

SECRET SOCIETIES [PART 2 OF 4] FREEMASONS..KNIGHT'S TEMPLAR ORIGIN

There seems to be no correct answer in regards to who started the first Secret Society. Many believe Freemasonry is either the first or the second oldest fellowship organization known to man. Some believe it was started by the original brick masons that built the temples and shrines in Babylon in Biblical times. Then what we would call modern Freemasonry was started in 1717 in England. They were one of the originators of the New World Order.

The full name of the Free Masons is "Ancient Free and Accepted Masons".

There are two types of Masons, the actual craft mason, and the speculative mason (idealist, non craft) who has the intention to build the New World Order. Believe it or not, some think Buddha was their first great Masonic teacher.

KNIGHTS TEMPLAR

Some say that Masonry originates with the "Knights Templar" back in the 1300's. The Knights Templar were originally called "The Four Knights Of The Temple Of King Solomon". Jaques Dei Moley was the head of the Knights of Templar. He was considered the top satanist of his time and was burned at the stake around 1307 by the King of France. The King of France, Phillippe le Bel had all the Templars in France arrested on October the 13th 1307, and had them sentenced to death. The charges brought against them were:

- 1) The ceremony of initiation into their order was accompanied by insults to the Cross, the denial of Christ, and gross obscenities.
- 2) The adoration of an idol which was said to be the image of God (Baphomet).
- 3) The omission of the words of consecration at Mass,
- 4) The right that the lay chiefs arrogated to themselves if giving absolution.
- 5) The authorization of unnatural vice.

The King stated: The Templars in fact; cursed the cross, cursed the Roman Catholic Jesus, and swore allegiance to Baphomet, and sanction all this with unusual vice".

When the Knights Templar were destroyed, a few managed to escape. They set forth to rescue the holy places of Palestine from the Saracens, and formed an association under the name of Freemasons. Thus indicating that their principal desire was the reconstruction of the Temple of Solomon.

The Bavarian government banned both the Illuminati and Freemasons on March 2/1785. Their leaders were forced to leave their country and went to the colonies now known as the USA.

The Illuminati and Masons had an Alliance between them sealed in secrecy on July 16/1782 at the Congress of Wilhelmsbad. The Mason's are the foot soldiers.

Both Freemasons and Knights Templar have very similar initiation rituals. Both during a ceremony "tread down the shoe and bare the knee".

BELIEFS

There are about 5-6 million Masons in North America and 1 million Shriners (upper Masonry echelon)

Freemasonry defines itself as a system of morality. Masons are taught that they can save themselves through moral good deeds rather than by Gods grace.

Lodge system

The main Masonic Lodge of America is located in New York city, the Capital of Babylon America.

The Blue lodge is the first three degrees in freemasonry, most members never get beyond this level. It consists of; entered apprentice, fellow craft, and master mason. If one chooses to go beyond the Blue Lodge there are two levels that can be taken: the York Rite and the more common Scottish Rite. The Scottish rite consists of 32 degrees, the 33rd. being an honorary degree only. After getting to the Master mason level, the man can move up into the Scottish Rite (32 degree)

or York rite (13 degree) level. Then become a Shriner. The elite Shriners can go into another level called "Jesters". It is believed there are actually Masons up to the 50 degree level that are not talked about.

The Scottish Rite includes 29 degrees beyond the Blue Lodge, culminating in the 32nd degree. The York Rite has the equivalent of the 29 degrees of the Scottish Rite and advancement along this path culminates in the degree; "Knights Templar". In addition, the Shrine (Ancient Arabic Order, Nobles of the Mystic Shrine), is available to 32 degree Masons and Knight Templar. Masons are supposedly a Protestant group, yet those of the highest order in Masonry can become Shriners. The Shrine is the "Show Army of Masonry", it maintains a very high profile.

After the 32nd degree, if one so chooses, he can buy his way into the Shriner's. In each of the 32 degrees of the Scottish Rite, they must worship a different Greek, Persian, Egyptian etc., pagan god. Each degree that Mason's move up costs them money, it involves a satanic ritual. For the 30th degree Masons have communion and drink wine from a human skull that represents the dead brethren gone before them, like Zoroaster.

During the 33rd degree initiation ceremony: The oath is sealed by drinking wine out of a human skull. *"May this wine I now drink become a deadly poison to me, as the Hemlock juice drunk by Socrates, should I ever knowingly or willfully violate the same"*

A member dressed as a skeleton places his arms around the candidate who then states: *"And may these cold arms forever encircle me should I ever knowingly or willfully violate the same"*. Each person who does this is presented, along with the Scottish Rite ring, a copy of Albert Pike's book: Moral and Dogma. They are then told that it was the source book for Freemasonry and its meaning. They are also told that it must never leave their possession, and that arrangements must be made so that upon their death it would be returned to the Scottish Rite.

Supposedly a master mason can raise the dead with a thing called the "lions claw".

The secret society cult of the Masons is linked to the Rosicrucians.

INITIATION

Initiation of the apprentice degree consists of a man being 1/2 nude, blindfolded with a hangman's noose around his neck. He is pricked with a sword on his left breast and has his finger pricked to draw blood to make a blood covenant (oath) with the organization and everything involved in it. He has to make a motion across his neck like he is cutting his throat, when he promises not to divulge to anyone the secrets of freemasonry or he will be put to death. He is told that he is coming from darkness into light. He must bow down to the worshipful master of the lodge. This initiation is almost identical to the witchcraft initiation in satanic covens.

These secret covenants are against scriptures **Exod. 23:32** (Moses talking to the pagan worshipers of Israel) **"You shall make no covenant with them, nor with their Gods"**
The following are quotes from oaths of various degrees

of the Masonic Lodge you have to see to believe:

Part of the Apprentice degree oath: *I _____, of my own free will and accord, in the presence of almighty God, and this worshipful lodge, erected to him, most solemnly and sincerely promise and swear, that I will always hail, ever conceal, and never conceal, any of the arts, parts or points of the hidden mysteries of ancient Freemasonry. All this I most solemnly, sincerely promise and swear, binding myself under no less penalty than that of having my throat cut across, my tongue torn out from its roots, and my body buried in the rough sands of the sea should I ever knowingly violate this my Entered Apprentice obligation. So help me God.*

Part of the oath for the 3rd degree, The Master Mason degree: (I am) binding myself, under no less penalty than that of having my body severed in two, my bowels taken from me and burned to ashes, the ashes scattered before the four winds of heaven, that no more remembrance might be had of so vile and wicked a wretch as I would be, should I ever, knowingly, violate this my Master Mason's obligation, so help me God.

The certificate of the third degree Mason has on it a picture of Moses with horns.

Part of the oath of the Past Master degree of the York rite: *I promise and swear, that the secrets of a brother of this degree, delivered to me in charge as such, shall remain as secure and inviolable in my breast, as they were in his own before communicated to me, murder and treason excepted, and those left to my own election.*

Part of the oath of the Royal Arch degree of the York Rite: *I swear that I would sooner have my skull struck off than divulge any of the secrets of this degree unlawfully and have my brain exposed to the scorching rays of the noonday sun. I furthermore promise and swear, that I will assist a companion Royal Arch Mason when I see him engaged in any difficulty, and will espouse his cause so far as to extricate him from the same, whether he be right or wrong. To all of this which I do most solemnly and sincerely promise and swear, with a firm and steadfast resolution to keep and perform the same, without any equivocation, mental reservation, or self evasion of mind in me whatever; binding myself under no less penalty, than to have my skull smote off, and my brains exposed to the scorching rays of the Meridian sun, should I knowingly or willfully violate or transgress any part of this my solemn oath or obligation of a Royal Arch Mason. So help me God, and keep me steadfast in the due performance of the same.*

From the initiation of the 10th degree of the Scottish Rite:

I do promise and swear upon the Holy Bible to keep exactly in my heart all the secrets that shall be revealed to me. And in failure of this obligation, I consent to have my body opened perpendicularly, and to be exposed for eight hours in open air, that the venomous flies may eat of my entrails, my head to be cut off and put on the highest pinnacle of the

world, and I will always be ready to inflict the same punishment on those who shall disclose this degree and break this obligation. So may God help and maintain me. Amen. (The sign of the oath is to place the point of the poniard under the chin, and draw it downward to the waist, as if in the act of ripping open the abdomen).

From the initiation of the 13th. degree of the Scottish Rite: I _____, do promise before the Great Architect of the Universe never to reveal the secrets which are to be entrusted to me, especially what is to be revealed to me of the sacred mysteries. I promise to renew my zeal for masonry, and if I fail in this, my present engagement, I consent to suffer all the pains of all my former obligations, my body to be exposed as food to the ferocity of the wild beasts. (This degree also teaches, "You are now bound by your word of honor, and you may still retire. But one step more, and you are bound to us forever and at the peril of your life.

From the initiation of the 14th. degree of the Scottish Rite: I do most solemnly and sincerely swear on the Holy Bible, and in the presence of the Grand Architect of the Universe never to reveal the mysteries of this our Sacred and High Degree. In failure of this, my obligation, I consent to have my belly cut open, my bowels torn from thence and given to the hungry vultures. (The initiation discourse by the Grand Orator also states, "to inflict vengeance on traitors and to punish perfidy and injustice").

From the 17th. degree of the Scottish Rite: I _____, do promise and solemnly swear and declare in the awful presence of the Only One Most Puissant Almighty and Most Merciful Grand Architect of Heaven and Earth that I will never reveal to any person whomsoever below me the secrets of this degree which is now about to be communicated to me, under the penalty of not only being dishonored, but to consider my life as the immediate forfeiture, and that to be taken from me with all the torture and pains to be inflicted in manner as I have consented to in the preceding degrees. (During this ritual the All Puissant teachers, "The skull is the image of a brother who is excluded from a Lodge or Council. The cloth stained with blood, that we should not hesitate to spill ours for the good of masonry").

From the 18th. degree of the Scottish Rite: Master; 7 raps--all rise and candidate is conducted to and caused to kneel on the step to the altar with his right hand on the Bible: I, _____, do solemnly and sincerely promise and swear under the penalty of all my former obligations which I have taken in the preceding degrees, never to reveal directly or indirectly, the secrets or mysteries of this degree under the penalty of being forever deprived of the true word, to be perpetually in darkness, my blood continually running from my body, to suffer without intermission the cruel remorse of soul; that the bitterest gall, mixed with vinegar, be my constant drink; the sharpest thorns for my pillow and that the death of the cross may complete my punishment should I ever infringe or violate in any manner or form the laws and rules which have been, are now, or may be hereafter made known or prescribed to me. And I do furthermore swear, promise and engage on my sacred word of honor, to observe and obey all the decrees which may be transmitted to me by the Grand Inspectors General in Supreme Council of the 33rd. degree, so help me God and keep me steadfast in this my solemn obligation. Amen. (Candidate think kisses the Bible).

From the 25th. degree of the Scottish Rite: I do most solemnly promise and swear, before the most high God, that I will never reveal the secrets of this degree, binding myself under no less a penalty than that of having my heart eaten by the most venomous of serpents and left thus to perish most miserably; from which may the almighty creator of the universe guide and defend me.

From the 28th. degree of the Scottish Rite: I, _____, promise and swear, in the presence of the Great Architect of the Universe never to reveal any of the secrets of the degree of the Knights of the Sun and should I willfully violate this my obligation, may my brethren seize me and thrust my tongue through with a red hot iron, to pluck out my eyes and deprive me of smelling and seeing, to cut off my hands and expose me in that condition in the field to be devoured by the voracious animals, and if none can be found, may the lightning of heaven execute on me the same vengeance.

From the 30th. degree of the Scottish Rite: (During the taking of this oath the Grand Provost of Justice holds the point of his sword to the heart of the candidate). I, _____, of my own free will and accord, do hereby solemnly and sincerely promise and swear to keep faithful the secrets of the sublime degree of Knights Kadosh and strictly to obey the statutes of the order all of which I promise to do, under penalty of death. So help me God.

After each of the oaths the Mason says he is binding himself under no less penalty than (in addition to all former penalties) to have his tongue split from tip to root.

Note of interest

In 1974 the Vatican gave official permission for Catholics to join a Masonic Lodge. (Avro Manhattan, 1983, Protestant Knight of Malta, English Historian).

The Roman Catholic Vatican, the Roman Catholic Masons, Roman Catholic Knights of Malta, and the Roman Catholic Mafia, are all linked together at the top. They are all after One World Order and One World Money. The aim of Masons is to put Lucifer in control of the world. Masons go along with the Eastern Religions that believe in the dualistic god. Example: dark and light, male and female, good and evil, etc. Chinese call it Yin and Yang. They believe that God has a dark side and a light side. They believe the light side is really Lucifer and the dark side is Adonai. The final secret of Masons is that Lucifer is God, but most under 32 degrees never have this revealed to them. Just the top dogs are supposedly enlightened. This dualism creates a problem for Masons and Eastern Religions because their god has no opposition, no opposite. The devil is not opposition because he is allowed to do what he does because of his legal rights.

KING JAMES THE FREEMASON

"On the west wall of the lodge-hall used by the Freemason's Lodge Scoon and Perth No. 3 in Perth, Scotland, can be found a mural depicting King James VI (authorizer of the King James Bible), kneeling at their altar at his initiation. The oldest existing record of the Lodge, called "The Mutual Agreement" of 24 December, 1658, records that King James was "entered Freemasonry as a Fellow-craft of the Lodge of Scoon" on 15 April, 1601."

Royal Freemasons

(Part 1)

James (VI of Scotland 1st of England)

King of Scotland (1567-1625), and the first Stuart King of England (1603-25). English historians have tended to portray him as a coward and a fussy and foolish pedant: 'The wisest fool in Christendom'. In fact he was reasonably successful in his main goals, increasing national prosperity, maintaining peace with Europe and settling the church. Today, he is remembered for commissioning the so-called King James' Bible, or Authorized Version. A

James D Shaw writes: "With the Koran on the altar, we sealed our solemn oath in the name of "Allah", the God of Arab, Moslem and Mohammedan, the God of our fathers".

From the complete oath of obligation, Ancient Arabic Order of Nobles of the Mystic Shrine [Shriner's]: "In willful violation whereof may I incur the fearful penalty of having my eyeballs pierced to the center with a three-edged blade, my feet flayed and I be forced to walk the hot sands upon the sterile shores of the Red Sea until the flaming Sun shall strike me with a livid plague, and may **Allah**, the god of Arab, Moslem and Mohammedan, the god of our fathers, support me to the entire fulfillment of the same".

So in reality Masons are simply a part of what was once called the "Mystery Religion", just as Jesuits are. Islam is the religion behind

this mystery and Rome controls it all. **So in reality, Rome and Islam have always been in bed together.**

Norman Vincent Peale (33rd degree Freemason) writes: "Freemasonry has always welcomed men of all faiths and religious beliefs to enter its doors. The only requirement is for good men to believe in the Supreme Architect and immortality of the soul".

Most masons think the organization is like a fraternity, boy scouts type thing, and do not know the depth of this religious organization.

Their original rituals and theology's come from Paganism.

Members are actually lead to believe that they are being brought into a Biblical organization, because they frequently use Bible quotes to give that impression. The Bible tells us that demons know scriptures too!!

Masons teach that Yeshua (Jesus), is just another great teacher, in the same category as Buddha, Confucius, or Mohammed.

TEUTONIC KNIGHTS

The black and white flag/cross that originated with this Crusader order later became what we now call the Swastika symbol of Nazism. The triskele (triskelion) type occult symbols represent the Celtic version of the Yin-Yang symbol of life and a modification of the swastika. The triskele represents the sea, and good luck. It also represents cauldron (abundance and inspiration), which celebrate Cerridwen, the Celtic goddess of transformation, also known as the goddess of wisdom and witchcraft.

The Teutonic Knights, which started out as the Brethren of the German Hospital of St Mary, **were a German Secret Society of the Roman Catholic Church in North-eastern Europe.** They were a crusading order that held small parcels of land throughout the Holy Land. Their primary headquarters in Montfort region of northern Palestine.

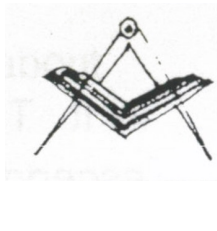

Unsurprisingly, when it came to the organization of the Teutonic Order, there were many similarities to other Crusader orders like Templars and Hospitaller's. To that end, the upper-most administrative strata comprised the Hochmeister (literally 'high master') who were the Grand Masters of the Teutonic Knights.

In 1244 AD, many of the military orders suffered a fateful defeat at the hands of the Ayyubids, with the Teutonic Knights losing 397 of their 400 actual knights in the encounter.

In spite of this massive reversal, the Teutonic Knights continued to exert influence in the nearby Armenian Kingdom of Cilicia – possibly to counter the Templars from the neighboring Principality of Antioch, thus suggesting how political rivalry was present even between Crusader religious orders. However the fall of Acre in 1291 AD finally symbolized the end of their crusading endeavours in the Holy Land.

BLACK MASONS..THE PRINCE HALL MASONS LODGE

Few people seem to realize that there were Masonic Lodges for Black People only. The Prince Hall Masons Lodge was originally formed because a black man, by the name of Prince Hall, who had been freed from slavery, tried to join the local Free Mason's Lodge. He was rejected because of his color. He managed to get a charter from the European branch of the Mason's and started his own lodge back in 1775. This was the first Black Man's Masonic Lodge, which ended up being the foundation of the "Civil Rights Movement" in America. Many lodges were started all over America after his Prince Hall lodge was started.

The NAACP (National Association for the advancement of colored people) was actually created as a result of the colored Masons in America. Medgar Evers, a 32 nd degree Mason member of the Ancient and Accepted Scottish Rite was one of the founders of the NAACP.

Martin Luther King Jr's. father, Martin Luther King Sr. (1900-1984), was a member of the 23rd lodge of Freemasons in Atlanta Georgia. Martin Luther King Jr. was purportedly going to join the Prince Hall Masons in Atlanta Georgia in 1968. He was murdered just a few days before his official initiation into the Free Masons craft.

On Jan 4/2017 Congressman John Lewis, a member of the Free Masons Lodge, the St. James Lodge #4, introduced an act to declare a Martin Luther King Jr. Historical Park in Georgia where Martin Luther was born. The act was passed. The area includes the location of the Prince Hall Masonic Lodge.

Black people who were famous Masons:

- Alex Haley (1921-92) the writer of the famous "ROOTS" book, and biographer of "Malcom X", was a 33rd degree Mason.
- Count Basie Musician
- Dizzy Gillespie Musician
- Duke Ellington Musician
- Lionel Hampton Musician
- Nat King Cole Musician
- Nelson Mandela Antiapartheid revolutionary and political leader.
- Paul Robeson Musician
- Ossie Davis Actor, activist
- Paul Robeson Actor, activist
- Ricard Pryor Comedian
- Sugar Ray Robinson Boxer
- Shaquille O'neal Basket ball player
- Thurgood Marshall Was the first black member of the US Supreme Court. He was supported by the Prince Hall Masonic Lodge in Louisiana.
- WC Handy Musician

AMERICAN NAZIS

The number 14 is very symbolic in Nazism, it represents white supremacy. The reason being that Hitler spoke 14 specific words in his "Mein Kampf" book: **"We must secure the existence of our people and a future for white children"**. That quote is the "mission Statement" of White Supremacy groups in America (shin-heads). Many in the occult have the number 14 tattooed inside a circle representing the words in Mein Kampf. There are about 200 Nazi groups, also known as "Skin-heads", in America.

Ft. Bragg, a US Military Base, had a huge amount of its members that were Nazis years ago. They had Nazi symbols all over the base, boasting proudly. They joined the Military to learn how to become expert marksmen, fighters, and terrorists so that they could use those skills to wage war against their own government in the future. The "National Socialist Movement", "White Aryan Resistance", "National Alliance Movement", and "Neo Nazi Movement", all stand for, and aim for the same thing, which is to have a "White Only" America.

Masonic occult symbols and crests:

The "swastika" and the "SS" used by Hitler's army, is an occult symbol used in Masonry, Hinduism, Satanism, and many New Age Occult religions. Depending on the direction faced, (turned or reversed), the swastika of Hinduism is also a sign of the sun, representing "good fortune", "darkness and death", and a mark of the "Destroyer god".

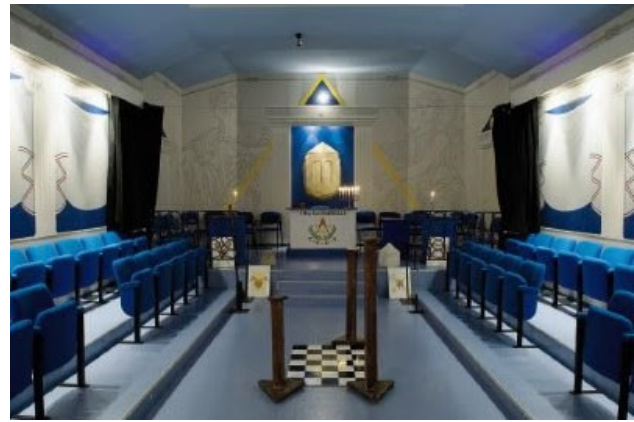

The point within a circle is one of the Masons more prominent symbols, it is derived from sun worship of phallic origin. The circle represents the sun god Rah, Osiris or Apollo. The circumference of the circle represents the universe. The point in the center of the circle (circumpunct), actually represents (the male organ penetrating the womb (circle) of Osiris. They are thought of as a creative force in nature.

The square and compass with the letter G in the middle is used as the mason symbol. The square represents the female, and the compass represents the male coming down upon her to impregnate her to produce life and immortality.

Masons must put on a white lambskin apron when they enter their lodge. This apron is a symbolic mockery of the lamb of God. This apron is used to cover up their generative organ. Masons worship the male regenerative power, the female regenerative power, and the actual organs. The Masons are proud of their lamb skin aprons that they wear in front of their white throne judgment of their god. They don't seem to realize that the white throne judgment was for evil, damned people in front of YHVH (Rev. 20:11).

In Masonry, Satanic Brotherhoods, and Witchcraft, prayers are ended with the words "so mote it be".

Masons use the letters "AL" as the designation for years since the time of creation. It is Latin for "Anno Lucis", "Annuit coeptis", which can mean various things. It is found on the American seal.

Tarot cards are used by Masons.

In the 1700-1800's Masonry was considered a political party.

Christian Science church is strongly influenced by Masons.

The Theosophical Society is strongly influenced by Masons.

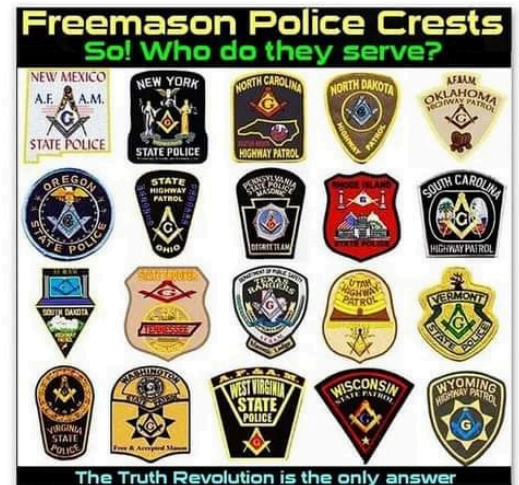

Masons have role playing in the higher degrees.

Masons attempt to bring all religions of the world under one cover.

Another mysterious Masonic quote is: **"The light of a Master Mason is Darkness visible"**.

Upon initiation, Masons must remove their wedding ring. Many Masons have a special ring. Sometimes this ring has a stone in it that rotates, on one side it has the letter M, and when rotated looks like a regular type ring.

The name of our Hebrew Son of Yahveh, "Yeshua", cannot be spoken in the Mason Lodge while the men are dressed in their full regalia.

The Lodges always have a holy Bible on display but many Lodges have in fact the "Gita", "Quor'an", "Granth" and the "Zenda Avesta," so-called holy books in the Lodge.

Many Lodges have a checkered black and white floor. The 3 part pattern represents "Evil", "Merge," "Good," continuously. It represents the "Black Pope and White Pope of the Roman Whore, and the Ying and Yang New Age idea.

The **"JAH-BUL-ON"** (Jahbulon), god that the Masons say is the secret name of the Lord, actually stands for: "Jahweh of the Hebrews", "Bul or Baal of the Assyrians" and "On or Osiris of the Egyptian gods". The god of Masonry is also called Abaddon. (Rev. 9:11)

According to the encyclopedia of Freemasonry, A.G. Mackey, a well known leader of Masonry, claims, "the legend of the craft in the old constitution refers to **"Nimrod"** as one of the founders of Masonry".

Masonry is very common in most police detachments around the world, especially the RCMP and American police forces. The fact that those RCMP who are to uphold the laws of our nation are Masons is something we all need to be concerned about.

Police departments and spy agencies all over the world are now consulting with what they call profilers to get supernatural insight into situations they come across in regards to homicides etc., that are hard to figure out or extra mysterious. They have given witches official names like profilers, and changed the means with which they consult the demonic forces like astral projection to politically correct names like remote viewing. The FBI, CIA and other forces, are

doing similar things under the guise of national security. It is consulting with the devil, the same as any other ESP or channeller no matter what picture they try to paint.

Political leaders who are 33 degree Masons: Newt Gingrich 33, Bob Dole 33, Jack Kemp 33, Storm Thurmond 33, Colin Powell 33, Jesse Helms 33, Barry Goldwater 33, Al Gore 33.

The Masons and Mormons are tied together in many ways, but mostly because Joseph Smith, the original Mormon prophet, was an active member of the Freemasons and intertwined Masonry and Mormon traditions. This

is why the Mormon's became so secretive, like the Masons. At one time Mormons had their own Masonry lodges.

They are affiliated with the Mormon's, who believe their God "Elohim" lives on a planet called Kolob, in another galaxy. They use the name "Elohim" to confuse people because that is the plural proper male name of God the Father in Heaven.

Sir John A McDonald, George Washington, Benjamin Franklin, Winston Churchill, and the previous Arch Bishop of Canterbury were Free Masons.

Osirus, Donis, and Isis, are the names of Egyptian pagan gods that are mentioned frequently in the old masonry doctrine.

Because of their occult beliefs, generation after generation of free mason family members are constantly infected with mental problems and crippling due to demonic influences brought on by the demon spirits put on the family blood line.

The Shriner's and Masons are well known for helping hospitals, children, etc., but many are Satan's Angels of light, possessed by demons, and not even knowing it.

The Freemasons' 'god', p.236

- In the ritual of exaltation, the name of the Great Architect of the Universe [The Freemason's god] is revealed as JAH-BUL-ON - not a general umbrella term but a precise designation that describes a specific supernatural being - a compound deity composed of three separate personalities fused in one. Each syllable of the 'ineffable name' represents one personality of this Trinity:
- JAH -Jahweh, The God of the Hebrews.
- BUL - Baal, the ancient Canaanite fertility god associated with 'licentious rites of imitative magic'.
- ON - Osiris, the Ancient Egyptian god of the underworld.

Summary

The moment any man or woman in one of these secret societies (or otherwise as a matter of fact), takes a blood oath, he loses the heart Yah equipped him with, and has a new spiritual heart of stone replace it.

Their heart is spiritually hardened so that no matter what you try to explain to them, they cannot hear. The only way to deal with such a problem is to symbolically give them a renewed heart or a

completely new heart. This may sound strange to most, but the spoken word of Yah can renew a heart. It can be done by anointed people in the deliverance and healing ministry.

Most members never proceed beyond the first level, which is the Blue Lodge level, so they never find out what their organization is all about. This is one of the goals of the higher level masons, to keep their members ignorant of their real purpose, which is to worship their God Jah-bul-on. The apprentice, and minor members, are kept in the dark and are usually just interested in camaraderie, not the politics (poison), of the club.

In Europe there is a masonic 360 degree called "The Rite of Memphis Mitzrayim" founded in 1881, combining the older Rites of Memphis and Misraim. It is known for having a large number of degrees (up to 99), a focus on esoteric and spiritual development, and for **accepting both men and women in its lodges**, which makes it different from many mainstream masonic orders.

In Ancient Accepted Scottish Rite Freemasonry all Masons who have attained the 32nd degree receive the title: "Sublime Members members of the Prince of the royal secret".

Every time a lodge opens its doors for fellowship they do the same ritual, they recite liturgy out loud. They walk around the temple area and when they come to the Master on the east side they recite: "as the sun rises in the east, to rule and govern the day, so also rises the worshipful master in the east to rule and govern the lodge". Then the master stands up and he "knocks up the lodge", which means he raps the devil three times. All Masonic lodges have their temple area facing east where the high priest stands behind the altar. That means they symbolically have their back to the ark of covenant, the truth.
