

CURSES (Pt 4 of 4) FROM NEW AGE PRACTICES SILVA MIND CONTROL

Silva mind control introduces people to spirit guides called “counsellors”. People are taught that these counsellors actually exist deep within their inner mind and personality. By using special techniques these people are lead to believe these counsellors can be reached and used as inner guides. They are simply calling on inner demons for help.

SUBLIMINAL TAPES

There are many sources of subliminal tapes now, on a wide variety of subjects. These tapes are to be played repeatedly in ones sleep, or when one is totally relaxed. These tapes all have repetitive sounds which help relax ones mind so it goes blank. When the mind is inactive Satan enters with demonic control. People then often see visions and hear voices they think are from Yahveh.

NEW AGE TERMS

The terms of the New Age movement have become very deceptive. Unless one asks for the explanation of words being used, one can find himself giving honor to demonic forces without even realizing it. Some of the commonly used terms that few understand, are as follows: energy, energy healing, the gate, intuitive reading, spiritual cleansing, casual realignment, force, entity, vibrations, inner-man/human spirit, electromagnetic vibrations, counsellor (new word for familiar spirits/spirit guides), higher powers, prana (form of breathing used in yoga to bring about the flow of demonic spirit power) and atman (the human spirit of Hinduism).

Other words frequently used are:

self-realization---the ability to control your own spirit so that you can achieve contact with the spirit world.

higher state of consciousness---contact with the spirit world because the New Ager thinks god is the entire spirit world. They make no difference between created spirits and the creator of the spirits.

alpha or theta levels---often used in Silva Mind Control. A trance state where contact with the spirit world is achieved. In such a trance state, these brain waves predominate on an EEG, thus the pseudo-scientific term.

left-brain, right-brain ---this whole theory is used to slide into contact with the spirit world.

kundalini---silly new term for witchcraft, usually connected to yoga and TSM.

leviathan---silly new term for various demons and spirits. It is used in the bible in reference to large sea creatures, hippopotamus, snakes, whales, fish, etc.

When people gain control over their spirit they are able to contact the spirit world. When they do this, they are, in reality, gaining conscious control over their inner spirit man, which actually establishes a bridge between their soul and spirit that is not directed by the Holy Spirit. They are in fact contacting and consulting with familiar spirit demons.

The new age term often used in regards to the third eye is “centring”. This New Age term means the process by which one gains contact with the spirit world.

MAGICIANS..SORCERERS.. (Magic..Magik)

Magicians and Sorcerers have been around for a long long time. Even in the bible we see fortune

tellers mentioned as demon possessed individuals using their dark side connections to make money, by manipulating, controlling, and dominating others to think or do what they desire. Remember when Aaron's rod devoured the magicians rods, these witches existed even back in those days. The greek word for sorcerer can also be translated as magician. Many of these magicians call themselves masters of the impossible.

This is the definition of witchcraft: **“Witchcraft is the manipulation, domination, or control of anyone by any means other than the Ruach Hakodesh (Holy Spirit).”** A magician can be seen as an actor who plays the part of someone using supernatural powers.

Magic is a religion. Satan wants people to believe in magic. He knows that belief in magic undermines belief in the Holy One of Israel. If he can convince people that magic enables supernatural things to take place, then they may accept all supernatural things as magic, which opens the pit of the Abyss.

Magicians from the past and present still use the same demonic forces and soul power to entertain and captivate the masses, whether it be in movies and books like Star Wars and Harry Potter, music from satanic entertainers like Metalica and Lady gaga, or stage magicians like David Copperfield and Chriss Angel. Even card trick manipulators and some contortionists are using demons.

They are all variations of the many colored suits Satan wears, whether it be a false prophet preacher on Sunday morning in a pagan christian church, or entertainers in a Casino in Las Vegas. It's all about control, manipulation, entertainment and money, which always accompanies pride and vanity. These people serve their master Satan, and have sold their souls, so to speak, to get their worldly desires. They are getting paid now, and could care less about the Lake Of Fire they will spend eternity in, because most are convinced, there is no Hell.

Magicians enjoy the wonder and awe of those they show their tricks to. That is what feeds them. The pride of being esteemed to be so great is what drives them forward. The more the magician will allow the demon to influence their craft, the more satan will allow them to do. Satan wants people to admire these magicians and desire to get involved in magic, witchcraft. He wants his magicians to come across as down to earth good looking men who appear to be perfectly normal people but who have a special magical skill.

Satan has been slowly introducing the religion of magic into the world over many years now. He wants it accepted as harmless fun and entertainment so magicians can deceive the masses and lead them to the Lake of Fire. Satan allows his victims to live and entertain fools until he decides to kill them.

If you ever watch the interviews of these so-called artists, you will hear them reveal the true source of their powers in very subtle ways. David Copperfield is a good example, he admits spirits help him do many of his acts, but he never says what kind of spirits they are. He founded the International Museum and Library of the Conjuring Arts. The museum comprises of over 80,000 items of magic history. He owns eleven islands (over 700 acres) in the Bahamas that he calls Paradise on earth.

MAGIK/MAGIC

Those who practice occult prefer to spell the word magik in order to distinguish it from sleight of hand magic, such as pulling a rabbit out of a hat. Those who practice magik claim to be able to manipulate people and objects by using a power outside themselves. Since Yah's power would not be available for such a practice, the only other source of such power is Satan. You will find that most magicians are Satanists or heavy into New Age, and that is where their power comes from. They may not be directly involved in a brotherhood/ coven, but are still beckoning Satan for the use of the "force". Many levitation acts that can't be explained are simply acts of astral projection, where the spirit man leaves the body and holds up the physical body being levitated. Levitating oneself is not that uncommon among devil worshipers. The fact is, much of what is seen today as magic are truly magic acts from the power of the force. Many things that seem unbelievable are just

that, physical impossibilities used as entertainment to fool the masses and to get people used to the idea of supernatural magical forces of the unexplained.

Famous magicians like Doug Henning, spent incredible time daily meditating in a trance state experimenting with demonic powers for entertainment purposes. The fact that he died so young and was always so sickly looking is an example of what astral projection does to the physical human body. Doug's god could not save him, Doug's god killed him, which is the ultimate goal for all who tamper with the force.

Many magicians are just good with quick moves and maneuvering, sleight of hand, but many are truly using the powers of Satan. To even be in their presence for entertainment purposes is to slap Yahveh in the face. To think that some people even consider this entertainment for children, is very sad (1Cor. 2:15).

Blackstone, and his son Blackstone Junior, Dante, Howard Thurston, Harry Kellar, Robert Houdini, Charles Carter, Franklin Saint, and David Blaine were also very famous magicians who used demons. In the poster ads of these magicians you will always see images of demons when you look closely. Harry Houdini was a Freemason, who died on halloween in 1926.

Chriss Angel, a gothic looking freak from New York, is a singer, Las Vegas magician, author, hypnotist, TV host, who also used voodoo. He levitates and can even help others levitate. Chriss Angel appeared to have walked on water on Lake Meed in Arizona. He wears clothing with an "A" symbol inside a circle. He changed his last name to Angel. He started his own secret society called "Arcanum Magus Sodalitas". Chriss uses his "A" symbol and skull on a cross to identify himself, so as to be compared to Yeshua. Steven Frayne (Dynamo) is famous magician in Europe, he says New Orleans is the ultimate home of voodoo, and has been for centuries. He supposedly walked on the River Thames. He also supposedly made fresh fish keep falling out of a small bucket at a performance in South Africa.

In Asia, the face changers like Brian Lian, Wang Zhouzheng, Wong Tsz-kwan, Peng Denghuai, and Andy Lau Tak-wah, all use demons in their act. Lu Chen and Yif are the most famous magicians in China.

Mike Super, American illusionist, magician, has a demon spirit named Desmond who helps him do his craft. Drop the "S" and "D" in that name and you will see how cleverly the truth is revealed (demon). He even claims to be a christian.

Jebrezzy is a magician, into voodoo, who calls himself Jibreezus. He claims he created angels.

E. A. Koeting even admitted he makes contracts with his demons for special powers.

David Blaine sticks sharp objects through his body. He was apparently frozen alive once.

America's Got Talent has become a spawning ground for Satan's servants. Anyone who has watched the America's got talent series in the last ten years has witnessed first hand magicians (card trick illusionists), in many forms entertaining the suckers in the audience with manifestations of astral-projection (usually for levitation), and other demonic exercises counterfeiting the true miracles of the supernatural. These programs are placing great emphasis on magic being real, rather than it being real demonic manifestations.

Eric Chen (26) from Korea but living in Houston Texas now, used demons in his card tricks on America's Got Talent. Mat Franko, winner of 2014 America's Got Talent, and Shin Lim's on America's Got Talent 2018, used demons in their acts.

Other famous magicians known for working on the dark side, include:

Hans Klok, a famous Dutch magician. Derren Brown, from the UK. He did a live Russian Roulette performance with a pistol on television. Zach King, Penn and Teller, Ahmed El-Bayed, a famous magician in the Middle East. Some famous magicians in Canada include: Julie Eng, Dai Vernon, Billy Kidd, Mahdi Gilbert, Greg Frewin, David Ben. Doug Henning, a student of Harry Houdini, who died in 2000 at the age of 52 used demons for his magic. Even regurgitator's like Stevie Starr, from Glasgow, UK, use demons in their acts.

Fortune telling is a broad category, including all attempts to know the future through means such as tarot cards, psychic predictions, and other divination devices too countless to mention. This occult practice is based on a belief that these artificial devices allow people to gain information about the future or other people, and to use it to their own advantage.

Summary

Most magicians start out with illusions, and tricks that are sleight of hand, but after a while many strongly desire to move on and upward. They love the recognition and attention. As a result, they, like many musicians, artists, politicians etc, will sometimes agree to do anything to be better at their craft. They agree to do what-ever it takes to grow in their craft and astonish and impress more people. Some find out they can sell their soul to the devil in order to be famous, but they later realize they cannot buy it back. Then demons assist them with what-ever brand of witchcraft they are selling until Satan decides he is finished with them. Then they receive their just treatment.

SICKNESS DUE TO CURSES, DEMONS AND FOOD

Diseases and abnormalities of the body and or soul can be caused by curses and demon spirits; to what proportion I am not sure. It is common for people who are sick to become well immediately after having their curses removed, or being delivered. This, I am sure, is not a coincidence. It seems a shame that our

hospitals today are filled with people who need not be there, because they do not believe in Yahveh. I don't contend that we don't need doctors and hospitals, but it is clear to me that if we did what the instruction book tells us to do, most hospitals would be empty. (Exod. 15:26)

Demons can and will exploit physical problems and abnormalities in an individual, and use these circumstances to have domination over the host body in many cases. A demon may take advantage of a person's fondness for food, for example, and cause/help them to become obese. This same principle can be used for various conditions, whether they are mentally or physically noticeable.

Demons don't respond to medication because they are spiritual beings; only the body will respond.

Sin causes curses. Demons attach themselves to curses. Yeshua referred to sin as a serpent in:

Luke 10:19 "Behold, I have given you authority **to tread upon serpents and scorpions, and over all the power of the enemy, and nothing shall injure you.**"

In the following scripture, Yeshua means that sin will bite you by means of demons from Satan.

Eccl. 10:8 "He who digs a pit may fall into it, and **a serpent may bite him who breaks through a wall.**"

2Cor. 7:1 "Therefore, having these promises, beloved, let us cleanse ourselves from all **defilement of flesh and spirit, perfecting holiness in the fear of Yahveh.**" Defilement/filthiness is referring to demon presence. We are to cleanse ourselves from the defilement and filth of sin by hitting the mark, which is the Torah.

In the Torah, El Gibor spoke clearly to Moses about curses in the form of plagues, from El Gibor Himself. **Deut. 29:22** "Now the generation to come, your sons who rise up after you and the foreigner who comes from a distant land, **when they see the plagues of the land and the diseases with which Adonai has afflicted it, will say,**" In 2Sam.12:15, we see that Adonai Himself struck a child with sickness so it would die because of the bad deeds of its parents. Even in Matthew, Yeshua healed a paralytic man whose sin had made him sick. (Matt. 9:4-8)

Many illnesses are the direct result of curses. Taking communion in an unworthy manner, results in a curse, as stated in **1Cor. 11:28** "But let a man examine himself, and so let him eat of the bread and drink of the cup. For he who eats and drinks, eats and drinks judgment to himself, if he does not judge the body rightly. **For this reason many among you are weak and sick, and a number sleep.**"

Exod. 15:26 "And He said, "If you will give earnest heed to the voice of Adonai your Yahveh, and do what is right in His sight, and **give ear to His commandments, and keep all His statutes, I will put none of the diseases on you which I have put on the Egyptians; for I, Adonai, am your healer.**" Adonai makes it obvious here that in order to remain healthy, all we have to do is follow His commandments.

Exod. 23:25-26 "But you shall serve Adonai your Yahveh, and He will bless your bread and your water; and **I will remove sickness from your midst. "There shall be no one miscarrying or barren in your land; I will fulfill the number of your days."**

Luke 9:42 "And while he was still approaching, the demon dashed him {to the ground,} and threw him into a convulsion. But **Yeshua rebuked the unclean spirit, and healed the boy, and gave him back to his father.**" A combination of sin and demonic problems are seen here.

Luke 6:17-18 "And He descended with them, and stood on a level place; and {there was} a great multitude of His disciples, and a great throng of people from all Judea and Jerusalem and the coastal region of Tyre and Sidon, who had come to hear Him, and to be healed of their diseases; and **those who were troubled with unclean spirits were being cured.**"

One unique characteristic of Yeshua's ministry, from its very beginning to end, is that He never separated the healing of people's sickness, and the removal of demons. Deliverance was part of the healing and preaching process. I believe that any sickness or disease that is incurable is of a "demonic" source. In **Mark 1:32-34** it makes it clear to us, "At evening when the sun had set, they brought to him all who were sick and those who were demonized. And the whole city was gathered together at the door. **Then he healed many who were sick with various diseases, and cast out many demons; and he did not allow the demons to speak, because they knew him.**" In verse 39 it continues "And he was preaching in their synagogues throughout all Galilee, and casting out demons."

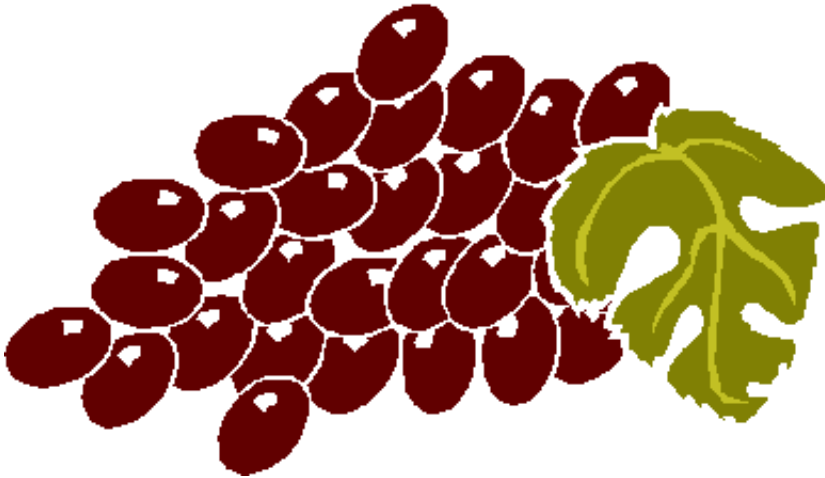

Throughout the scriptures when Yeshua met people, he said "Peace be with you" (Shalom). There is much more to that than we realize. Yeshua said this because He knew that one of man's biggest problems was that of **FEAR AND HATRED**, so He always comforted those around Him and proclaimed peace upon them. Fear and hatred are evil spirits. They are the result of what a chronic occurrence of something can do to our body and soul. If it affects one, it will inevitably affect the other. **As long as there is "dis-ease" in your thoughts and mind, there will be "disease" in your body.** The familiar verse, "you reap what you sow," can be easily related to your body. If your mind and soul are under constant stress from doing and saying things that you know are not proper, or from not following to the best of your ability the Ten Commandments, your body will pay the price. Your body reveals the inward activity of your soul.

PITUITARY GLAND AND ADRENAL GLAND

To illustrate what fear does to man, I must try to explain about the "**pituitary gland**" in the back of the

head, and the “**adrenal gland**” situated above the kidneys. The pituitary gland produces poisonous (toxic) chemicals to ward off foreign intruders in our bodies defence system, whether they are neurological or in the blood system. When we are constantly bitter or angry, for example, this gland pumps poison into our system to ward off the intrusion of chronic thoughts of anger. Bad, evil, hateful thoughts are foreign to our brain. Our brain wasn’t created to have these thoughts continually, so the pituitary gland is working full-out to destroy the foreign brain waves going through our body. Over the years, this poison can and does cause serious physical problems of numerous kinds. It eats away at the entire system until sickness finally takes place, whether it is cancer, arthritis, ligament problems, bone problems, or what have you. If you remove the problem of anger, fear, hatred, or lust, whatever it may be, your system isn’t eaten apart or damaged from the inside. The adrenal gland has a similar protective use, only it produces in its medulla, steroidal hormones such as epinephrine and norepinephrine, which, when given in large continual doses can do serious harm to the human body.

When we are happy, when we are laughing, when we praise God, and when we exercise, our body produces a substance called “endorphins”. This substance is released throughout our body, relieving pain, and causing healing, like a medicine. Synthetic “morphine” was patterned after endorphins. The exact opposite happens if we are not happy, exercising, laughing, and praising Yah. The endorphins don’t flow and we feel pain and sickness. In **Prov. 17:22** it says “*A joyful heart is good medicine, but a broken spirit dries up the bones.*” This verse perhaps means more than most people realize.

FOOD

Our bodies are temples of the “Living YHVH/Yeshua”. It is reasonable to say that the one who created us knows what’s best for us, whether it be body, soul, or spirit. Yah went through the trouble of listing in detail the clean and unclean foods so we could have a good healthy life. It is because we don’t listen to Yah’s words about food that we are so sickly. We, as Believers, are to stand out from all others. Eating certain foods is one of the ways we are to stand out. These foods may be okay for secular people, but not for Believers. The entire chapter of Leviticus 11, all 47 verses, are dedicated to clarifying the difference between clean and unclean food. **1Pet. 1:15-16** “*but like the Holy One who called you, be holy yourselves also in all {your} behavior; because it is written, “YOU SHALL BE HOLY, FOR I AM HOLY.”*”

I think perhaps the easiest way to explain why Yah doesn’t want us eating the unclean foods listed in Leviticus is simply because **they are EARTH’S VACUUM CLEANERS.** Whether we are talking about magpies, an eagle, bear, catfish, shrimp or lobster, we are talking about the vacuum cleaners Yah created to clean up the feces and carcasses of an animals debris left after death. These creatures have a divine purpose, but certainly are not meant to eat.

We were told to eat only the types of animals that were clean unto Yah and could also be used as sacrifices. The animals listed in Lev. 11 and Deut. 14 that were accepted as clean, had to chew their cud and have split hooves. These, (cattle, deer, moose, sheep, goats, etc.) Yah/Adonai told us were clean food. Because these animals, called ruminants, have four stomachs, their body can cleanse the food that enters their system. They are able to rid their intake of bad substances, diseases, etc., and keep the toxins from entering the flesh. If you’ve ever watched a deer gracefully reach into the bush and eat the tips of the branches, you would realize how particular they are about what they eat. Under normal circumstances, most animals that chew their cud only eat clean uncontaminated food. They are in fact quite fussy.

The reason Yah told us not to eat pork is simple. The pig is a scavenger. It will eat almost anything, including flesh. The pig does not chew its cud. It has only one stomach, so the diseases, toxins, etc., cannot be fully removed from the meat. Biologists will tell you that lobsters are the largest member of the cockroach family. Shrimp have the highest cholesterol of any animal that is used for food. Therefore, the meat is not pure.

Even the fish must have scales and fins to be clean, otherwise you end up with scavenger filthy fish like catfish, or crab, and ling. These types of animals pick up and live on the garbage and feces of the land and sea, and are obviously unclean. This food, and the others listed, are unclean and simply not good for the human body. It may taste good, but it is not good for us. Animals with split hooves are protected from diseases and foreign substances from flowing into their body system through their feet. Those animals like a bear can be infected with diseases and parasites coming through their feet into their body system. They are much more susceptible to receiving infections and diseases.

These same principles apply to other scavenger animals such as rats, cats, spiders, snakes, bats, mice, cockroaches, and birds of the ground and sea. The animals which Yah presented to us as clean do not instinctively kill other animals for the meat of their flesh.

The fact is, when we kill and eat the clean animals Yah told us to eat, we are using them as a kind of substitutionary sacrifice to Yah. When we do this dividing of food, we are showing to all the pagans in the world that certain foods are unclean, and that only the clean foods or clean people of this world are acceptable to Yah.

The foods we eat are very important in regards to the strength we need in the spiritual battle taking place all around us. It is a well documented fact that in battle conditions warriors eat a lot of meat to keep their energy, protein levels up. It is no coincidence that the Levite Priests of old ate a lot of meat. They were the spiritual warriors in Biblical times, and needed the protein clean meat provides.

The truth is, though we often hear otherwise, there are no good studies done in the medical field that show red meat harmful. An example of a warrior eating red meat (twice) daily, is Elijah (1Kgs. 17:2-6). I'm sure it was, again, no coincidence that Elohim told Noah to eat meat after the flood was over. Adonai knew that Noah would be fighting spiritual battles from that time forth. Red meat contains the protein needed to give our bodies strength and to keep our minds clear.

Satan has kept such control over the medical field that few physicians pay attention to the merits of eating red kosher meat for its incredible protein value. Our physical body deteriorates rapidly, and illness occurs when we lack protein. This is another reason so many vegetarians are so sickly. Their bodies can't fight off infections. Society as a whole, through poor eating habits, has created saints that are weak minded. Most of the false teachings found in any of the health food fads talk of abstinence from red meat. Satan is the one behind the movement! He is the mastermind! Millions of people around the world die needlessly because of the foolishness of not obeying Adonai's word in regards to eating red meat.

Lev. 11:1-47 and Deut. 14:1-21 explains the foods that we are to eat and not to eat. This food is called "kosher" by many.

The body is our sense-consciousness, the soul is our self-consciousness, and the spirit our YHVH-consciousness.

Most illnesses are the indirect or direct result of the work of the devil and the extent of the illness determines the amount of influence the curses and demonic spirits have on a particular area of the person's being.

I believe it is safe to say that all sickness and abnormalities of the mind, soul and or body fall into four categories as follows:

1. Personal abuse (40-50%)

Example; If a person smokes, his lungs get congested and eventually he gets lung cancer, heart disease, etc.. This kind of sickness from an addiction can be prevented. Also, if a person eats the foods that Adonai told us not to eat in the Bible, then we get sick. (Lev. 11:1-47 and Deut. 14:1-21)

2. Accidents (10-20%)

Example; If a person has an injury from a car accident, it can't be helped, but if this injury happened while playing hockey or any other abusive sport, there is no excuse. It is totally preventable, (it can also fall under personal abuse category).

3. Curses (30-40%)

If a person has never removed the curses on himself from any and all sources, it is his fault, because he is either ignorant, or in some cases, innocent of what the Bible clearly says. This is the decision of his will. Sickness from curses can be cured and prevented.

4. Demon spirits (10-20%)

Demon spirits may come down through the blood line, or during pregnancy. If so, they may not be known about, so they can't be fully prevented unless the person knows his Bible well. If a person has sinned and continues to sin, he invites curses and demons on himself, creating sickness. If the person is a Believer, then he should follow his instruction book and deal with them accordingly. These sicknesses, therefore, can be prevented.

*Many Believers are relentlessly attacked physically with illness from the devil, simply because they are working for the glory of Hashem and they have turned their back only for an instant. This is unfortunate but true. It is also normal for newly "born again" Believers to be attacked by Satan in any way he can come up

with. Satan constantly attacks people searching in the word of Hashem. He doesn't bother much with the secular world because most of them have demons and he has them under control. Only when one becomes a Believer does he apply full pressure to demonize them. The fact is, "Satan doesn't play fair".

UNCLEAN

Besides unclean food, curses come from many unclean objects. Some scriptures referring to unclean things other than food are as follows:

2Cor. 6:17 "Therefore, **COME OUT FROM THEIR MIDST AND BE SEPARATE,**" says Adonai. **AND DO NOT TOUCH WHAT IS UNCLEAN;** And I will welcome you."

Ezek. 44:23 "Moreover, they shall teach My people {the} {difference} between the holy and the profane, and cause them to discern between the **unclean and the clean.**"

Num. 16:26 "and he spoke to the congregation, saying, "Depart now from the tents of these wicked men, and touch nothing that belongs to them, lest you be swept away in all their sin."

Lev. 5:2 'Or if a person touches any unclean thing, whether a carcass of an unclean beast, or the carcass of unclean cattle, or a carcass of unclean swarming things, though it is hidden from him, and he is unclean, then he will be guilty."

I am convinced that sickness and most physical deformations, not due to personal abuse, broken, or damaged parts of the mind and or body, come from demons, and or curses. There are many examples but no one knows the full extent of these ailments. The curses of Deuteronomy affected the people of biblical times and still affect us today. Most of the curses from Satan are still in effect. It seems that many times the weaknesses of families go on for many generations. The influence of the various types of diseases, physical and mental problems, derived as a result of these curses, and the demons mentioned throughout scripture, cannot be verified. The following lists give you some idea as to what they may include.

SICKNESS OR ABNORMALITIES OF THE BODY

Cerebral palsy, blindness, pigeon toe, club foot, impotency, breast cancer, prostate cancer, midgets, cleft palate or tongue, MS, shingles, high blood pressure, heart attacks, hearing, inner and outer ear infections, back problems, strokes, buck teeth, protruding eyes or jaw, baldness, hearing problems, left handedness, vision problems, sinus difficulties, asthma, barrenness, sterility, addictions of all kinds including drugs, alcohol, food etc., Alzheimer's, Tourettes syndrome, dementia, arthritis, viral infections, hay fever, dysentery, hunchback, TB, down syndrome, mutations of limbs, Parkinson's, migraines, autism, stuttering, bed wetting, etc., can are often the result of a curse.

LEPROSY (TZARAAS)

Leprosy was what it was called when people were spiritually unclean, for whatever reason. Leprosy was what was sent on people who sinned with their mouth. In order to know it was leprosy, a priest had to declare it as such, and the person was isolated until they repented and changed their ways. The unclean/unholy life of an individual made him a spiritual leper. If

he didn't clean up his act, the spiritual leprosy became physical leprosy.

In **Acts 8:6-7** it says "And the multitudes with one accord heeded the things spoken by Philip, hearing and seeing the miracles which he did. For unclean spirits, crying with a loud voice, came out of many who were possessed **and many who were paralyzed and lame were healed.**"

Gen. 3:16 "To the woman He said, I will greatly multiply Your pain in childbirth, **In pain you shall bring forth children;** Yet your desire shall be for your husband, And he shall rule over you." The curse spoken to Eve relates to her function as a woman. Then to Adam He said, **Gen. 3:17** "Because you have listened to the voice of your wife, and have eaten from the tree about which I commanded you, saying, 'You shall not eat from it'; **Cursed is the ground because of you; In toil you shall eat of it All the days of your life. Both thorns and thistles it shall grow for you; And you shall eat the plants of the field; By the sweat of your face You shall eat bread, Till you return to the ground, Because from it you were taken; For you are dust, And to dust you shall return.**" This curse said child bearing would be painful, and it made woman subject to her husband's authority. The curse spoken to Adam about the land meant that the nature of the soil, would change, and would only produce fruits through hard labor. Thirdly, it meant that because of man's life being spent tilling the soil he would be subject to death and decay, which, before the fall, did not exist. **Gen. 2:15** "Then Yahveh took the man and put him into the garden of Eden to cultivate it and keep it".

The longest running man spoken curse in the Bible is still in existence. Elisha put a curse of leprosy on Gehazi's descendants for all generations.

2Kgs. 5:25 "But he went in and stood before his master. And Elisha said to him, "Where have you been, Gehazi?" And he said, "Your servant went nowhere. Then he said to him, "Did not my heart go {with you,} when the man turned from his chariot to meet you? Is it a time to receive money and to receive clothes and olive groves and vineyards and sheep and oxen and male and female servants? **Therefore, the leprosy of Naaman shall cleave to you and to your descendants forever.**" So he went out from his presence a leper {as white} as snow." Adonai Himself stated that He put the curse of leprosy on houses; if it's on a house, it must be on the people inside the house. (Lev. 14:33-35) The Hebrew word "tazria", used here for "leprosy" or "Hanson's Disease," is an incorrect translation. Tazria would be closer transliterated as a supernatural skin condition sent from Yahveh, rather than leprosy.

Jer. 42:18 "For thus says Adonai of hosts, Yahveh of Israel, "As My anger and wrath have been poured out on the inhabitants of Jerusalem, so My wrath will be poured out on you when you enter Egypt. And you will become a curse, **an object of horror, an imprecation, and a reproach; and you will see this place no more.**"

Mark 2:5 "And Yeshua seeing their faith said to the paralytic, "My son, **your sins are forgiven.**" In this verse we see that sins caused his paralytic problem.

AIDS will destroy the human temple of saints. If a person goes out and participates in a homosexual relationship, not only will he receive the defilement of demons, but he may also receive AIDS. The AIDS will destroy his physical body, thus destroying the temple of the born again Believer. A saint partaking of such evil deeds cannot expect Adonai to protect him from AIDS if he participates in a homosexual encounter, any more than he can expect El Gibor to protect him from receiving demons under the circumstances.

Paul pronounced a curse of **blindness** on Elymas in **Acts 13:9-12** "But Saul, who was also {known as} Paul, filled with the Holy Spirit, fixed his gaze upon him, and said, "You who are full of all deceit and fraud, you son of the devil, you enemy of all righteousness, will you not cease to make crooked the straight ways of Yahveh And now, behold, **the hand of is upon you, and you will be blind and not see the sun for a time.**" And immediately a mist and a darkness fell upon him, and he went about seeking those who would lead him by the hand. Then the proconsul believed when he saw what had happened, being amazed at the teaching of Adonai."

In Biblical times, curses were occasionally used by Believers. David used curses that never came into effect till generations later. One such curse came upon Judas of Iscariot about one thousand years after it was spoken. **Ps. 69:22-25** "May their table before them become a snare; And when they are in peace, {may it become} a trap. May their eyes grow dim so that they cannot see, And **make their loins shake continually.** Pour out Thine indignation on them, And may Thy burning anger overtake them. May their camp be desolate; May none dwell in their tents." (also in Acts 1:15-20).

Jgs. 9:57 "Also Yahveh returned all the wickedness of the men of Shechem **on their heads, and the curse of Jotham the son of Jerubbaal came upon them.**"

SICKNESS OR ABNORMALITIES OF THE MIND-SOUL

There is a distinction between the mind and the brain. You must remember, the "**MIND**" is not a physical thing. It is not an entity. It cannot be seen or touched. **The "MIND" cannot be damaged.** Therefore, mental problems can only come from either a physically damaged brain, curses, or demon spirits. Our mind is in the center of our brain, invisible to humans. Our mind can only be affected spiritually, and if you are a child of El Gibor your mind "**CANNOT**" be damaged. It is protected by the Holy Spirit's influence on your spirit, which in turn influences your soul. This in turn allows your mind to act accordingly, "**soulish,**" or "**spirit lead**". If you are not a Believer, then your mind can and is directed and controlled by the evil thoughts of your bodies (five senses) and your "soulish" soul. We are warned in the instruction book of life never to trust our "**soul**" (which includes emotions), only our "**spirit**".

In **Rom. 12:2** "Be ye transformed by the renewing of your mind" means our mind, will and emotions (soul), must be re-trained and transformed.

In **2Pet. 2:14** "having eyes full of **adultery** and that never cease from sin, enticing unstable souls, having a heart trained in greed, accursed children;"

In **1Cor. 6:17** "He that is joined unto Adonai is **one spirit, with Him**"

1John 2:16 "For all that is in the world, the **LUST OF THE FLESH** and the **LUST OF THE EYES** and the boastful **PRIDE OF LIFE**, is not from the Father, but is from the world." also 1Cor. 10:13.

Ps. 119:21 "Thou dost rebuke the **arrogant, the cursed, Who wander from Thy commandments.**"

In **Hebr. 4:12** it says "For the word of Yahveh is living and active and **sharper than any two edged sword and piercing as far as the division of soul and spirit**" This means clearly that the soul and the spirit are two separate things. The soul is ransomed, redeemed in Exod. 30:12-15, Ps. 49:8, and 34:22.

The only difference between an alcoholic and a glutton is the stimulant; one is in the shape of a bottle and one is in the form of food.

The following is a small list of what I believe are sicknesses of the soul due to curses and or demons: Homo-sexuality, lesbianism, transsexuals, bi-sexual, hermaphrodite, neutral (third) sex, AIDS, poverty;

as per North American or other Indians, bi-polar or manic depression, anorexia nervosa, bulimia, addictions of all kinds, retardation, madness, arachnophobia, claustrophobia, agoraphobia, phobias of all kinds, nightmares, day-dreams, insanity, mania, senility, hallucinations, impotency and schizophrenia, etc..

DREAMS

Many seem to put too much emphasis on dreams today. These dreams can be considered signs and wonders if they line up with the Word, and if the person having them is truly following El Shaddai. If one is not following Him according to the Bible, then I suspect the dreams are nothing more than the mind running loose for no particular reason, because of emotional events in ones life. Generally speaking, I don't believe we should put much significance in a dream, unless it lines up with a particular divine experience or occasion, as in being Baptized in the Holy Spirit. By this, I don't mean situations prompted by a "slain in the spirit" demonic manifestation, but rather, a divine "revelation or word of knowledge" from Yah. As per the Bible, we must always appraise what is going on around us. This includes our dreams. Appraise, but don't dwell on them.

2Cor. 10:5 *"{We are} destroying speculations and every lofty thing raised up against the knowledge of Yahveh, and {we are} taking every thought captive to the obedience of Messiah"* I would like to mention that in Gen. 41:32 we see the Pharaoh's dreams were repeated. This may establish a bit of a precedence biblically.

In most situations in today's society, I believe what often happens to servants of Yah is that He tries to communicate with them during the day perhaps but they are too busy to recognize it. The only time He can perhaps get their attention is when they go to bed, so He may get their attention in a dream. In this case it is certainly not something one should brag about or freely admit, because if one is properly spirit conscious they should hear His still small voice during their awake hours. In the Bible, dreams are talked about in Gen. 40:8, Jer. 29, and 23:28.

Satan can read your mind. Never blank out your mind. If you don't control it at all times, Satan will oblige you. It is then an open doorway for demons. If our mind is kept active during the day and a spiritual vision or daydream takes place, there is a good possibility it is divinely inspired. If our mind is inactive, as in meditation, Satan will take advantage of it every time, and fill our mind with thoughts that will take us astray. Our thoughts should always be holy, giving Satan no legal right to mislead us.

HOW TO IDENTIFY A CURSE

A curse is like a dark shadow from the past. You don't know where it comes from. It may not be from your lifetime, and probably has something to do with your family background. It stretches out over your life and somehow shuts out the sunshine of Yahveh's blessings. You see other people around you in the sunshine, but rarely do you ever get a chance to get into this sunshine yourself.

One characteristic of curses, is that frequently they will carry on from generation to generation until somebody knows how to cut them off. The result is that many people are enduring in their life, consequences from curses on the family blood-line that may have taken place many generations ago, even to the beginning of time. You have to trace your problem to it's source, and take the appropriate action in order to be released. Generally

speaking, if there is a sudden change for the worse in your life, it is probably because of a curse of some kind.

Both curses and blessings can be transmitted by physical objects. Example; at Pass-over communion we receive a blessing by taking wine from a cup blessed by Yahveh. This same cup that gives us a blessing, gives us a curse if our hearts are not pure, and we are not true towards Yahveh. (1Cor. 11:27-30)

INDICATIONS AND RESULTS OF A CURSE

1. mental or emotional breakdown
2. repeated or chronic sickness (hereditary)
3. female problems (barrenness, menstrual cramps etc.)
4. breakdown of marriage and family alienation (family not close together)
5. financial instability and insufficiency, poverty, sense of failure
6. accident prone
7. family history of suicide or unnatural deaths
8. constant humiliation, sadness
9. beneath, rather than above ground, not getting anywhere,
10. tail wagging the head not vice versa (when your soul and body controlling your spirit).

CURSE REMOVAL PROCEDURE FOR BELIEVERS

If you understand the previous mentioned information and you recognize them as pertaining to you, you should understand that these curses can be removed with the guidance of a person gifted/anointed in curse removal, using the following type prayers, done in the proper manner. Under extenuating circumstances Yahveh will deal with people individually in private. The sad fact is, that because most church organizations don't understand the truth about curses, it can be hard to find someone anointed enough to help you in the curse removal. These anointed people are parts of the body of Messiah that the churches are supposed to be informing the people about, but rarely do. When done properly, the gifted saint will simply lay hands on you

after all the prayers have been spoken, and ask God to remove the curses. As an anointed person, he or she acts as a representative for the kingdom of Yah to help set the captive free (Isa. 61:1). Once the curses have been removed, it is simple maintenance to keep them from landing again.

Curses cannot be removed from a secular person unless Yahveh makes an exception. This is yet another reason why the moment a person accepts Yeshua in their heart they have so much more freedom available than those who don't believe.

Follow the six steps listed below, and experience for yourself what this type of freedom, (a curse free life), is like. However, you must understand that once the curses are removed you must seek guidance from Yahveh so that more curses cannot bother you. A regular part of your prayer life should include curse removal.

When Yeshua died on the stake He took the curse of the law upon Himself, just like He took on all our infirmities, however these are not automatically applied. Even though you are born again by accepting Yeshua Hamashiach as your Messiah and Savior, it does not mean that you are automatically healed and delivered. Look around you. How many Believers do you know that are sick. It's not automatic to be healed and delivered. Yeshua has empowered the anointed ones in the assembly of His people with his Holy Spirit so that "**BY THE SPOKEN WORD**" we can cast out demons, heal the sick, and break the curses. We need to appropriate our redemption from the curses even though this has already been accomplished at Calvary. In the same way that we need to appropriate salvation and healing by being obedient to His spoken word, we need to break the curses by the spoken word. (Gal. 3:13)

It is realistic to conclude that all of us have curses upon us, whether they be from our past ancestry, from our present sins, or from others. The following procedure will bring about tremendous changes in a person's life. These procedures should be done periodically to be sure that no more curses affect you. Now, walk in the spirit, free from sin, and your life will be new.

After you go through the curse removal procedure you will sometimes find a remaining obvious demonic influence that has to be dealt with in deliverance. Deliverance is the final stage to total freedom.

The first two types of curses from Yahveh and from Satan can be broken only after repentance and forgiveness of the sins that have caused the curses (triggered them). The third type from what might be called illegal means, can easily be broken in the name of Yeshua.

1. RECOGNIZE YOUR PROBLEM

Ask Yah's written word to show you what it is that you are doing wrong. His Holy Spirit will guide you through the written word. Humble yourself in front of the Holy One that created the universe and everything in it. You are in His very presence! Change your way of doing things, and make sure it lines up with the Word, not the Christian church, "**FOLLOW HIM**".

2. REPENT

Repentance is: laying down our rebellion and submitting ourselves to Yah's righteousness. **Most people are, or have been angry with God, so make sure you repent of that if this is something you feel.**

Bind the spirit of un-repentance and unforgiveness by saying the following: "**I bind you spirit of un-repentance and unforgiveness in Yeshua's name**".

Most people have a pretty good idea of all the things that they need to repent of, so simply ask Yah to forgive you for them as you list them. Ask the Holy Spirit to show you what you need to **repent** of, and as He shows you, speak out loud. I suggest the following: "**I choose to repent of _____, in Yeshua's name**" (Example: I choose to repent of hating the Jewish people, in Yeshua's name.) This must be done for every sin that comes to your mind. You may or may not want to say out loud what the sin is if you are in public, so you can state the sin to yourself, but it must be vocalized. **Repentance is an inner change of mind, resulting in an outward turning back, or turning around, to face and to move in a completely new direction.** True repentance must always come before true obedience. Without true repentance, there can be no true obedience. **Acts 17:30** "*all men everywhere must repent*".

Luke 13:3-5 "*except you repent, you shall all likewise perish*" When you are finished listing the things you need to repent of, say the following out loud: "**I choose to repent of all known and unknown sins, in Yeshua's name**"

Ask El Gibor to accept your repentance on behalf of yourself, your children, your parents, and preceding generations.

3. CONFESS YOUR FAITH (make covenant with your mouth)

Humble yourself before Hashem. Be honest! Admit that you have a problem, and call your problem what it really is; E.g.. "**a spade is a spade, not an agricultural implement**". You must face the facts and be honest about your problems before you can be humble. El Gibor knows your problems, but He can't help you with them until you confess your obedience to Him.

Many Believers proclaim to be Believers and honestly believe they are "born again," but have never actually said the "Sinner's type" prayer out loud, so start there. Repeat out loud the enclosed "Sinner's prayer"

(included in this book). Then the “profession of faith prayer,” and the “rejection prayer” should be said out loud immediately following. Remember, you are coming to Yah for help. You are symbolically entering the Holiest Of Holies and He knows your every thought before you think it. Make sure that the proper name Yeshua is always used when introducing someone to Abba. There is POWER IN THE NAME!

4. RENOUNCE

Repeat out loud the enclosed “renunciation prayers,” which will renounce any association with most forms of witchcraft or any cult, occult or secret society that you may have been involved in the past.

Ps. 107:2 *“Let the redeemed of say {so}, Whom He has redeemed from the hand of the adversary,”*

5. FORGIVE

Forgive everyone who has ever hurt you. It must be done for yourself and for those who sinned against you. This must be done, or you need not proceed. This process eliminates Satan’s legal right to interfere or torment you because of “un-forgiveness”. This must be done no matter what your emotions tell you.

Remember you are never to trust your heart, only your spirit. You must speak out loud : **“I choose to forgive _____ in Yeshua’s name”** **Jer. 17:9** *“The heart is more deceitful than all else And is desperately sick; Who can understand it? When you are finished listing the people you need to forgive, say the following out loud: “I choose to forgive all those who have ever sinned against me, known and unknown, in Yeshua’s name”*

6. PRAY

Follow the procedures listed. Repeat the enclosed “CURSE REMOVAL PRAYER” (included in this book), out loud! Mean it! Your life will be changed! In extreme cases where people have been involved in witchcraft, occult groups, and familiar spirits, it is recommended to write and sign on a piece of paper the following: **“I _____ rebuke and make null and void all curses upon me and my family that have been put into writing or cast upon any objects by any person or group of person’s, in Yeshua’s name.”**

Curses sometimes take time to remove, but most can be removed instantly.

SUMMARY

If you have followed the above steps and meant what you said and thought, you will have a new beginning similar to your “born again” experience. You will step out from under the hail clouds, and into the sunshine of Hashem’s blessings. In many cases, health will be immediately restored after curse removal.

If your life doesn’t become peaceful and you aren’t experiencing the fruits and the gifts of the Holy Spirit (assuming you are baptized in the Holy Spirit), then you may need to go one step further. You may have demonic spirits present in your life, and you will then need to have them removed. This is another ministry, and I would recommend you read further in this book to help you delve into that final step to freedom. Deliverance can be a beautiful experience for those who are serious about wanting help, so you needn’t be afraid. This curse removal is one of two parts required for freedom.
