

SECRET SOCIETIES [PART 4 OF 4] NEW WORLD ORDER

David Rockefeller is the head of the "Chase Manhattan" bank of the US. He has taken his money offshore of the US for his own protection.

In 1913 the Federal Reserve Bank was formed by seven rich private individuals. Allen Greenspan is the chairman of the board. It is not Federal at all, it just sounds like it is a government supported bank. Congress doesn't control the money of the US government. The Congress spends more money then it makes, then it goes to the World Bank, threw Allen Greenspan, who borrows the money for the government. Then the US government pays them the interest on that money.

The goal of the One World Order is to tax and over regulate so no country can make it on its own. Squelch the wealthy and the freedoms of the people in the free country to bring them to a place where they think a NWO would be a better system/answer. They want us to want a NWO. They want us to think its the only solution/way-out because of the problems they created to make you think so.

The One World Order can't have any super-powers. All nations will need to depend on the OWO for help with everything.

CFR.....COUNCIL ON FOREIGN RELATIONS

Council on foreign relations was originally backed by Rothschild's, Rockefeller's, and Morgans. Its purpose is to bring about a New World Order through the manipulation of foreign relations and through international economic interdependence. There are over 3,000 members (in US alone), of the elite of media, politics, banking and communications networks. Barbara Walters, Tom Brookoff, Diane Sauer, Jesse Jackson (Freemason), are said to be members. CFR has a magazine that comes out four times a year. The CFR building (Harold Pratt Building), is located at 58 East 68th St. Manhattan, New York City.

BILDERBERGERS

The Bilderberg and the New World Order

As far as global politics and finance go, the Bilderberg is the top of the pyramid, the all-seeing eye gazing upon the construction of a New World Order. This one-world system of governance, lurking in the shadows cast by flowery language about our new "global village," will transfer nearly all economic and political power into the hands of a small group of the world elite.

According to Bilderberg's draft document of 1989, "Bilderberg takes its name from the Bilderberg Hotel in Oosterbeek, Holland, where the first meeting took place in May 1954. That pioneering meeting grew out of the concern expressed by many leading citizens on both sides of the Atlantic that Western Europe and North America were not working together as closely as they should on matters of critical importance. It was felt that regular, off-the-record discussions would help create a better understanding of the complex forces and major trends affecting Western nations in

the difficult post-war period."

According to Conrad Black (a Roman Catholic), the Bilderberg, "was set up in the mid-fifties by Prince Bernhard of the Netherlands.... [Meetings] normally include senior officials of the governments of all the countries represented, with a wide swath of enlightened business, academic, media and military leaders...."

Prince Bernhard gave the go-ahead, but the idea for the Bilderberg belonged to Joseph H. Retinger, a man who could make an appointment with the President of the United States just by picking up the telephone. In 1952, Retinger proposed a secret conference to Prince Bernhard which would involve the NATO leaders in an open and frank discussion on international affairs behind closed doors.

The Prince thought it was a grand idea, and they formed a committee to plan the conference. Berhhard briefed the Truman administration about the meeting in 1952, and although the idea was warmly embraced in the U.S., the first American counterpart group was not formed until the Eisenhower administration.

CIA Director General Walter Bedell Smith and C.D. Jackson were key players in organizing the American counterpart group, heavily influenced by the Rockefeller dynasty, whose Standard Oil holdings competed with Bernhard's Royal Dutch Petroleum. Hence, the interests of the oil industry were well-represented at Bilderberg meetings.

At early meetings of the Bilderberg, attendees expressed frustration with American politics, then in the throes of McCarthyism, whose nationalist ideology stood in the way of global planning. C.D. Jackson tried to quell their fears by saying,

"Whether McCarthy dies by an assassin's bullet or is eliminated in the normal American way of getting rid of boils on body politics, I prophesy that by the time we hold our

next meeting he will be gone from the American scene."

Bilderberg meetings are held in remote places, and attendees are encouraged to leave spouses and aides at home, to not use prepared texts, and to conduct discussions in English as much as possible.

The Bilderberg group is designed to speed up the process of the NWO and help promote it.

Since 1953, the Bilderberg group has convened government, business, academic, and journalistic representatives from the U.S., Canada, and Europe, with the express purpose of exploring the future of the North Atlantic community.

ORDER OF THE ROYAL GARTER

The Knights of the Royal Garter is a secret society established in 1348 by King Edward the third. It is ranked as

the highest British civil and military honor obtainable. The spiritual home is St. Georges Chapel, Windsor. The Queen of England is its sovereign leader.

The order today consisting of the Queen, her consort the Duke of Edinburgh, the Prince of Wales, and 24 Knights Companion (excluding the Queen's other sons and the Ladies of the Garter).

Membership was expanded in the late 18th and early 19th centuries to include supernumeraries such as members of the royal family (known as Royal Knights Companion), certain other chosen lineal descendants of King George I, and foreigners (known as extra knights).

The Sovereign and the Prince of Wales are always members of the order. Originally, existing knights elected new knights, but now appointment to the order is solely at the discretion of the British monarch. Conferment of the order entails adoption into knighthood and the right to use the title "Sir." Holders of the order add KG after their names. In order of precedence among knights, Knights of the Garter are ranked above Knights of the Thistle, these two orders being the oldest and most honoured in Britain. Today

there are about seven hundred members.

The motto of the club is "Honi soit qui mal y pense" ("Shame on him who thinks this evil"), however, it is popularly rendered as "Evil to him who evil thinks". The Knights, now both male and female, used to be limited to aristocracy, but today they are chosen from a variety of backgrounds, in recognition for their public service. There is only one rank, that of Knight Companion.

Each year on St. Georges Day (April 23), if there are any vacancies in the order are filled. Every June, a grand procession of the knights takes place at Windsor Castle, accompanied by a marching band and Officers of the Order, all in grand ceremonial dress. The annual iconic Garter Day procession, where The Queen and the Knights process in grand velvet robes, glistening insignia and plumed hats, is one of the most traditional ceremonies in the Queen's calendar.

The Order of the Garter **is thought by some to be the parent organization over Free Masonry, world-wide.**

ROCKEFELLER'S

One of the 13 Satanic bloodlines that rule the world is the Rockefeller bloodline. Today, there are around 190 members of this family with the Rockefeller name and of course some others by other last names. This article is to explore further for those who investigate the Illuminati, how the Rockefeller bloodline is involved in the promotion of the occult and Satanism, and how they are involved in the control of the Christian denominations. This article keys in on just one family, the Rockefeller's. To understand the full extent of the Illuminati's control of religion, including Christendom, would require perhaps several books. The Illuminati itself draws its lifeblood from around 500 very powerful families worldwide. This article will not attempt to explain their networks and the many organizations of the Illuminati. It will not even try to do this for the Rockefeller's. In fact, no one knows how many trusts and foundations the Rockefeller's have. They have hidden trusts within secret trusts within secret trusts. It is estimated that they have between 200 and several thousand trusts and foundations. The finances of the Rockefeller's are so well covered that Nelson Rockefeller did not pay one cent in income taxes in 1970, yet he was perhaps the richest man in the U.S. The Rockefeller's exert enormous influence over religion in this nation in the following ways:

1. They provide a large share of the money that Seminaries in the United States need to operate.
2. **They provide a large share of the money that universities need to operate.** Education influences the religious values of our people.
3. They provide large grants to various religious organizations.
4. Their influence and control helps determine who will get publicity in the major news magazines, and on television.
5. Their influence has contributed to various anti-Christian organizations being set up.
6. They directly help control certain religious groups such as Lucis Trust.

The Rockefeller's influence is both subtle and not so subtle.

In the book: The Unholy Alliance, details are given on how the seminaries, church boards and Christian colleges have been captured. Much of the money for this came from the Rockefeller's. One of the principle large Foundations that was instrumental in controlling religious institutions of various kinds was the Sealantic Fund. (They have now shifted to other channels.) This Foundation which was incorporated in 1938 and was headquartered in New York City (50 West 50th St.) gave enormous sums of money to manipulate Protestant concerns. In 1964, according to the Russell Sage Foundation's book The Foundation Directory the Sealantic Fund gave away \$681,886 in grants. In 1969, the Fund gave \$1,889,550 in grants.

By 1984, the Sealantic Fund was not being used. But a look at another Rockefeller non-profit untaxed Foundation the Rockefeller Brother's Fund shows a revealing grant pattern. Many people would not be able make any sense out of what seems a random pattern of grants without the broad picture of what the Illuminati is doing today. Although these

other Rockefeller Foundations are not specifically geared toward religion such as the Sealantic Fund was, it is clear these other Foundations still impact religion.

1. They provide a large share of the money that Seminaries in the United States need to operate.

The Union Theological Seminary has operated from Rockefeller funds. UTS hasn't been the only Protestant Seminary receiving Rockefeller funds, but it may be the best example of a seminary controlled by the Rockefeller's. The Sealantic Fund stated under its purpose and activities, "Current interests are primarily Protestant theological education.

The President of the Sealantic Fund when it operated was David Rockefeller, and Laurance (not Lawrence) S. Rockefeller was Vice-President. Steven C. Rockefeller was one of the trustees.

2. They provide a large share of the money that universities need to operate. Education influences the religious values of our people.

3. They provide large grants to various religious organizations.

On Jan. 31, 1945, John D. Rockefeller addressed the

Protestant Council of the City of N.Y. and told them that the answer to the problems of Christianity was that Christianity needed to become "the Church of the Living God." Many listening that day, may not have realized that he and other top Illuminati consider themselves gods, and that the solution John D. was cryptically giving was for Christianity to serve him a living god. (Rockefeller, John D. The Christian Church- What of its Future? NY: Protestant Council, 1945, & 1917.)

4. Their influence and control helps determine who will get publicity in the major news magazines.

The Rockefeller family has enormous controls over various magazines and newspapers. Let us examine how the power of the press can be used in religion. One of the magazines that the Rockefeller's have some control over is Time magazine. Time's board chairman, Andrew Heiskell was associated with David Rockefeller. Another Illuminatus of the 6th level Henry J. Fisher, ran McCall's Magazine from 1917 to 1956. The establishment's media boosted Anton LaVey's Church of Satan into prominence. The Jan. 31, 1967 New York Daily News ran a story about Anton LaVey performing the first Satanic wedding ceremony in America. The March 1970 issue of McCall's ran a nice story about the Church of Satan. Not only is LaVey's Church of Satan a publicity stunt to make Satanism more popular and to deflect criticism of real covert Satanism, the McCall issue makes Anton LaVey's church sound even better in the article than it is. (For those brainwashed folks who think that this free advertising for Anton LaVey was just for the sake of finding a good story for the Daily News and McCall, I can show you dozens of better juicier stories that never have seen the light of day--because they are contrary to what the Illuminati want people to hear. I won't argue that a story on Satanism may be interesting, I am pointing out that many other interesting stories don't get printed. Stories are selected by an editor, they don't just happen.) Finally on June 19, 1972 Time Magazine provided more coverage for LaVey with an article "The Occult: A Substitute Faith." Believe me, the sincere devout Christian groups haven't ever received such nice free publicity. **I'm not referring to men like 33° Mason Billy Graham, who worked for the New World Order and Knights Templar Mason Charles T. Russell, founder of the Watchtower Society who both received great press coverage.** Another minor example, and I am pointing out minor examples because they occur many times during the course of year, is Van Daniken's UFO books. Lew Wasserman, head of MCA, which owns G.P. Putnam's Sons, is a member of the Rockefeller University Council. G.P. Putnam's Sons published Van Daniken's anti-Christian UFO religious theories. Cadence Industries own Marvel Comics. The men on the board of Cadence sit under David Rockefeller in places like the CFR. Is it any wonder Marvel Comics promotes the occult and heroes like 'The Son of Satan'? Where does the buck stop? You say that the Rockefeller's don't control subordinates. Bear in mind, that **many of the Rockefeller's call themselves Baptists.** If they are really Christians don't you think they could use their influence to stop such terrible things? The point is that the rottenness starts at the top. The rest of the pyramid has a hard time turning out O.K. when the top of the pyramid is dedicated to Satan. Rockefeller and William R Hearst worked together in their news monopolies. It was Hearst who promoted both books on Satanism and Billy Graham. (If you learn what I know--the two are not contradictory.) Hearst made Billy Graham who he is today by financially backing him and publicizing him. Rockefeller was supportive of Billy Graham's New York Crusade, and the Manhattan-Chase Bank helped Billy Graham out.

5. Their influence has contributed to various anti-Messiah type organizations being set up.

Maurice Strong is a good friend of the Rockefeller's. He has been promoting Mother Gaia worship. David Rockefeller works with Maurice Strong and his New Age ideas. Reverend Moon from Korea has been very much loved by the Rockefeller's. Moon calls himself Christ and is setting up a religion promoting internationalism. His religion is also a good testing ground for brainwashing/recruiting techniques that are being perfected by the NWO. The Rockefeller's have been helping Moon, who also has his primary mansion in NY. Also of interest is that the prominent political figures that have endorsed Moon are those with ties to the NWO, and include Ted Kennedy, Mason Mark C. Hatfield, Mason Jesse Helms, & Illuminatus William F. Buckley, Jr. (See pg. 32-33 of The Puppet Master by J. Isamu Yamamoto.) A lesser known group is the Spiritual Frontiers Fellowship (SFF) in Independence, MO. They were founded in 1956. Just like Reverend Moon they claim to be Christians, but teach and practice other things. They teach and practice the occult.

Two prominent men in SFF are Marcus Bach and Gardner Murphy. They both have interesting backgrounds.

Marcus Bach shows the touch of the Rockefeller's. Marcus Bach, born in 1906, is director of special projects for SFF. The Rockefeller Foundation granted him a fellowship in "research and creative writing" from 1934-36. Gardner Murphy was the consultant in 1950 for UNESCO in New Delhi to the Hindus of the Indian Ministry of Education. From '52-'68 he was director of research at the Menninger Foundation, Topeka, KS. (Yes, psychology is led mainly by occultists!) Menninger himself is a member of several environmental groups for the elite, an Honorary trustee of the Aspen Institute, a Freemason, member of ACLU, and a close associate of W. Clement Stone. W. Clement Stone in turn is also a Mason, a member of the occult American Society for Psychical Research, and the financial backer of the Menninger Foundation.

6. They directly help control certain religious groups such as Lucis Trust.

David Rockefeller is part of Lucis Trust's management. Lucis Trust puts out the book Externalization of the Hierarchy by Alice Bailey which spells out The Plan for the Satanists and New Agers on how the spiritual Hierarchy (actually the demonic hierarchy) is to externalize their rule of the planet. If anyone doubts the Rockefeller's commitment to Satan, read page 107 of Externalization of the Hierarchy. On page 107 Alice Bailey, President of the Theosophical Society and part of Lucis (formerly Lucifer) Trust, tells us who will rule when the New Age (New World Order) takes over. On the Earthly level--Humanity so to speak, the Ruler is given on page 107 as Lucifer. On the Spiritual level--called "Shamballa - the Holy City" the coming ruler is given as "the Lord of the World" which we know as Satan. Lucis Trust knows it is Satan

too, but for public consumption they say that the "ruler of the world" is Sanat (a scrambling of Satan) Kumara. They also predict there will be a Christ Consciousness and the Christ (actually the Anti-Christ) The book Externalization of the Hierarchy teaches repeatedly (see pages 511-512, 514) that the 3 vehicles to bring in the New Age will be the Masonic Lodges, (obviously not everyone attends Lodges), next the Churches (this is clearly revealing to us that men like the Rockefeller's are using the churches for the Luciferian plan of Lucis Trust), and finally Education (Well, of course education. Not everyone attends churches. They need a safety net to catch everyone in their brainwashing to make us all want to be happy slaves under the Light-bearer.)

The home life of the Rockefeller's is decidedly different than for most people. They have over 100 homes to stay at. The Rockefeller's own vast tracts of good land in various countries in South America, and have nice homes in Brazil, Ecuador, and their Monte Sacro Ranch, Venezuela. They have two mansions in Washington, D.C. (at least), numerous ranches around the United States, resorts in Hawaii, Puerto Rico, and the Caribbean, a 32- room 5th Ave duplex in N.Y., not to mention their place at Seal Harbor, Maine, and the large estate at Pocantico Hills, NY. It is estimated that they have 2,500 house servants. Over the years, they have built up the reputation of being miserly with their help, and to each other. (I couldn't begin to know all about the Rockefeller's, but I can give a sampling of some of the many items that surround the real lives of America's top Illuminati family.) Winthrop, who is homosexual, enjoyed living in Arkansas with his black male friend. He reportedly had the world's largest porn collection. Winifred Rockefeller Emeny, Nelson's cousin, murdered her two children and committed suicide.

Michael Rockefeller died when he tried to bribe New Guinea tribesmen with large sums of money to go head hunt and make shrunken heads for him. The natives had given up head hunting and Michael couldn't

successfully bribe them. Finally getting tired of Michael, the natives decided to head hunt Michael himself!

Many of the Rockefeller family have had troubled lives, filled with all kinds of fears and occult activities. It is known that the Rockefeller's have frequently built many hidden tunnels and hidden rooms into their buildings. They have developed their occult and worldly powers to the point they consider themselves gods. They are powerful, and often suffer violent ritual death as most high level Satanists traditionally go through. One who died in Arizona is known to have been cremated.

"Whoever controls the volume of money in any country is absolute master of all industry and commerce." (President Garfield)

A few months later Garfield was assassinated like Lincoln, McKinley and Kennedy who also opposed the Khazar bankers. Today these bankers control all the money of the world including Russia and China. The most powerful central bank is the Federal Reserve which has always been owned and manipulated by the Khazar bankers. It finances their speculations around the world, backed by the money, credit and "guns of America". It is directly responsible for World War

I, the Crash of 1929, the Great Depression, the Asian Crisis and the coming Dollar Crisis.

"The growth of the Nation and all our activities are in the hands of a few men. We have come to be one of the worst ruled, one of the most completely controlled and dominated Governments in the world, a Government by the opinion and duress of small groups of dominant men." (Woodrow Wilson)

Khazar-Americans have a monopoly of all American mass media: movies, television, newspapers, books and magazines. "The Press is a great force that creates the movement of thought in the people. It has fallen into our hands." For generations they have "Pavlov-ed" US like dogs with a nonstop diet of their subliminal propaganda, from Gentlemen's Agreement to Schindler's List. The Israeli attack on the USS Liberty, like the murder of Rachel Corrie, is officially "closed" and "buried" by Washington. We are told to "Get over it". But we are never allowed to "get over" German National Socialism, the Holocaust, and anti-semitism. "They have lost the habit of

thinking. These hands will lead opinion in the direction of our aims."

They think of themselves as *Übermensch* "Their mind is undeveloped in comparison with our mind.", witness all their Nobel awards yet their chutzpah vastly exceeds their intelligence, witness the colossal bungle of their New Pearl Harbor on September Eleven, an impossible false flag hoax. It is also exceeded by their consummate evil, witness the thousands horribly murdered on September Eleven and the humanicide caused by their never-ending wars for profit. "It is from us the all engulfing terror proceeds. We are merciless." Without the Khazars, America would have been a "goldene medin" for everyone; there was plenty for all.

"It is much to be lamented that each state, long ago, has not hunted them down as pests to society, and the greatest enemies we have to the happiness of America." (George Washington)

Khazars dread two things above all else; ethnic cleansing and taxation. Like so often in the past, societies find it necessary to save themselves from their depredations. Americans must boycott all Khazar-American politicians and remove them from public office and demand the transfer of taxation from wages and sales taxes on necessities to the vast untaxed trillions of wealth and property in America much of it held by the Khazar-American's which has been used not for investment in America (and jobs) but for electioneering, propaganda and speculation, undermining the true welfare and prosperity of America.

LA COSA NOSTRA

La Cosa Nostra is a purely Italian secret society, the Mafia (MAZZINI AUTHORIZES THEFT AND ARSON). They are the worst of all Secret Societies in regards to crimes: gambling, drug trafficking, counterfeiting, and murder. They formed in the 1920's when prohibition opened the door. In New York State alone there were 36,000 speak easies servicing the people who wanted alcohol in the dark. The organization managed to turn thugs into king pins and criminals.

These Italians make blood oaths (vows), of "omerta", taking a "code of silence". They were obedient only to their bosses, Italian style.

The "kiss of death" that Judas gave Yeshua in the Garden of Gethsemane, is where the Mafia got its traditional "kiss of death" idea for traitors. The Mafia are Roman Catholics. It is no coincidence that the funerals of Mafia leaders are held in Catholic churches. Most of the profits of the Mafia are laundered through the Vatican bank, known as the I.O.R.

PRIORY OF SION

Priory of Sion is thought to be the oldest Secret Society in the world by a long shot. The Priory of Sion believes that the so-called Jesus Christ of the Bible and Mary Magdalene had children and that bloodline has been protected from its origin back in biblical times. The Priory are protecting the blood-line from people around the world that honestly think it exists. They have been covering up this silly conspiracy theory since the ninth century. Supposedly the blood-line is the origin of the founding dynasty of the French royal families. This silly conspiracy was proven a fraud back in 1993.

WCPA.....WORLD CONSTITUTION PARLIAMENT ASSOCIATION

World Constitution Parliament Association is the body that is covering for the NWO. Among its sponsors are: Greenpeace leaders, 34 officials of the UN, leaders from the World Bank, people from the World Court, International Bank, UNESCO, OPEC, Club Of Rome, Rainbow Coalition, and the World Council of Churches. So far there are over 13 million people under this wing. They already have 11 bills drawn up ready to go into effect when necessary for the coming NWO.

The "New World Order" has been officially titled "Confederation of Earth" by many.

The WCPA has divided up the world into 10 zones called "magna regions". There will be one capital city for every two zones. Their ultimate goal is to be headed up in Jerusalem.

Pantheism is the religion behind the WCPA. Pantheism is the Eastern Religions of Mystery Babylon, Hinduism, Buddhism, Islam, etc, otherwise known as "the force".

The WCPA is making it look like they are a grass roots organization representing the public. They are deceiving the public by using the public to form the NWO. They are a united front for Greenpeace, Sierra club, and Rainbow coalition. The NAFTA (North American Free Trade Agreement) is one of their products to help the NWO get moving.

WORLD COUNCIL OF CHURCHES (WCOC)

The World Council of Churches is controlled and run by Masons. They are pushing for unity with the Vatican.

GEORGIA GUIDE-STONES...CLUB OF ROME

The Club Of Rome was created specifically to use the environment as an excuse to transform society. Their job is to convince the world that in order to save the planet (globe) we need centralized power. They are the ones who established the **Global Warming idea**. They say that in order to save the planet one must have a central world government body. They are determined to convince the masses that things must rapidly change in order to save the world. They promote the One World Order in every way. The "**Club Of Rome**" has already divided the world into TEN economic regions.

On one of the highest hilltops in Elbert County, Georgia stands a huge granite monument. Engraved in eight different languages on the four giant stones that support the common capstone are 10 Guides, or commandments. That monument is alternately referred to as The Georgia Guide-stones, or the American Stonehenge. Though relatively unknown to most people, it is an important link to the Occult Hierarchy that dominates the world in which we live.

The origin of that strange monument is shrouded in mystery because no one knows the true identity of the man, or men, who commissioned its construction. All that is known for certain is that in June 1979, a well-dressed, articulate stranger visited the office of the Elberton Granite Finishing Company and announced that he wanted to build an edifice to transmit a message to mankind. He identified himself as Robert C. Christian, but it soon became apparent that was not his real name. He said that he represented a group of men who wanted to offer direction to humanity, but to date, almost two decades later, no one knows who R. C. Christian really was, or the names of those he represented.

The monument was erected March 22/1980, 110 tons of granite when completed, facing east/west. The stones consist of four main 16 foot stones with a top stone holding the four secure. There seems to be a discrepancy about the stones being either 16 or 19 feet tall. I believe they are 16 feet tall, standing on top of 3 foot foundations.

The top capstone is written in four languages: (Babylonian cuneiform, Egyptian hieroglyphics, Sanskrit, Classic Greek). The other four granite slabs have messages written eight languages, in: English, Arabic, Chinese, Hebrew, Hindi, Russian, Spanish, and Swahili.

Several things are apparent. The messages engraved on the Georgia Guide-stones deal with four major fields: (1) Governance and the establishment of a world government, (2) Population and reproduction control, (3) The environment and man's relationship to nature, and (4) Spirituality.

In the public library in Elberton, a book was found written by the man who called himself R.C. Christian. It was discovered that the monument he commissioned had been erected in recognition of Thomas Paine and the occult philosophy he espoused. Indeed, the Georgia Guide-stones are used for occult ceremonies and mystic celebrations to this very day. Tragically, only one religious leader in the area had the courage to speak out against the American Stonehenge, and he has recently relocated his ministry.

THE MESSAGE OF THE GEORGIA GUIDE-STONES

- 1 Maintain humanity under 500,000,000 in perpetual balance with nature. (This seems quite strange, considering that at the time the Guide-stones were made, there were already about 4.5 billion people on earth)
- 2 Guide reproduction wisely - improving fitness and diversity.
- 3 Unite humanity with a living new language.
- 4 Rule passion - faith - tradition - and all things with tempered reason.
- 5 Protect people and nations with fair laws and just courts.
- 6 Let all nations rule internally resolving external disputes in a world court.
- 7 Avoid petty laws and useless officials.
- 8 Balance personal rights with social duties.
- 9 Prize truth - beauty - love - seeking harmony with the infinite.
- 10 Be not a cancer on the earth - Leave room for nature - Leave room for nature.

Limiting the population of the earth to 500 million will require the extermination of nine-tenths of the world's people. The

American Stonehenge's reference to establishing a world court foreshadows the current move to create an International Criminal Court and a world government. The Guide-stones' emphasis on preserving nature anticipates the environmental movement of the 1990s, and the reference to "seeking harmony with the infinite" reflects the current effort to replace Judaeo-Christian beliefs with a new spirituality.

The Freemasons' 'god', p.236

- In the ritual of exaltation, the name of the Great Architect of the Universe [The Freemason's god] is revealed as JAH-BUL-ON - not a general umbrella term but a precise designation that describes a specific supernatural being - a compound deity composed of three separate personalities fused in one. Each syllable of the 'ineffable name' represents one personality of this Trinity:
- JAH -Jahweh, The God of the Hebrews.
- BUL - Baal, the ancient Canaanite fertility god associated with 'licentious rites of imitative magic'.
- ON - Osiris, the Ancient Egyptian god of the underworld.

The message of the American Stonehenge also foreshadowed the current drive for Sustainable Development. Any time you hear the phrase "Sustainable Development" used, you should substitute the term "socialism" to be able to understand what is intended. Later in this syllabus you will read the full text of the Earth Charter which was compiled under the direction of Mikhail Gorbachev and Maurice Strong. In that document you will find an emphasis on the same basic issues: control of reproduction, world governance, the importance of nature and the environment, and a new spirituality. The similarity between the ideas engraved on the Georgia Guide-stones and those espoused in the Earth Charter reflect the common origins of both.

Yoko Ono, the widow of John Lennon, was quoted as referring to the American Stonehenge, saying: "I want people to know about the stones ... We're headed toward a world where we might blow ourselves up and maybe the globe will not exist ... it's a nice time to reaffirm ourselves, knowing all the beautiful things that are in this country and the Georgia Stones symbolize that. "

What is the true significance of the American Stonehenge, and why is its covert message important? Because it confirms the fact that there was a covert group intent on

- (1) Dramatically reducing the population of the world.
- (2) Promoting environmentalism.
- (3) Establishing a world government.
- (4) Promoting a new spirituality.

Certainly the group that commissioned the Georgia Guide-stones is one of many similar groups working together toward a New World Order, a new world economic system, and a new world spirituality. Behind those groups, however, are dark spiritual forces. Without understanding the nature of those dark forces it is impossible to understand the unfolding of world events.

Many believe the Club of Rome, is behind the Georgia Guidestones. The Club Of Rome was created specifically to use the environment as an excuse to transform society. Their job is to convince the world that in order to save the planet (globe) we need centralized power. They are the ones who established the **Global Warming idea**. They say that in order to save the planet one must have a central world government body. They are determined to convince the masses that things must rapidly change in order to save the world. They promote the One World Order in every way. The **"Club Of Rome"** has already divided the world into TEN economic regions.

The fact that most Americans have never heard of the Georgia Guide-stones or their message to humanity reflects the degree of control that exists today over what the American people think. We ignore that message at our peril.

NEW AGE

The New Age Religions are disguising themselves in many secretive and not so secretive ways. They use terms like: collective security", "rule of law", "world law", "global institutions", "interdependence", "global warming", "climate change", which all have to do with a one world power, order, and religion. Organizations that we commonly hear about in government and political areas are actually part of the One World Power, One World Order, etc. groups.

Some examples are:

Trilateral Commission
World Federalist Ass.
Committee to frame a world constitution
World constitution and parliamentary Ass.
Bilderbergers
Council of Foreign Relations (CFR..Illuminati)

Planetary citizens
Illuminati
World Ass. for world federation
The International Green cross
Rogue Scholars (Bill Clinton was one)
Club of Rome
