenly ones for the Church. In regards to the promises which relate to individual salvation, there is neither Jew nor Gentile (Gal. 3:28), no distinction between them (Rom. 10:12), no dividing wall of hostility (Eph. 2:14-19). On the other hand there remain promises to

national Israel, and the people Israel, in which Gentile nations corporately and Gentile Believers individually have no direct share.

The present situation with commonwealth Israel is that Gentiles from many nations recognize the Jewish Messiah, yet the majority of national Israel do not. Suppose citizens of Canada, India, Nigeria, Australia, and other members of the British Commonwealth of Nations recognized Elizabeth as their Queen, but most individual Englishmen, as well as the British Government, did not. In this circumstance it would be wrong to say that Great Britain was no longer a member of the Commonwealth, when in fact it would still be the central member among equals. It would also be incorrect to agree with the English that Queen Elizabeth is not the Queen. Rather, one could only try to convince them (both individual Englishmen and their governmental establishment) to honor Elizabeth, who is in fact the Queen.

The common teaching that the "church" is the Renewed Covenant bride of Yahveh is completely false. The bride of Yahveh is Israel, and only Israel. Yah is coming back for a spotless bride, not two brides. If as in Matt. 19:3-8, the church is a separate entity from Israel, then our Yah is a spiritual adulterer with two brides, called, the church, and the Jews. There is only one flock as stated in John 11:52, and 10:16. The renewed covenant believers that Paul talks about in Gal. 6:16 includes both Jewish and non Jewish followers of Yeshua, all those who have been redeemed by the blood of Yeshua (Eph. 2:12-19). Yeshua said in **Matt. 15:24** "*But He answered and said, 'I was sent only to the lost sheep of the house of Israel.'*" These are the people that Abraham, Isaac and Jacob were given promises to. Yeshua came to redeem the children of Israel, the lost sheep. Yeshua was saying that He wasn't going off to the other nations, that He had come for Israel first and foremost to fulfill the prophesies. He didn't say He came for Jews or Gentiles, but for the 'lost sheep'. We are all lost sheep until we are born again, then we become the Sons of Israel. Likewise in James 1:1 James addresses the body of Yeshua (12 tribes), not two different groups of the Renewed Covenant. All the Renewed Covenant writers wrote about, "a flock of sheep", not two separate, "flocks of sheep". The devil doesn't really give a hoot if you call one entity ("the church"), spiritual Israel, and the Jews, physical Israel. As long as you don't recognize the BODY of YESHUA as a single entity, that is simultaneously both physical, and spiritual Israel, in one blood bought, and precious body of redeemed people called Israel.
