

## DEMONS, WHAT ARE DEMONS? PT 1 OF 2

Plato once described a demon as “an interpreter and carrier, from men to god’s, and from god’s to men, of the prayers and sacrifices of the one, and of the injunctions and rewards of sacrifices from the other.”

Demons are unclothed spirits with a wandering unrest, arising from a sense of incompleteness. They're longing to escape the intolerable condition of being unclothed (for which they were not created), is so intense that, if they can satisfy their cravings in no other way, they will enter into the filthy bodies of swine. (Matt. 8:31)

There are three distinct classes of demonic works. The first includes all kinds of divination by omens, tokens, forbidden sciences, etc.. The second includes the use of spells, potions, and incantations, and the third includes every method of direct and intelligent communication and co-operation with demons.

## ORIGIN OF DEMONS

## FALLEN ANGELS

**Demons are fallen angels of Yah who have joined with Satan in the spiritual war against Yahveh.**

Since we know that there was a countless amount of angels prior to Genesis it means that there could be a countless number of demon spirits available to the devil. **Ezek. 28:11-19** “How you have fallen from heaven, O star of the morning, son of the dawn! You have been cut down to the earth, you who have weakened the nations” (Isa. 14:12-15, Matt. 25:41, Rev. 12:7-9, and 2Pet. 2:4)

## PRE-ADAMIC THEORY

**Demons are thought by many to be the dis-embodied lost spirits of people from the pre-Adamic era before Genesis.** (Gen. 1:2) If there was a plague or whatever, that may have killed the pre-Adamic race and these bodies returned to dust, then their lost dis-embodied spirits would be available to Satan for use now on earth. If this was so, it would explain why there is no evidence in the geological stratus of human remains. It is believed by many that demon spirits, when cast out of humans must go down into the Abyss to the torment zone which could be in the center of the earth, or deep in the ocean, or a combination of both. When Yeshua cast the demons out of the demonic Gadarene in Matt. 8:29-32 and Luke 8:31, they asked to go into the swine, and after doing so the swine ran off the cliff into the sea. In **Rev. 20:13** it says “*And the sea gave up the dead which were in it and death and Hades gave up the dead which were in them and they were judged*” This would make sense if the demon spirits came from the Abyss in the center of the earth and in the depths of the ocean. Notice in this statement the sea gave up her dead first, this supports the pre-Adamic era idea because these dead would be the first to be judged.

## SONS OF GOD (GIANT) THEORY

The traditional view of the meaning of the sons of Yah in Gen. 6:4 is simply that they are angelic beings. This was the understanding of Josephus, Justin Martyr, Methodius and Martin Luther, to name a few.

Many believe that this hybrid race, formed as a result of the sons of Yahveh’s fallen angels cohabiting with the women of the earth, was the reason for the great flood. Yahveh had to remove this race of hybrids, or they would have taken over the earth.

Angels can manifest themselves as people. They then can think, feel and display emotions. In Gen. 6:1-4 it talks about “the Sons of God”. These were angels that took Lucifer’s side when he was thrown out of heaven. Some believe these fallen male angels then took on a human form and seduced the beautiful women on earth. The results, the giants of the earth were talked about for centuries. Some of these Nephelim (giants) were referred to as Rephaim, Emin, Horim, Zemsumim, Arba, (Gen. 14 and 15).

When Moses sent 12 spies into the land of Canaan, they reported seeing giants and told Moses that

these giants couldn't be defeated. In **Num. 13:33** it says *"The land through which we have gone, in spying it out, is a land that devours its inhabitants; and all the people whom we saw in it are men of GREAT size. There also we saw the Nephilim (the sons of Anak are part of the Nephilim); and we became like grasshoppers in our own sight, and so we were in their sight"*. Anak and his 7 sons were Nephilim descendants in the land of Canaan.

These fallen angels (sons of God) were cast down into Tartarus, (Greek term for dark abode of woe, pit of darkness in the unseen world), a place similar to hell, and remain there till judgment day (2Pet. 2:4-6). In **Jude 1:6-7** *"And angels who did not keep their own domain, but abandoned their proper abode, he has kept in eternal bonds under darkness for the judgment of the great day"* Here he is talking about the Abyss. Their offspring were unclean, the opposite of Noah's generation. These Nephilim were referred to as Greek Titans (in Hebrew means Satan). They were half human, half godly beings of incredible looks and strength. We know them as Zeus, Atlas, Hercules, Ashur, etc.. Many believe these giant celestial beings were responsible for building the pyramids, Stonehenge, etc., prior to the great flood. All of these giant offspring were males. There is no mention in the Bible of any giant women. Goliath was one of the descendants of the giant Nephilim. He had 6 toes and 6 fingers. He was over nine feet tall and wore over 125 lbs. of armor, the iron head on his spear weighed 15 lbs. alone. Goliath had 4 brothers. That is why David took five stones from the river when he went to meet Goliath. (2 Sam.)

It is because of the degenerate acts of the humans and human/hybrids on earth that Yahveh brought the great flood. Some believe that the spirits of all those who died in the flood are the demon spirits used today by Satan.

Although this theory seems possible, we must question about the Bible saying Adonai never called angels Sons of God. **Hebr. 1:5a** *"For to which of the angels did He ever say, Thou Art My Son"*

One Book that is commonly talked about yet not in the bible, is the Book of Enoch. Some of the words found in it are duplicates of what was spoken in various verses of the bible, yet some things are completely out to lunch. The Book of Enoch (Enoch 7:12), talks about giants supposedly 450 feet tall (300 cubits). The Talmud makes even more foolish statements as in Og (who

was one of the remnants of the giants), being several miles tall! (Josh. 12:4) According to the Book of Enoch, *"these giants devoured all which the labors of men could produce, until it became impossible to feed them; then they turned themselves against men, in order to devour them"* (Enoch 7:13). We are told this is why the flood came, to keep them from eating up everyone, including Noah and his family.

## NOTES

It could be a combination of all three theories that brings us demons. Regardless, we know there are countless numbers of them available for Satan's relentless work.

All angels and demons in the scriptures were of "male" gender, regardless of where we may think they come from. In **1Pet. 3:19** we read that Yeshua proclaimed to the spirits at the time of Noah *"In which also he went and made proclamation to the spirits now in prison, who once were disobedient, when the patience of Yahveh kept waiting in the days of Noah, during the construction of the ark"* This verse reveals clearly that there were evil spirits at the time of Noah.

As we can see in 1Sam. 18:10 and 19:9, Yahveh Himself sent an evil spirit to possess King Saul. David had to constantly soothe the spirit by playing His harp for Saul until it killed Saul through a sorcerer.

In France, the rod used in water-witching points up, whereas in most other places it points down.

## WHERE ARE DEMONS?

### Outside the body

Demons are thought to be somewhere between the supernatural realm and the natural realm (3 dimensional) as we know it. If you use your imagination try to picture the following. All around us there are various lengths and types of waves or frequencies, (UHF, VHF etc.) Our antenna's are only tuned in to a few things, but many other things exist in this same dimension. We cannot see these waves but we know they exist, because if we turn on the TV, it works. Turn on the radio, it works. Push a button on a remote control, etc. These waves are all around us, we can't see them but we know they truly exist. Demon spirits exist similarly. They are all around us, but we cannot see them. They influence us by perhaps "prodding us", oppressing us to do bad things. The amount of influence we allow them to have on us determines our life-style and our personality. As we allow these influences to increase, this oppression becomes demonization. This

**demonization** is when the individual is totally dominated by these evil spirits. When a junkie “**has to have heroin**”, or when an alcoholic “**has to have a drink**”, when a homosexual “**has to have sex with a person of the same sex**”, when an obese person “**has to eat steady**”, that means they are demonized.

Demon spirits can come from other people. When a person dies his demonic spirits, (especially if it's a wicked person), may pass on to the family and friends around him at the time of death if something gives it legal entry. That is why you hear stories of people changing drastically for the worse the minute their loved one died.

A good comparison of the unseen supernatural world around us, versus the seen world around us is the example that follows. When I was young, I liked water and liked fishing a whole lot. One day my boss invited me to go swimming and gave me a mask and snorkel to put on. I put the mask on, laid in the water, and a whole new world opened up to me. I could see things that I knew and that I heard were there. If I would have never put on the mask, I would never have known what lurks beneath the surface of the water. There was no way to turn back after this experience. I had to learn more about snorkelling, and it became a precious activity to me. Most people have never even looked below the surface, but if they are willing to just once look below into the unknown, they too may be blessed.

### **Inside the body**

Demons are non-corporeal spirits. They have no physical mechanism to express their will. They need a body to accomplish their heinous acts. Demons take up residence inside the body and can freely travel throughout. The person who has a demon may not have that particular demon all the time. If the host body is a willing recipient of the unclean spirits, and has an open door access, demons can come and go at will. Normally demons enter and exit through the mouth, although on some occasions, they have been known to come in or leave through any of the eight orifices of the body, like the mouth, nose, ears, eyes, etc.

It is possible to have demon spirits transferred through blood transfusions. The soul is in the blood, so the blood can act as a channel of transference for unclean spirits. If a Believer needs blood, they must first pray over it and ask that all curses and demons that it may contain be removed before it is allowed to enter the recipients blood system. The same must be done for organ transplants.

### **THE OBJECTIVES OF DEMONS:**

1. Temptation (Gen. 3:15)
2. Lying (1Kgs. 22)
3. Mental deception toward sin (John 8:44)
4. Murder or self-destruction (Mark 5:2-5)
5. Doctrinal heresy (1Tim. 4:15, John 4:1-2)
6. Cause dumbness or deafness (Matt. 9:33)
7. Cause epilepsy (Luke 9:42)
8. Cause deformation of body, Eg. crooked back (Luke 13:11-13)
9. Emotional disturbance (2Tim. 1:7)
10. Total domination (Matt. 8:28-34 and John 13:2 and 27)

### **HOW DO DEMONS GAIN ACCESS?**

#### **WITCHCRAFT**

The influence of “witchcraft” in our world today makes it by far **public enemy #1, whether it is directly through witches or indirectly through the Roman Catholic Church**. Witchcraft covers a vast area, and is best described as “domination or manipulation by any means other than the Holy Spirit”. Through witchcraft, in its many categories, demons gain easy possession to all involved people. The Bible says throughout that we are to stay away from any form of supernatural power or knowledge, other than that given by the Holy Spirit. Witchcraft comes in many forms, including astrology, psychology, physic readings, horoscopes, palm reading, hypnotism, channeling, New Age Religion, Eastern Religions, and on and on and on. These types of witchcraft influences are commonly known, but the biggest deceivers of all, actual witches, are today prevalent and active. For more information on witches read the section on Satanism.

There are two kinds of witches in today's society, that are fooling and manipulating most people; the ones who are witches and know it, and those who don't realize they are. The ones that know what they are, are dangerous, but the ones that don't realize they are, are even more dangerous, because they play for the team, supposedly following the precious Word of our Bible. They are the charismatic witches.

#### **CHARISMATIC WITCHES**

“Charismatic witches” are those people who don't realize that they are delving into the forces of the adversary. They think that they are being constantly lead by the Holy Spirit. They are involved in everything imaginable at the church. They always seem to volunteer their time so they can maintain control. She is the lady that never misses a SUNday service. They think that they truly are special Christians with special authority and power given to them by Yah. They see visions and have vivid dreams regularly, and believe these things

are from God, without ever testing them. They get what you might call "insider information" from familiar demon spirits, and think they are being helped by angels. They usually use this force to manipulate or dominate those around them, without realizing what the source of their power is. These charismatic witches usually think they are baptized in the Holy Spirit, and believe their demonic tongues are Godly. Because there simply is no testing of the spirits (1John 4:1-3) in the charismatic churches of today, they don't know that their tongues and baptism are false and demonic, compliments of the false prophet and anti-Messiah spirits that abound in the uncontrolled charismatic churches.

These witches usually have serious control over their husband and children, and many others in the church organization. They are the ones behind the scenes manipulating the leaders and elders to do as they so desire. The husbands in these homes are often very

successful in business and everything outside the home, but under domination in the home. The pressures of witchcraft in the home prevent husbands from having their proper authority in the home. The man is to be the spiritual authority in the home, and when he doesn't fulfill this position, it creates problems. These problems frequently manifest as rebellion in the children, and can cause troublesome divisions in the family unit, often resulting in the unnecessary break-up of the family.

The spirit of witchcraft is not gender conscious. This spirit of domination can happen to males also, but it's definitely more prominent in women. Witches can be either male and female.

These witches seem to constantly get personal prophetic words for their friends and congregational members. They are looked upon in the church as very holy women and prayer warriors. Many of them develop a following of their own. Some of them wander off quietly into what seems to be innocent ventures of palm reading, iridology, magnetic healing, yin and yang, chi, etc., type demonic manifestations with Christian labels.

Many inexperienced or dogmatic Believers think that a person's mediumistic powers automatically disappear when he or she becomes a Believer. It is estimated by experienced councillors that as many as 50% of these occult gifts survive after conversion. If one discovers that he is in possession of mediumistic powers, he is duty bound to ask Yah to remove them and to replace them with the gifts of the Holy Spirit. Some theologians maintain that mediumistic powers can be cleansed and later used in the service of Yahveh. This notion, of course is inaccurate and must be strongly opposed. There is a fundamental difference between mediumistic gifts and charismatic gifts. Charismatic, or spiritual gifts are received after conversion; natural or mediumistic gifts are either inherited or acquired through dabbling in sorcery. Gifts of the Holy Spirit can never

be inherited. In many of today's so-called Christian circles, there are many who have and use mediumistic gifts, and use them as gifts of the Holy Spirit. Many of their followers are in this way being lead into serious error. They are being lead by the spirit of error, extremism, familiar spirits, and fanaticism. Thousands of these people are falling into this dangerous trap.

What used to be called witchcraft is now disguised under the auspices (label) of psychic research, ESP, mental telepathy, psychometry, black arts, mind control, etc..

The reason there are so many charismatic witches today is simply because of Biblical rebellion. These people simply don't and won't follow the laws/instructions of Adonai that He commanded us to follow. Refusing to follow the laws of Yahveh is spiritual rebellion. Spiritual rebellion is as the sin of witchcraft. **1Sam. 15:23** "*For rebellion is as the sin of divination, And insubordination is as iniquity and idolatry. Because you have rejected the word of Adonai, He has also rejected you from {being} king.*" As it states in James 4:7, we are first to submit to Adonai, and then the devil will flee. Unless we submit and follow Yah's instructions, we are not protected from Satan. **James 4:7** says "*submit to Yahveh*". That means follow the commandments, and then you can resist the devil!

### **SPIRITISM**

Spiritism is a spiritual activity, grounded in the belief that people can by means of certain person's, the "mediums", make contact with the deceased, and so acquire revelations from the beyond.

### **TELEPATHY**

Telepathy is best described as the "acquisition of knowledge over a distance without the use of the senses."

### **CLAIRVOYANCE**

Clairvoyance can be described as "the extra-sensory perception of objective facts, of which no one has knowledge, without the use of any of the known sense."

### **DE-JA-VU/EIDETIC VISION**

The illusion of having previously experienced something which is actually being encountered for the first time.

### **DIVINATION**

There are many areas that fall under the title of "divination". The following is a list of some of the less known about areas: arithmancy (from numbers), coffee-ground reading, horoscopy, (star divination), geomancy (reading of dots), cartomancy (reading from cards), crystallo-mancy (crystal-gazing), capnomancy (smoke reading), catoptromancy (mirror reading), dice reading, liver reading, lead-pouring, pyromancy (fire reading), selenomancy (moon divination), sun divination, sleep reading, and tephromancy (ash reading).

### **FETISHISM/FETISH**

Fetishism is not just a manifestation of primitive religions, but is also a phenomenon of present day superstition. Respect and honor in fetishism is given to hair, nails, feathers, horns, teeth, claws, spiders, scarabs, mascots of any kind, laurel, garlic stalks, threads, knots, tassels, bands, flints, spear-heads, etc.. In the ancient days, similar deification and honor was given to things like: four-leafed clover, lucky coins, toadstools, mascots, horse-shoes, lucky letters, amulets, relics, Easter water, ships, pets, chimney sweeps, as a symbol of luck. Feared and considered as bad omens, were: owls, ravens, black-cats, spiders, old wives, stopping of the clock, the number thirteen, etc.

Some examples of superstitions that are less heard of, are; charms for luck and protection against fire, misfortune, and war wounds. Fire charms are laid on the beams under a roof. Amulets are supposed to guard against enemy bullets. A silver horse-shoe on a watch-chain or key-ring is to guard against burglaries and thefts. A saint's medallion buried in the floor of a cattle shed is supposed to protect against epidemics. A wedding ring which has been stroked with a relic is said to protect the wearer against adultery. A medallion with the image of a saint on it, (if buried in a field), was supposed to bless the harvest. There are many more strange examples, but this gives you an idea of how items, "entities," have been foolishly used for centuries to give people supposed relief without having to ask Yahveh directly for help.

### **ROCK MUSIC/DEATH-HEAVY METAL/RAP/HIP HOP**

I won't talk a lot about the obvious influence of music in the lives of Believers because much has been said clearly by many competent teachers. I will just give a brief discussion on this subject to show its significance in the demonic realm.

Death metal bands and most other rock music are at the cutting edge for the Anti-Messiah's coming war on the saints. Imagine a Marlyne Manson type "Satanic rock music" concert at which twenty or thirty thousand people attend. In these huge arenas, or domes, all these evil filled teen-agers are standing side by side with the air full of demon spirits, perhaps billions of them. These kids think they are there to hear music (as weird as it may be). Most don't realize that they are undoubtedly coming home with demons in them because they have given Satan legal access to their soul by accepting, and in some cases, worshipping this idol image or person playing this Satanic music. To take it further, these teen-agers go to school, and demons then pass on from one person to another, till many innocent children get caught in the trap of Satan. The web

that is weaved from one such FREAK can and does destroy thousands of otherwise nice ordinary people indirectly. If you've ever listened to rock groups like the Rolling Stones and innocently recited the words to songs like "Sympathy to the devil", you have opened a door into the demonic realm. If you've ever listened to rock groups like Black Sabbath, Slayer, Santana, Alice Cooper, Kiss, Guns and Roses, etc., and sang them out loud, you may have invited demons into your midst through the words of the songs.

Rock music is one of the biggest entry points for demons in our culture today. People don't realize who or what they are honoring in these occult music groups. Many of the song lyrics are themselves actual incantations calling up demons when the song is sung. Kids walk around singing mantras and incantations without even knowing it. They summon up demons by singing the words of these songs, and wonder why they are so rebellious.

The following are but a few of the Satanic music groups popular in the last 30 years: Santana, Led Zeppelin, Def Leppard, Slayer, Marilyn Manson, Rolling Stones, Black Sabbath, Frank Zappa, Alice Cooper, Kiss, AC/DC, Motley Crue, Jimmy Hendrix, Monty Python, and Guns and Roses. Jimmy Hendrix once said *"Through music you can hypnotize people and when you get them at their weakest point, you can preach into their subconscious mind what you want to say"*.

Many rock musicians like the Rolling Stones, Black Sabbath, Santana, etc., have witches do incantations on their recorded masters, which in turn place demons on every CD sold. The main purpose of Satan's control on rock music is to have mind control through the music. This mind control gives the person listening, the ability to understand the satanic message of the music and keep their mind off the Messiah.

Consider this. If David could ward off demon spirits from King Saul with music, then it is appropriate to assume that music can attract demons. The music I'm referring to of course is rock, and rock music and its derivatives.

The fact is, so-called Christian music heard on most of the radio stations is 99% secular.

## MULTI-CULTURAL PAGAN WORSHIP

Most earthly heritage involves some form of demon worship, whether it be generic backgrounds of Irish, Mexican, North American Indian, German, Ukrainian, Russian, Chinese, Japanese, or Indian. The moment we accept Yeshua into our life, we are to give up our past earthly heritage. We become citizens of Heaven, temporarily assigned to earth as ambassadors of heaven. We are joint heirs with Messiah and His Kingdom to come. The reason it is so hard for millions of people, particularly Native Indians, is because of the curses and demons attached to their heritage of the past. The demons and curses brought into our lives because of this "Multiculturalism" keep us in bondage to the pagan gods of our ancestors.

There is a tremendous effort recently to bring back the heritage of the past and restore the pagan cultures of the past. This concept is very popular around the world, especially in the Western Hemisphere; e.g., the French in Quebec and the Indians throughout Canada and the United States. If we look closely at these heritage's, we will too often see religion as the central focus, and the worship of demon gods in one form or another. These statues, wood carvings, clay figurines, etc., of demon gods of the past, are being re-established and given reverence and esteem in museums and multicultural centres around the world. Do you not see that this is restoration of the dominion of these demon gods played upon by those who think it is a good idea to promote past cultures. The tourists and visitors who go and give reverence to these demon gods may receive curses from acknowledging them, and honoring them, by paying to see, or even accepting them as something to admire for what may seem like artistic reasons. It is Satan himself behind all this multicultural imagery of gods and goddesses of the past. It is not for educational purposes. It is for reasons of money and pride that this is being done, the same pride that caused Lucifer to fall from the Heavens of Yah.

The reason most Indians are poor, alcoholic, down trodden, unhealthy, unproductive, and live on welfare today, is because they are CURSED from their participation in cultural celebrations and from the generations of their ancestors who participated in these heathen rituals. These CURSES go for generations unless, one becomes a true Believer and puts a stop to it. Most Native people don't realize that indulging in pagan ceremonies such as powwows, sweat lodges, and dancing to the beat of drums, is totally demonic. The drums are used to call the demons forth, and the chanting is verbal invitation for the demons to come to the people and participate with them in the ceremonies. The chanting is nothing more than "speaking in demonic tongues". Voodoo and Sufism are also part of these occultic groups that dance to repetitive beating music until they are in a trance; then they lay down and experience out-of-body experiences. This is called trance-dancing. Anyone who has even once participated in such an event is sure to have demons oppressing them. The Indians throughout history have worshipped pagan god's that they called by many names. **The "witch-doctors", "shaman", or "medicine men" were/are nothing more then sorcerers, prescribing various demon spirits to enter the individuals for various powers and purposes.** These demon possessed chanters cast spells and curses while prescribing medicines demonically ordained.

The famous Totem poles themselves are pagan occult objects, which bring curses on the very ground on which they stand, as well as to the people who acknowledge and accept their existence. Sweat lodges are

nothing more than places (dens of iniquity), where the participants privately call forth demon spirits for physical and mental manifestations and hallucinations to take place. These people actually ask demons to enter them and give them knowledge and healing, etc.. This is one of the worst things any human being can do to dishonor Yahveh. It is no wonder whatsoever why these people have throughout history lived in poverty, and this will never change until their pagan customs, symbols, and rituals are stopped dead in their tracks, or they simply quit participating, or giving reverence to them.

There has been a great move in the Native Indian nations to renew old heritage and restore the pagan rituals of the past for educational reasons. The Indians claim it gives them a sense of distinction and worth. It gives honor to the demon gods, and causes them to once more rule the land they are re-established in. It is religion pure and simple, religion of demon gods working for the adversary. The same problem is found with many Black people.

### **Poverty**

Many people don't realize that poverty can be, and is often a curse, passed down from generation to generation. Those who find themselves on welfare may discover poverty is a generational problem throughout their blood line. If the truth be known, welfare is an addiction. The desire to not work in any way is as old as the sin nature of man. There is nothing more addicting than receiving something for doing nothing. This addiction will destroy the participant with a feeling of guilt, worthlessness, shame, and self-hatred, that invites demonic progression to a state of no return.

It is no wonder that India is the poorest country in the world, because of their mostly Hindu lifestyle. You will notice that the third world countries that worship pagan gods are the poorest and most downtrodden nations of the earth. This is simply because of their heathen religions. Although Canada and the United States are now very pagan in nature, they are still far ahead of the third world countries in regard to poverty and famines etc., because of the few true Bible Believers interceding throughout the land.

Adonai gives us His opinion on digging up these past pagan articles and practices in many Bible verses. The following are but a few examples:

**Deut. 7:5** *"But thus you shall do to them: **you shall tear down their altars, and smash their {sacred} pillars, and hew down their Asherim, and burn their graven images with fire.**"*

**Deut. 7:16** *"And you shall consume all the peoples whom Adonai your Yahveh will deliver to you; your eye shall not pity them, **neither shall you serve their gods, for that {would be} a snare to you.**"*

**Deut. 7:24-25** *"And He will deliver their kings into your hand so that you shall make their name perish from under heaven; no man will be able to stand before you until you have destroyed them. **"The graven images of their gods you are to burn with fire; you shall not covet the silver or the gold that is on them, nor take it for yourselves, lest you be snared by it, for it is an abomination to Adonai your Yahveh."***

Not only were the Israelites commanded to destroy the people and kings of the land, but they were commanded to destroy even the records of these pagan gods from under the heavens (Deut. 7:24). They were commanded to wipe out their historical records because of the wickedness of the people who were worshipping and serving these pagan gods. Adonai knew that if these things were not destroyed, the Israelites would eventually go back and serve these heathen gods (Deut. 9:4).

### **THE THIRD EYE**

Many say the round dot on the forehead in-between the eyes of Hindu women, witches, warlocks, occult worshipers, etc., is a pagan symbol dating back to, and referring to, the mark of Cain **Gen. 4:15** *"So Adonai said to him, **"Therefore whoever kills Cain, vengeance will be taken on him sevenfold."** And Adonai appointed a sign for Cain, lest anyone finding him should slay him."*

It is otherwise known as "the third eye", a Satanic symbol giving reverence to Satan through the worship of pagan gods of old. This is the mark seen on many cartoon characters, dolls, fast food meal containers, comic strips, and Walt Disney movie characters, etc., representing a special force or power from within. It is widely the new age religions.

The third eye can be found on the American Seal (\$1.00 bill), at the top of the pyramid in the seal. The eye in the top of the triangle is commonly referred to as *"the all seeing eye of God's wisdom,"* and the light which streams out from the triangle, supposedly, represents the light of Yahveh's wisdom. However, the god they are referring to is "Lucifer".

To the Hindu, the third eye represents the pagan sign of "Cain". This "eye" is also symbolic for the god of "Baal", (the god of "Jupiter"), the "solar eye". Sometimes, this third eye is called the "Eye of God's Wisdom", a Masonic symbol, or represents "big brother is watching". The "eye" sometimes represents *"The Great Architect of the Universe", "The Grand Geometrician of the*

Universe”, “god”, or “Yod”. This eye in the capstone of the pyramid of the American Seal is familiar to all Masons, Illuminati, and Rosicrucians, for they use it in their lodges as a great secret symbol.

It’s time we burnt the books again like in **Acts 19:19** *“And many of those who practiced magic brought their books together and {began} burning them in the sight of all; and they counted up the price of them and found it fifty thousand pieces of silver.”*

Playing with palm reading, tarot cards, astrology, and fortune telling of any kind, is often claimed to be innocent fun. The truth is, that it compares to a loaded gun; when you pull the trigger, someone’s going to get hurt. What appears to be innocent can cause severe damage.

This readily accepted spirit of witchcraft is difficult to quench. It is often recognized, but not often dealt with properly. Other than deliverance, the spirit of witchcraft is quite difficult to remove, unless the person is willing to acknowledge the problem. If the witch, or affected person in the family is not willing to accept Messiah in their life, the following procedure has proven to be effective. If, for example, you have a son who will not come to Adonai and he is out of control, into death metal music, strange customs, posters, weird hair cuts, etc., you can try the following. Take an object that this person wears all the time, like a favorite shirt, watch, or whatever. Pray over it, lay hands on it, renounce the curses on your child, rebuke Satan and his works in this child’s life, and then let the child wear the object. See what happens. In many cases, the person’s attitude will change, and they don’t know why. This, in fact, may neutralize the curses on the very objects that this person touches in his daily routine. It is fighting spiritual war in a way that can be most beneficial to all concerned.

In Luke 16:19-26, it explains that there is a gulf between the living and the dead that no man can breach. In other words, under normal circumstances, no one can communicate with the dead. All those who try to do so (Necromancy), are communicating with demon spirits. **Luke 16:19-26** *“Now there was a certain rich man, and he habitually dressed in purple and fine linen, gaily living in splendor every day. “And a certain poor man named Lazarus was laid at his gate, covered with sores, and longing to be fed with the {crumbs} which were falling from the rich man’s table; besides, even the dogs were coming and licking his sores. “Now it came about that the poor man died and he was carried away by the angels to Abraham’s bosom; and the rich man also died and was buried. “And in Hades he lifted up his eyes, being in torment, and saw Abraham far away, and Lazarus in his bosom. “And he cried out and said, ‘Father Abraham, have mercy on me, and send Lazarus, that he may dip the tip of his finger in water and cool off my tongue; for I am in agony in this flame.’ “But Abraham said, ‘Child, remember that during your life you received your good things, and likewise Lazarus bad things; but now he is being comforted here, and you are in agony. ‘And besides all this, between us and you there is a great chasm fixed, in order that those who wish to come over from here to you may not be able, and {that} none may cross over from there to us.”*

## AREAS IN US THAT DEMONS TAKE UP RESIDENCE:

**Emotions and attitudes:** Behind every destructive negative attitude and emotion, there is an evil spirit; ex.. anger, fear, loneliness, self-pity, depression, despair, pride, jealousy etc. Rejection is by far the greatest root problem of all emotions. Constant rejection and fear of rejection turns to suicide. Pride is a common problem with most people, and yet what does the good book say about pride. **Prov. 16:5** *“Everyone who is proud in heart is an abomination to Adonai; Assuredly, he will not be unpunished.”*

All suicides are caused by demons. In the fourth chapter of Ephesians, Paul urges all Believers to put away their likes and dislikes (doctrine), and to focus on our common hatred for Satan. When we argue and get excessively angry with one another, we are giving a place for the devil. We are not to yield to our fleshly impulses because there’s nothing Satan likes better than watching Believers fight among themselves. When we fight with each other, we are obviously not fighting with him.

**Eph. 4:25-27** *“Therefore, laying aside falsehood, speak truth, each one of you, with his neighbor, for we are members of one another. Be angry, and yet do not sin; do not let the sun go down on your anger. And **do not give the devil an opportunity.**”*

**Mind:** Doubt, un-belief, confusion, and insanity are usually demons of the mind. People who have dealt in the occult are always confused.

**Tongue:** Compulsive lying, criticism, negative talking, un-clean words, and blasphemy. (James 3:8)

**Sex:** Every form of compulsive sex or aberration (adultery, masturbation, fornication, homo sexuality, lesbianism, etc.) is demonic.

**Lust:** All perverted desires and appetites (1John 2:16). Some demons even control the way men look at women.

**VERBS THAT DESCRIBE DEMONS:** If one or more of the following verbs describe your life, you probably have a demon or demons present. These all describe persons, a demon is like a person without a body. The verbs are:

**Entice:** Demons entice people to do bad or evil things. Eg. stealing, to be lustful, jealous, want unnecessary material things of this world.

**Harass:** Demons constantly watch for your weaknesses and that's when and where they strike. The moment a weak spot is unprotected, demons will attach to the weak spot, like a bloodsucker attaches itself to one's leg.

**Torment:** Demons never give up, they are always after you. (Matt.18:21-35) If you have any un-forgiveness in your heart you are tormented. Arthritis is a form of torment. It may be a demon of infirmity. An example of mental torment is the fear of going insane. Spiritual torment may be the thought that you have committed the unforgivable sin.

**Compel:** Anything compulsive is liable to be demonic. Un-able to stop drinking, talking, gossiping, swearing, hating, or eating, are good examples.

**Enslave:** If you have a continuous urge to do something you know is sinful, it is demonically influenced. Enslave, compel, and addiction, go hand in hand.

**Addiction:** Compel and enslave combined, create addiction. Addictions grow because of frustrations. They are like branches growing from a tree trunk of frustration. The fact is, if you look around, you will see the world is full of obese people that can't stop eating, and very little is said about it. But much is said about the alcoholic who is in the exact same dilemma.

**Defile:** Defilement makes you feel dirty and unclean, especially when your about to worship or praise Yahveh. (Anything that opposes you when you are about to worship El Shaddai is probably demonic.

**Deceive:** All forms of spiritual deception are demonic. Deception is used to get the average person to follow heresy and other unbiblical teachings of the thousands of False prophets out there proclaiming to follow a man called Jesus. 99% of all mainline churches have significant deception.

**Pride:** Pride opens the door to many demons. That is how Lucifer fell, and that is how most egotistical people still fall in todays world.

**Infirm, weaken, make sick, tired or kill:** Many sicknesses are caused by demons, E.g.. epilepsy, arthritis, schizophrenia etc.. The illness is often cast down from generation to generation without anyone ever picking up on it. The spirit of slumber or lethargy makes you want to sleep if you read the Bible, and yet it won't bother you if read a novel or you watch TV. TV is a major weapon of the devil).

**All of the above verbs can be put together and described with one word, RESTLESSNESS.**
