

# SALT OF THE EARTH

Matt. 5:13 (also Luke 14:34-35)

**Matt. 5:13** ***“You are the salt of the earth; but if the salt has become tasteless, how will it be made salty again? It is good for nothing anymore, except to be thrown out and trampled under foot by men.”*** (Luke 14:34-35)

“Ancient salt was not pure sodium chloride, so the other material in the salt could go bad and cause the salt to be no good.” We, as disciples, can make ourselves “go bad” because of the other materials that can influence us in our daily lives? We must be reminded of “Evil company corrupts good habits” (1Cor. 15:33). The other materials are the ways of the world and the pagan churches. We must not let the real salt (instructions of the torah), be compromised.
