

SECRET SOCIETIES [PART 3 OF 3]

To even begin to grasp how the Occult Secret Societies work, one needs to understand the basis of all occult beliefs. One must understand that among the occult insiders, Lucifer is the true son of God, Jesus is a second son who was defeated by the first one who had been thrown out. So Lucifer is the true luminary, the victor in the battle, and will be the one who will be worshipped at the end of time. That is what occult doctrine teaches, and always has taught. Behind all these **Brotherhood's**, is the same master. They may call him by various names and titles, but he is the Devil.

In Secret Societies there are always two doctrines, one for the initiated, and one for the goyim, the uninitiated. They are a circle within a circle, or within multiple circles. Those on the bottom levels support in various ways, usually by appearing to volunteer their services for the public to see, or directly with money. The ignorant club members at the bottom support those in the upper levels, or inner circles.

They all have two doctrines, the one inside the esoteric occult doctrine, and the other one was the exoteric, the one to the outside. That is exactly what Catholicism is. The masses receive a religion which the obviously occult, because they like traditions that have no restrictions, no-matter how crazy it is. As long as they can get their ears tickled and don't have to obey anything written in the Word of the Holy One of Israel, they can and do remain blind to the world around them. Once they bite into the fruit of that Mystery Religion, they ingest demons, and from that point on the demons keep them from learning the truth that would set them free. It is Lucifer's church and his demons are his army. That demonic army uses supernatural weapons of warfare to battle for his Jesuits. They do the dirty work of the Devil by using the Jesuit witches, and the Jesuits in turn get all the other Secret Societies, businesses of the world, (financial institutions, governments, arts & entertainment industries, and media, etc.), to control the world for them. It's all about a OWO/NWO (One World Order/New World Order), with Satan as the CEO. Satan is called the god of this world, and that explains why the Secret Societies are often simply called "The Order" by those in the higher echelon.

OPUS DEI

The Opus Dei are a semi-secret religious lay order whose paramount objective is total support of the papacy of the Catholic Church (the Council of Trent). Its members have dedicated themselves, with their personal and corporate wealth, to be the blind instruments of the church (the Jesuit General).

The following is a very brief explanation of the secret society of the Opus Dei:

Josemaria Escriva de Balaguer is the Spanish founder of Opus Dei. He was formally declared a saint by the Pope John Paul in August of 2002.

.....Opus Dei is Latin and stands for "The work of God"

.....A secretive sect within the Vatican system, who's influence is like the Jesuits. They hold many offices within the Vatican, including the Popes press secretary.

.....It was formed during the Spanish civil war.

.....A former FBI director Louis Freech is one of the prominent members of Opus Dei in Washington. Also, the well known convicted Russian spy, Robert Hanssen.

.....It is a lay organization with Roman Catholic society.

.....The head of Opus Dei in Rome is Javier Echevarria, a bishop.

.....Opus Dei has segregated Catholic men and women in their membership.

.....They claim only about 3,000 members in the United States, yet recently opened a \$43 million, 17 story headquarters in Manhattan.

.....Its student centres are located near private campuses that includes Harvard, Columbia, Princeton, and Notre Dame.

.....They have many other organizations under their covering. Some

are "Woodlawn Foundation" and "National Centre Foundation".

.....They claim 84,000 members worldwide, whereas the largest order of Jesuits is about 42,000. Their members are called "supernumeraries".

.....About 25,000 supernumeraries make vows similar to that of nuns and monks. These 25,000 vow to be celebrate and give all their earnings to Opus Dei. They are segregated from each other (male and female) but often live in a commune type community.

BOHEMIAN GROVE

What is the Bohemian Grove?

The Bohemian Grove is a 2700 acre redwood forest, located in Monte Rio, CA. The all male Bohemian Grove Secret Society is described as "the worlds most prestigious summer camp", situated 75 miles north of San Fransisco. It contains accommodation for 2000 people to camp in luxury. It is owned by the Bohemian Club. At the camp **the men appear naked** but the Princes of the club wear papal apparel.

What is the Bohemian Club?

The Bohemian Club is a private all male club, which is headquartered in the Bohemian building in San Francisco. It was formed in 1872 by men who sought shelter from the frontier culture (or lack of culture).

Who are the present members?

The Club has evolved into an association of rich and powerful men, mostly of this country (there are similar organizations in other countries). Some artists are allowed to join (often at reduced rates), because of their social status and entertainment value. The membership list has included every Republican U.S. president (as well as some Democrats) since 1923, many cabinet officials, directors, and CEOs of large corporations, including major financial institutions.

What industries are represented among the members?

Major military contractors, oil companies, banks including the Federal Reserve), utilities (including nuclear power), and national media (broadcast and print) have high-ranking officials as club members or guests. Many members are, or have been, on the board of directors of several of these corporations. You should note that most of the above industries depend heavily on a relationship with government for their profitability.

The members stay in different camps at the Grove, which have varying status levels. Members and frequent guests of the most prestigious camp (Mandalay) have included, or do include: **Henry Kissinger**, **George P Shultz**, (statesman, diplomat), S. D. Bechtel, Jr., (Billionaire), **Gerald R Ford**, (Pres.), Thomas Watson Jr. (IBM), Fred Hartley, (pianist/conductor), **Merv Griffin**, (Enter), Phillip Hawley (physician), William Casey (CIA), William French Smith, (US Attorney General), John E Swearington, (SC Education), Casper W Weinberger, (Republican Statesmen), Justin Dart, William E Simon, (philanthropist), and Ralph Bailey (Dupont).

George Bush lives in a less prestigious camp (Hillbillies) with **A. W. Clausen** (World Bank), Garfield Thomas Haywood, (Pentecostal preacher), **Joseph Coors**, (Beer Maker), Edward Teller, (nuclear physicist), **Ronald Regan**, (Pres.), **Walter Cronkite**, (News Anchor), and William F. Buckley, (political commentator).

It takes 33 years on the waiting list to join this cult group. Can you even imagine hundreds of so-called men, prominent politicians, Presidents, Prime Ministers, and business tycoons, all running around naked like boys?

What activities take place at the grove?

The grove is the site of a two week retreat every July (as well as other smaller get-togethers throughout the year). At these retreats, the members commune with nature in a truly original way. They drink heavily from morning through the night, bask in their freedom to urinate on the redwoods, and perform pagan rituals including the Cremation of Care, in which the members wearing red-hooded robes, cremate a coffin effigy of Dull Care at the base of a 40 foot owl altar. Some (20%) engage in homosexual activity (but few of them support gay rights or AIDS research).

They watch (and participate in) plays and comedy shows in which women are portrayed by male actors. Although women are not allowed in the Grove, members often leave at night to enjoy the company of the many prostitutes who come from around the world for this event. Is any of this hard to believe? Employees of the Grove have said that no verbal description can accurately portray the bizarre behavior of the Groves inhabitants.

Besides this type of merriment, the annual gathering serves as an informational clearing house for the elite. The most powerful men in the country do their networking here, despite the Groves motto weaving spiders come not here (don't do business in the Grove). At these gatherings men representing the government, military-industrial, and financial sectors meet and make major policy decisions.

The Manhattan project, which produced the first atomic bombs, was conceived at the Grove in 1942. Other decisions made at the Grove include who our presidential candidates will be. There are speeches, known as Lakeside Talks, wherein high-ranking officials disseminate information which is not available to the public-at-large.

What are the topics of discussion over the years at the Lakeside Talks?

The 1991 talks included:
Joseph Califano

HEW Secretary, Carter Administration
Who Lives, Who Dies, Who Pays
Former German Prime Minister
Elliot Richardson
Defining a New World Order
Secretary of the Navy, Reagan Administration
Richard Cheney
Major Defence Problems of the 21st Century

Americas Health Care Revolution:
Helmut Schmidt
The Enormous Problems of the 21st Century
Nixon and Reagan Administrations
John Lehman
Smart Weapons
Present Secretary of Defence
AI

Whats not right about this?

When powerful people work together, they become even more powerful. The Grove membership is wealthy, and becoming more so, while the middle class is steadily becoming poorer. This close-knit group determines whether prices rise or fall (by their control of the banking system, money supply, and markets), and they make money whichever way markets fluctuate. They determine what our rights are and which laws have effect, by appointing judges. They decide who our highest officials shall be by consensus among themselves, and then selling candidates to us via the media which they own. Important issues and facts are omitted from discussion in the press, or slanted to suit their goals, but they are discussed frankly at the Grove.

Is there true democracy when so much power is concentrated in so few hands? Is there any real difference between the public and private sectors when cabinet members come from the boardrooms of large corporations? Is the spending of billions on weapons, which are by consensus no longer needed, really the will of the people? Or is it the will of General Electric, General Dynamics, and the other weapons contractors represented at the Grove?

What can I do to make a difference?

Educate yourself about the Grove and its inhabitants, and the true nature of the power structure in the world. Then educate your friends. Since most major newspapers and broadcast stations are owned by insiders, be wary of everything you hear in the press. If you can, participate in protest activities during the July retreat.

During the ceremony globalist leaders from across North America and the rest of the world watch as a black garbed boatman delivers the effigy of a human being to be burned at the feet of the 40-50ft tall stone owl god by robe-clad druid-like priests. Participants openly worship the owl and scream for the burning death of the human effigy.

Participants openly worshiped the owl. It appeared that low-level Acolytes were dressed in black and red robes, with higher-level priests in combinations of gold, silver and red. The high priest in silver and red robes repeatedly worshiped the owl, which he said was a symbol of Babylon and Tyre. The male-only elitist gathering chants and screams for the death of Care symbolized by a human body.

References and images of the owl are consistent throughout the grove, including an owl logo on the cocktail napkins, and the words The Owl are inscribed on the vehicles that transport people about the camp. The owl worldwide has been used as a symbol of the god of death, misfortune and human sacrifice. From Babylon to the ancient Druids the owl god has tasted its share of human blood.

KNIGHTS OF MALTA (ROMAN CATHOLIC)

The Grand Council of the Sovereign Military Order of Malta, 1960. The Knights of Malta are headquartered in Rome, **these Knights of the Papal Caesar control the Banking Industry, and Military**

Complexes of the world. They oversee Chase Manhattan Bank with branches in Moscow and New York. They rule the International Intelligence Community, once the KGB in the East and the CIA in the West, in restoring the despotism of the Dark Ages. "The Knights Malta use variations of the Maltese Cross", otherwise known in the occult as "The Cross of Horus", as one of their main demonic symbols. The Roman Catholic Church uses the same symbol, not coincidence.

The Freemasons are in the foreground while the Jesuits and Knights of Malta are in the background.

Not long ago the head of **the Knights of Malta** was the Cardinal of New Yorks St, Patricks Cathedral, Archbishop of New York. Edward M Egan. This ungodly place is the largest decorated gothic-style Catholic Cathedral in the USA.

The following is a short list of the Initial Membership of the Knights of Malta compiled by Eric Samuelson JD: General Allavena, George W Anderson, James Jesus Angelton, Julian Allason, Roberto Alejos Arzu, Andrew Bertie, Elmer Bobst, Charles J Bonaparte, Prince Valerio Borghese, Dr. Barry Bradly, Nicholas Brady, Monsignor M Brini, **Pat Buchan, James Buckley, William F Buckley Jr, Precott Bush Jr.**, Frank Capra, William Casey, Gustavo Cisneros, Cardinal Terence Cooke, Gerald Coughlin, Cartha DeLoach, Giscard d'Estaing, Bill Donovan, Allen Dulles, Avery Dulles, Archbishop Edward Egan, Count Franz Egon, John Farrell, Francis D Flanagan Flynn, **General Alexander Haig, Baron Conrad Hilton, Henrich Himmler, J Edgar Hoover, Joseph Kennedy, Senator Ted Kennedy**, Sir Stewart Menzies, Prince Angelo di Mojana, Baron Luigi Parrill, Henry Luce, **Frank Sinatra, Cardinal Francis Spellman**, Prince Anton Turkul. SKULL AND BONES, "THE ORDER", "CHAPTER 322"

The Skull & Bones Secret Society was brought over from Germany (associated with the 33rd Supreme Council of World-wide Masonry). The Illuminati of the German Secret Society established it, although members deny the reality. An American chapter of this German Secret Society Order was founded in 1833 at Yale University in Connecticut by General William Huntington Russell and Alphonso Taft, who in 1876, became Secretary of War I for the Grant Administration. Alphonso Taft was the father of William Howard Taft, the only man to be both President and Chief Justice of the United States.

The counterpart secret society of Princeton, is called Rhodes Scholar. Rhodes Scholar was established by Cecil Rhodes. Many say the Masons are the front for both of them and most other Secret Societies, originally established as the Knights Templar of old.

Those on the inside know it as "**The Order**". Others have known it for more than 150 years as "**Chapter 322**" of the German Secret Society. **It is for legal purposes known as "The Order", incorporated as "The Russell Trust" in 1856.** It was also known as the "**Brotherhood of Death**". Those who make light or fun of it, jokingly call it Skull & Bones" or "Bones". They use the skull & bones logo with 322 underneath it. It stands for **Gen. 3:22 Then the LORD God said, "Behold, the man has become like one of Us, knowing good and evil; and now, he might stretch out his hand, and take also from the tree of life, and eat, and live forever"**. They believe this verse to mean that they are at the same level as Yahveh. They have become gods.

In reality, the Skull & Bones Cross symbol of Jupiter and Osiris (Anubis), who were the gods of death.

The distinguished leader of this group is known as "Uncle Toby", and the shortest member is called "Little Devil", who dresses in a satanic costume. Another dresses up as the founding member Elijah Yaleksi, and another as Donn K Holtyna.

When a new member is initiated into The Order, he says; "**Tonight I will die to the world and be born again into The Order**", and he will henceforth refer to it. The Order is a world unto itself in which he will have a new name and fourteen new brothers, also with new names. This is exactly what Satanic coven members do when they join a coven. The British chapter was founded at a University, Oxford University, and All Souls College at Oxford. The British element is called "**The Group**". The Group links to the Jewish equivalent through the Rothschilds in Britain (Lord Rothschild was an original member of Rhodes inner circle). The Order in the US links to the Guggenheim, Schiff and Warburg families. There were no Jews at all in The Order until very recently.

Three US Presidents are members: **William Howard Taft, George Bush Sr, and George W Bush**, along with numerous senators and Ambassadors like William Whitney, John Kerry, and CIA Henry Luce. The

SKULL AND CROSSBONES MEANING AND ORIGINS

The skull and crossbones symbol originated with the Christian Military Order - the Knights Templars.

It was later used as a symbol of death and used to denote poison bottles. Pirates adapted to terrorize their potential victims.

The skull and crossbones symbol represents...

Death
Poison
Sacrifice
Rebellion

... and was a reflection on mortality.

members are not allowed to say they are members of the secret society. During their initiations they do some extremely strange sexual acts while placed in a coffin in front of the other members.

A recent President of the United States, George Walker Bush junior, is, like his father, a member of the "Order of skull and bones", a secret society organization on the campus of Yale University.

The active members in 1833 had enough influence to push their sons and relatives into "The Order" and there is significant inter-marriage among the families. These families fall into two major groups. First we find old time American families, second, we find families who acquire wealth.

In brief, "The Order" looks like three segments:

- 1) The outer circles is made up of large open organizations with some membership coming from "the Order". The Council of Foreign Relations is the largest organization in the outer circle. Another is the Trilateral Commission which has only 200 members worldwide, with only about 70 in the Unites States. It was founded by David Rockefeller in 1973.
- 2) The inner circle Is made up of one or more secret societies like Chapter 332
- 3) The inner core is a Secret Society within a Secret Society.

This is the inner decision making core. We cannot prove it exists, but logic

suggests that some members of the inner circle will form an exclusive committee, an action group, an inner core. The Order gets the ball rolling in new organizations, puts in the First President or Chairman and the ideas and then, when operations are rolling along, often just fades out of the picture. In United Nations we find, for example, that Archibald McLeash was the brains behind the constitution of the UNESCO (United Nations Educational, Scientific & Cultural Organization), organization. A key penetration is the Union Theological Seminary, affiliated with Columbia University in NewYork. This Seminary, a past subject of investigation for Communist infiltration, has close links to "The Oder".

The major establishment law firms in New York are saturated with The Order members. There has been a significant penetration by members of "The Order" into communications industry also. They have also manipulated their way into the Federal Reserve System, the White House, Politics and Government throughout America. The Order has made tremendous headway with names like Taft, Bush, Stimson, Chafee, Lovett, Whitney, Bundy, and so on. All of these are controlled by The Order. You can say that sitting at their Round Table is: The Council of Foreign Relations, The United Nations, The Bilderberg Group, The Club of Rome, Royal Institute of International Affairs, and the Trilateral Commission.

The Order

The activities (Modus Operandi), of The Order are directed towards changing our society, changing the world, to bring about an New World Order. This will be a planned order with heavily restricted individual freedom, without Constitutional protection, without national boundaries or cultural distinction. The Roman Catholic Jesuits, who control all Secret Societies directly or indirectly around the world have FASCISM as their foundation of controlling the world. The following is a brief description of Fascism.

In Fascism the elements to be controlled are:

Education	How the population of the future will behave.
Money	The means of holding wealth and exchanging goods.
Law	The authority to enforce the will of the state, a world law, and a world court is needed for a world state.
Politics	The direction of the state.
Economy	The creation and distribution of wealth.
History	What people believe happened in the past.
Psychology	The demonic means of controlling how people think.
Philanthropy	So that people think well of the controllers.
Medicine	The power over health, life, and death.
Religion	The peoples spiritual beliefs, the spur of action for many.
Media	What people know and learn about current events.

The objective of the Order is **neither "left" nor "right"**. "Left" and "right" are artificial devices to bring about change, and the extremes of political left and political right are vital elements in a process of controlled change. They control both left and right sides, known as Hegelian dialectic. The answer to this seeming political puzzle lies in Hegelian Dialectic. The Jesuits and all those under their control serve neither left nor right, they just use the created problems to get more and more control over the people by appearing to make things better. This conflict between sides is essential to bring about change. Today this process can be

identified in the literature of **the Satanic Trilateral Commission** where "change" is promoted and "conflict management" is termed the means to bring about this change.

Hegelian Dialectic

In the Hegelian system conflict is essential. Furthermore, Hegel, from which we get the name of the system, and systems based on Hegel, the State is absolute. The philosophy behind it all is comes from both Hegel and Kant. The European Union to this day honors them both as the founders of the European agenda. The State requires complete obedience from the individual citizen. An individual does not exist for himself in these so-called organic systems but only to perform a role in the operation of the State. He finds freedom only in obedience to the State. There was no freedom in Hitler's Germany, there is no freedom for the individual under Marxism, neither will there be in the New World Order. If it sounds like George Orwell's 1984 description, it is indeed.

THE TRILATERAL COMMISSION..ROCKEFELLER'S

The Trilateral Commission was established in 1973. Its founder and primary financial angel was international financier, David Rockefeller, longtime chairman of the Rockefeller family-controlled Chase Manhattan Bank and undisputed overlord of his family's global corporate empire.

Rockefeller's idea for establishing the commission emerged after he had read a book entitled *Between Two Ages* written by an Establishment scholar, Prof. Zbigniew Brzezinski of Columbia University.

In his book Brzezinski proposed a vast alliance between North America, Western Europe and Japan. According to Brzezinski, changes in the modern world required it.

"Resist as it might," Brzezinski wrote elsewhere, "the American system is compelled gradually to accommodate itself to this emerging international context, with the U.S. government called upon to negotiate, to guarantee, and, to some extent, to protect the various arrangements that have been contrived even by private business."

In other words, it was necessary for the international upper class to band together to protect its interests, and to ensure, in the developed nations, that political leaders were brought to power who would ensure that the global financial interests (of the Rockefeller's and the other ruling elites) would be protected over those of the hoi polloi.

POCANTICO HILLS CONFABS

Although the initial arrangements for the commission were laid out in a series of meetings held at the Rockefeller's famous Pocantico Hills estate outside New York City, Rockefeller first introduced the idea of the commission at an annual meeting of the Bilderberg group, this one held in Knokke, Belgium in the spring of 1972.

The Bilderberg group is similar to the Trilateral Commission in that it is funded and heavily influenced by the Rockefeller empire, and composed of international financiers, industrialists, media magnates, union bosses, academics and political figures.

However, the much older Bilderberg group's membership is strictly limited to participants from the United States, Canada and Western Europe: i.e. the NATO alliance.

The Trilateral Commission was unique, though, in that it brought the Japanese ruling elite into the inner councils of the global power brokers, a recognition of Japan's growing influence in the world economic and political arena.

RULING CLASSES UNITE

"The Commission's purpose is to engineer an enduring partnership among the ruling classes of North America, Western Europe and Japan -- hence the term 'Trilateral' -- in order to safeguard the interests of Western capitalism in an explosive world. The private commission is attempting to mould public policy and construct a framework for international stability in the coming decades.

"To put it simply, Trilateralists are saying: The people, governments and economies of all nations must serve the needs of multinational banks and corporations.

"In short, Trilateralism is the current attempt by ruling elites to manage both dependence and democracy -- at home and abroad."

Another Trilateral critic, now-retired Sen. Barry Goldwater (R-Ariz.), views the commission as a Rockefeller family operation through and through. According to Goldwater:

"The Trilateral organization created by David Rockefeller was a surrogate -- the members selected by Rockefeller, its purposes defined by Rockefeller, its funding supplied by Rockefeller. David Rockefeller screened and selected every individual who was invited to participate."

PICKING POLICYMAKERS

David Rockefeller and Brzezinski then began the process of selecting from the "Trilateral" nations the several hundred elite power brokers who would be permitted to join in Trilateral policymaking in the coming years.

One of the commission's primary goals was to place a Trilateral-influenced president in the White House in 1976, and to achieve that goal it was necessary to groom an appropriate candidate who would be willing to cooperate with Trilateral aims.

Rockefeller and Brzezinski selected a handful of well-known liberal Democrats and a scattering of Republicans (primarily of the liberal-internationalist bent) to serve on the commission.

And in an effort to give regional balance to the commission Rockefeller invited the then-obscure one-term Democratic governor of Georgia, Jimmy Carter, to join the commission.

ROCKEFELLER CENTER SOUTH

Rockefeller had longtime ties to the local Atlanta political and economic Establishment. In fact, much of Rockefeller's personal investment portfolio is in Atlanta real estate. (According to David Horowitz, co-author of *The Rockefeller's*, "Atlanta is Rockefeller Center South.")

And Rockefeller himself had once even invited Carter to dine with him at the Chase Manhattan Bank several years before, as early as 1971, the year Carter began serving as governor.

Carter very definitely impressed Rockefeller and Brzezinski, more so than another Southern Democrat, Florida Gov. Reuben Askew, also selected to serve on the commission and viewed, like Carter, as a possible Trilateral candidate.

In fact, according to Brzezinski, "It was a close thing between Carter and Askew, but we were impressed that Carter had opened up trade offices for the state of Georgia in Brussels and Tokyo. That seemed to fit perfectly into the concept of the Trilateral."

Carter, in fact, like Askew, did announce for the 1976 Democratic presidential nomination, but because of Rockefeller's interest, Carter had the inside shot.

So much so that in a speech at the commission's first annual meeting in Kyoto, Japan in May of 1975, Rockefeller's man Brzezinski promoted the then-still obscure Carter to his fellow Trilateralists as an ideal presidential candidate.

CUT AND DRIED

From that point on, it was all cut and dried. According to Goldwater: "Rockefeller and Brzezinski found Carter to be their ideal candidate. They helped him win the Democratic nomination and the presidency.

"To accomplish this purpose they mobilized the money-power of the Wall Street bankers, the intellectual influence of the academic community -- which is subservient to the wealth of the great tax-free foundations -- and the media controllers represented in the membership of the CFR and the Trilateralists."

(The aforementioned Council on Foreign Relations -- is another Rockefeller-financed foreign policy pressure group similar to the Trilateralists and the Bilderberg group, although the CFR is composed solely of American citizens.)

(In his book *The Carter Presidency and Beyond*, published in 1980 by the Ramparts Press, Prof. Laurence H. Shoup devotes an entire chapter to demonstrating how the Trilateral-linked and Trilateral-controlled Establishment media promoted the presidential candidacy in 1976 of the then-obscure Georgia Gov. Jimmy Carter.)

Carter, of course, campaigned as a "populist" -- as a "man of the people" -- as an "outsider" with no ties to the Establishment. The fact is, however, Carter, who said he'd never lie, was an elitist, an insider, the Trilateral Commission's "man on the white horse."

And with the power of the commission and the Rockefeller empire and its media influence behind him, Carter made his way to the presidency, establishing the first full-fledged Trilateral administration, appointing numerous Trilateralists to key policymaking positions and carrying out the Trilateral agenda to the hilt.

KNIGHT'S OF COLUMBUS

The Knights of Columbus (KOC), are an organization of the men of the Roman Catholic church. They supposedly help the community by raising funds for local causes. This kind of evil help, in the Bible, is known as works of "the angel of light". These so-called Christians take oaths that are written by the devil himself.

"The Knights of Columbus were founded by Father Michael J McGivney, curate of St. Mary's Church, in 1882. In their initiative service of four degrees, they work in collusion with the Hierarchy, and **are the heart and soul in politics for the roman Catholic Church.** This fact is well known to political machines and non Catholic politicians, whose candidates must receive the approval of Rome and the Knights before they dare nominate them for either dog pound or presidency. **The KOC principal business is politics, aye, Jesuitical politics.**" (A menace to the nation, Jeremiah J Crowley). They use Fascism images in their materials and during their demonic activities.

The following is part of the 4th Degree oath that members swear to.

"I, _____, now in the presence of Almighty God, the Blessed Virgin Mary, the Blessed Michael the Archangel, the Blessed St. John the Baptist, the Holy Apostles, Peter and Paul, and all the Saints, sacred hosts of Heaven, and to you, my Ghostly Father, the Superior General of the Society of Jesus, founded by St. Ignatius Loyola, in the Pontification of Paul the Third, and continued to the present, do by the womb of the Virgin, the matrix of God, and the rod of Jesus Christ, declare and swear that his Holiness, the Pope, is Christ's Vice-regent, and is the true and only head of the Catholic or Universal Church throughout the earth; and that by the virtue of the keys of binding and loosing, given to his Holiness by my Saviour, Jesus Christ, he hath power to depose heretical kings, princes, states, commonwealths and governments, all being illegal without his sacred confirmation, and that they may be safely destroyed.

"Therefore, to the utmost of my power, I shall and will defend this doctrine and his Holiness' right and customs against all usurpers of the heretical or Protestant authority whatever, especially the Lutheran Church of Germany, Holland, Denmark, Sweden and Norway, and the now pretended authority of the Church of England and Scotland, the branches of the same now established in Ireland, and on the continent of America and elsewhere and all adherents in regard that they may usurped and heretical opposing the sacred Mother Church of Rome.

"I do now renounce and disown any allegiance due to any heretical king, prince or state named Protestant or Liberals, or obedience to any of their laws, magistrates or officers.

"I do further declare that the doctrine of the Churches of England and Scotland, of the Calvinists, Huguenots, and others of the name of Protestants or Masons to be damnable, and they themselves to be damned who will forsake the same.

"I do further declare that I will help, assist and advise all or any of his Holiness' agents in any place wherever I should be, in Switzerland, Germany, Holland, Ireland, or America, or in any other kingdom or territory I shall come to, and do my utmost to extirpate the heretical Protestant or Masonic doctrines and to destroy all their pretended powers, legal or otherwise.

"I do further promise and declare, that notwithstanding I am dispensed with to assume any religion

heretical for the propagating of the Mother Church's interest to keep secret and private all her agents' counsels from time to time, as they may instruct me, and not to divulge, directly or indirectly, by word, writing, or circumstances whatever; but to execute all that shall be proposed, given in charge, or discovered unto me, by you, my Ghostly Father or any of this sacred order.

"I do further promise and declare that I will have no opinion or will of my own or any mental reservation whatsoever, even as a corpse or cadaver, but will unhesitatingly obey each and every command that I may receive from my superiors in the militia of the Pope and of Jesus Christ.

"That I will go to any part of the world withersoever I may be sent, to the frozen regions North, jungles of India, to the centers of civilization of Europe, or to the wild haunts of the barbarous savages of America without murmuring or repining, and will be submissive in all things whatsoever is communicated to me.

"I do further promise and declare that I will, when opportunity presents, make and wage relentless war, secretly and openly, against all heretics, Protestants, and Masons, as I am directed to do, to extirpate them from the face of the whole earth; and that I will spare neither age, sex, nor condition, and that I will hang, burn, waste, boil, flay, strangle, and bury alive these infamous heretics; rip up the stomachs and wombs of their women, and crush their infants' heads against the walls in order to annihilate forever their execrable race.

"That when the same cannot be done openly, I will secretly use the poison cup, the strangulation cord, the steel of the poniard, or the leaden bullet, regardless of the honor, rank, dignity or authority of the person or persons whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agents of the Pope or superior of the Brotherhood of the Holy Father of the Society of Jesus.

"In confirmation of which I hereby dedicate my life, soul, and all corporal powers, and with the dagger which I now receive I will subscribe my mane written in my blood in testimony thereof; and should I prove false or weaken in my determination, may my brethren and fellow soldiers of the militia of the Pope cut off my hands and feet and my throat from ear to ear, by belly opened and sulfur burn therein with all the punishment that can be inflicted upon me on earth and my soul shall be tortured by demons in eternal hell forever.

"That I will in voting always vote for a K. or C in preference to a Protestant, especially a Mason, and that I will leave my party so to do; that if two Catholics are on the ticket I will satisfy myself which is the better supporter of Mother church and vote accordingly.

"That I will not deal with or employ a Protestant if in my power to deal with or employ a Catholic. That I will place Catholic girls in Protestant families that a weekly report may be made of the inner movements of the heretics.

"That I will provide myself with arms and ammunition that I may be in readiness when the word is passed, or I am commanded to defend the church either as an individual or with the militia of the Pope.

"All of which, I _____, do swear by the blessed Trinity and blessed sacrament which I am now to receive to perform and on part to keep this, my oath.

"In testimony hereof, take this most holy and blessed Sacrament of the Eucharist and witness the same further with my name written with the point of this dagger dipped in my own blood and seal in the face of this holy sacrament."

Documented and copied verbatim as it appears in the United States Congressional Record, House Bill 1523, Feb 15, 1913.

SONS OF LIBERTY

The Sons of Liberty were a secret society who had many rituals. They had secret code words, medals, and symbols like other occult groups. The Sons of Liberty (started in 1765), were originally a grassroots group of instigators and provocateurs in colonial America who used an extreme form of civil disobedience—threats, and in some cases actual violence—to intimidate loyalists and outrage the British government. The goal of the radicals was to push moderate colonial leaders into a confrontation with the Crown.

Their most famous act of disobedience was destroying 92,000 pounds of British tea in Boston Harbor in December 1773. **The Boston Tea Party**, as the act would become known, was one of the key events that pushed the colonies and the British government toward war.

Samuel and John Adams, John Hancock, and Paul Revere were among its prominent leaders. They were commonly an effective but violent group, referred to as the "Liberty Boys". Adams and Hancock in particular were so loathed and feared by the British that when General Thomas Gage offered amnesty to Bostonians who stopped their resistance in 1775, he made a point of excluding the two men, "whose offences are of too flagitious a nature" not to be punished severely. During this time, the Sons' core views evolved, Carp says. They rejected the British notion that they had fought the French and Indian War on behalf of the colonists, and that as a result, the Americans were obligated to pay for continued upkeep of British soldiers in North America. But beyond that, they also rejected the authority of the British Parliament to make laws for Americans. Most of all, they argued the British government could not compel Americans to pay taxes. The Sons of Liberty ended in 1774 when the 13 original Colonies formed their own governments.

KNIGHTS OF THE GOLDEN CIRCLE

Knights of the Golden Circle, a semi-military secret society that was active in the Midwestern states during the American Civil War.

In 1859 George Bickley, a freebooter and adventurer, launched a fraternal order which proposed the establishment of military colonies of Americans in Mexico. The eventual goal of the plan was the annexation of all of Mexico to the United States. This would, according to Bickley, protect the Southern states from being overwhelmed by the industrial and commercial interests of the North. Widespread publicity in Southern expansionist newspapers called attention to the new order, and Bickley soon claimed it had 65,000 members. He later increased his claims to 115,000, but such numbers were widely dismissed as fanciful.

Fractured by ideology and economy, this war sought to unify a divided nation. The order itself had little influence in the South and had few or no Northern adherents. With the outbreak of the war, however, Republicans charged that Democrats who opposed the conduct of the war were influenced by, or were members of, the Knights. The order and its alleged influence sparked the formation

of Union League clubs to carry on counter-propaganda. Although civil and military authorities made strenuous efforts to uncover the order and charges abounded in newspapers and in political oratory, no single member or unit of the organization was ever conclusively brought to light.

A successor organization, the Sons of Liberty, was alleged to have taken its place. Some 250,000 to 300,000 oath-bound members were said to have existed in the Midwest. Copperheads Fernando Wood, former Democratic mayor of New York City, and Clement L. Vallandigham of Ohio were reputed to be the chief officers. They opposed the U.S. government's war policy, actively encouraged desertion, prevented enlistments, and resisted the draft. Receiving reports of the activities of the Order of American Knights (a new name for the alleged order) in Missouri and Illinois, U.S. Pres. Abraham Lincoln sent his secretary, John Hay, to investigate. The new charges, said Lincoln on receiving Hay's report, were "as puerile as the Knights of the Golden Circle." Treason trials against members of the Sons of Liberty in Indianapolis on the eve of the election of 1864 furnished campaign material for the Republicans. The leaders were sentenced to death or imprisonment by military commissions, but the sentences were suspended, and in 1866 the convictions were overturned by a decision of the U.S. Supreme Court.

Clement L. Vallandigham, in full Clement Laird Vallandigham, (born July 29, 1820, Lisbon, Ohio, U.S.—died June 17, 1871, Lebanon, Ohio), politician during the American Civil War (1861–65) whose Southern sympathies and determined vendetta against the Federal government and its war policy resulted in his court-martial and exile to the Confederacy.

Admitted to the Ohio bar in 1842, Vallandigham was elected to the state legislature in 1845. While a member of the U.S. House of Representatives (1857–63), he was adamant against the principles and policies of the newly formed Republican Party, particularly as they related to the slavery issue. Of Southern ancestry, he idealized the Southern way of life, and he assumed leadership of the faction of Midwest Democrats, called Copperheads, who opposed the prosecution of the war against the South—a war they viewed as beneficial only to Eastern interests.

During the Civil War he bitterly attacked the administration of President Abraham Lincoln, charging that it was destroying not only the Constitution but civil liberty as well. He also became commander of the secret, antiwar Knights of the Golden Circle (later Sons of Liberty). In 1863 he made vigorous speeches in Ohio against the war and the government and consequently grew to be one of the most suspected and hated men in the North. He was arrested in May by military authorities for expressing treasonable sympathy with the enemy; tried and found guilty by a military commission, he was sentenced to imprisonment. Soon afterward Lincoln commuted his sentence to banishment behind Confederate lines.

Bored with exile in the South, Vallandigham made his way to Canada, where he continued his campaign of harassment from across the border. In September 1863 the Ohio Peace Democrats nominated him in absentia for governor, but resounding Union military victories at Gettysburg and Vicksburg in July ensured his decisive defeat at the polls. He returned illegally to Ohio in 1864 and took an active part in that year's election campaign. He also wrote part of the national Democratic platform in which the war was denounced as a failure.

After the war Vallandigham criticized the Radical Reconstruction policy of the Republicans as both unconstitutional and tyrannical, but in 1870 he recognized the uselessness of further opposition and urged his party to emphasize financial issues instead. He died the following year after accidentally shooting himself with a firearm that was an exhibit in a murder trial.

THE ODD FELLOWS

The Odd Fellows are one of the earliest and oldest fraternal societies, but the historical details of its foundations went strangely undocumented before the 18th century, creating some uncertainty about its name and origins. To understand what the “odd” in Odd fellows really means, we need to start with the order’s purpose. For as long as records show, this has been an organization solely aimed towards charity and helping

the less fortunate. One of its most prominent symbols known as the “Triple Links” alludes to its motto, “Friendship, Love and Truth” – three words that aren’t hard to get behind in modern civil society. But not so long ago, such noble values were rare to come by.

The society was founded as a non-political and non-sectarian fraternal order, but of course, that hasn’t stopped religion, war and political beliefs getting in the way of progress. At the height of the “Golden Age of Fraternalism”, when as much as 40% of the adult population in the United States alone was estimated to be a member of at least one fraternal order, **the Catholic church** widely condemned secret societies, forbidding their pseudo-religious rituals and ceremonies. The Order of the Odd Fellows is no stranger to the conspiracies and rumours of witchcraft and satanic worship that may or may not take place behind closed doors...

Police have often been called to investigate multiple skeletons discovered hidden in Odd Fellows lodges which are used in the secret society’s initiation rituals. In 2001, the LA Times reported that the discovery of numerous “Jane Doe” skeletons at the order’s fraternity halls in recent years had sparked outrage and police investigations across the country, including Missouri, Indiana, Pennsylvania Oklahoma and Nebraska.

A longtime Odd Fellow from New York revealed that the skeleton, or skull & bones, is a symbol of mortality for the order, and isn’t to be seen by anyone until they’ve been initiated. Passwords and decrees are exchanged.

Another Odd Fellow speaking to the LA Times, preferring to remain tight-lipped on the subject said it’s “a ceremony that is confined to the members, and if you’re not a member, you don’t discuss it.”

Over the centuries, politics have also succeeded at dividing the order. In England, the Jacobean uprisings created new and separate branches according to political loyalties. Following the American Revolution, the American order split from the British, and in the aftermath of the American Civil War, it split again – the whites-only order staying in one camp and a new branch, open to people of any race, in the other.

Interestingly, the Order of the Odd Fellows became the first national fraternity to accept both men and women when it formed the Daughters of Rebekah in 1851. Eleanor Roosevelt would later become a member.

The predominantly African-American branches of Odd Fellows also functioned alongside a female auxiliary from the 1850s known as the Household of Ruth, which attracted nearly 100,000 members, including Georgia Dwellle, the first female African-American Physician.

In 1922, the Odd fellows reported over 2,676,582 members, outnumbering the Freemasons. But then came the Great Depression. People simply couldn’t afford memberships and lodges closed.

In order to increase membership and reach a younger generation, branches are absorbing female auxiliaries into the main order, leading to the idleness of the female-run orders like the Rebekahs, while also creating a more inclusive and gender-balanced fellowship overall. The IOOF now claims to have 600,000 active members in the United States. With international branches in 26 countries, members of the fraternity combined are estimated in the millions worldwide.

Much like the Freemasons, the Odd fellows liked to leave their mark with esoteric symbolism and clues in the architecture of buildings they constructed for their network. Perhaps there’s an OOF lodge, or even an Odd fellow cemetery near you. There are some 10,000 lodges in the United States alone, dozens of which are also home to historical museums and small exhibitions across the country, holding collections of Odd Fellows

regalia, archives for research, antique items and of course, oddities.. Many lodges still hold weekly meetings and today promise to be "a place for fellowship in all its forms."

The Odd Fellows is all about "the journey onward", as the famous Aleister Crowley taught. Aleister Crowley was a well known English OCCULTIST. The aspects of the Odd Fellows are most definitely spiritual, social, and psychological in nature. They believe in a change of consciousness, a raising of the perspective to a new height by the revelation of some discreet higher truth or wisdom by means of language of symbols and ritual drama. They have lots of secret symbols that only the initiated members are allowed to understand, in the same manner as the Freemasons. They are set up like most other Secret Societies, they have an inner core Secret Society that works on the demonic side, surrounded by an out core Secret Society that appeals to outsiders as just a nice "Friendship, Love and Truth" fraternal organization. They promote their organization with a symbol of a "three linked chain" (FLT).

On the inside however, they refer to their god as a force symbolized as the "all seeing eye" of Horus, famous in all occult circles. The only requirement to join is that they are introduced into the club by another member, and believe in a "supreme being", that is never identified until after they join. They accept the "force" they worship as the origin of the "big bang". They are told to never talk about this unless they are part of the higher degrees. The four standard lodge degrees are: White degree, the Friendship or Pink degree, the Brotherly Love or Blue degree, and the Truth or Scarlet degree. Three of the most common symbols of the group are the "Eye of Horus", (All seeing eye), "FLT three link", (Friendship, Love and Truth), "Scythe", (Roman deity Saturn, Reaper), Hourglass, (symbolic of the balance of time), and "Skull and Bones", ("The Order").

NEW WORLD ORDER

David Rockefeller is the head of the "Chase Manhattan" bank of the US. He has taken his money offshore of the US for his own protection.

In 1913 the Federal Reserve Bank was formed by seven rich private individuals. Allen Greenspan is the chairman of the board. It is not Federal at all, it just sounds like it is a government supported bank. Congress doesn't control the money of the US government. The Congress spends more money than it makes, then it goes to the World Bank, threw Allen Greenspan, who borrows the money for the government. Then the US government pays them the interest on that money.

The goal of the One World Order is to tax and over regulate so no country can make it on its own. Squelch the wealthy and the freedoms of the people in the free country to bring them to a place where they think a NWO would be a better system/answer. They want us to want a NWO. They want us to think its the only solution/way-out because of the problems they created to make you think so.

The One World Order can't have any super-powers. All nations will need to depend on the OWO for help with everything.

CFR.....COUNCIL ON FOREIGN RELATIONS

Council on foreign relations was originally backed by Rothschild's, Rockefeller's, and Morgans. Its purpose is to bring about a New World Order through the manipulation of foreign relations and through international economic interdependence. There are over 3,000 members (in US alone), of the elite of media, politics, banking and communications networks. Barbara Walters, Tom Brookoff, Diane Sauer, Jesse Jackson (Freemason), are said to be members. CFR has a magazine that comes out four times a year. The CFR building (Harold Pratt Building), is located at 58 East 68th St. Manhattan, New York City.

BILDERBERGERS

The Bilderberg and the New World Order

As far as global politics and finance go, the Bilderberg is the top of the pyramid, the all-seeing eye gazing upon the construction of a New World Order . This one-world system of governance, lurking in the shadows cast by flowery language about our new "global village," will transfer nearly all economic and political power into the hands of a small group of the world elite.

According to Bilderberg's draft document of 1989, "Bilderberg takes its name from the Bilderberg Hotel in Oosterbeek, Holland, where the first meeting took place in May 1954. That pioneering meeting grew out of the concern expressed by many leading citizens on both sides of the Atlantic that Western Europe and North America were not working together as closely as they should on matters of critical importance. It was felt that regular, off-the-record discussions would help create a better understanding of the complex forces and major trends affecting Western nations in the difficult post-war period."

According to Conrad Black (a Roman Catholic), the Bilderberg, "was set up in the mid-fifties by Prince Bernhard of the Netherlands.... [Meetings] normally include senior officials of the governments of all the countries represented, with a wide swath of enlightened business, academic, media and military leaders...."

Prince Bernhard gave the go-ahead, but the idea for the Bilderberg belonged to Joseph H. Retinger, a man who could make an appointment with the President of the United States just by picking up the telephone. In 1952, Retinger proposed a secret conference to Prince Bernhard which would involve the NATO leaders in an open and frank discussion on international affairs behind closed doors.

The Prince thought it was a grand idea, and they formed a committee to plan the conference. Bernhard briefed the Truman administration about the meeting in 1952, and although the idea was warmly embraced in the U.S., the first American counterpart group was not formed until the Eisenhower administration.

CIA Director General Walter Bedell Smith and C.D. Jackson were key players in organizing the American counterpart group, heavily influenced by the Rockefeller dynasty, whose Standard Oil holdings competed with Bernhard's Royal Dutch Petroleum. Hence, the interests of the oil industry were well-represented at Bilderberg meetings.

At early meetings of the Bilderberg, attendees expressed frustration with American politics, then in the throes of McCarthyism, whose nationalist ideology stood in the way of global planning. C.D. Jackson tried to quell their fears by saying,

"Whether McCarthy dies by an assassin's bullet or is eliminated in the normal American way of getting rid of boils on body politics, I prophesy that by the time we hold our next meeting he will be gone from the American scene."

Bilderberg meetings are held in remote places, and attendees are encouraged to leave spouses and aides at home, to not use prepared texts, and to conduct discussions in English as much as possible.

The Bilderberg group is designed to speed up the process of the NWO and help promote it.

Since 1953, the Bilderberg group has convened government, business, academic, and journalistic representatives from the U.S., Canada, and Europe, with the express purpose of exploring the future of the North Atlantic community.

ORDER OF THE ROYAL GARTER

The Knights of the Royal Garter is a secret society established in 1348 by King Edward the third. It is ranked as the highest British civil and military honor obtainable. The spiritual home is St. Georges Chapel, Windsor. The Queen of England is its sovereign leader.

The order today consisting of the Queen, her consort the Duke of Edinburgh, the Prince of Wales, and 24 Knights Companion (excluding the Queen's other sons and the Ladies of the Garter). Membership was expanded in the late 18th and early 19th centuries to include supernumeraries such as members of the royal family (known as Royal Knights Companion), certain other chosen lineal descendants of King George I, and foreigners (known as extra knights). The Sovereign and the Prince of Wales are always members of the order. Originally, existing knights elected new knights, but now appointment to the order is solely at the discretion of the British monarch. Conferment of the order entails adoption into knighthood and the right to use the title "Sir." Holders of the order add KG after their names. In order of precedence among knights, Knights of the Garter

are ranked above Knights of the Thistle, these two orders being the oldest and most honoured in Britain. Today there are about seven hundred members.

The motto of the club is "Honi soit qui mal y pense" ("Shame on him who thinks this evil"), however, it is popularly rendered as "Evil to him who evil thinks". The Knights, now both male and female, used to be limited to aristocracy, but today they are chosen from a variety of backgrounds, in recognition for their public service. There is only one rank, that of Knight Companion.

Each year on St. Georges Day (April 23), if there are any vacancies in the order are filled. Every June, a grand procession of the knights takes place at Windsor Castle, accompanied by a marching band and Officers of the Order, all in grand ceremonial dress. The annual iconic Garter Day procession, where The Queen and the Knights process in grand velvet robes, glistening insignia and plumed hats, is one of the most traditional ceremonies in the Queen's calendar.

The Order of the Garter **is thought by some to be the parent organization over Free Masonry, world-wide.**

ROCKEFELLER'S

One of the 13 Satanic bloodlines that rule the world is the Rockefeller bloodline. Today, there are around 190 members of this family with the Rockefeller name and of course some others by other last names. This article is to explore further for those who investigate the Illuminati, how the Rockefeller bloodline is involved in the promotion of the occult and Satanism, and how they are involved in the control of the Christian denominations. This article keys in on just one family, the Rockefeller's. To understand the full extent of the Illuminati's control of religion, including Christendom, would require perhaps several books. The Illuminati itself draws its lifeblood from around 500 very powerful families worldwide. This article will not attempt to explain their networks and the many organizations of the Illuminati. It will not even try to do this for the Rockefeller's. In fact, no one knows how many trusts and foundations the Rockefeller's have. They have hidden trusts within secret trusts within secret trusts. It is estimated that they have between 200 and several thousand trusts and foundations. The finances of the Rockefeller's are so well covered that Nelson Rockefeller did not pay one cent in income taxes in 1970, yet he was perhaps the richest man in the U.S. The Rockefeller's exert enormous influence over religion in this nation in the following ways:

1. They provide a large share of the money that Seminaries

in the United States need to operate.

2. **They provide a large share of the money that universities need to operate.** Education influences the religious values of our people.

3. They provide large grants to various religious organizations.

4. Their influence and control helps determine who will get publicity in the major news magazines, and on television.

5. Their influence has contributed to various anti-Christian organizations being set up.

6. They directly help control certain religious groups such as Lucis Trust.

The Rockefeller's influence is both subtle and not so subtle.

In the book: *The Unholy Alliance*, details are given on how the seminaries, church boards and Christian colleges have been captured. Much of the money for this came from the Rockefeller's. One of the principle large Foundations that was instrumental in controlling religious institutions of various kinds was the Sealantic Fund. (They have now shifted to other channels.) This Foundation which was incorporated in 1938 and was headquartered in New York City (50 West 50th St.) gave enormous sums of money to manipulate Protestant concerns. In 1964, according to the Russell Sage Foundation's book *The Foundation Directory* the Sealantic Fund gave away \$681,886 in grants.

In 1969, the Fund gave \$1,889,550 in grants.

By 1984, the Sealantic Fund was not being used. But a look at another Rockefeller non-profit untaxed Foundation the Rockefeller Brother's Fund shows a revealing grant pattern. Many people would not be able make any sense out of what seems a random pattern of grants without the broad picture of what the Illuminati is doing today. Although these other Rockefeller Foundations are not specifically geared toward religion such

as the Sealantic Fund was, it is clear these other Foundations still impact religion.

1. They provide a large share of the money that Seminaries in the United States need to operate.

The Union Theological Seminary has operated from Rockefeller funds. UTS hasn't been the only Protestant Seminary receiving Rockefeller funds, but it may be the best example of a seminary controlled by the Rockefeller's. The Sealantic Fund stated under its purpose and activities, "Current interests are primarily Protestant theological education.

The President of the Sealantic Fund when it operated was David Rockefeller, and Laurance (not Lawrence) S. Rockefeller was Vice-President. Steven C. Rockefeller was one of the trustees.

2. They provide a large share of the money that universities need to operate. Education influences the religious values of our people.

3. They provide large grants to various religious organizations.

On Jan. 31, 1945, John D. Rockefeller addressed the Protestant Council of the City of N.Y. and told them that the answer to the problems of Christianity was that Christianity needed to become "the Church of the Living God." Many listening that day, may not have realized that he and other top Illuminati consider themselves gods, and that the solution John D. was cryptically giving was for Christianity to serve him a living god. (Rockefeller, John D. The Christian Church- What of its Future? NY: Protestant Council, 1945, & 1917.)

4. Their influence and control helps determine who will get publicity in the major news magazines.

The Rockefeller family has enormous controls over various magazines and newspapers. Let us examine how the power of the press can be used in religion. One of the magazines that the Rockefeller's have some control over is Time magazine. Time's board chairman, Andrew Heiskell was associated with David Rockefeller. Another Illuminatus of the 6th level Henry J. Fisher, ran McCall's Magazine from 1917 to 1956. The establishment's media boosted Anton LaVey's Church of Satan into prominence. The Jan. 31, 1967 New York Daily News ran a story about Anton LaVey performing the first Satanic wedding ceremony in America. The March 1970 issue of McCall's ran a nice story about the Church of Satan. Not only is LaVey's Church of Satan a publicity stunt to make Satanism more popular and to deflect criticism of real covert Satanism, the McCall issue makes Anton LaVey's church sound even better in the article than it is. (For those brainwashed folks who think that this free advertising for Anton LaVey was just for the sake of finding a good story for the Daily News and McCall, I can show you dozens of better juicier stories that never have seen the light of day--because they are contrary to what the Illuminati want people to hear. I won't argue that a story on Satanism may be interesting, I am pointing out that many other interesting stories don't get printed. Stories are selected by an editor, they don't just happen.) Finally on June 19, 1972 Time Magazine provided more coverage for LaVey with an article "The Occult: A Substitute Faith." Believe me, the sincere devout Christian groups haven't ever received such nice free publicity. **I'm not referring to men like 33° Mason Billy Graham, who worked for the New World Order and Knights Templar Mason Charles T. Russell, founder of the Watchtower Society who both received great press coverage.** Another minor example, and I am pointing out minor examples because they occur many times during the course of year, is Van Daniken's UFO books. Lew Wasserman, head of MCA, which owns G.P. Putnam's Sons, is a member of the Rockefeller University Council. G.P. Putnam's Sons published Van Daniken's anti-Christian UFO religious theories. Cadence Industries own Marvel Comics. The men on the board of Cadence sit under David Rockefeller in places like the CFR. Is it any wonder Marvel Comics promotes the occult and heroes like 'The Son of Satan'? Where does the

buck stop? You say that the Rockefeller's don't control subordinates. Bear in mind, that **many of the Rockefeller's call themselves Baptists**. If they are really Christians don't you think they could use their influence to stop such terrible things? The point is that the rottenness starts at the top. The rest of the pyramid has a hard time turning out O.K. when the top of the pyramid is dedicated to Satan. Rockefeller and Hearst worked together in their news monopolies. It was Hearst who promoted both books on Satanism and Billy Graham. (If you learn what I know--the two are not contradictory.) Hearst made Billy Graham who he is today by financially backing him and publicizing him. Rockefeller was supportive of Billy Graham's New York Crusade, and the Manhattan-Chase Bank helped Billy Graham out.

5. Their influence has contributed to various anti-Messiah type organizations being set up.

Maurice Strong is a good friend of the Rockefeller's. He has been promoting Mother Gaia worship. David Rockefeller works with Maurice Strong and his New Age ideas. Reverend Moon from Korea has been very much loved by the Rockefeller's. Moon calls himself Christ and is setting up a religion promoting

internationalism. His religion is also a good testing ground for brainwashing/recruiting techniques that are being perfected by the NWO. The Rockefeller's have been helping Moon, who also has his primary mansion in NY. Also of interest is that the prominent political figures that have endorsed Moon are those with ties to the NWO, and include Ted Kennedy, Mason Mark C. Hatfield, Mason Jesse Helms, & Illuminatus William F. Buckley, Jr. (See pg. 32-33 of The Puppet Master by J. Isamu Yamamoto.) A lesser known group is the Spiritual Frontiers Fellowship (SFF) in Independence, MO. They were founded in 1956. Just like Reverend Moon they claim to be Christians, but teach and practice other things. They teach and practice the occult.

Two prominent men in SFF are Marcus Bach and Gardner Murphy. They both have interesting backgrounds. Marcus Bach shows the touch of the Rockefeller's. Marcus Bach, born in 1906, is director of special projects for SFF. The Rockefeller Foundation granted him a fellowship in "research and creative writing" from 1934-36. Gardner Murphy was the consultant in 1950 for UNESCO in New Delhi to the Hindus of the Indian Ministry of Education. From '52-'68 he was director of research at the Menninger Foundation, Topeka, KS. (Yes, psychology is led mainly by occultists!) Menninger himself is a member of several environmental groups for the elite, an Honorary trustee of the Aspen Institute, a Freemason, member of ACLU, and a close associate of W. Clement Stone. W. Clement Stone in turn is also a Mason, a member of the occult American Society for Psychical Research, and the financial backer of the Menninger Foundation.

6. They directly help control certain religious groups such as Lucis Trust.

David Rockefeller is part of Lucis Trust's management. Lucis Trust puts out the book Externalization of the Hierarchy by Alice Bailey which spells out The Plan for the Satanists and New Agers on how the spiritual Hierarchy (actually the demonic hierarchy) is to externalize their rule of the planet. If anyone doubts the Rockefeller's commitment to Satan, read page 107 of Externalization of the Hierarchy. On page 107 Alice Bailey, President of the Theosophical Society and part of Lucis (formerly Lucifer) Trust, tells us who will rule when the New Age (New World Order) takes over. On the Earthly level--Humanity so to speak, the Ruler is given on page 107 as Lucifer. On the Spiritual level--called "Shamballa - the Holy City" the coming ruler is given as "the Lord of the World" which we know as Satan. Lucis Trust knows it is Satan too, but for public consumption they say that the "ruler of the world" is Sanat (a scrambling of Satan) Kumara. They also predict there will be a Christ Consciousness and the Christ (actually the Anti-Christ) The book Externalization of the Hierarchy teaches repeatedly (see pages 511-512, 514) that the 3 vehicles to bring in the New Age will be the Masonic Lodges, (obviously not everyone attends Lodges), next the Churches (this is clearly revealing to us

that men like the Rockefeller's are using the churches for the Luciferian plan of Lucis Trust), and finally Education (Well, of course education. Not everyone attends churches. They need a safety net to catch everyone in their brainwashing to make us all want to be happy slaves under the Light-bearer.)

The home life of the Rockefeller's is decidedly different than for most people. They have over 100 homes to stay at. The Rockefeller's own vast tracts of good land in various countries in South America, and have nice homes in Brazil, Ecuador, and their Monte Sacro Ranch, Venezuela. They have two mansions in Washington, D.C. (at least), numerous ranches around the United States, resorts in Hawaii, Puerto Rico, and the Caribbean, a 32- room 5th Ave duplex in N.Y., not to mention their place at Seal Harbor, Maine, and the large estate at Pocantico Hills, NY. It is estimated that they have 2,500 house servants. Over the years, they have built up the reputation of being miserly with their help, and to each other. (I couldn't begin to know all about the Rockefeller's, but I can give a sampling of some of the many items that surround the real lives of America's top Illuminati family.) Winthrop, who is homosexual, enjoyed living in Arkansas with his black male friend. He reportedly had the world's largest porn collection. Winifred Rockefeller Emeny, Nelson's cousin, murdered her two children and committed suicide.

Michael Rockefeller died when he tried to bribe New Guinea tribesmen with large sums of money to go head hunt and make shrunken heads for him. The natives had given up head hunting and Michael couldn't successfully bribe them. Finally getting tired of Michael, the natives decided to head hunt Michael himself!

Many of the Rockefeller family have had troubled lives, filled with all kinds of fears and occult activities. It is known that the Rockefeller's have frequently built many hidden tunnels and hidden rooms into their buildings. They have developed their occult and worldly powers to the point they consider themselves gods. They are powerful, and often suffer violent ritual death as most high level Satanists traditionally go through. One who died in Arizona is known to have been cremated.

"Whoever controls the volume of money in any country is absolute master of all industry and commerce." (President Garfield)

A few months later Garfield was assassinated like Lincoln, McKinley and Kennedy who also opposed the Khazar bankers. Today these bankers control all the money of the world including Russia and China. The most powerful central bank is the Federal Reserve which has always been owned and manipulated by the Khazar bankers. It finances their speculations around the world, backed by the money, credit and "guns of America". It is directly responsible for World War I, the Crash of 1929, the Great Depression, the Asian Crisis and the coming Dollar Crisis.

"The growth of the Nation and all our activities are in the hands of a few men. We have come to be one of the worst ruled, one of the most completely controlled and dominated Governments in the world, a Government by the opinion and duress of small groups of dominant men." (Woodrow Wilson)

Khazar-Americans have a monopoly of all American mass media: movies, television, newspapers, books and magazines. "The Press is a great force that creates the movement of thought in the people. It has fallen into our hands." For generations they have "Pavlov-ed" US like dogs with a nonstop diet of their subliminal propaganda, from Gentlemen's Agreement to Schindler's List. The Israeli attack on the USS Liberty, like the murder of Rachel Corrie, is officially "closed" and "buried" by Washington. We are told to "Get over it". But we are never allowed to "get over" German National Socialism, the Holocaust, and anti-semitism. "They have lost the habit of thinking. These hands will lead opinion in the direction of our aims."

They think of themselves as Ubermensch "Their mind is undeveloped in comparison with our mind.", witness all their Nobel awards yet their chutzpah vastly exceeds their intelligence, witness the colossal bungle of their New Pearl Harbor on September Eleven, an impossible false flag hoax. It is also exceeded by their consummate evil, witness the thousands horribly murdered on September Eleven and the humanicide caused by their never-ending wars for profit. "It is from us the all engulfing terror proceeds. We are merciless." Without the Khazars, America would have been a "goldene medin" for everyone; there was plenty for all.

"It is much to be lamented that each state, long ago, has not hunted them down as pests to society, and the greatest enemies we have to the happiness of America." (George Washington)

Khazars dread two things above all else; ethnic cleansing and taxation. Like so often in the past, societies find it necessary to save themselves from their depredations. Americans must boycott all Khazar-American politicians and remove them from public office and demand the transfer of taxation from wages and sales taxes on necessities to the vast untaxed trillions of wealth and property in America much of it held by the Khazar-American's which has been used not for investment in America (and jobs) but for electioneering, propaganda and speculation, undermining the true welfare and prosperity of America.

WCPA....WORLD CONSTITUTION PARLIAMENT ASSOCIATION

World Constitution Parliament Association is the body that is the covering for the NWO. Among its sponsors are: Greenpeace leaders, 34 officials of the UN, leaders from the World Bank, people from the World Court, International Bank, UNESCO, OPEC, Club Of Rome, Rainbow Coalition, and the World Council of

Churches. So far there are over 13 million people under this wing. They have already 11 bills drawn up ready to go into effect when necessary for the coming NWO.

The "New World Order" has been officially titled "Confederation of Earth" by many.

The WCPA has divided up the world into 10 zones called "magna regions". There will be one capital city for every two zones. Their ultimate goal is to be headed up in Jerusalem.

Pantheism is the religion behind the WCPA. Pantheism is the Eastern Religions of Mystery Babylon, Hinduism, Buddhism, Islam, etc, otherwise known as "the force".

The WCPA is making it look like they are a grass roots organization representing the public. They are deceiving the public by using the public to form the NWO. They are a united front for Greenpeace, Sierra club, and Rainbow coalition. The NAFTA (North American Free Trade Agreement) is one of their products to help the NWO get moving.

WORLD COUNCIL OF CHURCHES

The World Council of Churches is controlled and run by Masons. They are pushing for unity with the Vatican.

GEORGIA GUIDE-STONES...CLUB OF ROME

The Club Of Rome was created specifically to use the environment as an excuse to transform society. Their job is to convince the world that in order to save the planet (globe) we need centralized power. They are the ones who established the **Global Warming idea**. They say that in order to save the planet one must have a central world government body. They are determined to convince the masses that things must rapidly change in order to save the world. They promote the One World Order in every way. The "**Club Of Rome**" has already divided the world into TEN economic regions.

On one of the highest hilltops in Elbert County, Georgia stands a huge granite monument. Engraved in eight different languages on the four giant stones that support the common capstone are 10 Guides, or commandments. That monument is alternately referred to as The Georgia Guide-stones, or the American Stonehenge. Though relatively unknown to most people, it is an important link to the Occult Hierarchy that dominates the world in which we live.

The origin of that strange monument is shrouded in mystery because no one knows the true identity of the man, or men, who commissioned its construction. All that is known for certain is that in June 1979, a well-dressed, articulate stranger visited the office of the Elberton Granite Finishing Company and announced that he wanted to build an edifice to transmit a message to mankind. He identified himself as Robert C. Christian, but it soon became apparent that was not his real name. He said that he represented a group of men who wanted to offer direction to humanity, but to date, almost two decades later, no one knows who R. C. Christian really was, or the names of those he represented.

The monument was erected March 22/1980, 110 tons of granite when completed, facing east/west. The stones consist of four main 16 foot stones with a top stone holding the four secure. There seems to be a discrepancy about the stones being either 16 or 19 feet tall. I believe they are 16 feet tall, standing on top of 3 foot foundations.

The top capstone is written in four languages: (Babylonian cuneiform, Egyptian hieroglyphics, Sanskrit, Classic Greek). The other four granite slabs have messages written eight languages, in: English, Arabic, Chinese, Hebrew, Hindi, Russian, Spanish, and Swahili.

Several things are apparent. The messages engraved on the Georgia Guide-stones deal with four major fields: (1) Governance and the establishment of a world government, (2) Population and reproduction control, (3) The environment and man's relationship to nature, and (4) Spirituality.

In the public library in Elberton, a book was found written by the man who called himself R.C. Christian. It was discovered that the monument he commissioned had been erected in recognition of Thomas Paine and the occult philosophy he espoused. Indeed, the Georgia Guide-stones are used for occult ceremonies and mystic celebrations to this very day. Tragically, only one religious leader in the area had the courage to speak out against the American Stonehenge, and he has recently relocated his ministry.

THE MESSAGE OF THE GEORGIA GUIDE-STONES

- 1 Maintain humanity under 500,000,000 in perpetual balance with nature. (This seems quite strange, considering that at the time the Guide-stones were made, there were already about 4.5 billion people on earth)
- 2 Guide reproduction wisely - improving fitness and diversity.
- 3 Unite humanity with a living new language.
- 4 Rule passion - faith - tradition - and all things with tempered reason.
- 5 Protect people and nations with fair laws and just courts.
- 6 Let all nations rule internally resolving external disputes in a world court.
- 7 Avoid petty laws and useless officials.
- 8 Balance personal rights with social duties.
- 9 Prize truth - beauty - love - seeking harmony with the infinite.
- 10 Be not a cancer on the earth - Leave room for nature - Leave room for nature.

Limiting the population of the earth to 500 million will require the extermination of nine-tenths of the world's people. The American Stonehenge's reference to establishing a world court foreshadows the current move to create an International Criminal Court and a world government. The Guide-stones' emphasis on preserving nature anticipates the environmental movement of the 1990s, and the reference to "seeking harmony with the infinite" reflects the current effort to replace Judaeo-Christian beliefs with a new spirituality.

The Freemasons' 'god', p.236

- In the ritual of exaltation, the name of the Great Architect of the Universe [The Freemason's god] is revealed as JAH-BUL-ON - not a general umbrella term but a precise designation that describes a specific supernatural being - a compound deity composed of three separate personalities fused in one. Each syllable of the 'ineffable name' represents one personality of this Trinity:
- JAH -Jahweh, The God of the Hebrews.
- BUL - Baal, the ancient Canaanite fertility god associated with 'licentious rites of imitative magic'.
- ON - Osiris, the Ancient Egyptian god of the underworld.

The message of the American Stonehenge also foreshadowed the current drive for Sustainable Development. Any time you hear the phrase "Sustainable Development" used, you should substitute the term "socialism" to be able to understand what is intended. Later in this syllabus you will read the full text of the Earth Charter which was compiled under the direction of Mikhail Gorbachev and Maurice Strong. In that document you will find an emphasis on the same basic issues: control of reproduction, world governance, the importance of nature and the environment, and a new spirituality. The similarity between the ideas engraved on the Georgia Guide-stones and those espoused in the Earth Charter reflect the common origins of both.

Yoko Ono, the widow of John Lennon, was quoted as referring to the American Stonehenge, saying: "I want people to know about the stones ... We're headed toward a world where we might blow ourselves up and maybe the globe will not exist ... it's a nice time to reaffirm ourselves, knowing all the beautiful things that are in this country and the Georgia Stones symbolize that. "

What is the true significance of the American Stonehenge, and why is its covert message important?

Because it confirms the fact that there was a covert group intent on

- (1) Dramatically reducing the population of the world.

- (2) Promoting environmentalism.
- (3) Establishing a world government.
- (4) Promoting a new spirituality.

Certainly the group that commissioned the Georgia Guide-stones is one of many similar groups working together toward a New World Order, a new world economic system, and a new world spirituality. Behind those groups, however, are dark spiritual forces. Without understanding the nature of those dark forces it is impossible to understand the unfolding of world events.

Many believe the Club of Rome, is behind the Georgia Guidestones. The Club Of Rome was created specifically to use the environment as an excuse to transform society. Their job is to convince the world that in order to save the planet (globe) we need centralized power. They are the ones who established the **Global Warming idea**. They say that in order to save the planet one must have a central world government body. They are determined to convince the masses that things must rapidly change in order to save the world. They promote the One World Order in every way. The “**Club Of Rome**” has already divided the world into TEN economic regions.

The fact that most Americans have never heard of the Georgia Guide-stones or their message to humanity reflects the degree of control that exists today over what the American people think. We ignore that message at our peril.
